**PRESS RELEASE**

**Petrobras re-organize their assets in Argentina**

---

(Rio de Janeiro, November 12th, 2004) - PETRÓLEO BRASILEIRO S/A - PETROBRAS, [Bovespa: PETR3/PETR4, NYSE: PBR/PBRA, Latibex: XPBR/XPBRA], a Brazilian international energy company, announces that in a meeting held today its Board of Directors approved a transaction to re-organize the Company's assets in Argentina. Petrobras' decision immediately followed a meeting of the Board of Directors of Petrobras Energía S.A. (Buenos Aires Stock Exchange: PESA) that approved the same transaction.

Under the approved transaction, PESA will absorb certain Argentine subsidiaries of Petrobras. Petrobras holds its interest in these Argentine companies through its wholly owned Spanish subsidiary Petrobras Participaciones SL (PPSL). As a consequence of the merger, PPSL shall receive newly issued shares of PESA.

This transaction will streamline the corporate structure of Petrobras' assets in Argentina, generate synergies, provide an enhanced platform for Petrobras to pursue its Southern cone growth strategy, and enables management to extend responsibilities over a larger portion of Petrobras' Argentine businesses in an integrated manner.

Under the terms of the proposed transaction, Petrobras, through PPSL will transfer to PESA its ownership in three companies: Eg3 S.A., Petrobras Argentina S.A. and Petrolera Santa Fe S.R.L.. Petrobras currently holds 99.6% of Eg3 S.A., 100.0% of Petrobras Argentina S.A. and 100.0% of Petrolera Santa Fe S.R.L.

Petrobras, through PPSL, currently holds 58.6% of Petrobras Energia Participaciones (PEPSA), a holding company which holds 98.2% equity interest in PESA. As a result of this transaction, Petrobras through PPSL, will receive 230,194,137 newly issued shares of PESA. Upon completion of the transaction, Petrobras, through PPSL will hold, directly and indirectly, 67.2% of PESA.

The proposed transaction is subject to approval by shareholders' meeting at PESA and the necessary regulatory approvals. Additional information about the transaction and the companies involved will be made available to the shareholders at the Companies' head offices and to the public at the Stock Exchange. The parties expect the transaction to be completed in the second quarter of 2005.

The Board of Directors of PESA has received fairness opinions issued by the Goldman Sachs Group Inc. and PricewaterhouseCoopers International Limited. After considering such fairness opinions, PESA's Audit Committee has reviewed the terms of the transaction and issued its favorable opinion. Morgan Stanley & Co. advised and rendered a fairness opinion to Petrobras in this transaction.

**About Eg3 S.A.:**

A refining and distribution company whose assets include the Ricardo Elicabe refinery located in the Bahia Blanca complex, with a capacity of approximately 31 thousand barrels a day, one lubricant plant, logistical facilities and approximately 700 service stations under the brand name Petrobras and Eg3 throughout Argentina.

**About Petrolera Santa Fe S.R.L.:**

An oil and gas production business consisting of 5 fields in the Neuquina, San Jorge and Cuyana basins, with current production of approximately 11.1 thousand barrels oil equivalent per day (boed) and 43 million barrels oil equivalent (boe) of proved reserves, as of December 31, 2003.

Edgar Filing: BRAZILIAN PETROLEUM CORP - Form 6-K

**About Petrobras Argentina S.A.:**

An oil and gas production business consisting of 1 field in Noroeste basin, with production of approximately 7.0 thousand boed and 27 million boe of proved reserves, as of December 31, 2003.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
