Negotiations for Guar Pilot Project

Rio de Janeiro, January 27, 2010 Petrleo Brasileiro S.A. Petrobras informs that it signed yesterday, together with the BG Group and Repsol, a Letter of Intent with the Consortium Schahin/Modec for the construction and leasing of a FPSO (Floating, Production, Storage and Offloading) for the Guar pilot project , located in the BM-S-9 block, Santos basin.

The Letter considers that the contract to be executed for the construction of the FPSO should provide a local content of 65%, and that the integration of the modules should be done in Brazil, as well as, a 20-year lease term.

The FPSO, with a production capacity of 120,000 barrels of oil and 5 million cubic meters of gas per day, is expected to start up by the end of 2012. The Guar pilot project is the second one to be developed in the pre-salt area.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
