Item 5.04 Temporary Suspension of Trading Under Registrant's Employee Benefit Plans.

On October 19, 2010, Dynegy Inc. ("Dynegy") provided notice to its employees and officers informing them of a blackout period for the Dynegy Inc. 401(k) Savings Plan, the Dynegy Midwest Generation, Inc. 401(k) Savings Plan, the Dynegy Midwest Generation, Inc. 401(k) Savings Plan for Employees Covered Under a Collective Bargaining Agreement and the Dynegy Northeast Generation, Inc. Savings Incentive Plan (collectively, the "401(k) Plans") and the trading restrictions that apply to them during the blackout period. Specifically, participants and beneficiaries will not be able to move investments into or out of the Dynegy Stock Fund held in their individual accounts during the blackout period or request a distribution of any amounts invested in the Dynegy Stock Fund.

The blackout period is required to facilitate the elimination of the Dynegy Stock Fund as an investment option under the 401(k) Plans as a result of the previously announced acquisition of Dynegy by Denali Parent Inc., an affiliate of The Blackstone Group L.P. (the "Merger"). Assuming receipt of required regulatory approvals and timely satisfaction of other closing conditions, including the approval by Dynegy stockholders of the proposal to adopt the previously announced Agreement and Plan of Merger, dated as of August 13, 2010, Dynegy anticipates that the Merger will be consummated by the end of November 2010. The blackout period is currently expected to begin on November 19, 2010 and end on November 30, 2010.

A copy of the notice to employees and officers is attached here as Exhibit 99.1 to this current report in Form 8-K and is incorporated herein by reference.

financial results, including anticipated cash flows from operations, revenues and profitability; (xii) beliefs and expectations regarding the Plum Point Project; (xiii) expectations regarding Dynegy's revolver capacity, credit facility compliance, collateral demands, capital expenditures, interest expense and other payments; (xiv) Dynegy's focus on safety and its ability to efficiently operate its assets so as to maximize its revenue generating opportunities and operating margins; (xv) beliefs about the outcome of legal, regulatory, administrative and legislative matters; (xvi) expectations and estimates regarding capital and maintenance expenditures, including the Midwest Consent Decree and its associated costs; and (xvii) uncertainties associated with the Merger, including uncertainties relating to the anticipated timing of filings and approvals relating to the Merger and the sale by an affiliate of Blackstone of certain assets to NRG Energy, Inc. (the "NRG Sale"), the outcome of legal proceedings that have been or may be instituted against Dynegy and/or others relating to the Merger and/or the NRG Sale, the expected timing of completion of the Merger, the satisfaction of the conditions to the consummation of the Merger with an affiliate of Blackstone and the NRG Sale and the ability to complete the Merger.
