2. INFORMATION REGARDING THE OFFER (ISSUANCE)

The Offer (Issuance) will be the first offer under the First Securities Distribution Program of the Issuer and the Issuer's 5th debentures issuance, being the 4th public.

Initially, 108,000 debentures, unsecured, non-convertible into shares, single series, , guaranteed by Brasil Telecom Participações S.A., for public distribution, in a total amount of R\$1,080,000,000.00 (one billion, eighty million reais), with par value of R\$10,000.00 (ten thousand reais), shall be issued on June 1st, 2006 (the Par Value and the Issuance Date).

The original number of Debentures of the Issuance may be increased in up to 20% (twenty percent), without the need to file a new request to CVM. The Issuer may also grant to the Arrangers the option to distribute a supplementary lot, intended exclusively to attend the demand in excess, as it may be necessary under the Offer (Issuance), with the original number of Debentures of the Issuance being subject to an increase of up to 15% (fifteen percent). The Debentures that are issued beyond the original amount foreseen shall be distributed under the regime of best efforts. The interest rate (coupon) of the Debentures shall be defined by the Company, upon *bookbuilding* proceeding to be conducted by the Arrangers.

The Debentures shall be remunerated by interest rates (coupons) of up to 104.30% of the daily average Domestic Interbank Rates of one day, ex-Group, expressed in percent form, with a base of 252 business days, calculated and disclosed daily by the Câmara de Custódia e Liquidação (CETIP and the Domestic Interbank Rate), calculated exponentially and cumulatively, *pro rata temporis* per business days. Interest shall be paid semi-annually.

The Debentures shall mature in 7 years as from the Issuance Date, maturing on June 1st, 2013, without the possibility of extension.

The Debentures will be amortized annually, as of June 1st, 2011, in three tranches corresponding to 33.3%, 33.3% and 33.4% of the Par Value, respectively, and shall benefit from a guarantee by Brasil Telecom Participações S.A.

The Offer (Issuance) was approved by the Extraordinary General Shareholders Meeting held on April 28, 2006 and the applicable conditions shall be approved by the Board of Directors Meeting.

3. INFORMATION REGARDING THE PROCEDURE OF THE OFFER (ISSUANCE)

The Arrangers will place the Debentures, on a firm commitment basis, without any joint liability among the Arrangers. The public placement of the Debentures will begin after the grant of the registration of the Offer by the CVM, the publication of a notice of the beginning of the Offer (Issuance) and after the Final Supplement is available to investors.

The distribution procedure will comprise the receipt of investment intentions, with no subscription of reserves. Institutional Investors of the relationship of the Arrangers which are willing to acquire debentures shall have priority, including investment funds, even those who are not qualified investors.

The Debentures shall be registered for distribution in the primary market, at CETIP through the Sistema de Distribuição de Títulos SDT; and for negotiation in the secondary market, at CETIP, through the Sistema Nacional de Debêntures and, in Bolsa de Valores de São Paulo BOVESPA s Sistema de Negociação BovespaFix, in accordance with the compensation and settlement controls established by the Companhia Brasileira de Liquidação e Custódia.

4. ESTIMATED DATES AND PLACES FOR DISCLOSURE OF THE DISTRIBUTION

The Issuer and the Arrangers shall disclose the Issuance by means of the distribution of advertising material related to the Issuance, in the period between the date the Preliminary Prospectus Program is made available and the date in which the final remuneration of the Debentures, through Bookbuiding process is defined. Presentations to investors are scheduled to take place on May 31st and June 1st, 2006 in the cities of São Paulo and Rio de Janeiro, respectively. For further information regarding the Debentures, please contact the Issuer and the Arrangers.

The public distribution of the Debentures shall take place after the registration of the Issuance with CVM, the Prospectus is made available to investors and the publication of the respective notice of beginning and shall be intermediated by the Arrangers. All interested investors may subscribe the Debentures using the Sistema de Distribuição de Títulos SDT s procedures, controlled by the Câmara de Custódia e Liquidação CETIP.

The announcement of the beginning and end of the public distribution of Debentures, subject of this Issuance, shall be published on the Diário Oficial da União (Federal Gazette), Jornal de Brasília and Valor Econômico newspapers.
