Item 2.01 Completion of Acquisition or Disposition of Assets

On September 15, 2006, Ferris Holdings, LLC, sold its building at 5631 S 24th Street in Phoenix, AZ, to MW Building, L.L.C., an unrelated purchaser, for \$1,210,430.00. Substantially all of the sales proceeds were applied to repayment of an existing bank mortgage, which we had guaranteed, and to costs relating to the sale.

Bob Ferris, our president, is the owner of Ferris Holdings, L.L.C., and since December 31, 2004, when we adopted FASB Interpretation No. 46R (FIN 46R), Consolidation of Variable Interest Entities (Revised), we have been consolidating the financial statements of Ferris Holdings, L.L.C. with our own financial statements in accordance with that interpretation. The building was the sole asset of Ferris Holdings, L.L.C. Sale of the building will reduce our fixed assets by approximately \$886,000, and will reduce our long term liabilities by \$1,133,538, representing the remaining outstanding balance on the mortgage that was paid off from the sales proceeds.

The building currently houses our engineering, technical, and production operations. In connection with the sale, we terminated our lease on the space housing these operations. At the end of September we intend to move the operations to a 8,000 square foot facility located at 1406 W 14th St, Tempe, AZ. Monthly rental for the new facility will be \$7,611 per month, compared to the \$18,058 per month in principal and interest required to service the debt on the old facility.
