ITEM 8. FINANCIAL STATEMENTS AND SUPPLEMENTARY DATA.

REPORT OF INDEPENDENT AUDITORS

To the Sole Member of  
Opteum Financial Services, LLC  
Paramus, NJ

We have audited the accompanying consolidated balance sheet of Opteum Financial Services, LLC and subsidiaries (the "Company") (a wholly owned subsidiary of Opteum Inc.) as of December 31, 2005 and the related consolidated statements of operations, stockholders' equity and cash flows for the period from November 3, 2005 (Date of Acquisition) to December 31, 2005. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards as established by the Auditing Standards Board (United States) and in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such consolidated financial statements present fairly, in all material respects, the financial position of Opteum Financial Services, LLC and subsidiaries as of December 31, 2005 and the results of their operations and their cash flows for period from November 3, 2005 (Date of Acquisition) to December 31, 2005 in conformity with accounting principles generally accepted in the United States of America.
