Item 1.01 Entry into a Material Definitive Agreement.

On August 1, 2014, Nordson Medical Corporation, a wholly owned subsidiary of Nordson Corporation ("Nordson Medical"), entered into an Agreement and Plan of Merger (the "Merger Agreement") with Avalon Laboratories Holding Corp., a Delaware corporation ("Avalon"), Arriba Merger Corp., a wholly owned subsidiary of Nordson Medical ("Merger Sub"), American Capital Equity III, LP (the "Representative") and, for the limited purposes set forth therein, Nordson Corporation ("Nordson"), pursuant to which Merger Sub will merge with and into Avalon, with Avalon surviving the merger as a wholly owned subsidiary of Nordson Medical (the "Acquisition"). Avalon is a leading designer and manufacturer of specialty cannulae, catheters and other complex wire-reinforced medical tubing products for the cardiology and pulmonology market segments. The Acquisition is expected to close in August 2014, subject to customary closing conditions.

Under the Merger Agreement, Nordson Medical will acquire Avalon on a cash-free and debt-free basis for an aggregate purchase price of \$180 million, subject to certain adjustments (including a customary working capital adjustment).

The Merger Agreement contains customary representations, warranties and covenants made by Nordson Medical, Merger Sub and Avalon. Subject to certain exceptions, the representations and warranties of Avalon survive until the 12-month anniversary of the closing of the Acquisition. Specified fundamental representations and warranties, such as organization, authorization, capitalization and stockholder approval survive indefinitely, and representations and warranties relating to employee benefits and tax matters survive until 90 days following expiration of the applicable statute of limitations. Indemnification claims are generally capped at \$5.4 million, except for indemnification claims relating to breaches of certain fundamental representations and warranties and breaches of covenants. Indemnification claims are also generally subject to a \$1.8 million aggregate deductible and to a separate \$50,000 individual threshold.

The Merger Agreement may be terminated at any time prior to closing by the mutual written consent of Nordson Medical and Avalon, by Nordson Medical or Avalon upon a material breach of the Merger Agreement (subject to certain customary limitations) and by Nordson Medical or Avalon if the transactions contemplated by the Merger Agreement have not been consummated on or before August 31, 2014 (subject to certain customary limitations). The closing of the Acquisition is subject to certain customary closing conditions.

A copy of the press release, dated August 4, 2014, announcing the Acquisition is attached hereto as Exhibit 99.1.
