**Top of the Form**

**Item 1.01 Entry into a Material Definitive Agreement.**

On February 8, 2008, Avery Dennison Office Products Company ("ADOPC"), a wholly-owned subsidiary of Avery Dennison Corporation (the "Company"), entered into a credit agreement for a term loan credit facility ("Credit Facility") with fourteen domestic and foreign banks (the "Lenders") for a total commitment of \$400 million, maturing February 8, 2011. ADOPC's payment and performance under the agreement are guaranteed by the Company. Financing available under the Credit Facility is permitted to be used for working capital and other general corporate purposes, including acquisitions. The Credit Facility typically bears interest at an annual rate of, at ADOPC's option, either (i) between LIBOR plus 0.300% and LIBOR plus 0.850%, depending on the Company's debt ratings by either S&P or Moody's, or (ii) the higher of (A) the federal funds rate plus 0.50% or (B) the prime rate. The Company used the Credit Facility to pay down commercial paper previously issued to fund the acquisition of Paxar Corporation, described in Note 2, "Acquisitions," to the Company's Quarterly Report on Form 10-Q for the quarterly period ended September 29, 2007. The Credit Facility is subject to customary financial covenants, including a leverage ratio and an interest coverage ratio.

**Item 1.02 Termination of a Material Definitive Agreement.**

Effective as of February 13, 2008, the Company is terminating its bridge revolving credit agreement, dated June 13, 2007, with five domestic and foreign banks.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

In connection with the entry into the Credit Facility referenced under Item 1.01 above, the Company incurred borrowings of approximately \$400 million.
