Indicate by check mark if the registrant is submitting the Form 6-K in paper as permitted by Regulation S-T Rule 101(b)(7):

As previously reported, on October 2, 2017, Yulong Eco-Materials Limited (the “Company”) received a notice from NASDAQ acknowledging the fact that the Company had failed to maintain a minimum market value of publicly held shares (“MVPHS”) of \$1,000,000 over the previous 30 consecutive business days as required by the NASDAQ Capital Market set forth in the NASDAQ Listing Rule 5550(a)(5) (the “Rule”). NASDAQ rules provided the Company a 180 day to regain compliance with the Rule through April 2, 2018. In order to regain compliance, the Company must demonstrate a market value of publicly held shares of at least \$1,000,000 for at least 10 consecutive business days.

On October 17, 2017, NASDAQ notified us that it has determined that for the last 10 consecutive business days, from October 2, 2017 to October 16, 2017, the Company’s MVPHS has been \$1,000,000 or greater. Accordingly, the Company has regained compliance with the Rule and NASDAQ has closed this matter.
