(1) The common stock warrants and convertible notes provide a limitation on the exercise or conversion of such warrants and notes, such that the number of shares of common stock that may be acquired by the holder upon exercise of the warrants or conversion of the notes is limited to the extent necessary to ensure that, following such exercise, the total number of shares of common stock then beneficially owned by the holder does not exceed 9.99 percent of the total number of issued and outstanding shares of common stock, including for such purpose the shares of common stock issuable upon such exercise or conversion, of the Issuer without providing the Issuer with 61 days prior notice thereof.

(2) The formula for determining the number of shares of common stock that may be acquired by the holder upon conversion of the notes is subject to adjustment as a result of, among other factors, future offerings of the securities of the Issuer and the number of the shares of common stock of the Issuer on a modified fully-diluted basis.
