Bonus awards will be prorated for the period of time the participant is a member of the plan; e.g., the bonus for a qualified manager hired on June 23rd would be prorated by 50%. Determination of how much is awarded to each participant is a function of up to five criteria. Achievement of objectives and goals will be determined by the Compensation Committee of the Board of Directors after considering recommendations made by the President. Possible ratings range from 0% to 200% for each category. Awards will be made when declared in cash less required taxes and withholdings.
