## **Item 1.01 Entry into a Material Definitive Agreement**

### **Private Placement**

On September 26, 2006, Newgold entered into a Securities Purchase Agreement (the "Purchase Agreement") and a Registration Rights Agreement (the "Registration Rights Agreement") in connection with a private placement of convertible debentures, in the aggregate principal amount of \$2,200,000 and bearing interest of 8% per annum (the "Debentures"). On November 1, 2006 the Purchase Agreement was amended to increase the aggregate principal amount of the convertible debentures to \$3,000,000. The Debentures will be funded \$1,000,000 at the closing, \$1,000,000 upon the filing of a resale registration statement with the Securities and Exchange Commission and \$1,000,000 upon the registration statement being declared effective. The Debentures will be due and payable in three years from the date of issue unless converted into shares of the Company's common stock or repaid prior to their expiration date. The maximum conversion rate is \$0.4735 per share subject to certain adjustments. Additionally, pursuant to the amended Purchase Agreement, the investor was issued warrants (the "Warrants") to purchase an aggregate of 3,500,000 shares of Newgold common stock with 2,000,000 warrants exercisable at \$0.45 per share and 1,500,000 warrants exercisable at \$0.60 per share. The Warrants have a term of four years and are immediately exercisable.

Pursuant to the Registration Rights Agreement, the Company is obligated to file a registration statement with the Securities and Exchange Commission within 30 days of the closing of the transaction covering the possible resale from time to time in the future of the shares of common stock underlying the Debentures and the Warrants. The Registration Rights Agreement provides for certain penalties to the Company if the registration statement is not filed or does not become effective before dates specified in that agreement. Each of the Company and the investor has agreed to indemnify the other party and certain affiliates against certain liabilities related to the registration statement.

Yorkville Advisors LLC acted as advisor for the financing and received customary due diligence and structuring fees based on the aggregate gross proceeds of the transaction.

### **Item 2.03 Creation of a Direct Financial Obligation**

See Item 1.01 above, which disclosures are incorporated herein by reference. When fully funded, the secured Debentures will represent \$3,000,000 of debt owed by the Company. The Debentures bear interest at an annual rate of 8% which accrues until the maturity date which is three years from the date of issue at which time all principal and accrued interest not previously converted into Newgold common stock or repaid, will be due and payable. Both principal and interest are convertible into shares of the Company's common stock at a 5% discount from the average bid price existing at the time of conversion or \$0.4735 per share, whichever, is lower. The \$0.4735 price per share is subject to adjustment for stock splits, dividends or if securities of the Company are sold at a price below \$0.4735 per share (with certain exceptions). Newgold

may repay the debt early by paying a Redemption Premium equal to 10% of the principal amount being redeemed plus accrued interest thereon.

The investor also has a right to participate in any future financings by Newgold occurring after 18 months following the closing.

The Debenture is secured by 146 unpatented mining claims existing on the Company's Relief Canyon mining property located in Pershing County, Nevada. In addition, the Company has pledged an additional 10,000,000 shares of its common stock which could be issued to the investor in the event of a default depending on how much of the Debenture principal and interest remained at the time of the default.

### **Item 3.02 Recent Sales of Unregistered Securities**

See Item 1.01 above, which disclosures are incorporated herein by reference. The issuance of the Debenture and Warrants was completed in accordance with the exemption provided by Rule 506 of Regulation D of the Securities Act of 1933 and/or Section 4(6) of the Securities Act of 1933, as amended. The investor represented that it is an accredited investor, as defined in Rule 501 of Regulation D, and that it was acquiring the securities for its own account, not as nominee or agent, and not with a view to the resale or distribution of any part thereof in violation of the Securities Act.
