Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 1, 2019 Middlefield Banc Corp. made conditional stock awards to officers and employees, including President and CEO Thomas G. Caldwell (nominal award: 2,698 shares), Executive Vice President and Chief Operating Officer James R. Heslop, II (nominal award: 1,489 shares), and Senior Vice President, Chief Financial Officer and Treasurer Donald L. Stacy (nominal award: 1,245 shares). The award amount is a percentage of the award recipient's salary, divided by the share price at the end of 2018. The closing price of the shares on December 31, 2018 was \$42.43. The percentage of salary for purposes of calculating the award to Messrs. Caldwell is 30%, and that for Messrs. Heslop, and Stacy is 25%. Including the conditional stock awards of Messrs. Caldwell, Heslop, and Stacy, a nominal award total of 14,565 shares was made to officers and employees.

The award recipient will not become the owner of and entitled to the shares unless two conditions are satisfied: a service condition and a performance condition. The conditional share awards do not confer on the recipient any shareholder rights, including the right to vote or the right to cash dividends, until the conditions are satisfied or waived.

The award recipient must maintain service with Middlefield Banc Corp. and affiliates until the third anniversary of the award to satisfy the service condition, but the service condition is waived if the recipient dies or becomes disabled before that date or if a change in control of Middlefield Banc Corp. occurs before that date. The performance condition will be satisfied if the average annual return on Middlefield Banc Corp. stock for the years 2019, 2020, and 2021 is at least 10.00%. For this purpose annual return is the sum of annual dividends and the excess of the closing stock price on the final trading day of the year over the closing price on the final trading day of the preceding year, divided by the closing stock price on the final trading day of the preceding year. The three-year average of the annual returns for 2019, 2020, and 2021 will determine whether the 10.00% goal is satisfied. If the 10.00% goal is not satisfied but the average annual return is positive, the recipient will become the owner of and entitled to a portion of the conditional stock award, forfeiting the remainder. The portion that will be issued to the recipient is the percentage of the total award equal to the percentage achievement of the 10.00% goal. If the average annual return is negative, the entire award is forfeited, unless the Compensation Committee waives the performance condition. If average annual return exceeds 10.00%, the nominal amount of the conditional stock award will increase, up to a maximum of 125% of the nominal award, increasing based on the percentage excess of actual average return over the 10.00% goal. Accordingly, the maximum potential conditional stock award total is 18,199 shares, including a maximum for Mr. Caldwell of 3,372 shares, for Mr. Heslop of 1,861 shares, and for Mr. Stacy of 1,556 shares.

The agreement includes a one-year prohibition against competition after employment termination. This summary of the agreement's terms is qualified in its entirety by reference to the copy of the form of conditional stock award agreement attached as an exhibit.
