ITEM**7.01** Regulation FD Disclosure**Satisfaction of Lien**

On or about September 10, 2007 Dalrada satisfied the Longview Fund's and the related debt holder's (together called the "Debt Holders") Lien on its assets which was filed as part of its February 13, 2006 funding. The transfer of Dalrada's assets to the Debt Holders was also completed on or about September 10, 2007. The consideration given for the transfer of Dalrada's asset was the elimination of \$7.4 million in convertible notes held by the Debt Holders (see below schedule). Concurrently, Dalrada withdrew its Form SB2 filed on January 31, 2007 which was registering the shares underlying the convertible debt

Dalrada does not have the resources to satisfy its remaining outstanding claims and is therefore evaluating its options including the declaration of bankruptcy, obtaining capital from other sources and other strategic alternatives.

{For operator; do not remove this hidden text: ToC is made up of Headings 1 and 2 plus the field codes from Heading 3. That's because most paragraphs at level 3 have no text to put in the ToC; the field codes are there for those paragraphs that do have ToC text. So when updating the ToC check the contents of the field code, i.e. should "5.1.1 Consent" become "5.2.1 Consent of Buyer" or whatever.}
