**PRESS RELEASE**

**PETROBRAS announces Association with CEMIG**

---

(Rio de Janeiro, August 11, 2004) - PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA], a Brazilian international energy company, announces that the Board of its wholly-owned subsidiary Petrobras Gás S/A GASPETRO has approved the signing of an Association Agreement ( Agreement ) with Companhia Energética de Minas Gerais - CEMIG to promote the consumption of natural gas in the State of Minas Gerais.

The Agreement envisages the purchase by GASPETRO of stock representing 40% (forty percent) of the total capital of Companhia de Gás de Minas Gerais - GASMIG, the piped gas distribution utility in the state. The price to be paid for the holding is R\$ 144 million, to be adjusted based on the December 31, 2003 balance sheet. Implementation of the Agreement is still subject to approval by the Legislative Assembly of the State of Minas Gerais.

This acquisition is in line with the objectives established in Petrobras' Strategic Plan of developing and leading the Brazilian natural gas market through integrated operations. The Agreement involves the contribution of additional funds required to develop and expand the transport and distribution gas pipeline network that will permit the expansion of the gas market in the State from the current 3.5 million cubic meters per day to 7.6 million cubic meters per day by 2010.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
