SHARE GROUPING

According to Board of Directors Meeting held on 03/07/2007, Brasil Telecom Participações S.A. (Company) informs that the management will submit to the Extraordinary General Shareholders Meeting of 2007, to be summoned, the share grouping of their respective shares, as follows:

I Share Grouping: The shares will be grouped from the ratio of 1,000 (one thousand) shares per round lot to 1 (one) share of the same type.

II The objective: (1) to adjust the unit quotation value of the shares to a more adequate level from a stock market perspective, since the quotation of the shares in Reais gives greater visibility as compared with the price per lot of 1,000 (one thousand) shares; (2) to reduce operating costs to the Company and its shareholders; (3) to increase the efficiency of reporting controls, as well as the disclosure of information to the shareholders.

III Notice to Shareholders: Once the grouping is approved by the Extraordinary General Shareholders' Meeting, the Company will disclose Notice to the Shareholders establishing a period of 30 (thirty) days, as of the publication of the notice, for the shareholders, at their own criterion, to adjust their equity position, buying or selling, by type, into lots that are multiples of 1,000 (one thousand) shares through trading on the São Paulo Stock Exchange - *BOVESPA* or on over-the-counter.

IV - Unit Quotation:

Once the period established for the adjustment has expired, the share grouping of their respective shares will be grouped and traded with unit quotation.

V - Sale of the Fractional Shares:

The eventual fractional shares will be separated, grouped in whole numbers and sold in an auction to be carried out on the São Paulo Stock Exchange, with the respective values being credited on the bank accounts of the owners of the fractional shares. For those shareholders whose shares are blocked or whose records are not updated, the amount will be retained by the Company and made available at Banco ABN AMRO Real S.A. (Depository Institution) to the

applicable shareholder for payment upon presentation of proper documentation evidencing the unblocking of the shares or identification for the record, as the case may be.

VI ADR American Deposit Receipt:

The ADR Shareholders, representative of the preferred shares will be changed from the current ratio of 5,000 (five thousand) shares per ADR to 5 (five) shares per ADR.

After that, the Board of Directors Company authorized the management to practice all the acts to do necessary to accomplishment of the shares grouping operation.

Brazil, Brasília, March 8th, 2007.
