\* A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

\*\* We expect that delivery of the Notes will be made against payment therefor on or about December 5, 2018, which will be the fifth business day following the date of the pricing of the Notes (such settlement being herein referred to as "T+5"). Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade the Notes prior to the date of delivery will be required, by virtue of the fact that the Notes initially will settle in T+5 business days, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement.

Investors are advised to carefully consider the investment objective, risks, charges and expenses of the Company before investing.
