Obs.:

(1) The payment of Monthly Dividends in replacement of the Monthly Interest on Own Capital was approved on March 17th, 2008. The change was implemented for dividends paid as of April, which were paid on May 2nd, 2008.

(2) Dividends related to the month of April/2008 were also paid to shares subscribed in the capital increase approved at the Special Shareholders Meeting of January 4th, 2008 and ratified at the Special Shareholders Meeting of March 24th, 2008, and approved by the Central Bank of Brazil on March 27th, 2008.

(3) Adjusted to R\$0.012017500 per common share and R\$0.013219250 per preferred share from the Dividends related to May/2008, paid on 6.2.2008, due to the 50% bonus share approved in the Special Shareholders Meeting held on March 24th, 2008, which just aimed at adjusting the price of the shares in the market to a more attractive level for trading, providing an improved liquidity to the shares. Thus, the shareholders will continue receiving equal amount of Dividends.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
