Item 1.01 Entry into a Material Definitive Agreement.

On November 6, 2012, FleetCor Technologies, Inc. (the "Company") entered into the second amendment (the "Amendment") to its five-year, \$900 million Credit Agreement (the "Credit Agreement"), by and among the Company, as guarantor, FleetCor Technologies Operating Company, LLC, the other Guarantors, the Lenders party thereto and Bank of America, N.A., as administrative agent. The amendment adds an additional term loan of \$250 million and increases the borrowing limit on the revolving line of credit from \$600 million to \$850 million. The Company also revised the option to increase the facility from an additional \$150 million to an additional \$250 million. In addition, the amendment makes certain modifications to the Credit Agreement's limitations on restricted payments. As amended, the Credit Agreement provides for a \$550 million term loan facility and a \$850 million revolving credit facility. The interest rates on the amended Credit Agreement did not change.

The Company anticipates using the increased facility primarily to help fund future acquisitions, for working capital and other general corporate purposes, including to potentially fund share repurchases from certain of its significant legacy investors. The terms and timing of any future repurchases would be subject to the discretion of the Company's board of directors and the Company currently does not have any specific plans.

At this time there are no other material relationships between the Company and the various parties to the above disclosed agreement. Affiliates of the parties to the agreement disclosed above and the Company have engaged one another and may engage one another in the future in the ordinary course of business.

The above description of the Amendment is a summary and is qualified in its entirety by reference to the full text of the executed document, which is filed as Exhibit 10.1 hereto, respectively.

On November 7, 2012, the Company issued a press release regarding the Amendment, which is attached hereto as Exhibit 99.1.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth above in Item 1.01 is hereby incorporated by reference into the Item 2.03.

Item 9.01 Financial Statements and Exhibits.
