Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On October 25, 2004 our wholly-owned subsidiary, DNA Computing Solutions, Inc. ("DCS"), expanded its revolving credit arrangement with FirstCapital Bank ("FirstCapital") by entering into a new Loan Agreement with whereby it can borrow up to \$600,000 on a revolving basis. This new agreement is in addition to the \$575,000 loan agreement with FirstCapital that was entered into in July 2004. Collectively, these loan agreements provide for borrowings of up to \$1,175,000 (the "Loans"). The Loans are secured by the fixed assets, accounts receivable and inventory of DCS and by limited guarantees provided by a group of private investors, including one of our directors. The advances under the Loans bear interest, payable monthly, at prime plus 1%. All amounts outstanding under the Loans are due January 30, 2006 but may be repaid at any time without penalty.

Item 3.02. Unregistered Sales of Equity Securities.

As consideration for providing the guarantees that secure the new loan agreement referred to in Section 2.03 herein, we have entered into a Reimbursement Agreement dated July 22, 2004 with the guarantors. Pursuant to the Reimbursement Agreement and related agreements, the investors have the right to purchase up to 3,333,333 shares of our common stock for \$600,000 in cash, the proceeds of which will be used to repay amounts outstanding under the new loan agreement and provide for the release of the guarantees. In addition, the investors have received warrants to purchase an aggregate of 6,666,667 shares of our common stock at a price of \$0.20 per share. The warrants may be exercised at any time through July 31, 2010.

The Company has entered into registration rights agreements with each of these investors, and has agreed to file a registration statement registering the 3,333,333 shares of common stock that may be purchased by the investors upon repayment of the Note and the up to 3,333,333 shares of common stock to be issued upon the exercise of the warrants. The registration statement is to be filed no later than December 31, 2004.
