**Item 8.01 Other Events.**

Converted Organics Inc. (the "Company") has received notice that a complaint has been filed in the United States District Court for the District of Massachusetts, captioned Aboriginal Import Export, Ltd. and Nicholas G. Brusatore (the "plaintiffs") v. TerraSphere Systems LLC, Converted Organics, Inc., William A. Gildea, Edward Gildea, Mark C. Gildea, and TerraSphere, Inc. (the "defendants"). The allegations in the complaint relate to the Company's acquisition of TerraSphere Systems, LLC in November 2010. The complaint alleges that the individual defendants breached their fiduciary duties in agreeing to the acquisition, and made misrepresentations and material omissions to the plaintiffs in connection with the plaintiffs agreeing to the acquisition, which plaintiffs allege constitute fraud in the inducement. The plaintiffs are also challenging the restrictive covenant included in the acquisition agreement regarding the ability of the controlling sellers of TerraSphere Systems, LLC to compete with the Company for a period of five years. The plaintiffs have demanded monetary damages in an amount to be determined at trial, rescission of the acquisition transaction or monetary damages in an amount equal to the value of the plaintiffs' interest in TerraSphere Systems, LLC, and a declaration that the restrictive covenant is void and unenforceable. The plaintiffs further alleged that the actions of the defendants constitute an unfair trade practice pursuant to Massachusetts law, and are therefore subject to treble damages. The plaintiffs have also made a books and records demand on the Company. This matter is in the earliest stages of its proceedings.
