Item 1.02 Termination of a Material Definitive Agreement.

On March 16, 2007, we redeemed all of our outstanding 9.625% Senior Subordinated Notes Due 2012 (the "9.625% Notes") and terminated the indenture relating to the 9.625% Notes between us, as Issuer, and The Bank of New York Trust Company, N.A., as Trustee, as more fully discussed in our press release dated March 16, 2007, which is incorporated herein by reference.

In December 2006, we completed a \$375 million 7.75% Senior Subordinated Note offering with the intention of refinancing the 9.625% Notes. The proceeds from the offering of 7.75% notes were temporarily used to repay amounts outstanding under our revolving credit agreement in the U.S. and a portion of our U.S. floorplan borrowings. We funded the aggregate redemption price of the Notes (approximately \$314 million) principally with U.S. floor plan borrowings. The Bank of New York Trust Company N.A. remains the trustee under our outstanding 7.75% notes and 3.5% convertible notes.

The 9.625% Notes were unsecured senior subordinated notes, subordinate to all of our existing senior debt, including debt under our credit agreements and floor plan indebtedness. The 9.625% Notes were guaranteed by substantially all of our domestic subsidiaries on a senior subordinated basis. The 9.625% Notes also contained customary negative covenants and events of default.

Item 9.01 Financial Statements and Exhibits.

Exhibit 99.1 Press Release.
