We are holding the Annual Meeting for the following purposes:

1. to vote to elect six (6) nominees named in the Proxy Statement to serve as directors until the 2017 Annual Meeting of Shareholders and until their respective successors are duly elected and qualified;
2. to vote to approve an amendment to our amended and restated articles of incorporation to change our name to “Washington Prime Group Inc.”;
3. to vote upon a non-binding and advisory resolution regarding the compensation of the Company’s named executive officers;

The Proxy Statement following this Notice describes these matters in detail. We have not received notice of any other proposals to be presented at the Annual Meeting. You may vote at the Annual Meeting and any postponements or adjournments thereof if you were a holder of record of our common shares as of the close of business on Friday, July 1, 2016, the record date fixed by our Board of Directors for determining the holders of record of the common shares

If you are a shareholder of record then you may change your vote or revoke your proxy at any time before your proxy is exercised at the Annual Meeting by following the voting instructions found on the Notice Regarding the Internet Availability of Proxy Materials that you received or by filing with the Corporate Secretary of the Company a duly signed revocation or another proxy card bearing a later date than the initial proxy card submitted. Alternatively, you may also change your proxy vote by attending the Annual Meeting in person and voting in person; however, mere attendance at the Annual Meeting will not serve to revoke a proxy unless you specifically request such a revocation. If your common shares are held in a stock brokerage account or by a bank or other nominee, then you must contact the institution or representative that holds your shares and follow its instructions for revoking your proxy. Beneficial owners of common shares held in a brokerage account, by a bank or other nominee are advised that if you do not timely provide instructions to your broker, banker, or nominee, your shares will not be voted in connection with the election of directors (Proposal 1) or with respect to the proposal to approve an amendment to our amended and restated articles of incorporation to change our name to “Washington Prime Group, Inc.” (Proposal 2) or with respect to the advisory resolution regarding the compensation of the Company’s named executive officers (Proposal 3).

PROXY STATEMENT

Annual Meeting of Shareholders to be Held on Tuesday, August 30, 2016 at 9:00 a.m., local time.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Who is Soliciting My Vote?

The Board of Directors (the “Board”) of WP Glimcher Inc., an Indiana corporation and real estate investment trust or REIT, is soliciting proxies from the holders of WP Glimcher Inc.’s issued and outstanding common shares of beneficial interest, \$0.0001 par value per share (the “Common Shares” or “Common Stock”) to be voted at the 2016 Annual Meeting of Shareholders (the “Annual Meeting”), and any adjournments or postponements of such meeting for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders (the “Meeting Notice”). From time to time throughout this Proxy Statement, WP Glimcher Inc. will be referred to as the “Company,” “WPG,” “we,” “us,” “our,” or “our company.”

Your Vote is Very Important

Our Annual Meeting this year is being held at the offices of Blank Rome LLP, The Chrysler Building, 405 Lexington Avenue, 24th Floor, New York, New York 10174-0208, which you are invited to attend. Under rules adopted by the Securities and Exchange Commission (“SEC”), we have elected to provide access to our proxy materials for the Annual Meeting over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the “Notice”) beginning on or about July 21, 2016 to our shareholders of record. If you received the Notice by mail, you will not receive a printed copy of the proxy materials unless you request it in the manner described in the Notice. The Notice includes instructions on how to access the proxy materials over the Internet or to request a printed copy of the proxy materials. Whether or not you plan to attend our Annual Meeting, please take the time to vote.

Voting by Shareholders of Record. If you are a common shareholder of record, you may vote in person at the Annual Meeting. We will give you a ballot when you arrive. If you do not wish to vote in person or if you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy over the Internet, by mail, or by telephone following the instructions provided in your proxy card or Notice.

Voting by Beneficial Owners. If your Common Shares are held in an account at a brokerage firm, bank, broker-dealer, or other similar organization, then you are the beneficial owner of Common Shares held in “street name.” If you are a beneficial owner and you wish to vote in person at the Annual Meeting, you must obtain a valid proxy from the organization that holds your Common Shares. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may provide voting instructions to your broker. If you hold your Common Shares in “street name,” please check the materials provided by your broker or contact your broker, nominee, fiduciary or other custodian(s) to determine if you will be able to vote over the Internet or by telephone.

What Am I Voting on?

There are four proposals to be considered and voted on by holders of Common Shares (the “Common Shareholders” or a “Common Shareholder”) at the Annual Meeting:

Proposal 1: Election of the six (6) director nominees named in this Proxy Statement to serve until the next annual meeting and until their successors are duly elected and qualified.

Table Of Contents

Proposal 2: A vote to approve an amendment to our amended and restated articles of incorporation (the "Articles") to change the name of our company to "Washington Prime Group Inc."

Proposal 3: An advisory vote to approve the compensation of the Company's named executive officers.

Proposal 4: Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

What are the Board's Voting Recommendations?

The Board unanimously recommends that Common Shareholders vote **FOR** each of the Board's nominees for election as directors and **FOR** Proposals 2, 3, and 4.

What Happens If Additional Matters are Presented at the Annual Meeting?

We know of no other matters other than the items of business described in this Proxy Statement and the Meeting Notice that will be considered at the Annual Meeting. If other matters properly come before the Annual Meeting, the persons named as proxies will have the discretion to vote on those matters for you.

How Do I Attend the Annual Meeting?

The Annual Meeting will be held at 9:00 a.m., local time, on Tuesday, August 30, 2016 at the offices of Blank Rome LLP, The Chrysler Building, 405 Lexington Avenue, 24th Floor, New York, New York 10174-0208. For directions to the Annual Meeting so you can attend and vote in person, you can find them here: <http://blankrome.com/index.cfm?contentID=50&itemID=5> or you may contact our Investor Relations department, via mail at WP Glimcher Inc., Attn: Investor Relations, 180 East Broad Street, Columbus, Ohio 43215 or by phone at (614) 621-9000.

Who is Entitled to Vote?

You are entitled to vote on all matters presented to the Common Shareholders at the Annual Meeting if you owned Common Shares at the close of business on Friday, July 1, 2016 (the “Record Date”), the date fixed by the Board for determining the holders of record of the Common Shares entitled to receive notice of and to vote at the Annual Meeting.

How Many Common Shares May Vote at the Annual Meeting?

On the Record Date, a total of 185,338,551 Common Shares were outstanding and entitled to vote on all matters presented to Common Shareholders at the Annual Meeting. Holders of our preferred shares are entitled to receive notice of the Annual Meeting, but are not entitled to vote on any matters being acted on at the Annual Meeting or attend the Annual Meeting.

How Many Common Shares Must be Present to Hold the Annual Meeting?

The presence at the Annual Meeting in person or by proxy of holders of Common Shares representing a majority of all the votes entitled to be cast at the Annual Meeting, or at least 92,669,276 Common Shares, will constitute a quorum for the transaction of business.

What is the Difference Between a “Shareholder of Record” and a “Street Name” Holder?

These terms describe how your Common Shares are held. If your Common Shares are registered directly in your name with Computershare Shareowner Services LLC, our transfer agent, you are a “shareholder of record.” If your Common Shares are held in the name of a brokerage, bank, trust or other nominee as a custodian, you are a “street name” holder.

How Do I Vote My Common Shares?

If you are a “shareholder of record,” you have several choices. You can vote your Common Shares by attending the Annual Meeting or by proxy as follows:

Via the Internet: www.proxyvote.com/wpg until 11:59 P.M. EDT on August 29, 2016;

Table Of Contents

By telephone: 1-800-690-6903 until 11:59 P.M. EDT on August 29, 2016; or

By completing, signing and returning your proxy card by mail.

If you participate in the Computershare Investment Plan (the “CIP”) and hold your Common Shares directly in your name, then you will receive a Notice with respect to how to vote the Common Shares held directly in your name and for the Common Shares that you have acquired and hold through the CIP. If you participate in the CIP and own your Common Shares in “street name” through a brokerage account, then you will receive a voter instruction form or proxy card covering the Common Shares held in the CIP from your bank, broker, trustee, or other nominee.

In the event that you hold Common Shares in “street name,” your broker, bank, trustee or nominee will provide you with materials and instructions for voting your Common Shares as the rules of the New York Stock Exchange (“NYSE”) require your broker, banker, trustee, or other nominee to first obtain your voting instructions with respect to those Common Shares before voting on non-routine matters such as the election of our directors presented in Proposal 1, the vote for Proposal 2 to amend the Articles of our company to change our corporate name, and the vote concerning our named executive officer compensation presented in Proposal 3. The NYSE rules, however, permit, but do not require, your broker, banker, trustee, or other nominee to vote on routine matters, such as ratifying the appointment of our independent registered public accounting firm presented in Proposal 4, without receiving your voting instructions. If you do not instruct your broker, banker, trustee, or other nominee how to vote with respect to the matters presented in Proposals 1, 2, and 3, then your broker, banker, or other nominee may not vote with respect to these proposals and those votes will be counted as “broker non-votes.”

What Are Broker Non-Votes?

A broker non-vote occurs when a nominee, such as a broker, holding Common Shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary authority to vote for that particular proposal and has not received instructions from the beneficial owner as to how to vote its Common Shares. You may vote via the Internet or by telephone if your bank or broker offers these options. Please see the voting instructions provided by your bank or broker for use in instructing your banker or broker how to vote your Common Shares held in “street name.” Proposals 1, 2, and 3 are the type of proposals where a broker non-vote could occur. If you do not provide your broker with voting instructions, none of your Common Shares held by the broker will be voted on any of these proposals. Brokers, bankers, trustees, or other nominees may, but are not required to, vote on Proposal 4 without receiving instructions from the beneficial owner as to how to vote its Common Shares.

Can I Vote My Common Shares at the Annual Meeting?

If you are a “shareholder of record,” you may vote your Common Shares in person at the Annual Meeting. If you hold your Common Shares in “street name,” you must obtain a legal proxy from your broker, bank, trustee or nominee, giving you the right to vote the Common Shares at the Annual Meeting.

How Will Abstentions and Broker Non-Votes be Treated?

There will be no abstentions in the election of directors and abstentions will have no effect on the outcome of any of the other proposals. There will be no broker non-votes regarding the ratification of the appointment of the Company’s independent registered accounting firm. Broker non-votes will not affect the outcome of the election of directors and broker non-votes, in the case of Proposals 2 and 3, will not be counted as votes “**FOR**” or “**AGAINST**” those proposals. However, abstentions and broker non-votes will be considered present for the purposes of determining a quorum.

What Vote Is Required to Approve Each Proposal?

All Common Shares are entitled to one vote per share. To approve each of the proposals, the following votes are required from the holders of Common Shares:

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

Table Of Contents

Proposal Number	Subject	Vote Required	Impact of Abstentions and Broker Non-Votes, If Any
1	To elect as directors, the six (6) nominees named in the Proxy Statement.	The number of votes cast “ FOR ” a nominee must constitute a majority of the votes cast by the Common Shareholders entitled to vote at the Annual Meeting in order for the nominee to be elected.	Broker non-votes will not affect the outcome of the vote. There will be no abstentions on this Proposal.
2	To approve an amendment to the Articles to change our name to “Washington Prime Group Inc.”	The number of votes cast “ FOR ” this Proposal must exceed the number of votes cast “ AGAINST ” it.	Abstentions and broker non-votes will not affect the outcome of the vote.
3	An advisory vote to approve named executive officer compensation.	This proposal is advisory and not binding. We will consider Common Shareholders to have approved this Proposal if the number of votes cast “ FOR ” this Proposal exceed the number of votes cast “ AGAINST ” it.	Abstentions and broker non-votes will not affect the outcome of the vote.
4	To ratify the appointment of our independent registered accounting firm for the fiscal year ending December 31, 2016.	The number of votes cast “ FOR ” this Proposal must exceed the number of votes cast “ AGAINST ” it.	Abstentions will not affect the outcome of the vote. There are no broker non-votes on this Proposal.

You May Receive More Than One Notice.

You will receive multiple Notices or voter instruction forms if you hold your Common Shares in different ways (e.g., joint tenancy, trusts, custodial accounts) or in multiple accounts.

Can I Change My Vote After I Have Submitted My Proxy?

If you are a Common Shareholder of record, you may revoke your proxy in any one of the following ways:

by sending a written notice of revocation to our Corporate Secretary at 180 East Broad Street, Columbus, Ohio 43215 that is received prior to the Annual Meeting, stating that you revoke your proxy;

by signing a later-dated proxy card and submitting it so that it is received prior to the Annual Meeting in accordance with the instructions included in the proxy card;

by granting a subsequent proxy by telephone or through the Internet; or

by attending the Annual Meeting and voting your Common Shares in person.

If your Common Shares are held in “street name”, you should follow the instructions provided by your broker, bank, trustee or nominee.

Table Of Contents

How Will My Common Shares be Voted If I Do Not Specify How They Should be Voted?

If you sign and return a proxy card without indicating how you want your Common Shares to be voted, the persons named as proxies will vote your Common Shares “**FOR**” each of the Board’s nominees for election as director and “**FOR**” Proposals 2, 3, and 4.

Who Will Count the Votes?

Broadridge Financial Solutions, Inc. will count the votes and will serve as the inspector of election at the Annual Meeting.

Who Pays the Cost of This Proxy Solicitation?

We will pay the cost of preparing, filing, assembling and mailing the proxy materials. We will also request banks, brokers and other holders of record to send the proxy materials to, and obtain proxies from, beneficial owners and will reimburse them for their reasonable expenses in doing so. Additionally, we have hired Georgeson, LLC to assist in the solicitation of proxies, for which it will receive customary fees and the reimbursement of expenses.

Is this Proxy Statement the Only Way That Proxies are Being Solicited?

Certain employees or other representatives of the Company may also solicit proxies by telephone, facsimile, e-mail or personal contact. They will not be specifically compensated for doing so.

What Do I Need To Do to Attend the Annual Meeting in Person?

Only Common Shareholders as of the close of business on the Record Date are entitled to attend the Annual Meeting. If your Common Shares are registered in your name and you owned them as of the close of business on the Record Date, you only need to provide some form of government-issued photo identification for admission.

If you hold your Common Shares in a bank or brokerage account, you can attend the Annual Meeting if you bring a recent bank or brokerage statement showing that you own Common Shares on the Record Date, and provide some form of government-issued photo identification. If your Common Shares are held in a bank or brokerage account, contact your bank or broker to obtain a written legal proxy in order to vote your Common Shares at the Annual Meeting. Persons acting as proxies must bring a valid proxy from a shareholder of record as of the Record Date. If you do not obtain a legal proxy from your bank or broker, you will not be entitled to vote your Common Shares. Your late arrival or failure to comply with these procedures could affect your ability to participate in the Annual Meeting. No cameras, recording equipment, photography devices, electronic devices, or excessively large bags or packages will be permitted in the Annual Meeting. You also may be subject to a physical security search by building security to access the area or floor of The Chrysler Building where we will hold the Annual Meeting.

RECENT DEVELOPMENTS

On June 20, 2016 (the “Separation Date”), the Board appointed Mr. Louis G. Conforti as our Interim Chief Executive Officer. On the same day, the Board also accepted the resignation of our former Chief Executive Officer and Vice Chairman, Mr. Michael P. Glimcher. We entered into an agreement with Mr. Conforti described below under the caption “Conforti Agreement.” We entered into a separation agreement with Mr. Glimcher described below under the caption “Glimcher Separation Agreement.” Additionally, on the Separation Date, Mr. Niles C. Overly resigned from the Board and we entered into a separation agreement with Mr. Overly described below under the caption “Overly Separation Agreement.” Finally, on the Separation Date, Mr. Mark S. Ordan resigned as Chairman of the Board, although he remains on the Board, and Mr. Robert J. Laikin was appointed Chairman of the Board. In connection with Mr. Laikin’s appointment as Chairman of the Board, the role of Lead Independent Director has been eliminated.

To fill the vacancies created by the resignations of Messrs. Overly and Glimcher, our Board appointed Messrs. John F. Levy and John J. Dillon III. Messrs. Levy and Dillon are standing for election at this meeting and more information regarding their business experience and background are contained in this Proxy Statement under “Information About Our Directors & Executive Officers - Biographies of Our Directors.”

Conforti Agreement

As Interim Chief Executive Officer and pursuant to the terms of an agreement between our company and Mr. Conforti, Mr. Conforti will receive a cash compensation package as follows: (i) base salary of \$1,825,000 for the period beginning on the Separation Date and ending six months thereafter, referred to as the Initial Term, and (ii) a \$500,000 relocation amount; provided that if we do not execute an employment agreement with Mr. Conforti within the Initial Term, then the Initial Term will be automatically renewed for an additional six-month period, referred to as the Second Term, and Mr. Conforti will be entitled to a base salary of \$2,325,000 for such Second Term.

Glimcher Separation Agreement

In connection with Mr. Glimcher’s resignation, on the Separation Date, we entered into a Separation Agreement and General Release, referred to as the Glimcher Separation Agreement, pursuant to which Mr. Glimcher resigned as our Chief Executive Officer, Vice Chairman and as a member of the Board.

Pursuant to the Glimcher Separation Agreement:

we paid Mr. Glimcher \$21,671 representing his accrued annual base salary for fiscal year 2016 through the Separation Date as well as accrued but unused vacation pay and all business expenses not previously reimbursed through the Separation Date;

we paid Mr. Glimcher \$7,576,500 (the "Severance Payment"), which represents the severance calculation under Mr. Glimcher's Severance Benefits Agreement dated June 11, 1997, as amended; and

pursuant to the terms of his employment agreement and Severance Benefits Agreement, the vesting of Mr. Glimcher's outstanding equity awards was accelerated as follows: (i) 596,307 restricted Common Shares; (ii) 79,849 long-term incentive plan units ("LTIP Units") of Washington Prime Group, L.P. ("WPGLP") awarded to Mr. Glimcher in 2015; and (iii) 94,527 LTIP Units awarded to Mr. Glimcher in 2016. Prior to the Separation Date, 19,962 LTIP Units from Mr. Glimcher's 2015 award vested on January 15, 2016 pursuant to the terms of the award.

Under the Glimcher Separation Agreement, WPG is obligated to pay reasonable legal fees incurred by Mr. Glimcher in connection with the negotiation and documentation of the Glimcher Separation Agreement in an amount not to exceed \$10,000.

Payment of the Severance Payment was made to Mr. Glimcher on or about June 28, 2016 less any necessary tax withholdings. Additionally, it was determined that Mr. Glimcher has received compensation or recognized income that constitutes an "excess parachute payment" within Section 280G of the Internal Revenue Code of 1986, as amended (the "Code"). Accordingly, we currently estimate the "additional amount" due to Mr. Glimcher to be approximately \$5.2 million.

Table Of Contents

If Mr. Glimcher timely elects to receive benefits under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended, or COBRA, then we will directly pay the applicable COBRA premium on Mr. Glimcher's behalf for up to 18 months, subject to certain conditions. Also, we agreed to assign to Mr. Glimcher certain agreements, licenses and rights relating to the Company's luxury suite at Ohio Stadium and the Company's tickets to athletic events at The Ohio State University.

Upon shareholder approval of the corporate name change of our company from WP Glimcher Inc. to Washington Prime Group Inc., we shall assign to Mr. Glimcher our right, title and interest to the glimcher.com internet domain name, the Glimcher logo, and we shall irrevocably consent to Mr. Glimcher's use of the "Glimcher" name in any future trade name or business endeavor. Mr. Glimcher consented to our use of the "Glimcher" name and Glimcher logo with respect to our subsidiaries and properties for a period of 12 months following the Separation Date.

Mr. Glimcher provided a release of the Company and its subsidiaries and affiliates and others, from all claims, other than claims in enforcing the Glimcher Separation Agreement, indemnification rights of Mr. Glimcher, any counterclaims Mr. Glimcher may have if we were to bring an action against him and any claims that Mr. Glimcher may have solely in his capacity as our shareholder.

Overly Separation Agreement

On the Separation Date, Niles C. Overly and the Company entered into a Resignation and General Release Agreement, referred to as the Overly Separation Agreement, pursuant to which Mr. Overly resigned as a member the Board.

Pursuant to the Overly Separation Agreement, we agreed to the following: (i) accelerate vesting of 12,060 restricted stock units ("RSUs" and each an "RSU") granted pursuant to his 2016 RSU award agreement; and (ii) issue to Mr. Overly 22,995 Common Shares in satisfaction of our obligation to issue Common Shares upon Mr. Overly's resignation as a director pursuant to his 2016 RSU award agreement (as described in the preceding clause (i)) and in satisfaction of Mr. Overly's 10,935 vested RSUs; and (iii) pay \$20,000 cash as a quarterly payment of the annual director fees. Additionally, with respect to Mr. Overly's stock options, Mr. Overly shall have 90 days from the Separation Date to exercise such stock options.

Mr. Overly provided a release to us and our subsidiaries and affiliates and others, from all claims, other than claims in enforcing the Overly Separation Agreement, indemnification rights of Mr. Overly, any counterclaims Mr. Overly may have if we were to bring an action against him, and any claims that Mr. Overly may have solely in his capacity as our shareholder.

Executive Vice President, General Counsel & Corporate Secretary

On June 16, 2016, Mr. Robert P. Demchak was appointed as our Executive Vice President, General Counsel and Corporate Secretary. PROPOSALS FOR SHAREHOLDER CONSIDERATION AT THE ANNUAL MEETING

The following Proposals will be presented at the Annual Meeting and voted on by Common Shareholders at the close of business on the Record Date and represented at the Annual Meeting in person or by proxy.

PROPOSAL 1: ELECTION OF DIRECTORS

Our Board currently consists of seven members. Mr. Marvin L. White, an incumbent director on the Board, will serve until his term expires at the end of the Annual Meeting and then retire from service on the Board. As previously announced by the Company, following the resignations of Messrs. Michael P. Glimcher and Niles C. Overly from the Board on the Separation Date, the Board appointed Messrs. John F. Levy and John J. Dillon III to fill the vacancies created by the aforementioned resignations. Under the Company's Amended and Restated Bylaws (the "Bylaws"), the Board by the affirmative vote of a majority of the remaining directors may fill one or more vacancies on the Board created by the resignation of one or more directors. Directors so appointed to the Board shall hold office for a term expiring at the next annual meeting of shareholders and until such director's successor shall have been duly elected and qualified. All directors are elected annually and therefore Messrs. Levy and Dillon will stand for election to the Board at the Annual Meeting. Following the recommendation of the Governance and Nominating Committee, our Board has nominated all of the individuals, except Mr. White, currently serving as a director to stand for election at the Annual Meeting. Following the Annual Meeting, the Board will have one vacancy and expects to then reduce its size from seven (7) seats to six (6) seats to eliminate the vacancy.

Each director elected at the Annual Meeting will hold office until the next succeeding annual meeting of shareholders and until his or her successor is duly elected and qualified, or until his or her earlier death, resignation or removal. Each nominee listed below has consented to be named in this Proxy Statement and has agreed to serve as a director if elected, and we expect each nominee to be able to serve if elected. If any nominee is not able to serve, the persons named as proxies will have authority, according to their judgment, to vote or refrain from voting for such alternate nominee as may be designated by the Board.

The election of directors at the Annual Meeting will be determined by a majority of the votes cast by the Common Shareholders entitled to vote at the Annual Meeting. Under our Governance Principles, any director not receiving a majority of the votes cast for his or her election in an uncontested election is required to tender his or her resignation for consideration to the chairperson of the Board's Governance and Nominating Committee. The Governance and Nominating Committee then will promptly consider the tendered resignation and recommend to the Board whether to accept or reject it. The Board will act on the Governance and Nominating Committee's recommendation no later than 90 days following the date of the Annual Meeting (or the date set forth in any applicable requirement of the SEC or the NYSE, whichever is earlier) and will publicly disclose its decision by a press release or a filing with the SEC.

PROPOSAL APPROVAL OF AN AMENDMENT TO THE ARTICLES TO CHANGE OUR NAME TO 2: “WASHINGTON PRIME GROUP INC.”

As part of our corporate rebranding and executive management transition, we are changing our name from WP Glimcher Inc. to Washington Prime Group Inc. Our Board has approved, and recommends that our Common Shareholders approve, an amendment to the Articles to change our name. If the Common Shareholders approve this Proposal 2, the Company shall assign its right, title and interest to the glimcher.com internet domain name, the “Glimcher®” logo and irrevocably consent to our former Vice Chairman and Chief Executive Officer’s use of the “Glimcher” name in any future trade name or business endeavor. We will continue to operate under the name WP Glimcher Inc. until the approval of this Proposal 2 by the Common Shareholders at the Annual Meeting and the filing of articles of amendment to our Articles with the Secretary of State of the State of Indiana, which is expected to take place shortly after the Annual Meeting. If the name change is not approved, then the articles of amendment will not be filed and we will continue to operate under our current name. Upon approval of this Proposal and the filing of the articles of amendment with the Secretary of State of the State of Indiana, our Bylaws and our incentive plans, governance principles, corporate policies, corporate governance documents, and other agreements will be amended as necessary to reflect the new name.

In accordance with our Articles, our Board has (a) approved an amendment to the Articles to change our name, (b) declared its advisability and (c) directed that the amendment be considered by Common Shareholders at the Annual Meeting. If the proposed amendment is approved, Article FIRST of the Articles would be amended and restated in its entirety to read as follows:

“FIRST: The name of the corporation (which is hereinafter called the “Corporation”) is Washington Prime Group Inc.”

Our Common Shares are currently listed for trading on the NYSE under the symbol “WPG.” If the amendment is approved and the name change becomes effective, our Common Shares will continue to be traded on the NYSE under the symbol “WPG.” Our 7.50% Series H Cumulative Redeemable Preferred Stock and 6.875% Series I Cumulative Redeemable Preferred Stock, which also are currently listed for trading on the NYSE under the symbols “WPGPRH” and “WPGPRI,” respectively, will also continue to be traded on the NYSE under these symbols.

If the name change becomes effective, the rights of shareholders holding certificated shares under currently outstanding stock certificates and the number of shares represented by those certificates will remain unchanged. The name change will not affect the validity or transferability of any currently outstanding stock certificates nor will it be necessary for shareholders with certificated shares to surrender any stock certificates they currently hold as a result of the name change. After the name change, stock certificates for any new or transferred Common Shares or preferred shares, any existing, new or transferred uncertificated Common Shares and preferred shares held in direct registration accounts will bear the name “Washington Prime Group Inc.”

THE BOARD UNANIMOUSLY RECOMMENDS THAT OUR COMMON SHAREHOLDERS VOTE “FOR” THE APPROVAL OF THE PROPOSED AMENDMENT TO THE ARTICLES TO CHANGE OUR NAME TO “WASHINGTON PRIME GROUP INC.”

PROPOSAL 3: ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

Our goal for our executive compensation program is to motivate and retain qualified executive level employees in a way that establishes an appropriate relationship between executive pay and the creation of shareholder value on a long-term basis. We believe that our executive compensation program accomplishes this goal.

The Compensation Discussion and Analysis section of this Proxy Statement describes our executive compensation program and the decisions made by the Compensation Committee that affected the compensation of the named executive officers listed in the Summary Compensation Table located in the section of this Proxy Statement entitled “Summary Compensation Table & Other Supporting Tables.” Highlights of that discussion include the following:

an explanation of the objectives and principal elements of our executive compensation program and the composition of the compensation paid to the named executive officers;

an explanation of our annual cash bonus and equity-based incentive compensation plans; and

the decisions the Compensation Committee made that impacted the compensation of the named executive officers for 2015.

Table Of Contents

We are requesting that our Common Shareholders vote to approve the compensation of our named executive officers as disclosed in this Proxy Statement pursuant to the SEC's compensation disclosure rules, which disclosures include the Compensation Discussion and Analysis, the compensation tables and the narrative discussion following the compensation tables. This advisory vote is generally referred to as a "say-on-pay vote."

Accordingly, we, on behalf of the Board and its Compensation Committee, recommend that Common Shareholders vote in favor of the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED."

Because this resolution relates to the information about executive compensation contained in this Proxy Statement, beginning with the section entitled "Compensation of Our Executive Officers," shareholders should review that information in considering their vote on the resolution. Unlike Proposal 1 and 2 the results of this shareholder vote are not binding on the Company, the Board or the Compensation Committee of the Board. Furthermore, the results of the vote on this resolution will not overrule any decisions previously made by the Company, the Board or the Compensation Committee with respect to executive compensation and will not create any duty for the Company, Board, or the Compensation Committee to take any action in response to the outcome of the vote. Additionally, the results of the Common Shareholder vote on this Proposal 3 and the aforementioned resolution will not serve to modify or invalidate any other previous shareholder vote on the Company's named executive officer compensation. However, the Compensation Committee may take into account the outcome of the vote in making compensation decisions and considering other compensation opportunities in the future. Director compensation disclosed in this Proxy Statement is not subject to or covered by this advisory vote. We will consider Common Shareholders to have approved this Proposal if the number of votes cast "for" this Proposal exceed the number of votes cast "against" it. The Company's non-binding shareholder advisory vote on named executive officer compensation occurs on an annual basis. The Company's shareholders will next vote on the frequency with which the non-binding advisory vote on named executive officer compensation shall occur will be at the Company's 2021 Annual Meeting of Shareholders.

THE BOARD UNANIMOUSLY RECOMMENDS THAT OUR COMMON SHAREHOLDERS VOTE "FOR" THE FOREGOING RESOLUTION APPROVING THE COMPENSATION PAID TO THE COMPANY'S NAMED EXECUTIVE OFFICERS.

CORPORATE GOVERNANCE

Governance Principles

Our Board has adopted a set of Governance Principles to assist it in guiding our corporate governance practices. The Governance Principles are from time-to-time re-evaluated by the Governance and Nominating Committee in light of changing circumstances in order to continue serving our best interests and the best interests of our shareholders. Our Governance Principles are available on the Corporate Governance page of the Investors section of our website at www.wpglimcher.com, or by requesting a copy in print, without charge, by contacting our Corporate Secretary at 180 East Broad Street, Columbus, Ohio 43215.

Director Independence and Independence Determinations

Our Governance Principles provide that at least a majority of our Board must be independent at all times. Independence is determined in accordance with the corporate governance requirements of the NYSE listing standards, and other applicable laws, rules and regulations regarding director independence in effect from time-to-time. The Governance and Nominating Committee annually reviews all commercial and charitable relationships between the Company and the directors and presents its findings and recommendations to the Board, which makes a final determination regarding the independence of the directors. For relationships not covered by the standards described above, the determination of whether a director is independent or not is made by the directors who satisfy those standards.

In conducting its annual director independence assessment following the conclusion of the Company's 2015 fiscal year, the Governance and Nominating Committee and the Board reviewed a transaction indirectly involving Mr. Louis G. Conforti to determine whether his independence is impaired as a result his involvement. At the time of the assessment, Mr. Conforti was not a member of the Company's senior management team. The transaction is a current mortgage financing transaction between an employer of Mr. Conforti and an affiliate of WPG involving a shopping center in which the WPG affiliate owns an indirect 45% equity interest. At the end of the review and assessment, the Governance and Nominating Committee concluded that the independence of Mr. Conforti was not impaired during fiscal year 2015 due to the transaction.

In connection with the management transition that occurred in June 2016 and the appointment of Messrs. John F. Levy and John J. Dillon III to the Board, the Governance and Nominating Committee conducted an independence assessment and analysis using information and data submitted by Messrs. Levy and Dillon through directors and officers questionnaires provided to them. Following the review and assessment, the Governance and Nominating

Committee recommended that Messrs. Levy and Dillon be deemed independent. The Governance and Nominating Committee also recommended that Mr. Conforti be deemed not independent upon his appointment to the position of Interim Chief Executive Officer of the Company. Upon the recommendation of the Governance and Nominating Committee, the Board determined that the following five (5) directors satisfy the aforementioned independence standards and are independent: John J. Dillon III, Robert J. Laikin, John F. Levy, Jacquelyn R. Soffer, and Marvin L. White. Mr. White will complete his term at the end of the Annual Meeting. Niles C. Overly, who served as a director until the Separation Date, was previously determined by the Board to satisfy the aforementioned independence standards and was independent.

Board Leadership Structure

Our Board believes that it is in our best interests and the best interests of our shareholders for the Board to determine which director is best qualified to serve as Chairman of the Board. Accordingly, our Board does not have a policy as to whether the Chairman should be independent or an individual who is not also a member of management. Instead, our Board selects the Chairman in the manner that it determines to be in the best interests of our shareholders, and the Governance and Nominating Committee evaluates and makes recommendations to our Board concerning its leadership structure, including whether the offices of the Chairman and the Chief Executive Officer should be held by the same person. For a portion of fiscal year 2015, the Board was led by Mr. Mark S. Ordan who served as Executive Chairman and was employed by our company. On January 1, 2016, pursuant to his Consulting Agreement, Mr. Ordan ceased to be an employee and executive of our company and assumed the role of non-executive Chairman of the Board. At this time Mr. Ordan also took on a consulting role with our company that allowed him, as part of the Merger integration, to work with the Company's leadership team to set strategy and oversee capital allocation and capital markets activities. In connection with the management transition that occurred in June 2016, Mr. Ordan relinquished the role of Chairman of the Board and Mr. Robert J. Laikin, an incumbent independent director of the Board and former lead independent director, became Chairman of the Board. Until the Separation Date, the leadership structure of the Board also included the position of Vice Chairman; however, this position was vacated in connection with the resignation of our former Vice Chairman and Chief Executive Officer on the Separation Date.

Table Of Contents

Under the Bylaws, the duties of the Chairman of the Board are to preside over meetings of the Board and such person may also preside over shareholder meetings. For fiscal year 2015 and a portion of 2016, the Board had a lead independent director. Pursuant to our Governance Principles, when the Chairman of the Board is a member of Company management, the independent directors will also elect a lead independent director. Mr. Laikin served as our lead independent director from May 2014 until the Separation Date at which time he resigned from the position to assume the position of Chairman of the Board. During Mr. Laikin's tenure as lead independent director, the role of Chairman of the Board was always held by a director the Board and its Governance and Nominating Committee had not deemed independent. As stated earlier, Mr. Laikin has been deemed to be independent by the Board and its Governance and Nominating Committee thereby removing the need for a lead independent director as prescribed by the Governance Principles. The lead independent director position was terminated in connection with Mr. Laikin's resignation from the role and the June 2016 management transition discussed earlier in the "Recent Developments" section.

Lastly, the leadership structure of the Board also includes the various chairpersons that lead its standing committees. The Board's standing committees have a chairperson role held by three different directors. Currently, there is no prohibition in our governance policies preventing a director from serving as chairperson for more than one committee. The chairpersons of the Audit Committee, Governance and Nominating Committee, and Compensation Committee (the "Committees") are currently held by independent directors as required under the listing standards of the NYSE. Under our Governance Principles, the chairperson for each of the Committees is required to report committee actions and any recommendations to the Board after committee meetings. In addition to their reporting and committee management responsibilities, committee chairpersons, with the assistance of Company management as needed, are responsible for setting the agendas for committee meetings.

Board's Role in Oversight of Risk Management

While risk management is primarily the responsibility of management, our Board nevertheless provides overall risk oversight with a focus on the most significant risks that we face including, but not limited to, financial risk, legal or compliance risk, audit risk, credit risk, liquidity risk, and business or operational risk. We have implemented a Company-wide enterprise risk management process to identify and assess the major risks we face and develop strategies for controlling, mitigating and monitoring risk. As part of this process, we have gathered information throughout our company to identify and prioritize these major risks. The Board has appointed its Audit Committee to assist it in its oversight responsibilities. The Compensation Committee of the Board administers a risk assessment of the Company's compensation programs and policies. An overview and description of its review is provided in the section of this Proxy Statement entitled "Compensation Risk Assessment."

In discharging the Board's risk oversight function, the Audit Committee receives periodic reports from the Company's internal audit department as well as EY on potential financial and non-financial risks existing in the Company's operations and the steps management is taking or has taken to identify and minimize such risks. One report, a financial risk assessment, is completed in connection with the Company's annual and quarterly audit of its internal control over

financial reporting and the Audit Committee also receives a report of any adverse findings in connection with the internal control audit reports of both EY and the Company's internal audit department. The Audit Committee Chairman shares the findings from this report on a quarterly basis with the Board. The Audit Committee also reviews a detailed list, prepared by the Company's financial reporting and legal departments, which describes the specific risks factors affecting the Company's business and results of operations. This list is included in the Company's Annual Report on Form 10-K (and any periodic updates as needed in the Company's Form 10-Qs, prospectuses, and registration statements). The Board, and as needed the Audit Committee, reviews the risk factors included in the Form 10-K and, on an as needed basis, any prospectuses or registrations statements before they are filed with the SEC and the Audit Committee solely reviews any changes to the risk factors included in any Form 10-Q.

The Audit Committee further discharges its responsibilities with respect to risk oversight by discussing the Company's policies over risk assessment and risk management, including financial risk exposure, with certain members of the Company's senior management team. The Audit Committee periodically discusses our identified financial and operational risks with the Company's Chief Executive Officer and Chief Financial Officer and receives regular reports from other members of senior management with regard to our identified risks. The Audit Committee Chairman also shares the findings from these discussions with the Board. The Audit Committee also discusses the Company's fraud risk with management and separately with EY. In connection with the annual update concerning the Company's compliance with the requirements of the Sarbanes-Oxley Act of 2002, the Audit Committee receives the findings of fraud testing conducted by the Company's internal audit department in three key areas of the Company's operations and processes – payroll, travel and entertainment expense, and specialty leasing. The Audit Committee Chairman also shares the findings from these discussions with the Board. The identified risks and risk mitigation strategies are validated with senior management and discussed with the Audit Committee on an ongoing basis. Lastly, the Compensation Committee is responsible for overseeing any risks relating to our compensation policies and practices. Specifically, the Compensation Committee oversees the design of incentive compensation arrangements of our executive officers to implement our pay-for-performance philosophy without encouraging or rewarding excessive risk taking by our employees, including our senior executive officers.

Table Of Contents

The manner in which the Board administers its risk oversight function is reflected in the leadership structure of the Board. EY reports directly to the Audit Committee and the Vice President, Internal Audit reports directly to the Audit Committee Chairman. Under our Governance Principles, however, the Audit Committee Chairman reports to the Board on the deliberations and decisions of the Audit Committee, including the deliberations and decisions relating to the Board's risk oversight functions. The same is true with respect to the Compensation Committee Chairman with respect to the Compensation Committee's risk assessment of the Company's compensation programs and policies. Our management will regularly conduct additional reviews of risks, as needed, or as requested by our Board or the Audit Committee.

Nominations For Director

The Governance and Nominating Committee will consider director nominees recommended by shareholders in accordance with the requirements of the Bylaws. A shareholder who wishes to recommend a director candidate should send such recommendation to our Corporate Secretary at 180 East Broad Street, Columbus, Ohio 43215, who will forward it to the Governance and Nominating Committee. Any such recommendation should include a description of the candidate's qualifications for Board service, the candidate's written consent to be considered for nomination and to serve if nominated and elected, and addresses and telephone numbers for contacting the shareholder and the candidate for more information. A shareholder who wishes to nominate an individual as a director candidate at the annual meeting of shareholders, rather than recommend the individual to the Governance and Nominating Committee as a nominee, must comply with the requirements described above and, in addition, must comply with the advance notice requirements for shareholder nominations set forth in our Bylaws.

Our Governance Principles provide that all candidates for election to the Board should possess high personal and professional ethics, integrity and values and be committed to representing the long-term interests of our shareholders and otherwise fulfilling the responsibilities of directors as described in our Governance Principles. Our Governance Principles further provide that our directors should not serve on more than four public company boards, including the Board, unless the Board or Governance and Nominating Committee determines that serving on more than four public company boards does not impair the ability of the director to serve as an effective member of the Board. In recommending candidates to the Board for election as directors, the Governance and Nominating Committee will consider the foregoing minimum qualifications as well as each candidate's credentials, keeping in mind our desire, as stated in our Governance Principles, to have a Board representing diverse experiences and backgrounds, as well as expertise in or knowledge of specific areas that are relevant to our business activities.

Board and Committee Meetings and Attendance

Our business and affairs are managed under the direction of our Board. During 2015, our Board met six (6) times.

Our Board conducts many of its oversight responsibilities through its committees. During 2015, the Audit Committee met five (5) times, the Compensation Committee met eight (8) times and the Governance and Nominating Committee met four (4) times. The Board created a new committee in 2015 called the Development/Spending Committee (the “Spending Committee”), but it did not meet or act during the 2015 fiscal year. The Spending Committee was dissolved and terminated by the Board on June 16, 2016. The members of the Board serving during fiscal year 2015, attended at least 75% of the aggregate number of meetings of the Board and the committees on which each respective director served.

Executive Sessions of Independent Directors

The independent directors meet in executive session without management present in connection with each regularly scheduled Board meeting. During 2015, the independent directors held four (4) executive sessions. Mr. Laikin presided over these executive sessions.

Board Committees

We have the following standing Board committees: Audit Committee, Compensation Committee, and Governance and Nominating Committee. Each of these committees is composed entirely of independent directors. The written charters for each of the Committees are available on the Corporate Governance page of the Investors section of our website at www.wpglimcher.com, or by requesting a copy, in print, without charge by contacting our Corporate Secretary at 180 East Broad Street, Columbus, Ohio 43215.

Dillon, Levy, and White is financially literate under NYSE rules and that Mr. Levy qualifies and serves as an “audit committee financial expert” as defined by SEC rules. Mr. White served as an “audit committee financial expert” during fiscal year 2015 and relinquished the role when Mr. Levy joined the Board on the Separation Date.

Compensation Committee

The Compensation Committee is appointed to discharge the Board's responsibilities relating to the establishment and administration of the Company's policies, programs and procedures for the annual and long-term compensation of our senior executive officers. The Compensation Committee also administers our equity-based compensation plans and programs. Pursuant to its charter, the Compensation Committee also has the power, authority, and discretion to retain, at Company expense, independent counsel and other advisors and experts as it deems necessary or appropriate to carry out its duties.

It also issues the report on its activities which appears in the section of this Proxy Statement entitled "Compensation Committee Report."

The charter of the Compensation Committee requires that each member meet the independence requirements of the NYSE and the rules and regulations of the SEC. The membership of the Compensation Committee during fiscal year 2015 consisted of Ms. Soffer and Messrs. Laikin and Conforti during 2015 until January 15, 2015 when Mr. Niles C. Overly was appointed to the Compensation Committee in connection with the consummation of the Merger. Mr. Overly served as chairperson of the Compensation Committee until his resignation from the Board on the Separation Date.

Board Advisory, LLC (“Board Advisory”) acted as the compensation consultant to the Compensation Committee in 2015. In this role, Board Advisory provided the Compensation Committee with peer executive compensation data, as well as expertise and advice on various matters brought before the Compensation Committee. During fiscal year 2015, Board Advisory’s aggregate fees did not exceed \$120,000. Board Advisory has, through written correspondence, provided the Compensation Committee affirmation of the independence for fiscal year 2015 of Board Advisory, its partners, consultants, and employees as measured by the independence factors for compensation consultants under the listing standards of the NYSE. Board Advisory has no affiliation or relationship with the Levy Company disclosed in the biography of Mr. John F. Levy contained in the section of this Proxy Statement captioned “Information About Our Directors & Executive Officers - Biographies of Our Directors.”

In making its compensation decisions, the Compensation Committee relies upon performance data, statistical information and other data regarding executive compensation programs and peer practices provided from time to time from its consultant, Board Advisory, and from the Company’s human resources department, finance department and the senior management team, including our senior executive officers. The Compensation Committee has access to individual members of management and employees and may invite them to attend any Compensation Committee meeting.

Under our code of conduct, related person transactions are prohibited unless approved or ratified by the Audit Committee.

Corporate Compliance and Ethics Program

The program is designed to prevent and detect criminal and other wrongdoing that violates the Company’s existing policies, guidelines, codes, bylaws, and procedures. REPORT OF AUDIT COMMITTEE

Management has the primary responsibility for the preparation, presentation and integrity of our consolidated financial statements; accounting and financial reporting principles; maintaining effective internal control over financial reporting and issuing management's report on internal controls over financial reporting, and procedures in accordance with applicable laws and regulations.

EY, our independent registered public accounting firm, is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (the "PCAOB") and expressing an opinion on whether our consolidated financial statements present fairly, in all material respects, our consolidated financial position, results of operations and cash flows in conformity with U.S. generally accepted accounting principles. EY is also responsible for expressing an opinion on the effectiveness of internal controls over financial reporting.

The Audit Committee has reviewed our audited financial statements for the fiscal year ended December 31, 2015 and discussed them with our management and our independent registered public accounting firm.

The Audit Committee also has received from, and discussed with, our independent registered public accounting firm various communications that our independent registered public accounting firm is required to provide to the Audit Committee, including the matters required to be discussed by Auditing Standard No. 16 *Communications with Audit Committees*.

The Audit Committee has received the written disclosures and the letter from our independent registered public accounting firm required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with our independent registered public accounting firm their independence.

COMPENSATION RISK ASSESSMENT

In addition to the risk oversight responsibilities of the Board and Audit Committee that were discussed earlier, the Compensation Committee conducts, in accordance with applicable SEC rules, an annual risk assessment of the Company's compensation plans, policies, programs, and practices to determine whether such plans, policies, programs, and practices create risks that are reasonably likely to have a material adverse effect on the Company. The review conducted by the Compensation Committee focused on a number of aspects relating to our compensation program, but primarily on whether any compensation related risks have developed inherently or otherwise in connection with the merger integration or if any compensation incentives have been adopted that encourage high risk behavior at the expense or detriment of long-term Company value and which are reasonably likely to create a material adverse effect. Based on this assessment, the Compensation Committee concluded that the Company's compensation plans, policies, programs, and practices do not create risks that are reasonably likely to have a material adverse effect on the Company.

As part of its assessment, the Compensation Committee evaluated the Company's compensation plans and programs, including the plans and policies relating to the Company's salaried compensation, cash incentive plans, and long-term equity incentive awards, to determine their propensity to cause undue risk taking by employees, including the Company's senior executive officers, relative to the level of risk associated with the Company's business model and operations. At December 31, 2015, our company, on a consolidated basis, had approximately 580 employees, of which approximately 130 were part-time. These employees were generally paid in accordance with Glimcher pay practices as we continued to complete the Merger integration during fiscal year 2015. With regard to executive compensation in 2015, the emphasis is on long-term performance in addition to traditional salaried and cash incentive compensation. Furthermore, the Company incorporates a number of design features to mitigate undue risk in its compensation programs including, limits on both annual and long-term incentive plan payouts, the use of multiple performance metrics to measure individual and corporate performance, stock ownership guidelines, and equity compensation that encourages a long-term perspective on performance. The Company has a clawback policy applicable to performance-based compensation as well as internal controls and financial transparency that limit the degree of financial risk that can be undertaken without scrutiny. The Compensation Committee completed its annual assessment in late 2015 as part of its obligation to oversee the Company's compensation risk assessment process and made the findings summarized above available to the full Board.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

The year 2015 was a transformative year for our company which was reflected in nearly every aspect of our business and operations. We completed the Merger on January 15, 2015 (the “Merger Closing Date”) which increased the size of our company with respect to properties owned and operated, personnel, and our national footprint. Our management team also evolved in connection with the Merger as well as throughout 2015. From an executive compensation perspective the components of our program generally remained the same from 2014, except that we adopted a formal plan for our bonus compensation and incorporated corporate performance objectives into both our equity incentive compensation and bonus compensation that complement the individual performance objectives used to determine equity and bonus compensation. In connection with the Merger, inducement equity awards and special performance equity awards were used to incentivize the management team from Glimcher to join the new combined company. The inducement awards vest on the passage of time. The special performance equity awards are market-based, with shares earned based on total shareholder return (“TSR”), subject to additional time-based vesting. We also continued our practice of having annual equity-based awards and maintained the use of LTIP Units as our currency.

As referenced above, our management team evolved throughout 2015. In connection with the consummation of the Merger, our pre-Merger Chief Executive Officer (“CEO”) and Chief Financial Officer (“CFO”) assumed new roles within our company and the Glimcher CEO and CFO assumed those roles in the new post-Merger combined company. Our pre-Merger CEO became our Executive Chairman at the Merger Closing Date and eventually by the end of 2015 transitioned to the role of non-executive Chairman of the Board. Compensation disclosure is also provided in this section for our current Chief Operating Officer and also our Chief Accounting Officer. We will also discuss in this Compensation Discussion and Analysis (“CD&A”), the compensation of two other executive officers who were with our company pre-Merger or joined shortly thereafter, but separated at the end of 2015 as well as another Glimcher executive officer who joined us as a result of the Merger and who served as our Executive Vice President, Director of Leasing. Unless otherwise indicated, we will refer to the persons listed in the compensation tables that follow this CD&A as the “Named Executives” on a collective basis or individually as a “Named Executive.” Unless otherwise indicated, this CD&A and the tables and other disclosure that follow will not address compensation paid in connection with the senior management changes that occurred in June 2016 and are more fully described in the section of this Proxy Statement captioned “Recent Developments.”

This CD&A describes our executive compensation philosophy, objectives and policies for 2015 on a general basis and as applied to the Named Executives. We first highlight some of our business and operational accomplishments in 2015 for which we will discuss in this CD&A the awards and compensation for such accomplishments. We then describe

the objectives of our compensation program for the Named Executives as well as executive compensation generally, and provide an overview of what our executive compensation program is designed to reward and recognize. Following this discussion, we will review the elements of our executive compensation program and the relationship of each element to our compensation objectives. As we discuss each element of compensation and our reasons for choosing to pay the particular element, we will also discuss:

- (i) how we generally determined the payment amount for the particular element of compensation;
- (ii) how our decision regarding that element fits into one or more of our overall objectives for our executive compensation program; and
- (iii) how decisions about the particular element of compensation affects, if at all, our decisions regarding other compensation elements.

We conclude our discussion with a brief overview of our stock ownership guidelines and restrictions, tax and accounting implications of our executive compensation program, and a discussion of the impact or influence on our compensation philosophy and programs of previous shareholder voting results on executive compensation. Unless otherwise stated, references in this section to data in the Summary Compensation Table are only with respect to the year 2015.

2015 Business Highlights

In addition to completing the Merger, we realized a number of other financial and non-financial achievements in 2015, including:

Completion of over \$800 million in multi-year unsecured financings.

Solidified plan in November 2015 to transition the properties managed by Simon at the Merger Closing Date onto the Company's operational platform by May 2016.

Achieved at 2015 year-end net debt to EBITDA ratio of approximately 7.0x.

Consolidated by the end of 2015 the Company's leadership teams in Columbus, Ohio and Indianapolis, Indiana and hired all key senior leadership positions.

Objectives of Our Executive Compensation Program

The goal of our executive compensation program is to provide compensation that is equitable to both the executive officer and our company and is competitive with compensation provided to similarly-situated executives at peer REITs. Throughout 2015, although no formal market benchmarking was done with respect to our 2015 executive compensation, the Compensation Committee's decision-making and planning with respect to the Company's executive compensation was guided by the following objectives:

to pay for performance based upon financial results of our company, the performance of our shares over time, and the executive's leadership and contributions to our company;

to provide incentives to focus performance on both near-term and long-term goals of our company;

to attract and retain senior executive officers who are important to the success of our company by awarding compensation that is tied to continued long-term employment; and

to encourage executive ownership of our Common Shares over the course of their employment, aligning executive interests with those of our shareholders.

Although the Compensation Committee's decisions were guided by the aforementioned objectives in making its decisions during 2015 regarding our executive compensation, the Compensation Committee neither weighted nor ranked these objectives with any particular importance when making these decisions.

What Our Executive Compensation Program is Designed to Reward

Our executive compensation program is designed to reward the operating performance of our company and the individual performance of our executive management team members.

Table Of Contents

(i) Company Operating Performance

Our company is a REIT that primarily owns, leases, acquires, develops, and operates shopping malls and community shopping centers. In order to maintain WPG's REIT status, we must distribute at least 90% of our ordinary taxable income to WPG's shareholders. We use Funds From Operations, or FFO, as a supplemental metric to net income to measure our operating performance. FFO is the commonly accepted and recognized measure of operating performance for REITs by the real estate industry. FFO is defined by NAREIT as net income (or loss) computed in accordance with generally accepted accounting principles, or GAAP, excluding real estate related depreciation and amortization, excluding gains and losses from extraordinary items and cumulative effects of accounting changes, excluding gains and losses from the sale or disposal of previously depreciated retail operating properties, excluding impairment charges of depreciable real estate, plus the allocable portion of FFO of unconsolidated entities accounted for under the equity method of accounting based upon economic ownership interest. We believe that per share growth in FFO is an important factor in enhancing shareholder value. Therefore, a component of our executive compensation program is designed to reward achievement of our company's year-end FFO goals. Although FFO is partly influenced by market forces that are beyond our control, we feel that our senior executive officers, including the Named Executives, have the greatest opportunity to influence performance in this area. Therefore, we base a large portion of their total cash compensation on an evaluation of WPG's annual FFO results. FFO does not represent cash flow from our operating activities in accordance with GAAP and our FFO may not be directly comparable to similarly titled measures reported by other REITs. Moreover, FFO should not be considered as an alternative to net income (determined in accordance with GAAP), as an indication of our financial performance, as a measure of our liquidity, nor is it indicative of funds available to fund our cash needs, including our ability to make cash distributions. Our executive bonus plan uses FFO performance targets to determine a portion of each Named Executive's annual bonus. As we will discuss in greater detail in the section below captioned *2015 Annual Incentive Cash Bonus Plan*, fifty percent (50%) of a Named Executive's total target bonus opportunity under the Executive Bonus Plan is used to determine the portion of the bonus based upon an evaluation of WPG's annual FFO results on a per diluted Common Share as adjusted basis. We calculate WPG's reported FFO (with adjustment for non-recurring items such as Merger-related expenses) per Common Share for reporting purposes by dividing WPG's FFO by the weighted average number of diluted Common Shares outstanding for the fiscal year which WPG's per Common Share FFO is being determined. We also use TSR as an additional metric to measure corporate performance in connection with determining executive compensation as explained in greater detail below under the section captioned *Equity Compensation*.

Some other factors that we use to measure our operating performance include occupancy levels at our core properties, comparable net operating income growth at our core properties, property sales and acquisitions, initiation or completion of development or redevelopment projects, managing our leverage or indebtedness, and completed joint venture or partnering initiatives. These factors are generally used for individual goals or objectives because the completion of goals or objectives of this nature are generally heavily influenced by the actions of a particular senior executive officer, department, or functional area within our company.

(ii) Company Strategic Performance

Our Company's strategic performance is rewarded through our annual cash bonus and our annual equity awards based upon the Compensation Committee's assessment of the Company's performance compared to our corporate strategic objectives. Our corporate strategic objectives are reviewed and approved annually by the Compensation Committee at the time the annual cash bonus plan and annual equity awards are approved, typically in the first fiscal quarter of the performance period. Our corporate strategic objectives for fiscal year 2015 (the "Strategic Objectives") were the following:

- A. Progress towards moving off the Simon platform no later than May 2016;
- B. Consummation of the Company's joint venture transaction with O'Connor;
- C. Successful refinancing of the Bridge Loan;
- D. Achieving a specified net debt-to-equity ratio;
- E. Building a solid organizational structure; and
- F. Analysis, evaluation and initiation of growth opportunities.

The Company believes achievement of the Strategic Objectives are critical to long-term value creation and as such, are critical to aligning the interests of the Company's senior executive officers, including the Named Executives, with our shareholders as well as with the long-term success of our company.

(iii) Individual Performance

Our executive compensation program also rewards individual performance. Individual performance is rewarded through base salary and performance-based or variable compensation. Through base salary, the specific skill set and managerial abilities of an executive are rewarded. With respect to performance-based or variable compensation, individual performance is evaluated and rewarded based primarily upon an assessment of the executive's achievement of predetermined individual objectives that are linked to our overall corporate goals. Generally, individual objectives of the executives differ for each officer and are established prior to or near the beginning of the evaluation year in connection with the adoption of the executive bonus plan for that year. For the 2015 performance year, except for Messrs. Ordan and Glimcher, each of the Named Executives had five (5) individual objectives. Messrs. Ordan and Glimcher each had eight (8) individual objectives. Bonus awards for individual performance were granted under the Company's 2015 executive bonus plan.

(iv) Company Market Performance

Through our equity compensation awards, our executive compensation program rewards TSR. TSR is used to ensure alignment of executive interests with those of our shareholders. Pursuant to our special performance equity awards made both after the Merger, and for some Named Executives, prior to the Merger in 2014, relative (compared to an index of REITs) and absolute TSR is measured in determining the number of LTIP Units earned over the respective performance period. The Company believes that over time, TSR provides the most appropriate measure of shareholder success and as such, is a critical tool in our pay-for-performance program.

Executive Employment Arrangements & the Elements of Compensation Within Our Executive Compensation Program

In addition to our formal compensation and benefit plans which are an important component of our executive compensation program, the primary elements of our program – salary, equity compensation, bonus/incentive compensation, and severance/change in control arrangements – are governed by the employment agreements or other arrangements we currently have with Named Executives still employed with us or had with certain Named Executives whose employment was terminated at the end of 2015 or shortly thereafter.

This CD&A and the tables that follow will describe compensation arrangements under employment agreements we have with Messrs. Michael P. Glimcher, our former Vice Chairman and Chief Executive Officer, Mark E. Yale, the Executive Vice President and Chief Financial Officer of the Company, and Keric M. “Butch” Knerr, the Company’s Executive Vice President and Chief Operating Officer, and conditional offer letters of employment executed by Mr. Thomas J. Drought, Jr., our former Executive Vice President, Director of Leasing, and Ms. Melissa A. Indest, the Company’s Senior Vice President, Finance and Chief Accounting Officer. Also, the now terminated employment agreements with former executives Mr. C. Marc Richards, the Company’s former Chief Financial Officer and former Executive Vice President and Chief Administrative Officer, and Ms. Farinaz S. Tehrani, the former Executive Vice President, Legal and Compliance, governed the compensation each received during 2015. Mr. Mark S. Ordan, our former Chairman of the Board, Chief Executive Officer and Executive Chairman, had an employment agreement with us until his employment termination date of December 31, 2015 after which the Consulting Agreement became effective on January 1, 2016. Lastly, Mr. Michael Gaffney, our former Executive Vice President, Head of Capital Markets, also had an employment agreement with us that terminated in connection with his termination on December 31, 2015 and he also entered into a Transition and Consulting Agreement with the Company which became effective January 1, 2016.

The employment agreements for Messrs. Glimcher and Yale were separately entered into prior to the Merger Closing Date in the fall of 2014 to recruit and retain the services of Messrs. Glimcher and Yale following the Merger Closing Date. Each agreement was ratified by the compensation committee of the Company’s predecessor board of directors and became effective on the Merger Closing Date. Mr. Glimcher’s agreement was for an initial term of five years and

Mr. Yale's agreement has an initial term of three years. Each agreement has automatic one year renewals at the end of the initial term and each year thereafter unless at least 120 days, in the case of Mr. Glimcher, or 30 days, in the case of Mr. Yale, prior to the renewal date either party to the respective agreement gives written notice to the other of non-renewal. Each agreement, as will be further explained later in this CD&A, sets forth their title, duties, reporting structure and provides for an annual salary, bonus compensation opportunity, long-term equity compensation opportunity, severance/termination compensation, and eligibility for benefits. Mr. Glimcher's employment agreement was amended in 2015 in connection with Mr. Ordan's transition from Executive Chairman to non-executive Chairman, to change the reporting structure, but no changes to compensation were made at that time. With respect to Mr. Knerr, his employment agreement was executed in September 2014 in connection with his election as Executive Vice President and Chief Operating Officer. Mr. Knerr's agreement has a three year term with automatic one year renewals at the end of the initial term and each year thereafter unless at least 30 days prior to the renewal date either party to the agreement gives written notice to the other of non-renewal. Similar to Messrs. Glimcher and Yale's agreements, Mr. Knerr's agreement sets forth his title, duties, reporting structure and provides for an annual base salary rate, target bonus opportunity, makes Mr. Knerr eligible to participate in the Company's long-term equity compensation program, and establishes payments payable upon separation or a change in control.

Table Of Contents

With respect to Ms. Indest, she has a conditional offer letter of employment from WPG, dated as of January 9, 2015, which became effective on the Merger Closing Date. The letter establishes at-will employment between WPG and Ms. Indest. Similar to the employment agreements discussed above, the letter for Ms. Indest establishes her title and duties, reporting structure, sets an annual base salary rate, bonus compensation, long-term equity compensation, benefits, inducement equity awards granted upon closing of the Merger, and severance compensation.

Similar to Ms. Indest, Mr. Drought had a conditional offer letter of employment from WPG, dated January 9, 2015 (together with Ms. Indest's offer letter, the "Offer Letters" and each an "Offer Letter"), that operated in much the same way as Ms. Indest's offer letter. Mr. Drought's offer letter terminated in connection with his termination of employment on July 14, 2016, although his offer letter afforded him a separation payment in the event of a not for cause termination of employment, as defined in his Severance Benefits Agreement. Mr. Drought's separation payment and benefits are described in the section of this Proxy Statement captioned "Potential Payments upon Termination or Change in Control - Mr. Thomas J. Drought, Jr. and Ms. Melissa A. Indest."

Similar to Mr. Knerr, Mr. Richards and Ms. Tehrani each had employment agreements with three year terms that operated in much the same way as the employment agreement discussed above for Mr. Knerr. Each agreement terminated in connection with their respective terminations at the end of 2015, although each agreement afforded the respective employee a separation payment in the event of a not for cause termination of employment, as defined in the agreements. In Ms. Tehrani's case, her separation payment was equal to her annual salary in effect immediately prior to the termination date and, for Mr. Richards, his separation payment was equal to two times the sum of his annual salary in effect immediately prior to the termination date plus his target bonus opportunity for the year in which the termination occurred or if no bonus plan has been adopted for the year in which the termination occurs then such target bonus opportunity in effect for WPG's most recently completed fiscal year.

Like the other Named Executives, the employment agreements for Messrs. Ordan and Gaffney set their base salary rate and bonus opportunity for 2015. Both Messrs. Ordan and Gaffney entered into post-employment consulting arrangements with the Company after their respective employment terminated at the end of 2015. Generally, the compensation for fiscal year 2015 discussed in this section and reported in the tables that follow was provided pursuant to the terms of Messrs. Ordan and Gaffney's employment agreements. However, for Mr. Ordan, the Consulting Agreement governed: (i) the conditions under which he would remain eligible to receive a bonus award for 2015 performance, (ii) the vesting of his inducement equity awards received in 2014 pursuant to his employment agreement, and (iii) his equity award payout for our 2015 long-term compensation awards. Mr. Gaffney's employment agreement and equity award agreement provided for his severance benefits upon his termination, namely a separation payment equal to his annual salary in effect on the date immediately preceding his termination date and the acceleration of vesting for his unvested equity incentive compensation awards.

As stated above, the employment agreements and other arrangements we had with the Named Executives during 2015 set the key elements of our executive compensation program that will be discussed in this section. Although not explicitly stated in each agreement or arrangement, generally, these elements are designed to achieve our three most

important compensation objectives:

rewarding executives based on financial performance;

aligning the interests of executives and shareholders; and

attracting and retaining qualified, experienced executives.

The table below indicates how each element of our 2015 compensation for the Named Executives is intended to achieve each of the aforementioned objectives.

Element of 2015 Compensation	Rewarding Performance	Aligning Interests	Attracting and Retaining	Comments/Summary
Base Salary			X	Set by terms of employment agreement or Offer Letter and may be adjusted by Compensation Committee in its management of executive salary levels. Salaries of Named Executive remained unchanged in 2015 after the Merger Closing Date.
Annual Cash Bonus	X		X	Cash bonus award for 2015 made pursuant to plan in which corporate and individual performance determine payout relative to target award/payment. Generally, eligibility and target award size determined by employment agreement or Offer Letter. Terms of plan permit Compensation Committee to exercise some element of discretion in determining bonus payout.

Table Of Contents

Element of 2015 Compensation	Rewarding Performance	Aligning Interests	Attracting and Retaining	Comments/Summary
Inducement Equity Awards		X	X	Inducement equity awards made in 2015 are one-time awards that represent a portion of the financial commitment used to recruit and retain certain Named Executives following the Merger, as set forth in their employment agreements or Offer Letters. The awards feature time-based vesting over four years, thereby aligning the interests of the particular Named Executives with Company shareholders and creating an immediate retention incentive.
Special Performance-Based Equity Awards	X	X	X	Special performance-based equity awards represent a portion of the financial commitment we made to certain Named Executives during 2015 following the Merger. Terms of recipients' employment agreements or Offer Letters determined award size. These awards have a performance-based absolute and relative TSR vesting conditions over three overlapping performance periods which immediately created a long-term financial interest in the Company which is only realized through TSR performance.
Annual Long-Term Incentive Equity Awards	X	X	X	Our annual long-term incentive equity awards are a key part of our competitive annual compensation package for Named Executives. The annual awards provide an opportunity for executives to earn equity based on WPG's relative TSR performance and through achievement of key strategic objectives that ultimately support long-term value creation. The intent is for the awards to align the interests of recipients with value creation and share ownership.
Termination Payments and Change in Control Benefits		X	X	Provide protection against a termination of employment outside of the Named Executive's control and to serve as a financial bridge between employment. Change in control benefits mitigate Company risk in the event of a potential transaction that may directly impact a Named Executive's employment. These financial protections allow executives to focus on the transaction and further align executives' interests with those of shareholders. Legacy arrangements from Glimcher were amended for certain Named Executives to provide benefits not included in the employment agreements or Offer Letters.

**Perquisites and Other
Benefits**

X

Named Executives are entitled to participate in our 401(k) retirement plan, medical insurance plan, disability plans and other benefits on the same basis as other salaried employees. As with other salaried employees, these benefits are provided as part of pay package, to improve employee health and well-being and to comply with government regulations. Oversight of the Compensation Committee is also provided, as applicable.

Table Of Contents**2015 Salary Compensation**

The 2015 base salaries for our Named Executives in all cases were set either pursuant to the Named Executive's employment agreement with the Company or Offer Letter. Amendments executed in fiscal year 2014 to the employment agreements for Messrs. Ordan and Richards became effective on the Merger Closing Date and, among other things, changed their salaries to reflect the new positions each assumed in our Company on the Merger Closing Date. The base salaries for the Named Executives as of the end of 2015 are listed below along with the portion of the base salary each Named Executive received during 2015 (all amounts are rounded to the nearest dollar).

Named Executives	2015	2015
	Annual	Base
	Base	Salary
	Salary	Earned
Mr. Mark E. Yale	\$500,000	\$500,000
Mr. Keric M. "Butch" Knerr	\$495,000	\$494,998
Ms. Melissa A. Indest	\$285,000	\$282,442

Transitioning & Formerly Employed Named Executives

Mr. Michael P. Glimcher	\$825,000	\$828,690
Mr. Mark S. Ordan	\$825,000	\$825,000
Mr. C. Marc Richards	\$450,000	\$450,000
Mr. Thomas J. Drought, Jr.	\$425,000	\$424,050
Ms. Farinaz S. Tehrani	\$375,000	\$343,269
Mr. Michael Gaffney	\$350,000	\$342,308

The salaries earned for 2015 by some of the Named Executives reflect a pro-rated portion of their annual base salaries based upon the person's period of employment with us following the Merger Closing Date. Salary amounts also include salary compensation received during the fourteen days of 2015 preceding the Merger Closing Date.

The Compensation Committee may review annual base salaries each year and modify them from time to time to address market comparability, change in responsibilities, or intracompany pay equity concerns. During fiscal year 2015, our then Chief Executive Officer and former Executive Chairman each had, respectively, the highest salary compensation amongst the Named Executives because of their management and oversight responsibilities. These differences in compensation are also reflected in our bonus, equity incentive opportunities, and change-in-control arrangements for the same reasons. The amount of a Named Executive's 2015 annual base salary was not affected or influenced by the amount of any other compensation element within our executive compensation program. However, annual paid or earned salary is a variable used in the formula to determine Named Executives' annual performance

bonus targets and the initial cash value of Named Executives' annual awards of LTIP Units. Annual base salary is a variable in the formula to determine parts of certain Named Executive's particular severance or change in control payout under our executive severance arrangements. Salaries earned by the Named Executives for fiscal year 2015 are reflected in column (c) of the Summary Compensation Table and account for approximately 12% to 26% of a Named Executive's total annual compensation reported in the Summary Compensation Table.

2015 Annual Incentive Cash Bonus Plan

The annual cash bonuses for our senior executive officers, including the Named Executives, are designed to further our executive compensation objectives of providing performance-based compensation by motivating the senior executive officers to achieve our company's corporate goals and objectives and rewarding such achievement. Like our annual bonus awards for fiscal year 2014, the annual cash bonuses for fiscal year 2015 performance are cash payments awarded during our first fiscal quarter following the end of the respective performance year. The amount of the 2015 bonus payment for our senior executive officers, including the Named Executives, is for performance during 2015, determined based upon the terms and conditions of the 2015 WPG Executive Bonus Plan (the "2015 Plan"). The 2015 Plan is the only compensation plan from which the Named Executives can receive cash incentive compensation for performance during 2015. The Compensation Committee approved the participants for the 2015 Plan as well as the terms and conditions of the 2015 Plan. Actual award payouts under the 2015 Plan vary amongst the plan participants, including the Named Executives, and are ultimately approved by the Compensation Committee.

(i) The Structure of the 2015 Plan

The 2015 Plan is funded if a specified threshold level of FFO per diluted Common Share, as adjusted and more fully described below, is achieved by WPG for fiscal year 2015. The payment of actual bonus awards under the 2015 Plan is based on an assessment of the achievement of the performance goals as described in this section. If actual FFO per diluted Common Share, as adjusted, is below the threshold level, the 2015 Plan is not funded and no bonuses are paid to any 2015 Plan participants including the Named Executives.

Table Of Contents

The respective employment agreements and Offer Letters for each Named Executive require each to be eligible for an annual bonus with a target bonus award opportunity at a certain percentage or within a range of percentages (“Target Bonus Multiplier”) of either the respective Named Executive’s annualized base salary or base salary which under the 2015 Plan is construed to mean actual paid base salary. The Target Bonus Multiplier for the Named Executives ranges from 75% to 200% of actual paid base salary. Additionally, for our former Chief Executive Officer, the actual bonus awarded to him under the 2015 Plan cannot exceed 300% of his actual base salary earnings for fiscal year 2015. Under the 2015 Plan, the target bonus award opportunity for each participant is the sum of bonus targets for: (A) our year-end FFO per diluted Common Share performance, (B) the Company’s performance on the Strategic Objectives, and (C) achievement on individual goals (the “Individual Objectives”). The 2015 Plan is structured in this manner so that we may reward both individual achievement and corporate achievement in furtherance of our compensation objective to provide performance-based compensation and reward the type of achievement that our executive compensation program is designed to reward. An individual’s actual bonus payment is the sum of three components: (1) the portion of the payment based on the review and evaluation of our Company’s year-end FFO performance (the “FFO Component”), (2) the portion of the payment based on the 2015 Plan participant’s overall achievement of the person’s Individual’s Objectives (the “Individual Objectives Component”), and (3) the portion of the payment based on the Company’s achievement on its Strategic Objectives (the “Strategic Objectives Component”).

Under the terms of the 2015 Plan, the fiscal impact, whether positive or negative, of certain unanticipated or unplanned factors or events not contemplated in the Company’s fiscal year 2015 consolidated corporate budget shall be excluded from the calculation of WPG’s year-end FFO per diluted Common Share metric used to determine payout amounts for FFO performance under the 2015 Plan. Specifically, for purposes of the 2015 Plan, FFO per diluted Common Share was adjusted to exclude Merger and/or transaction related costs. Other categories of factors enumerated under the 2015 Plan the impact of which may be excluded or disregarded in determining the Company’s 2015 fiscal year end FFO per diluted Common Share include: (A) non-cash asset write downs or impairments and (B) the financial impact of charges and expenditures associated with the early extinguishment of debt and the discontinuation of certain transactions or pre-development and development projects. The terms of the 2015 Plan authorize the Compensation Committee to use its discretion to reject any of the aforementioned adjustments described above in approving the final payout amount for the FFO Component of the bonus payment. The terms of the 2015 Plan also empower the Compensation Committee to use its discretion to make any other adjustments they believe are appropriate in approving the final bonus payout amount for the Company’s 2015 FFO performance.

In determining the FFO Component, Individual Objectives Component, and Strategic Objectives Component that comprise a 2015 Plan participant’s bonus payment, the following bonus targets must initially be determined: (A) Target Bonus Payout Amount, (B) FFO Target Amount, (C) Individual Objectives Target Amount, and (D) Strategic Objectives Target Amount. A Named Executive’s Target Bonus Payout Amount is a stated percentage of their actual base salary earnings paid during fiscal year 2015. The Named Executive’s FFO Target Amount is 50% of the person’s respective Target Bonus Payout Amount, the Individual Objectives Target Amount is 25% of the Target Bonus Payout Amount, and the Strategic Objectives Target Amount is 25% of the Target Bonus Payout Amount. The Compensation Committee structured the 2015 Plan in this manner in order to make the majority of a Named Executive’s bonus award opportunity impacted by WPG’s overall FFO performance and corporate achievement of strategic goals. Additionally, the structure of the 2015 Plan is similar to the bonus plan for Glimcher and is a by-product of our Merger integration efforts. The Target Bonus Payout Amount, FFO Target Amount, Individual Objectives Target Amount, and Strategic Objectives Target Amount do not represent bonus payment amounts under the 2015 Plan, but instead represent targets

used in calculating the actual bonus payment amount for 2015 Plan participants, including each Named Executive, depending upon the level of individual and corporate achievement. As part of the various assessments and evaluations performed in connection with determining an annual bonus payment for a 2015 Plan participant, the Compensation Committee may determine that no payment is earned for the Individual Component, FFO Component, or Strategic Objectives Component of the actual bonus award. The Target Bonus Payout Amount, FFO Target Amount, Individual Objectives Target Amount, and Strategic Objectives Target Amount for each of the Named Executives under the 2015 Plan are listed in the table below (amounts are rounded to the nearest dollar):

Table Of Contents

Named Executive	Target Bonus Payout Amount (Target Bonus Multiplier of actual salary earnings)	FFO Target Amount (50% of Target Bonus Payout Amount)	Individual Objectives	Strategic Objectives
			Target Amount (25% of Target Bonus Payout Amount)	Target Amount (25% of Target Bonus Payout Amount)
Mr. Glimcher	\$1,657,380 (200% of actual base salary earnings)	\$828,690	\$414,345	\$414,345
Mr. Yale	\$625,000 (125% of actual base salary earnings)	\$312,500	\$156,250	\$156,250
Mr. Knerr	\$866,247 (175% of actual base salary earnings)	\$433,123	\$216,562	\$216,562
Mr. Drought	\$424,050 (100% of actual base salary earnings)	\$212,025	\$106,012	\$106,013
Ms. Indest	\$211,832 (75% of actual base salary earnings)	\$105,916	\$52,958	\$52,958
Mr. Ordan	\$1,650,000 (200% of actual base salary earnings)	\$825,000	\$412,500	\$412,500
Mr. Richards	\$675,000 (150% of actual base salary earnings)	\$337,500	\$168,750	\$168,750
Ms. Tehrani	\$386,178 (112.5% of actual base salary earnings)	\$193,089	\$96,544	\$96,545
Mr. Gaffney	\$342,308 (100% of actual base salary earnings)	\$171,154	\$85,577	\$85,577

The 2015 Plan requires that in order for participants to receive a bonus payment, the participant must be actively employed with the Company (or any affiliate) on the date the bonus payment is approved by the Compensation Committee. The 2015 Plan by its terms authorizes the Compensation Committee to exercise its discretion with respect to bonus payments to 2015 Plan participants in the event of such person's death, disability, or other intervening circumstance that arises prior to the aforementioned approval date. The Compensation Committee exercised such discretion in approving bonus payments under the 2015 Plan at the Target Bonus Payout Amount shown above for Ms. Tehrani and Messrs. Gaffney and Richards each of whom were terminated prior to the Compensation Committee approving bonuses under the 2015 Plan. The Compensation Committee reasoned that each was a participant in the 2015 Plan since its adoption, employed with the Company at or until the end of the performance year and contributed, through their respective individual efforts, to the Company achieving its year-end goals and objectives. In the remaining discussion on the annual bonus in this section, unless otherwise indicated, all references to the "Named Executives" will exclude Ms. Tehrani and Messrs. Gaffney and Richards.

(ii) Determining the Amount of the FFO Component of a Named Executive's Annual Bonus

Following the Compensation Committee's review and evaluation of our year-end FFO performance, the amount of the FFO Component of a Named Executive's annual bonus under the 2015 Plan is determined using the following scale:

Evaluation Levels for Per Common Share FFO Performance

	Threshold	Target	Maximum
Bonus Payment Component	(Yr. End FFO of \$1.72 - \$1.76 Per Share)	(Yr. End FFO of \$1.77 Per Share)	(Yr. End FFO of 1.78-\$1.85 Per Share and Above)
FFO Component	35% - 87% of FFO Target Amount	100% of FFO Target Amount	106.3% - 150% of FFO Target Amount

The FFO targets stated in the chart above were formulated to include the range of our anticipated or forecasted 2015 per diluted Common Share FFO results that were initially announced by our company at the beginning of 2015. Under each level of FFO performance in the 2015 Plan, each year-end FFO per share amount is assigned a percentage used to determine the portion of the FFO Target Amount a participant is eligible to receive based upon the Company's year-end FFO performance. For example, if we attain a year-end FFO of \$1.72 per diluted Common Share then 2015 Plan participants would be eligible to receive 35% of their FFO Target Amount, but if we achieve a year-end FFO of \$1.85 per diluted Common Share or above the 2015 Plan participants would be eligible to receive 150% of their FFO Target Amount. The aforementioned examples do not take into consideration any adjustments to our year-end FFO per Common Share amount that would be permitted under the 2015 Plan. As discussed earlier, we believe that measurement of per Common Share FFO is a primary metric in evaluating growth in shareholder value as well as evaluating the management and operation of our underlying business. Per Common Share FFO performance results under the 2015 Plan that occur between threshold, target, and maximum levels will result in a mathematically interpolated payout of the FFO Component.

Table Of Contents

The 2015 Plan is funded for bonus compensation to be paid because WPG's adjusted FFO per diluted Common Share results for fiscal year 2015 is \$1.91 per Common Share which exceeds the minimum performance level of \$1.72 per diluted Common Share under the threshold level. WPG's adjusted 2015 FFO per diluted Common Share of \$1.91 reflects an adjustment for transaction costs relating to the Merger and the amortization of fees on the Bridge Loan of \$42.1 million, or \$0.20 per diluted Common Share. WPG's unadjusted reported per Common Share FFO results for 2015 were \$1.71. Under the 2015 Plan, per Common Share FFO performance of \$1.91 exceeded the maximum performance goal of \$1.85 per share, resulting in a payout for the FFO Component under the 2015 Plan at the maximum level. The Compensation Committee approved a bonus payout for the FFO Component of 150% of the FFO Target Amount for 2015 Plan participants, including each Named Executive still employed or affiliated with the Company on the date of the Compensation Committee's approval, as shown in the table below (amounts are rounded to the nearest dollar):

Named Executive	FFO Target Amount (50% of Target Bonus Payout Amount)	FFO Component of Annual Bonus (150% of FFO Target Amount)
Mr. Glimcher	\$828,690	\$1,243,035
Mr. Yale	\$312,500	\$468,750
Mr. Knerr	\$433,123	\$649,685
Mr. Drought	\$212,025	\$318,037
Ms. Indest	\$105,916	\$158,874
Mr. Ordan	\$825,000	\$1,237,500

(iii) Determining the Strategic Objectives and Individual Objectives Component of a Named Executive's Annual Bonus

In determining the Strategic Objectives Component of the annual bonus, the Compensation Committee conducted a qualitative assessment of the Company's performance in achieving its Strategic Objectives established in connection with the adoption of the 2015 Plan. Under the 2015 Plan, the achievement percentages range from 25% to 150%. Based upon the Compensation Committee's qualitative assessment of the Company's aggregate performance on its Strategic Objectives, the achievement percentage attained is applied to a Named Executive's Strategic Objectives Target Amount to determine the Strategic Objectives Component of the annual bonus award. In establishing the Strategic Objectives, there was no specific weighting or priority placed by the Compensation Committee on or amongst any of the objectives.

In determining the Individual Objectives Component of the annual performance bonus, the Compensation Committee considers the overall performance of the Named Executive on his or her Individual Objectives. Upon the completion of the Named Executive's performance evaluation, the Named Executive receives an overall achievement percentage that ranges from 25% to 150% and reflects the person's respective performance on his or her Individual Objectives. This overall achievement percentage is then applied to the Named Executive's Individual Objectives Target Amount to determine the Individual Objectives Component of the Named Executive's annual bonus award.

The table below aggregates the Individual Objectives Target Amount and the Strategic Objectives Target Amount for each of the Named Executives and the range of values, or resulting payouts, between the Threshold and Maximum levels of performance for which each Named Executive could qualify to receive (amounts are rounded to the nearest dollar):

Overall Performance Evaluation Levels for Strategic Objectives and Individual Objectives			
	Threshold	Target	Maximum
Named Executive (25-99%		(100%	(101-150%
	Achievement Percentage)	Achievement Percentage)⁽¹⁾	Achievement Percentage)
Mr. Glimcher	\$207,172 – \$820,403	\$828,690	\$836,977 – \$1,243,035
Mr. Yale	\$78,125 – \$309,375	\$312,500	\$315,625 – \$468,750
Mr. Knerr	\$108,281– \$428,793	\$433,124	\$437,455 – \$649,686
Mr. Drought	\$53,006 – \$209,905	\$212,025	\$214,145 – \$318,037
Ms. Indest	\$26,479 – \$104,857	\$105,916	\$106,975 – \$158,874
Mr. Ordan	\$206,250 – \$816,750	\$825,000	\$833,250 – \$1,237,500

¹Listed amounts represent the sum of the Named Executive’s respective Individual Objectives Target Amount and Strategic Objectives Target Amount.

The Compensation Committee assessed the Company’s performance on its Strategic Objectives at the target level of performance based on some of the Company’s corporate achievements described in the section above entitled *2015 Business Highlights*. Additionally, with respect to the Company’s Strategic Objective to analyze, evaluate and initiate growth opportunities for the Company, the Compensation Committee assessed that the Company achieved this objective by making measurable progress toward aligning the Company’s operations and assets to achieve growth in net operating income (“NOI”) in line with expectations for fiscal year 2016 justifying an evaluation of this objective at the target level of achievement. Based on aforementioned analysis and assessment, the Compensation Committee approved a bonus payout for the Strategic Objectives Component of 100% of the Strategic Objectives Target Amount for 2015 Plan participants including each Named Executive.

Table Of Contents

Assessment of the individual performance of 2015 Plan participants is done entirely through evaluating their respective achievement on the individual objectives that each 2015 Plan participant, including the Named Executives, established during the first half of 2015. For the 2015 performance year, except for Messrs. Ordan and Glimcher, each of the Named Executives had five (5) individual objectives. Messrs. Ordan and Glimcher each had eight (8) individual objectives. For the 2015 performance year, objectives had a strong nexus to the Company's Strategic Objectives and generally can be grouped into four categories: (A) Financial Objectives, which generally concern completing or formulating capital or budget plans for the Company, achieving financial or budgetary forecasts, operating the Company within budgeted parameters, managing our debt and liquidity levels sufficiently, and finding new sources or vehicles for capital; (B) Operational Objectives, which generally concern our leasing operations, development/redevelopment activity, and staffing/recruitment of personnel; (C) Merger Integration Objectives, which concern the Company's post-Merger plans, projects, initiatives, strategies, and goals geared toward integrating the operations of Glimcher into the Company to create an efficient and effective organization; and (D) Functional Objectives, which are such additional objectives relating to a Named Executive's particular areas(s) of expertise or focus or relating to the department or functional area such person manages within our company. Evaluation of the performance of the Named Executives on their respective Individual Objectives was done by the Compensation Committee with respect to the Company's former Executive Chairman and former CEO; however, for the other Named Executives, the respective manager or supervisor for such person performed the evaluation. Our now former Chief Executive Officer evaluated during 2015 the performance of our current CFO and Chief Operating Officer. The CFO evaluated the fiscal year 2015 performance of the Chief Accounting Officer and the Chief Operating Officer evaluated the performance of the Executive Vice President, Director of Leasing. The Compensation Committee relied partly upon written evaluations in determining the level of achievement an evaluated Named Executive attained on his or her respective Individual Objectives.

Generally, the Named Executives received between target and maximum achievement on their specific individual objectives; except in a few isolated instances where lower achievement levels were recorded. Also, aggregate individual achievement percentages attained by the Named Executives ranged between approximately 82% and 140%. The individual achievement percentages reflects the aggregate evaluation a Named Executive received on his or her Individual Objectives performance assessment and is applied to the Individual Objectives Target Amount to get the Individual Objectives Component of the annual bonus award. An overview of the assessment for each of the Named Executives follows.

Messrs. Glimcher and Ordan had identical Individual Objectives. Mr. Glimcher, due to his significant day-to-day involvement and managerial responsibilities during 2015, achieved a maximum rating with respect to three of his four Financial Objectives as exemplified by delivering a three year strategic plan for the Company eventually approved by the Board; coordinating the payoff of the Bridge Loan and other associating financing that raised the Company's available liquidity to approximately \$700 million; and managing the planning and strategy behind decreasing by the end of 2015 the Company's net debt to EBITDA ratio to approximately 7.0x. Mr. Glimcher also achieved a maximum evaluation on his Operational Objective and two Merger Integration Objectives as demonstrated by the Company establishing formal internal policies around capital allocation and upgrading the Company's systems and protocols to sufficiently operate the combined company; completing hiring of senior management personnel; successfully implementing the transition of pre-Merger WPG legacy properties onto the Company's operating platform; and implementing a plan ahead of schedule to transition off of the services agreement with Simon. With respect to Mr. Ordan, in light of his transition, Mr. Ordan achieved a target evaluation for all of his objectives except one of his

Merger Integration Objectives for which a Maximum assessment was achieved and two other objectives for which no payout was approved because the target achievement relating to the objectives for investor relations (“IR”) outreach and NOI growth were not achieved. Mr. Glimcher’s evaluation and payout for his objectives relating to IR outreach and NOI performance were identical to those for Mr. Ordan.

With respect to the evaluation of Mr. Yale’s five Individual Objectives, four of his five objectives were evaluated at the maximum achievement level. Mr. Yale’s objectives consisted of two Financial Objectives, one Merger Integration Objective and Operational Objective apiece, and one Functional Objective. The Compensation Committee observed that the maximum evaluation for Mr. Yale’s Financial Objectives, Merger Integration Objective, and Operational Objective was supported by: (A) the completion of the three year strategic plan for the Company and its approval by the Board; (B) repayment of the Bridge Loan by the end of the 2015 second fiscal quarter; (C) successful preparation of the Company’s finance and accounting functions to support the combined company after the termination of the Simon services agreement and to also facilitate realization of Merger synergies; and (D) establishment of processes to support service and reporting requirements of the O’Connor joint venture. Mr. Yale received a target evaluation on his Functional Objective relating to IR outreach because the number of new analysts launching coverage on the Company during 2015 was slightly less than the targeted amount despite a challenging environment for the Company to attract new investors.

The assessment of Ms. Indest’s performance on her Individual Objectives was similar to that for Mr. Yale in that she received a maximum rating on four of her five objectives and a target rating on her Functional Objective relating to IR outreach for the same reasons as Mr. Yale’s evaluation and payout for that objective. Three of Ms. Indest’s objectives were Merger Integration Objectives relating to: (A) preparing the Company’s finance and accounting functions to support the combined company after termination of the Simon services agreement and to also facilitate realization of Merger synergies; (B) managing an effective transition with the Company’s external independent auditors and addressing in a timely manner Merger accounting issues and public financial reporting procedures; and (C) establishing by year-end a marketing and communication plan to rollout the Company’s new post-Merger brand. Finally, Ms. Indest’s other Functional Objective related to the successful organization and completion of the Company’s inaugural Investor and Analyst Day.

Table Of Contents

Messrs. Knerr and Drought also achieved maximum ratings for four out of five of their respective Individual Objectives. Messrs. Knerr and Drought's objectives may be categorized as Financial Objectives, Operational Objectives, Merger Integration Objectives and, for Mr. Drought, one Functional Objective relating to Mr. Drought's responsibility to manage the Company's leasing function. The Compensation Committee found support for Mr. Knerr's maximum rating given for one of his Operational Objectives, two Merger Integration Objectives, and one Financial Objective in the following achievements: (A) creation of a three year portfolio-wide strategic plan for leasing and development; (B) integration and enhancement of the Company's development and leasing departments; (C) development and implementation of a portfolio-wide organizational structure for the Company's property management department; and (D) increase, in spite of significant tenant bankruptcies, portfolio-wide total occupancy by the end of 2015 as compared to the end of the 2015 first fiscal quarter. Mr. Knerr achieved target achievement for his second Operational Objective relating to replacing income lost due to tenant bankruptcies as shown by the replacement of over 75% of such income. With respect to Mr. Drought, the Compensation Committee found support for the maximum ratings given for one of his Operational Objectives, Merger Integration Objective, Financial Objective, and Functional Objective in the following achievements: (A) leadership of integrated leasing team to achieve NOI, FFO and leasing results for 2015 consistent with expectations; (B) post-Merger organization of the leasing department for the combined company and recruitment of additional leasing talent; (C) effective management of leasing department which included recruitment of four leasing and specialty leasing managers, continued internal cross-functional strategy meetings, and over 100 portfolio meetings with tenants; and (D) visiting a majority of the properties in the Company's portfolio to promote a thorough understanding of the portfolio and integrating leasing functions in both of the Company's corporate offices. Mr. Drought achieved target achievement for his second Operational Objective relating to re-leasing the Company's expansion or redevelopment properties as shown by the leasing progress made at Phase III of Scottsdale Quarter®, which includes the addition of American Girl and Design Within Reach, and three restaurants recently opened at The Mall at Fairfield Commons.

(iv) Total Payouts to Named Executives Under 2015 Plan

The chart below summarizes the payout amounts for the Individual Objectives Component for each of the Named Executives based upon each person's overall achievement percentage that resulted from his or her performance evaluation. The Individual Objectives Component for each Named Executive was added to the person's FFO Component and Strategic Objectives Component to obtain the total bonus payout under the 2015 Plan (amounts are rounded to the nearest dollar):

The bonus payout award under the 2015 Plan, for each of the Named Executives (including Ms. Tehrani and Messrs. Gaffney and Richards), is reflected in column (f) of the Summary Compensation Table. The bonus payment amount under the 2015 Plan, generally, accounts for approximately 18% to 58% of a Named Executive's total annual compensation that is reported in the Summary Compensation Table. As stated earlier, the 2015 annual bonuses are plan-based compensation intended to serve as incentive for performance over a period of time that is evaluated using various performance targets established and communicated to the plan participants prior to the evaluation. For this reason, the bonus compensation is reported in the Summary Compensation Table in column (f). Bonuses for fiscal year 2014 are reported in column (d) because when awarded, no performance metrics or targets had been pre-established and the bonuses were not paid pursuant to the terms of a plan; instead the Compensation Committee based its bonus determinations for fiscal year 2014 performance on its review of Company performance for 2014, including financial results compared to previously established goals, the Company's strategic achievements, and the Compensation Committee's assessment of individual management's contributions and performance.

Table Of Contents*Equity Compensation*

The components of the Company's equity compensation to executives for fiscal year 2015 satisfy three important compensation objectives: (i) to reward executives based on financial and market performance, (ii) align the interests of executives and our shareholders, and (iii) attract and retain qualified and experienced executives. Although we anticipate that the size and nature of our future equity compensation awards will be influenced by our compensation objectives, historical practices, market or peer group comparisons, and performance; as we discuss below, the awards during fiscal year 2015 were influenced primarily by the terms of the Merger and the provisions of the employment agreements or other arrangements between the Company and the respective Named Executive.

Additionally, as reflected in the compensation tables that follow, Named Executives formally employed with Glimcher prior to the Merger (a "Glimcher Named Executive" and collectively, the "Glimcher Named Executives") who held Glimcher stock options and restricted common stock received from the Company, as part of the Merger consideration, converted stock options for Common Shares ("WP Glimcher Converted Options") and converted restricted Common Shares ("WP Glimcher Converted Restricted Share Awards"). The WP Glimcher Converted Options and WP Glimcher Converted Restricted Share Awards were issued from the WPGLP 2014 Stock Incentive Plan (the "WPGLP Plan"), but the terms and conditions of each security, including the applicable vesting schedule, are governed by the respective Glimcher equity compensation plan that the Company assumed in connection with the consummation of the Merger. The conversion mechanics operated as follows; in addition to any other Merger consideration due under the Merger agreement, each Glimcher restricted common share was exchanged for 0.7840 (the "Equity Award Exchange Ratio") of a WPG Common Share.

The Equity Award Exchange Ratio was also applied to Glimcher stock options to convert them into WP Glimcher Converted Options. Lastly, the Equity Award Exchange Ratio was used to convert the exercise price of the Glimcher stock option ("Glimcher Option Exercise Price") to the exercise price for the WP Glimcher Converted Option by dividing the Glimcher Option Exercise Price by the Equity Award Exchange Ratio. The table below provides the resulting WP Glimcher Converted Restricted Share Awards as well as unexpired and unexercised WP Glimcher Converted Options holdings for the Glimcher Named Executives following application of the equity award conversion prescribed under the Merger agreement (amounts are rounded as detailed below)¹:

³Totals are as of the Merger Closing Date and do not reflect vesting that occurred in 2015 after the Merger Closing Date.

Grant date fair value information for the above-listed WP Glimcher Converted Restricted Share Awards and WP Glimcher Converted Options are excluded from the Summary Compensation Table and Grants of Plan-Based Awards Table because they do not reflect any additional compensation or 2015 executive compensation decisions made by the Company or Compensation Committee. The remaining unexpired WP Glimcher Converted Options and WP Glimcher Converted Restricted Share Awards are however reported in the Outstanding Equity Awards at Fiscal Year-End table, Options Exercised and Stock Vested table, and the beneficial ownership table as applicable.

Equity awards made by the Company during 2015 were in the form of LTIP Units. LTIP Units are authorized by the WPGLP Plan and represent a separate class of equity interests in WPGLP. LTIP Unit awards may be subject to performance-based conditions, continuing service requirements, and/or other conditions. They may be granted to employees and other persons who directly or indirectly provide services to our operating partnership subsidiary or any of its affiliates as a form of equity-based incentive compensation. LTIP Units are similar to the common limited partnership operating units of WPGLP (“O.P. Units”), and are generally entitled to distributions in the same manner as the O.P. Units and Common Shares, except that they have a number of special terms intended to enable LTIP Units to constitute “profits interests” for U.S. federal income tax purposes. Generally, once an LTIP Unit has vested pursuant to the terms set forth in the award agreement, LTIP Units will be economically identical to and freely convertible into O.P. Units, which themselves may be exchanged, at the option of the holder, for Common Shares on a one-for-one basis or cash, as determined by us in our sole discretion. Vested LTIP Units also are entitled to be voted on an equal basis with O.P. Units.

Table Of Contents*(i) Post-Merger Inducement and Performance-Based LTIP Unit Awards*

During 2015, LTIP Units were used by the Company for the post-Merger inducement awards (the “Inducement Awards”) to certain former Glimcher executives, and each of the Glimcher Named Executives, per the terms of their respective employment agreement or Offer Letters. Additionally, the Company made post-Merger special performance-based LTIP Unit allocations (the “Performance-Based LTIP Allocations”) to the former Glimcher executives, and each of the Glimcher Named Executives, as well as other Company executives. The Glimcher Named Executives and Ms. Tehrani received both Inducement Awards and Performance-Based LTIP Allocations. None of the other Named Executives received during 2015 any Inducement Awards or Performance-Based LTIP Allocations in connection with the consummation of the Merger.

The Inducement Awards constituted actual grants of LTIP Units. Grant sizes for Glimcher Named Executives were determined by dividing cash values set forth in their respective employment agreements or Offer Letters by the average closing price for the Common Shares for the twenty consecutive trading days following the Merger Closing Date (the “Closing Price”). With respect to Ms. Tehrani’s Inducement Award, the number of LTIP Units granted was the result of negotiations concerning her overall compensation package and designed to be comparable to similar awards made before the Merger to similarly-situated executives of the Company during fiscal year 2014. The Inducement Awards were structured to vest over a period of four years in 25% increments of the total number of LTIP Units awarded subject to continued employment through the applicable vesting date which for the Glimcher Named Executives was the annual anniversary of the Merger Closing Date and for Ms. Tehrani was her hire date of January 21, 2015 (the “Tehrani Hire Date”).

Unlike the Inducement Awards, the Performance-Based LTIP Allocations are not actual unit-denominated awards or grants, but rather award allocations for which recipients receive a percentage, ranging from 0% to 100%, if certain performance targets are achieved over distinct performance periods spread over a three year horizon. The allocated LTIP Units that comprise a recipient’s Performance-Based LTIP Allocations were apportioned evenly over the applicable performance periods. Pursuant to the respective employment agreements and Offer Letters of the recipients, performance would be measured by absolute TSR of the Common Shares, applicable to 40% of the allocated amount per performance period, and relative TSR performance of the Common Shares versus the MSCI US REIT Index (NYSE: RMZ) (the “Index”), applicable to 60% of the allocated amount per performance period. For the Glimcher Named Executives, the relative performance periods run from the Merger Closing Date to December 31, 2016; December 31, 2017; and December 31, 2018, respectively (each a “Special Performance Period” and all, collectively, the “Special Performance Periods”). For Ms. Tehrani, the performance period end dates were the same, but the start date was the Tehrani Hire Date. Similar to the Inducement Awards, for the Glimcher Named Executives, the size of the Performance-Based LTIP Allocations were determined by dividing cash values set in their respective employment agreements or Offer Letters by the Closing Price. The size of Ms. Tehrani’s Performance-Based LTIP Allocation was formulated like her Inducement Award in that it mirrored comparable awards made before the Merger to similarly-situated executives of the Company during fiscal year 2014. Except as the Compensation Committee may otherwise provide in an applicable award agreement or as otherwise provided in a written employment or severance agreement between the Company and an applicable recipient, LTIP Units granted from Performance-Based LTIP Allocations with respect to the performance periods that end on December 31, 2016 and December 31, 2017 are to vest on the third (3rd) anniversary of the Merger Closing Date for the Glimcher Named Executives and the third (3rd)

anniversary of the Tehrani Hire Date for Ms. Tehrani's award. LTIP Units granted from Performance-Based LTIP Allocations with respect to the last performance period ending on December 31, 2018 shall vest immediately upon grant subject to continued employment through the grant date. The tables below show (A) the number of Inducement Awards and Performance-Based LTIP Allocations that certain Named Executives received and (B) the possible payout of allocated LTIP Units based on absolute TSR performance and relative TSR performance versus the Index.

For Company's fiscal year ending December 31, 2015, no LTIP Units were awarded from Performance-Based LTIP Allocations because none of the Special Performance Periods had concluded; however, 25% of the Glimcher Named Executives' LTIP Units constituting Inducement Awards vested on January 15, 2016. As discussed later in more detail, Ms. Tehrani forfeited her outstanding Performance-Based LTIP Allocations in connection with the termination of her employment, but the vesting for the Inducement Awards accelerated in connection with such termination per the terms of the award agreement. Performance-Based LTIP Allocations account for 60% of a recipient's post-Merger LTIP Unit awards with the remaining 40% being time-or service based awards which we feel furthers our compensation objective of making the majority of our executive compensation based on market, corporate, and individual performance.

(ii) 2015 Annual LTIP Unit Awards

In March 2015, the Compensation Committee approved performance criteria for our 2015 annual LTIP Unit awards (the "2015 Annual Awards") to be granted to executive personnel, including all of the Named Executives, in 2016 no later than upon the completion of the audit of WPG's 2015 financial statements. The 2015 Annual Awards were established as a cash value representing the maximum award value and equal to a multiple of the respective recipient's 2015 annual paid salary. For Named Executives now eligible to receive a payout from the 2015 Annual Awards, the

multiple ranged from 75% – 300% as determined by the terms of the Named Executive’s employment agreement or Offer Letter. At the end of 2015, the cash value is converted to an allocated number of LTIP Units (“2015 LTIP Unit Allocation”) from which actual awards are made. Actual awards of LTIP Units for the 2015 Annual Awards are determined by the following performance criteria:

TSR of WPG for 2015 compared to the Index, calculated on a net basis and represented by the Index (“TSR Objective”); and

The Company’s performance on the Strategic Objectives (the “Strategic Goal Component”).

Sixty percent of the 2015 LTIP Unit Allocation represents the LTIP Units available to be awarded for WPG’s achievement on the TSR Objective (the “2015 TSR LTIP Unit Allocation”) and the remaining 40% of the 2015 LTIP Unit Allocation represents the LTIP Units available to be awarded for the Company’s achievement on the Strategic Objectives (the “2015 Strategic Goals LTIP Unit Allocation”). The award was structured in this manner to again further our compensation objective of providing performance-based compensation that aligns the interest of our executives with those of our shareholders. Furthermore, the Strategic Goal Component was introduced to provide the Compensation Committee the ability to recognize and award strategy execution not immediately reflected in WPG’s relative Common Share price.

Table Of Contents

The payout for the Strategic Goal Component will range from 0% to 100% of the 2015 Strategic Goals LTIP Unit Allocation, based on the Compensation Committee's qualitative assessment of WPG's performance relative to the Strategic Objectives. With respect to the TSR component, the payout for the TSR Objective ranges from 100% to 76% of the 2015 TSR LTIP Unit Allocation for achievement 1 percentage point or more above the Index; 75% to 51% of the 2015 TSR LTIP Unit Allocation for achievement at the Index; 50% to 1% of the 2015 TSR LTIP Unit Allocation for achievement 2 percentage points below the Index; and no payout for achievement 4 percentage points or more below the Index with interpolation between the various levels. The Compensation Committee retained the ability to use WPG's average Common Share price for the relative TSR performance determination in the event of anomalous events at year-end; however, such discretion was not used in connection with making the final awards. Set forth in the table below for each Named Executive are: (A) the cash value representing the maximum award value, (B) the multiple used to convert the cash values to the 2015 LTIP Unit Allocation, (C) 2015 TSR LTIP Unit Allocation, and (D) 2015 Strategic Goals LTIP Unit Allocation.

¹The maximum number of LTIP Units that can be earned by each individual for the 2015 Annual Awards was determined by dividing the dollar amount in column (d) by \$10.52, the average trading price of WPG's Common Shares on the NYSE during the last fifteen (15) trading days of 2015. Amounts are rounded to nearest whole unit.

The formula to determine the maximum award size set forth in column (d) above for the Named Executives was set forth in the respective employment agreements and Offer Letters for each Named Executive. For the Named Executives listed in the table above, the Compensation Committee determined that no award of LTIP Units would occur for the TSR Objective as none of the TSR goals were satisfied because WPG's 2015 Common Share TSR was

-33.53% compared to the Index of -1.5%. With respect to the payout for the Company's performance on the Strategic Objectives, similar to the determination for the annual bonus payout, achievement was determined to be 100% and the Named Executives eligible to receive a payout for 2015 Annual Awards received a grant of LTIP Units equal to their respective 2015 Strategic Goal LTIP Unit Allocation. Except for Mr. Ordan, one-third of the LTIP Units for the 2015 Annual Awards granted to Named Executives will vest on each of January 1, 2017, 2018 and 2019. Under the Consulting Agreement, LTIP Units that Mr. Ordan receives in connection with the payout for the 2015 Annual Awards shall vest immediately upon grant. Lastly, with respect to Messrs. Gaffney and Richards and Ms. Tehrani, their respective award opportunity relating to the 2015 Annual Awards was forfeited in connection with their respective employment terminations because the terms of the initial award provide that recipients must be employed by the Company (or an affiliate thereof) on the date the performance payout and ultimate grant is approved by the Compensation Committee.

(iii) LTIP Units – 2015 Vesting Events and Separation/Transition Payments

During 2015, certain LTIP Units granted during 2014 vested. On an individual basis, the vesting event covered one-fourth or 25% of the inducement LTIP Units granted in August 2014. Named Executives holding vesting LTIP Units that vested in August 2015 are as follows:

Named Executive	Time-Based LTIP Units Awarded in 2014	Time-Based LTIP Units Vesting in 2015	Remaining Unvested Time-Based LTIP Units Awarded in 2014
Mr. Knerr	30,000	7,500	22,500
Mr. Richards	30,000	7,500	22,500
Mr. Gaffney	15,000	3,750	11,250

Additionally, accelerated vesting of LTIP Unit awards occurred for certain Named Executives in connection with either their termination of service or transition to another role in our company. Mr. Ordan transitioned from our Executive Chairman to our non-executive Chairman and pursuant to the Consulting Agreement, the unvested portion of the 153,610 time-based LTIP Units that Mr. Ordan received in June 2014 that were previously to vest in fourths (25%) on each of the first four anniversaries of May 28, 2014, all vested in their entirety on December 31, 2015, his last day as an employee of the Company. Messrs. Richards and Gaffney's terminations, both of which were considered terminations without "cause" under their respective employment agreements, resulted in all of the remaining unvested time-based LTIP Units held by each to vest in their entirety per the terms of the award agreement on their last day of employment which for Mr. Gaffney was December 31, 2015 and for Mr. Richards was January 15, 2016. As stated earlier, Ms. Tehrani's unvested Inducement Award of 15,000 LTIP Units vested when her employment terminated on December 31, 2015. For Messrs. Richards, Gaffney and Ms. Tehrani, the actual date on which unvested LTIP Units vested in connection with the respective terminations was the thirtieth day following each person's respective termination date which for Mr. Richards was February 15, 2016 and January 31, 2016 for Mr. Gaffney and Ms. Tehrani.

Table Of Contents

A portion of the 2014 performance-based LTIP Units allocated to the Company's executive officers, and certain Named Executives, during 2014 were to vest based upon WPG's achievement of absolute or relative TSR goals over three performance periods beginning August 25, 2014 (May 28, 2014 with respect to Mr. Ordan's award) and ending (A) December 31, 2015, (B) December 31, 2016, and (C) December 31, 2017 and in each case subject to continued employment through the applicable grant date. Messrs. Ordan, Gaffney, and Richards forfeited their remaining unvested and unearned performance based LTIP Units allocated in 2014 in connection with their respective termination and role transition. For the other Named Executives with such allocations, no performance based awards for the 2014 LTIP Unit allocations were earned when the first performance period ended on December 31, 2015 because WPG did not meet either of the absolute or relative TSR goals for that performance period as set forth below.

The values relating to our equity awards which are reported in column (d) of the Summary Compensation Table for each Named Executive represent the aggregate grant date fair value computed in accordance with FASB Accounting Standards Codification ("ASC") Topic 718, Compensation – Stock Compensation ("FASB ASC Topic 718") for each Named Executive's respective award(s) during the listed year. Generally, with respect to the fiscal year 2015, the aggregate grant date fair value of the LTIP Unit awards and allocations account for approximately 9% to 57% of a Named Executive's total annual compensation that is reported in the Summary Compensation Table and approximately 48% to 57% of a Glimcher Named Executive's total annual compensation that is reported in the Summary Compensation Table.

Common Share Ownership Guidelines

On February 24, 2015, our Board established Common Share ownership guidelines (the “Guidelines”) for certain executive officers and all non-management Board members to encourage higher levels of Common Share ownership and further align director and management interests with those of our shareholders as well as further mitigate any unnecessary risk-taking on the part of the executives covered by the Guidelines. Under the Guidelines, Common Shares acquired by the Company’s senior executive officers subject to the Guidelines through purchase, gift, exchange, or other means are counted toward the ownership requirement level in addition to Common Shares received through grants, awards, or payments from the Company. Additionally, unearned and earned LTIP Unit allocations, vested and unvested RSUs or Common Shares, and Common Shares issuable to senior executive officers and Board members upon the redemption of O.P. Units may count toward a senior executive officer and Board member’s ownership requirement level under the Guidelines. Stock options, any share appreciation rights, pledged Common Shares or other securities of the Company do not under the Guidelines count toward a senior executive officer and Board member’s ownership requirement. Board members and senior executive officers covered by the Guidelines are prohibited from selling Common Shares received by such person as equity compensation until such person has achieved the ownership requirement under the Guidelines applicable to him or her. After reaching compliance under the Guidelines, senior executive officers and Board members may sell such number of Common Shares in excess of the respective person’s ownership guideline. Sales of Common Shares by Board members and senior executive officers are permitted to satisfy any withholding requirements or other tax liability incurred in connection with any grant or associated vesting as well as any sale of Common Shares in connection with the cashless exercise of stock options where the sale is done for purposes of funding the applicable exercise price or paying withholding taxes.

Table Of Contents

The Guidelines establish that senior executive officers covered by the Guidelines are to reach their applicable ownership level described in the table below within five years after the later of February 24, 2015 or the date on which such person is first elected or appointed to the applicable office covered by the Guidelines. Board members are to reach their applicable ownership level described in the table below within five years after the later of February 24, 2015 or the date on which such person is first elected or appointed to the Board.

<u>Position</u>	Ownership Guideline (Lesser of)	
	Number of Common Shares with a Market Value Equal to	Number of Common Shares
Chief Executive Officer	5x Base Salary	or 200,000
Chief Financial Officer and Chief Operating Officer	3x Base Salary	or 75,000
Other Executive Officers	2x Base Salary	or 20,000
Non-Management Directors	5x Cash Portion of Annual Retainer	or 20,000

Under the Guidelines, a senior executive officer's base salary shall be the actual paid annual salary received by the senior executive officer from the Company (or any applicable affiliated company or subsidiary) annualized for the Company's fiscal year in which any compliance measuring occurs. Lastly, for purposes of measuring compliance with the Guidelines, the applicable per share market value of the Common Shares shall be determined by taking the average closing price of the Common Shares on the NYSE (or such other exchange that the Common Shares are principally traded on at the time compliance is measured) over the ninety trading days preceding the date on which compliance with the Guidelines is measured.

In addition to the above-described Guidelines, our policies regarding trading in our securities by senior executive officers and Board members prohibit such persons from short selling or hedging their ownership of the Common Shares, including trading in publicly-traded options, puts, calls or other derivative instruments related to the Common Shares, our preferred shares, or debt securities. Although our employees and Board members are permitted to have margin accounts for our securities or to pledge our securities, all senior executive officers and members of the Board must notify our General Counsel prior to creating a margin account for our securities or pledging our securities and shall immediately notify the General Counsel if the broker for such an account sells the Company securities held in the pledged or margin account. Also, our senior executive officers and members of the Board shall notify the General Counsel before establishing a standing or limit order to buy or sell our securities. If the General Counsel consents to the senior executive officer or Board member's establishment of a standing or limit order then such person shall provide the details of the order to the General Counsel as well as any future changes or modifications to such order.

Other Benefits

Our senior executive officers are entitled to participate in our retirement plan, group medical insurance plan, short-term and long-term disability plan and other benefits on the same basis as other salaried employees. In 2015, our retirement benefits were provided under the following retirement plans: The WP Glimcher Retirement Savings Plan (previously The Glimcher Realty Trust Retirement Savings Plan until January 16, 2015) (the “WP Glimcher Savings Plan”) and the Washington Prime Management Associates Savings Plan (the “WP Savings Plan,” and together with the WP Glimcher Savings Plan, the “WPG Plans”). The two plans were merged on January 1, 2016.

The WPG Plans are tax-qualified deferred compensation plans or 401(k) plans. Both plans currently have a feature that permits the Company to partially match employee contributions, including contributions made by executive officers including certain Named Executives (the “Match Feature”). During 2015, under the Match Feature, the Company matched 100% of the first 3% of salary deferrals that an employee contributed to the WPG Plans and 50% of the next 2% of salary deferrals that an employee contributed to the WPG Plans. Additionally, the Company made a profit sharing contribution of 1% of salary to the WP Savings Plan. Under the WPG Plans, salary includes payments attributed to any bonus compensation as well as salary compensation. Compensation related to the Match Feature for the Named Executives is reported in column (g) of the Summary Compensation Table. Under the Merger agreement, the Company was obligated to cause its benefits plans to take into account, for purposes of eligibility, vesting, levels of benefits, and benefit accrual, the service of former employees of Glimcher, including each of the Glimcher Named Executives, as if such service were with the Company, to the same extent that such service was credited under a comparable Glimcher benefit plan except to the extent that payments or the provision of benefits would result in the duplication of payments or benefits for the same period of service. During 2015, for Named Executives who were participants in either of the WPG Plans, we provided matching contributions under the WP Glimcher Savings Plan and WP Savings Plan of up to \$21,881 per person. We do not have a traditional pension plan or supplemental executive retirement plan.

Perquisites

The Compensation Committee intends to restrict the use of any perquisites to individual specific circumstances where conditions warrant individual accommodation. We believe that the limited number of perquisites provided are reasonable, competitive, and consistent with our objective to have an executive compensation program that provides compensation arrangements that are comparable with those provided by similarly-situated companies and that will attract and retain the best leaders for our Company. Only Mr. Ordan received reportable perquisite compensation during 2015. With respect to Mr. Ordan, pursuant to the terms of his Consulting Agreement, the Company paid the legal fees he incurred in connection with the negotiation of the Consulting Agreement. The aggregate fees, including the gross-up to cover Mr. Ordan's tax liability related to the payment, was \$15,798. The Compensation Committee approved this payment in connection with its approval of the Consulting Agreement. Compensation related to perquisites is included in column (g) of the Summary Compensation Table and includes, where applicable, payments for the Match Feature.

Termination Payments and Change in Control Benefits

The arrangements we currently have with certain Named Executives for payments and benefits following a termination of employment or a change in control (the "Termination Benefits") are memorialized in the various agreements between the respective Named Executive and the Company. Messrs. Glimcher and Yale's Termination Benefits are in their respective employment agreements, severance arrangements, and various equity award agreements. Termination Benefits for Ms. Indest and Mr. Drought are contained in their respective severance arrangements and respective equity award agreements and are more fully described in the section of this Proxy Statement entitled "Potential Payments upon Termination or Change in Control." Mr. Knerr's Termination Benefits are contained in his respective employment agreement and equity award agreements while Mr. Ordan's applicable Termination Benefits are described in the Consulting Agreement and his equity award agreement. We have made payments of Termination Benefits in connection with the separations of Ms. Tehrani and Messrs. Gaffney and Richards that occurred at the end of 2015 or shortly thereafter. We will make payments of Termination Benefits in connection with the separation of Mr. Drought that occurred on July 14, 2016. With respect to Mr. Glimcher, the Company also made payments of Termination Benefits in connection with his resignation on the Separation Date. The payment of Termination Benefits for Ms. Tehrani and Messrs. Richards, Drought and Gaffney are more fully described in the section below entitled "Potential Payments upon Termination or Change in Control." With respect to Mr. Glimcher, the description of the payment of Termination Benefits relating to his resignation on the Separation Date is set forth in the section of this Proxy Statement captioned "Recent Developments."

Payments and benefits upon the specified termination of employment events are intended to provide protection against a termination outside of the executive's control and to serve as a financial bridge between employment opportunities. Payments and benefits upon termination of employment in connection with a change in control are designed to encourage executives to focus on the best interests of shareholders by alleviating concerns related to the impact of a change in control event on an executive's personal interests. These provisions were negotiated with the executives at

the time of entering into their employment agreements or arrangements. The Termination Benefits are intended to be competitive with comparable benefits provided by other similarly-situated companies and to attract and retain executives that we view as key to our success following our separation from Simon and existence as a stand-alone publicly-traded REIT within the retail/shopping center sector.

The change in control severance benefits under the Company's employment agreement with Mr. Knerr are structured as "double trigger" benefits. In other words, change in control does not itself trigger the severance benefits; rather, severance benefits only become payable in the event of a termination of employment in connection with or following a change in control. In connection with the closing of the Merger and the execution by Glimcher Named Executives of their respective employment agreements and Offer Letters, the severance arrangements each person had as an executive with Glimcher were amended to make them double trigger and not single trigger change in control arrangements. As explained in greater detail in the section below entitled "Potential Payments upon Termination or Change in Control," the change in control arrangements for the Glimcher Named Executives include excise tax gross-up provisions that existed in their respective severance arrangements prior to the Merger, but the change in control arrangements with Mr. Knerr do not contain tax-gross up provisions. Currently, the Consulting Agreement has no provisions relating to payments or benefits to Mr. Ordan following a change in control. The Consulting Agreement provides for certain payments and benefits to be provided to Mr. Ordan in the event the period he is to provide services to the Company and its then CEO is terminated under certain circumstances prior to May 28, 2017.

Amendments to the employment agreements of certain Named Executives which became effective during 2015 following the Merger, impacted the compensation they received following their termination from our company. Amendments to Mr. Richards' employment agreement that became effective on the Merger Closing Date in connection with his transition from Chief Financial Officer to Executive Vice President and Chief Administrative Officer provided for the following which materially impacted the payments and benefits he received when his employment terminated on January 15, 2016:

increased his separation pay to two times the sum of his annual base salary in effect immediately prior to the date of termination plus target annual cash bonus for the year in which the date of termination occurs or if no target annual cash bonus has been set for the year in which the date of termination occurs, Mr. Richards' target annual cash bonus in effect during WPG's most recently completed fiscal year, in the event we terminated his employment other than for "cause" or he terminated his employment for "good reason" (within six months after the good reason event) (instead of one times salary or one times salary and target bonus upon the occurrence of such triggering events if no change in control or a change in control had occurred within the preceding 24 months, respectively); and

Table Of Contents

provided for, in addition to accelerated vesting of his inducement LTIP units, accelerated grant and vesting of his performance-based LTIP units in the event we terminated his employment other than for “cause” or he terminated his employment for “good reason” (within six months after the good reason event).

In connection with his actual termination, Mr. Richards waived the application of the aforementioned provisions to the performance-based LTIP Units allocated to him in 2014. Mr. Ordan’s employment agreement was amended also during 2015, but when his employment terminated on December 31, 2015 and he transitioned to the role of non-Executive Chairman, his employment agreement terminated and, except for certain provisions that survived as provided by the Consulting Agreement and discussed more fully in the section below entitled “Potential Payments upon Termination or Change in Control,” the severance and change in control provisions of his employment agreement became null and void.

Clawback Provisions

We have an executive compensation clawback policy that applies to any executive officer who the Compensation Committee determines engaged in fraud or intentionally illegal conduct that materially contributed to the need for a restatement of our financial statements. The clawback policy applies to all bonuses and other incentive and equity compensation awarded to the executive officer, the amount, payment and/or vesting of which was calculated based wholly or in part on the application of objective, financial performance criteria measured during any part of the period covered by the restatement. To the extent that the performance-based compensation paid or awarded to such executive officer is greater than it would have been had it been calculated based upon the restated financial results, then the Compensation Committee may seek to recover from the executive the after-tax portion of the difference.

In addition, a section of Mr. Ordan’s employment agreement that survived the agreement’s termination pursuant to the terms of the Consulting Agreement, provides that prior to our adoption of a clawback policy pursuant to the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”), Mr. Ordan’s bonus and other equity or non-equity compensation are subject to recoupment by our Board during his employment period and for three years thereafter (unless a longer period is required by law) to the extent that there is a restatement of our consolidated financial statements, and if the payment, grant or vesting of such compensation is tied to the achievement of one or more specific performance targets such that the compensation would not have been paid, granted or vested in light of such restatement. Any amounts required to be repaid shall be adjusted to take into account any taxes Mr. Ordan has already paid.

Pursuant to the terms of their inducement LTIP Unit award agreements executed in 2014, each of Messrs. Ordan, Richards, Gaffney, and Knerr has agreed, at our request, to promptly execute an amendment or modification of their respective agreements to reflect any clawback policy applicable to the executive’s inducement LTIP Units adopted by us or the Compensation Committee to comply with regulations promulgated by the SEC, NYSE, or under the Dodd-Frank Act. The agreements for the Inducement Awards for Ms. Tehrani and each of the Glimcher Named

Executives contain similar provisions.

Independent Compensation Advisor

The Compensation Committee selected Board Advisory as its compensation advisor for 2015. Board Advisory provides the Compensation Committee with peer executive compensation data, as well as expertise and advice on various matters brought before the Compensation Committee. The Compensation Committee has the sole authority to retain and terminate Board Advisory as its compensation consultant and approve fees and other engagement terms. Board Advisory has, through written correspondence, provided the Compensation Committee affirmation of the independence of Board Advisory, its partners, consultants, and employees as measured by the independence factors for compensation committee consultants under the listing standards of the NYSE. The affirmations were as follows:

that Board Advisory does not provide any services to the Company except advisory services to the Compensation Committee;

Table Of Contents

that the amount of fees received by Board Advisory from the Company is not material as a percentage of Board Advisory's total revenue;

that Board Advisory has policies and procedures that are designed to prevent conflicts of interest;

that Board Advisory and its employees who provide services to the Compensation Committee do not have any business or personal relationship with any member of the Compensation Committee or any of our senior executive officers; and

that Board Advisory and its employees who provide services to the Compensation Committee do not own any Common Shares or preferred shares of the Company.

Tax Treatment of Compensation

Substantially all of the services rendered by our Named Executives during 2015 are performed on behalf of WPGLP. The Internal Revenue Service has issued a series of private letter rulings which indicate that compensation paid by an operating partnership to named executive officers of a REIT that serves as its general partner is not subject to limitation under Section 162(m) of the Code to the extent such compensation is attributable to services rendered to the operating partnership. Although we have not obtained a ruling on this issue, our management believes the positions taken in the rulings would apply to our operating partnership subsidiary as well. If we later determine that compensation paid by WPGLP to the Named Executives is subject to Section 162(m) of the Code, then this could result in an increase to our income subject to federal income tax and could require us to increase distributions to our shareholders in order to maintain our qualification as a REIT.

Company Consideration of Past Shareholder Voting Results in Determining Fiscal Year 2015 Executive Compensation

At our Company's 2015 Annual Meeting of Shareholders (the "2015 Meeting"), we held for the first time a non-binding advisory vote on executive compensation. At that same meeting, our shareholders also voted in favor of our proposal to hold advisory shareholder votes on executive compensation on an annual basis. Over 97% of the Common Shares voted at our 2015 Meeting on the proposal relating to our executive compensation were in favor of the proposal. No changes or modifications to our executive compensation program or policies were made during fiscal year 2015 in response to the voting results from the 2015 Meeting for the non-binding shareholder advisory vote on our executive compensation. Despite the positive response of our shareholders to the non-binding advisory proposal on executive compensation presented at the 2015 Meeting, our Board and Compensation Committee will continue to review and examine the results of non-binding advisory shareholder votes on executive compensation that we hold in the future in order to discern any meaningful trends and to consider the voting results in light of our existing governance policies

and procedures, bylaws, as well as our executive compensation programs, policies, and objectives.

(1) Represents the Compensation Committee approval date for the respective award.

Amounts represent an estimate of possible cash payouts to the respective Named Executive pursuant to the terms of our 2015 Plan. The range of payments listed in columns (c) through (e) for each of the Named Executives

(2) represents the estimated possible bonus payment amounts under the 2015 Plan that the respective Named Executive would be eligible for under the following circumstances and assuming no use of discretion by the Compensation Committee in authorizing such payments:

Threshold: The FFO Component of an individual's bonus payment is awarded at Threshold level with payout equal to 35% of the FFO Target Amount and Threshold performance is attained for the Strategic Objectives Component and Individual Objectives Component with the payout for both the Strategic Objectives Target Amount and Individual Objectives Target Amount at the 25% level.

Target: The FFO Component, Strategic Objectives Component, and Individual Objectives Component of an individual's bonus payment is awarded at 100% of such person's FFO Target Amount, Individual Objectives Target Amount, and Strategic Objectives Target Amount, respectively.

Maximum: The FFO Component of an individual's bonus payment is awarded at 150% of his FFO Target Amount. The individual attains an achievement percentage of 150% for overall performance on his or her individual objectives and receives 150% of the Individual Objectives Target Amount and performance on the Strategic Objectives is evaluated at 150% and payout on the Strategic Objectives Target Amount is 150%.

Table Of Contents

Actual payouts under the 2015 Plan are reported in column (f) of the Summary Compensation Table.

The numbers shown represent an estimate of the number of LTIP Units that could be issued with respect to the 2015 Annual Awards and the Performance-Based LTIP Allocations at the threshold and maximum performance levels. There was no target level of performance. For the 2015 Annual Awards, maximum represents superior performance on the Strategic Goal Component and TSR Objectives such that the respective Named Executive qualifies to receive, in the form of granted LTIP Units, 100% of their respective 2015 LTIP Unit Allocation for maximum performance. Threshold performance is the minimum achievement resulting in the lowest number of LTIP Units earned by a Named Executive for the 2015 Annual Awards which would be represented by qualifying (3) for only 1% of such person's 2015 TSR LTIP Unit Allocation and 1% of the 2015 Strategic Goals LTIP Unit Allocation. For the Performance-Based LTIP Allocations, maximum performance consists of achievement of the absolute TSR and relative TSR conditions to qualify the Named Executive to receive 100% of the allocated LTIP Units in each of the three performance periods. Threshold performance is the minimum achievement of the TSR performance conditions that would result in the lowest number of LTIP Units earned. This would be achievement at the lowest level for the absolute TSR performance condition (33.3%) in each of the three performance periods. As a result of Ms. Tehrani and Messrs. Richards and Gaffney's termination of employment, each was not eligible to receive any grants of LTIP Units from the 2015 Annual Awards.

(4) Represents Inducement Awards to each of Messrs. Glimcher, Yale, Drought and Mmes. Indest and Tehrani.

The value represented for the respective Inducement Award, Performance-Based LTIP Allocations (for purposes of (5) this table only, "Performance Award"), and 2015 Annual Awards of LTIP Units for each Named Executive was computed in accordance with FASB ASC Topic 718.

Narrative to Summary Compensation Table and Grants of Plan-Based Awards Table

The disclosures contained in the two preceding tables include both cash and equity compensation. For Named Executives that experienced an increase in total compensation from 2014 to 2015, this increase is mainly attributable to the increase in salary compensation and the payout for non-equity incentive compensation. Bonus payments from the 2015 Plan constituted the largest component of cash compensation reported. Generally, a Named Executive's aggregate salary and bonus plan compensation account for approximately 43% to 83% of the individual's total compensation. As stated in the CD&A, the employment agreements and Offer Letters governed the compensation elements for the Named Executives for 2015 and, as applicable, 2014.

The data listed in column (e) of the Summary Compensation Table and column (i) of the Grants Plan-Based Awards for 2015 table represents the aggregate grant date fair value for LTIP Unit awards and allocations to the Named Executives. We determined the aggregate grant date values by taking the closing market price of the Common Shares

on the NYSE on the date of grant and multiplying it by the respective award received by or allocated to the respective Named Executive in the listed year. With respect to LTIP Unit awards and allocations that had a market-performance component impacting whether the award was earned, the aggregate grant date fair value was determined using the Monte Carlo simulation technique which establishes a value by first simulating one or more variables that may affect or influence the value of the allocated performance-based LTIP Units and then determines their average value over the range of resultant outcomes. The performance conditions of both the 2015 Annual Awards and Performance-Based LTIP Allocations are described in greater detail in the section of the CD&A subtitled *Equity Compensation*. The size of each Named Executive's Inducement Award, 2015 Annual Award, and Performance-Based LTIP Allocations was determined pursuant to the terms of their employment agreement or Offer Letter. Quarterly dividends are paid on the Inducement Awards at same rates payable to the Common Shareholders on the Common Shares. No dividends, distributions, or dividend equivalents were paid or allocated during 2015 for the Performance-Based LTIP Allocations or 2015 Annual Awards. The value of dividend payments is factored into the grant date fair value reported in the preceding tables and computed in accordance with FASB ASC Topic 718.

The amount stated is rounded to the nearest dollar.

Potential Payments upon Termination or Change in Control

The arrangements we have with the Named Executives for severance payments and benefits following a termination of employment or a change in control following such a termination are memorialized in various agreements between the respective Named Executive and WPG. Additionally, for certain Named Executives, we have made such payments in connection with their separation from the Company or transition to another role within our company during 2015 or shortly after the end of 2015. An overview of our arrangements with the Named Executives for payments upon termination of employment or change in control will be presented below as follows: (i) the arrangements pertaining to the Glimcher Named Executives; (ii) arrangements with Messrs. Ordan and Knerr; and (iii) arrangements that resulted in WPG making an employment termination related payment due to an employment termination event occurring in 2015 or shortly thereafter. For purposes of this disclosure and except as otherwise provided, the triggering date for the payments and benefits described below shall be December 31, 2015, the last business day for our company in 2015, when the closing market price for the Common Shares was \$10.61. The termination payments and benefits described below for Mr. Michael P. Glimcher are also as of December 31, 2015. The actual payments made to Mr. Michael P. Glimcher in connection with his termination of employment on the Separation Date and to Mr. Thomas J. Drought, Jr. in connection with his termination of employment on July 14, 2016 are each disclosed in the section of this Proxy Statement captioned "Recent Developments."

Potential Payments upon Termination or Change in Control for Glimcher Named Executives

For Messrs. Glimcher and Yale, the terms and conditions for payments and benefits following the termination of their respective employment or change in control are governed by their respective employment agreement, equity award agreement(s), and severance benefits agreement. With respect to Mr. Drought and Ms. Indest, the terms and conditions for payments and benefits following the termination of their respective employment or change in control are governed by their respective severance benefits agreement and equity award agreement(s).

Messrs. Michael P. Glimcher and Mark E. Yale

In the event of a termination of employment for any reason of either of Messrs. Glimcher or Yale under their respective employment agreement (collectively, the “Agreements” and each an “Agreement”), WPG is obligated to provide such person with a lump sum cash payment within thirty (30) days of the termination date equal to the aggregate of the following amounts: (i) the respective executive’s annual base salary and vacation pay through the date of termination, (ii) the respective executive’s accrued annual bonus for the fiscal year immediately preceding the fiscal year in which the termination date occurs (other than any portion of such annual bonus that was previously deferred, which portion shall instead be paid in accordance with the applicable deferral election) if such bonus has not been paid as of the date of termination, and (iii) the respective executive’s business expenses that have not been reimbursed by WPG as of the termination date and were incurred by the executive prior to the termination date in accordance with applicable Company policy, in the case of each of clauses (i) through (iii), to the extent not previously paid (the sum of the amounts described in clauses (i) through (iii) shall be referred to as the “Accrued Obligations.” Additionally, the Agreements provide that in the event of a termination of employment and to the extent not previously paid or provided, such executive shall receive any other amounts or benefits required to be paid or provided or that the executive is eligible to receive under any plan, program, policy, practice, contract, or agreement of WPG or any affiliate through the termination date. Furthermore, under the Agreements if the employment termination is for Cause (as such term is defined in the severance benefits agreement for each executive and provided below), Accrued Obligations shall not include the respective executive’s annual bonus for the fiscal year immediately preceding the fiscal year in which the termination occurred.

With respect to benefits received by Messrs. Glimcher and Yale under their respective equity award agreements following a termination of employment, each agreement accelerates the vesting of their Inducement Awards. In the event that Mr. Glimcher’s employment is terminated by WPG other than for Cause (including as a result of the non-renewal of his employment agreement by WPG), by Mr. Glimcher for good reason (as such term is defined in the respective severance benefits agreements of Messrs. Glimcher and Yale), or as a result of Mr. Glimcher’s death or Disability (defined below), and, with respect to WPG or Mr. Glimcher terminating employment, only following Mr. Glimcher executing (and not revoking) a general release of claims against the Company; all unvested Inducement Awards shall vest. With respect to Mr. Yale’s award agreement for his Inducement Awards, the same conditions exist for the acceleration of vesting of the underlying LTIP Units following the termination of Mr. Yale’s employment as exist for Mr. Glimcher. Also, the respective award agreements for Messrs. Glimcher and Yale subject each to certain restrictive covenants, including perpetual confidentiality and non-disparagement covenants, and one-year post-employment non-competition, non-solicitation of employees, customer, suppliers, licensees, or other business relations of our company and a non-hire covenant (all, collectively, the “Covenants”). Additionally, in the event that either of Messrs. Glimcher or Yale breach the Covenants in their respective award agreements then all unvested and vested Inducement Awards held by the respective officer will be forfeited. Lastly, Messrs. Glimcher and Yale also hold unvested WP Glimcher Converted Restricted Share Awards that were converted from Glimcher restricted common shares and vested WP Glimcher Converted Options that were also converted from Glimcher stock options as part of the Merger. Under Messrs. Glimcher and Yale’s respective award agreements for the unvested WP Glimcher Converted Restricted Share Awards and vested WP Glimcher Converted Options each holds, upon the termination of their respective employment with WPG (or any affiliate), for any reason (other than in connection with a termination covered by the Benefits Agreements (defined below)), all unvested WP Glimcher Converted Restricted Share Awards and unexercised vested WP Glimcher Converted Options shall immediately be forfeited; provided that the Compensation Committee may, in its sole and absolute discretion, allow the executive to retain the unvested WP Glimcher Converted Restricted Share Awards and unexercised vested WP Glimcher Converted Options for a period of time after such termination date.

With respect to Mr. Glimcher's Agreement, he has no obligation to seek employment or take any other action in the event employment is terminated in order to mitigate amounts payable under his Agreement. Furthermore, nothing in Mr. Glimcher's Agreement is intended to prevent or limit continuing or future participation in any plan, program, policy, contract, agreement, or practice provided by WPG or any affiliate and for which Mr. Glimcher qualifies to participate. Also, under Mr. Glimcher's Agreement, WPG will reimburse Mr. Glimcher to the fullest extent permitted by law for legal fees and expenses reasonably incurred by Mr. Glimcher as a result of Mr. Glimcher, WPG, or others seeking to enforce the terms of his Agreement; provided, however (i) if such contest is initiated on or after a change in control or a change in control occurs during the pendency of such a contest, reimbursement of such fees and expenses will be provided only to the extent that Mr. Glimcher is found pursuant to a judgment, decree, or order to have acted in good faith in bringing or defending the contest and (ii) if such contest is initiated prior to a change in control and a change in control does not occur during the pendency of the contest, reimbursement of Mr. Glimcher's legal fees and expenses shall be provided only if Mr. Glimcher substantially prevails on at least one substantive issue in the contest. The aforementioned provisions are not present in Mr. Yale's Agreement. Lastly, under the Agreements, both of Messrs. Yale and Glimcher are subject to the Covenants.

Payments to and benefits for Messrs. Glimcher and Yale following a change in control are set forth in the severance benefits agreements (each, collectively and generally, the "Benefits Agreements") for each which are contracts assumed by WPG and amended in connection with the Merger. The change in control payments and benefits under the Benefits Agreements are structured as "double trigger" benefits in that the change in control does not itself trigger the payments and benefits; rather, benefits and payments only become due in the event of a qualifying termination of employment in connection with or following the change in control. The Benefits Agreements are unique in that the change in control event occurred following the consummation of the Merger and the only condition that needs to occur for payments and benefits to be made is the qualifying termination of employment. The Benefits Agreements and the Agreements are structured such that payments and benefits to either Messrs. Glimcher or Yale could be due and payable under both following their respective terminations. Under the Benefits Agreements, the conditions for the receipt of benefits and payments are the same for Messrs. Glimcher and Yale. Similar to the Agreements, neither Messrs. Yale or Glimcher need to mitigate payments or benefits due under their respective Benefits Agreements following their respective terminations by seeking other employment nor is the amount due or benefit provided reduced by compensation earned in subsequent employment or retirement benefits received after termination. Additionally, like the Agreements, the Benefits Agreements inure to the benefit of and are binding on the respective legal representatives, successors, heirs, and legatees of Messrs. Glimcher and Yale. The Benefits Agreements also condition payment on the respective execution, delivery and non-revocation by Messrs. Glimcher and Yale of a release of claims against WPG, its directors, officers, employees and affiliates as well as the expiration of the period following the respective termination (the "Release Period") in which revocation can occur, before any payments under the Benefits Agreements can be made. The conditions under which payments and benefits are made under the Benefits Agreements and the nature of those payments and benefits are summarized below.

Under the Benefits Agreements, if either Messrs. Glimcher or Yale's respective employment is terminated: (i) by the Company without Cause (including as a result of the Company issuing a notice of nonrenewal of either of the Agreements); (ii) by Messrs. Glimcher or Yale, respectively, for good reason (as such term is defined in the respective severance benefits agreements of Messrs. Glimcher and Yale); or (iii) as a result of the respective death or Disability (defined below) of Messrs. Glimcher or Yale, then the following payments and benefits shall be made not later than following the expiration of the Release Period (the "Release Deadline"):

Glimcher Properties Limited Partnership (“GPLP”), an affiliate of WPG, shall pay a lump sum severance payment equal to three (3) times the aggregate sum of: (A) the respective executive’s annual base salary in effect (1) immediately prior to the effective time of the Merger plus (B) the target annual cash bonus opportunity applicable to the respective executive under the applicable cash bonus plan(s) in which the respective executive participates in the year in which the effective time of the Merger occurs.

The immediate vesting of any WP Glimcher Converted Restricted Share Awards, WP Glimcher Converted Options, Inducement Awards, and Performance-Based LTIP Allocations held by the respective executive which are unvested on the date of termination of the respective executive's employment, and such vested securities, if applicable, shall become exercisable and remain exercisable until the earlier of the second annual anniversary of the date of the termination of the respective executive's employment and the expiration of the original term of the option, shall no longer be subject to repurchase or any other forfeiture restrictions, and shall be settled in accordance with their terms. For any current Special Performance Period, or completed Special Performance Period as to which a grant of Performance-Based LTIP Unit Allocations has not been made by the date of the

(2) respective executive's termination of employment, Performance-Based LTIP Unit Allocations shall be (A) granted on the fifth (5th) business day following the Release Deadline based (I) as to a current Special Performance Period, on actual performance through the date of the executive's termination of employment (projected to the end of the applicable performance period for absolute, but not for relative, performance goals), with the amount earned not pro-rated for the partial completion of the Special Performance Period, and (II) as to a completed Special Performance Period as to which a grant of Performance-Based LTIP Unit Allocations has not been made by the date of the respective executive's termination of employment, on actual performance through the end of such Special Performance Period, with the amount earned not pro-rated, and (B) vested without regard to any applicable service vesting condition upon grant.

GPLP shall for a period of eighteen months fund the premium equal to that provided under the COBRA, to continue coverage of all medical, dental, and vision group insurance benefit programs or arrangements in which the respective executive was entitled to participate immediately prior the termination of employment, provided that the respective executive's continued participation is allowable under the general terms and provisions of such plans and programs and provided further, that in the event that the respective executive becomes employed by any

(3) third party during such 18-month period, then upon the date of such employment the executive shall no longer be entitled to any medical, dental, or vision insurance benefits described in the preceding clause. Subject to the preceding sentence, in the event that the executive's participation in any such plan or program is barred, WPG shall arrange to pay the value of the COBRA premium at the pricing to the executive as it existed at the time the termination of the Executive's employment occurs. If the Company reasonably determines necessary to avoid benefits under the plans referenced in this paragraph being taxable to the executive, WPG shall report the value of such continued coverage as taxable income to the executive.

In the event the aforementioned payments constitute an "excess parachute payment" within the meaning of Section 280G(b)(1) of the Code (or for which a tax is otherwise payable under Section 4999 of the Code), then GPLP shall pay an additional amount (the "Additional Amount") equal to the sum of: (A) all taxes payable by the respective executive under Section 4999 of the Code with respect to all such excess parachute payments (or otherwise)

(4) including, without limitation, the Additional Amount, plus (B) all federal, state and local income taxes for which the respective executive may be liable with respect to the Additional Amount or with respect to any excess parachute payment that is paid following the Effective Time, as soon as reasonably practicable after the date of such payment provided that such date will be no later than December 31st of the year after the year in which the respective executive remits such taxes in respect of such payment.

Mr. Thomas J. Drought, Jr. and Ms. Melissa A. Indest

Payments and benefits to Ms. Indest and Mr. Drought following a termination or a change in control are structured similarly to how the arrangements with Messrs. Glimcher and Yale are structured, except neither has an employment agreement with the Company under which payments or benefits would be due following such an event. Both Mr. Drought and Ms. Indest executed an amendment to their existing severance benefits agreements (the “Severance Benefits Agreements” and each a “Severance Benefits Agreement”) in connection with the Merger and as a condition precedent to their respective Offer Letters becoming effective. Like the amended Benefits Agreements for Messrs. Glimcher and Yale, the change in control payments and benefits under the amended Severance Benefits Agreements for Mr. Drought and Ms. Indest are structured as “double trigger” benefits and the initial condition of a change in control has occurred with the completion of the Merger. The termination condition for both Mr. Drought and Ms. Indest is satisfied if the employment of the respective executive is terminated by the Company without Cause, by the executive for good reason (as such term is defined in the respective Severance Benefits Agreements of Mr. Drought and Ms. Indest), or as a result of the executive’s death or Disability (defined below). Similar to Messrs. Yale and Glimcher, following the termination event (which occurred on July 14, 2016) and not later than the Release Deadline, Mr. Drought became entitled to the same payments and benefits that Messrs. Glimcher and Yale are entitled to receive. Following a termination event as described in her amended Severance Benefits Agreement and not later than the Release Deadline, Ms. Indest would be entitled to all the same benefits except the lump sum severance payment is to be two (2) times the aggregate sum of: (i) her annual base salary in effect immediately prior to the effective time of the Merger plus (ii) her target annual cash bonus opportunity under the applicable plan in effect in the year in which the effective time of the Merger occurs. Lastly, each of Mr. Drought and Ms. Indest hold vested stock options and unvested restricted Common Shares and, like Messrs. Glimcher and Yale, upon their termination for any reason such unvested restricted Common Shares and unexercised stock options would be forfeited, except as set for the in the Severance Benefits Agreements, unless the Compensation Committee decided to allow retention of the unvested restricted Common Shares and unexercised vested stock options for a period of time after such termination date.

Table Of Contents

The table below and its accompanying footnotes illustrate for Messrs. Glimcher, Yale, Drought and Ms. Indest the various payments and benefits due each respective Glimcher Named Executive under their respective employment arrangements, severance arrangements, and equity award agreements each has following the employment terminations described above. As stated earlier, the amounts in the table are provided under the assumptions that the employment termination occurred on the last business day of fiscal year 2015, December 31, 2015, when the closing market price of the Company's Common Stock was \$10.61 per share, there is no underlying dispute concerning the termination, and the Compensation Committee did not exercise any discretion in approving any of the payments or benefits described below. All amounts are rounded to the nearest dollar.

(1)

Pursuant to the Agreements for Messrs. Glimcher and Yale, following the termination of employment for Cause or by the respective executive without good reason, payment would consist of the respective executive's (A) annual base salary through the date of termination, which for Mr. Glimcher would be \$825,000 and for Mr. Yale would be \$500,000; (B) vacation pay through the date of termination, which for Mr. Glimcher would be \$3,173 and for Mr. Yale would be \$1,923; and (C) the respective executive's unreimbursed business expenses as of the date of termination which for Mr. Glimcher would be \$8,641 and for Mr. Yale would be \$482. Because the termination is for Cause, the payout would not include accrued annual bonus for the fiscal year immediately preceding the fiscal year in which the termination date occurred. There would be no payments or benefits payable to Messrs. Yale or Glimcher under the Benefits Agreements following a for Cause termination or termination without good reason. No acceleration of outstanding vesting of equity awards is available following a termination for Cause or by the executive without good reason. Neither Mr. Drought nor Ms. Indest are entitled to any payments or benefits under their respective Offer Letters, Benefits Agreement, or equity award agreements following a termination for Cause or without good reason.

Values listed consist of the following for the listed persons under the stated circumstance. For Mr. Glimcher, payments under the: (A) Benefits Agreement are only for the non-renewal of the employment term by the Company resulting in a payment of three times the sum of his annual base salary in effect immediately prior to the effective time of the Merger which was \$875,500 and target bonus under the 2015 Plan of \$1,657,380; funding of premiums for COBRA benefits for an 18 month period equal to \$31,560 (inclusive of a 2% administrative fee); and payment of the Additional Amount equal to \$6,247,880; (B) Agreement for termination of employment period by either the Company or Mr. Glimcher resulting in payments as described in footnote 1 above; and (C) vesting (pursuant to the Benefits Agreements) of all of Mr. Glimcher's outstanding restricted stock holdings (648,472) and unvested LTIP Unit holdings (79,849) at December 31, 2015 and valued at \$10.61 per share/unit. With respect to (2) Mr. Yale, payments under the: (A) Benefits Agreement are also only for the non-renewal of the employment term by the Company resulting in a payment of three times the sum of his annual base salary in effect immediately prior to the effective time of the Merger which was \$500,000 and target bonus under the 2015 Plan of \$625,000; funding of premiums for COBRA benefits for an 18 month period equal to \$31,560 (inclusive of a 2% administrative fee); and payment of the Additional Amount equal to \$2,347,641; (B) Agreement for termination of the employment period by either the Company or Mr. Yale resulting in payments as described in footnote 1 above; and (C) vesting (pursuant to the Benefits Agreements) of all of Mr. Yale's outstanding restricted stock holdings (149,994) and unvested LTIP Unit holdings (34,221) at December 31, 2015 and valued at \$10.61 per share/unit. Because Mr. Drought and Ms. Indest are employees at-will and have no employment term, there would be no payment or benefits received for a lawful termination of Mr. Drought's or Ms. Indest employment by the Company or either executive.

Table Of Contents

Total is for circumstance where respective employment term of Mr. Glimcher and Mr. Yale is terminated by the Company. In the event termination of the employment term is by Mr. Glimcher or Mr. Yale, respectively, then such executive would only receive payments pursuant to the Agreements as detailed in footnote 1 above. In (3) connection with the Glimcher Separation Agreement as discussed in the section of this Proxy Statement entitled “Recent Developments,” the amounts payable to Mr. Glimcher are subject to further adjustment with respect to the calculation of certain payments owed to Mr. Glimcher, including the “additional amount” as discussed in the “Recent Developments” section.

In connection with Mr. Drought’s termination of employment as discussed in the section of this Proxy Statement entitled “Recent Developments,” the amounts payable to Mr. Drought are subject to further adjustment with respect (4) to the calculation of certain payments owed to Mr. Drought, including the “additional amount” as discussed in the “Recent Developments” section, which amount has yet to be determined.

With respect payments for Messrs. Glimcher and Yale, the basis for any payments or benefits following a termination of employment of either person by the Company for other than Cause or by the respective executive for good reason is reflected in footnote 2 above. With respect to Mr. Drought and Ms. Indest, in the event of a termination of employment by the Company for other than Cause or by the executive for good reason, payments and benefits would be authorized by Benefits Agreement as follows: (A) payment to Mr. Drought of three times the sum of his annual base salary in effective immediately prior to the effective time of the Merger which was \$412,000 and target bonus under the 2015 Plan of \$424,050; funding of premiums for COBRA benefits for an 18 month period equal to \$31,560 (inclusive of 2% administrative fee); and payment of the Additional Amount equal (5) to \$1,694,904; and (B) payment to Ms. Indest of two times the sum of her annual base salary in effective immediately prior to the effective time of the Merger which was \$250,000 and target bonus under the 2015 Plan of \$211,832; (C) funding of premiums for COBRA benefits for an 18 month period equal to \$1,298 (inclusive of 2% administrative fee); and (D) payment of the Additional Amount equal to \$557,899. Additionally, Mr. Drought would be entitled to vesting (pursuant to the Benefits Agreements) of all of Mr. Drought’s outstanding restricted stock holdings (95,870) and unvested LTIP Unit holdings (22,814) at December 31, 2015 and valued at \$10.61 per share/unit. Ms. Indest would be entitled to vesting (pursuant to the Benefits Agreements) of all of her outstanding restricted stock holdings (16,314) and unvested LTIP Unit holdings (17,110) at December 31, 2015 and valued at \$10.61 per share/unit.

With respect to Messrs. Yale and Glimcher, the Agreements provide that the Accrued Obligations include the respective executive’s accrued annual bonus for the fiscal year immediately preceding the fiscal year in which the termination date occurs if such bonus has not been paid as of the date of termination. However, these amounts were not included in the table above for Messrs. Yale and Glimcher because fiscal year 2014 bonuses were approved by the compensation committee of the Glimcher Board of Trustees and paid prior to the December 31, 2015 presumed termination date. With respect to the Performance-Based LTIP Unit Allocations, no payout under the respective Benefits Agreements was disclosed in the tables above because for the current Special Performance Period, actual performance of the Company’s TSR goals for the Common Shares through December 31, 2015 does not result in any grant of LTIP Units under the absolute or relative performance goals for the current Special Performance Period. Furthermore, no Special Performance Period has been completed, so there would be no payout on that basis.

Definitions for Cause and Disability Used Above

“Cause” shall mean: (i) the Glimcher Named Executive’s (the “Executive”) willful failure to perform or substantially perform the Executive’s material duties with the Company; (ii) illegal conduct or gross misconduct by the Executive that is willful and demonstrably and materially injurious to the Company’s business, financial condition or reputation; (iii) a willful and material breach by the Executive of the Executive’s obligations under the Benefits Agreement, Severance Benefits Agreement, or the Agreement, as applicable, including without limitation a material and willful breach of the restrictive covenants and confidentiality provisions set forth in the Agreement; or (iv) the Executive’s conviction of, or entry of a plea of guilty or *nolo contendere* with respect to, a felony crime or a crime involving moral turpitude, fraud, forgery, embezzlement or similar conduct; provided, however, that the actions in (i) and (iii) above will not be considered Cause unless the Executive has failed to cure such actions within thirty (30) days of receiving written notice specifying, with particularity, the events allegedly giving rise to Cause and, further, provided, that, such actions will not be considered Cause unless the Company provides the Executive with written notice of the events allegedly giving rise to Cause within ninety (90) days of any executive officer of the Company (excluding the Executive, if applicable at the time of such notice) having knowledge of the relevant action. Further, no act or failure to act by the Executive will be deemed “willful” unless done or omitted to be done not in good faith or without reasonable belief that such action or omission was in the Company’s best interests, and any act or omission by the Executive pursuant to authority given pursuant to a resolution duly adopted by the Board or on the advice of counsel for the Company will be deemed made in good faith and in the best interests of the Company.

Table Of Contents

Additional language in “Cause” definition applicable only to Mr. Glimcher is as follows: The Executive will not be deemed to be discharged for Cause unless and until there is delivered to the Executive a copy of a resolution duly adopted by the affirmative vote of not less than two-thirds of the entire membership of the Board (excluding the Executive), at a meeting called and duly held for such purpose (after reasonable notice to Executive and an opportunity for the Executive and the Executive’s counsel to be heard before the Board), finding in good faith that Executive is guilty of the conduct set forth above and specifying the particulars thereof in detail.

“Disability” shall mean the “permanent and total disability” of Mr. Glimcher as defined in Section 22(e)(3) of the Code, or any successor provision thereto.

Potential Payments upon Termination or Change in Control for Messrs. Knerr and Ordan

Mr. Keric M. “Butch” Knerr

With respect to Mr. Knerr, payments and benefits for any termination of employment or in connection with a change in control are governed by his employment agreement and equity award agreement.

Cash payments payable to Mr. Knerr in the event of a termination of employment or change in control are set forth in his employment agreement. With respect to a termination of Mr. Knerr’s employment, if termination is by the Company other than for “Cause” (defined below) or by Mr. Knerr for “Good Reason” (defined below) (within six months after the Good Reason event), then subject to Mr. Knerr timely executing (and not revoking) a general release of claims against the Company, Mr. Knerr is entitled to receive the following payments and benefits from the Company on the fifth business day after the expiration of the release execution and revocation period:

if a change in control has not occurred within the 24 months prior to Mr. Knerr’s termination of employment, a (i) lump sum cash payment equal to his annual base salary in effect immediately prior to the date of termination which if the termination occurred on December 31, 2015, the payment would be \$495,000; or

if a change in control has occurred within 24 months prior to Mr. Knerr’s termination of employment, a lump sum cash payment of \$1,361,247 which is the sum of Mr. Knerr’s: (1) annual base salary in effect immediately prior to (ii) the date of termination (\$495,000) and (2) target annual bonus for the year in which the date of termination occurs (\$866,247). Also, unless otherwise agreed to by Mr. Knerr, the waiver of any service-based vesting conditions with respect to any outstanding long-term incentive awards held by Mr. Knerr.

At December 31, 2015, Mr. Knerr held 22,500 unvested inducement LTIP Units which using the closing price of the Common Shares on December 31, 2015 had a value of \$238,725. Additionally, pursuant to the terms of Mr. Knerr's inducement LTIP Unit award agreement executed in fiscal year 2014, in the event the Company terminates Mr. Knerr's employment other than for Cause or Mr. Knerr terminates his employment for Good Reason, in each case in accordance with the terms of his employment agreement (subject to Mr. Knerr executing (and not revoking) a general release of claims against the Company), all remaining unvested inducement LTIP Units will vest. Mr. Knerr's employment agreement does not provide for any payments or equity acceleration in the event of his disability or death or termination of employment by the Company for cause or by Mr. Knerr without good reason. Lastly pursuant to Mr. Knerr's inducement LTIP Unit award agreement, he is subject to the Covenants. In the event Mr. Knerr's breaches any of the Covenants then all his unvested and vested inducement LTIP Units will be forfeited.

Defined Terms

“Cause” means: (i) Mr. Knerr's willful failure to perform or substantially perform his duties with the Company; (ii) illegal conduct or gross misconduct by Mr. Knerr that is willful and demonstrably and materially injurious to the Company's business, financial condition or reputation; (iii) Mr. Knerr's indictment for, or entry of a plea of guilty or *nolo contendere* with respect to, a felony crime or a crime involving moral turpitude, fraud, forgery, embezzlement or similar conduct; or (iv) Mr. Knerr's willful and material breach of any noncompetition or nonsolicitation restrictive covenants or confidentiality provisions set forth in any written agreement with the Company; provided, however, that an action in (i) or (iv) above will not be considered Cause unless Mr. Knerr has failed to cure such action (to the sole satisfaction of the Company) within thirty (30) days after receiving written notice from the Company specifying with particularity the events allegedly giving rise to Cause.

Table Of Contents

“Good Reason” means the occurrence of any one of the following events without the prior written consent of Mr. Knerr: (i) a material diminution of Mr. Knerr’s base pay, duties, responsibilities, authorities, powers or functions as of the Effective Date; (ii) a relocation that would result in Mr. Knerr’s principal location of employment being moved fifty (50) miles or more away from his principal residence as of the Effective Date and, as a result, his commute increasing by fifty (50) miles or more; or (iii) the failure of the Company to obtain a satisfactory agreement from any successor to the Company to assume and perform the obligations of the Company as contemplated by Mr. Knerr’s employment agreement; provided, however, that an action described in (i) through (iii) above will not be considered Good Reason unless the Mr. Knerr has given the Company written notice thereof within sixty (60) days after its occurrence, specifying with particularity the action that gives rise to Good Reason, and the Company has failed to remedy such action within sixty (60) days after receiving such notice.

Mr. Mark S. Ordan

On May 31, 2015, WPG entered into the Consulting Agreement with Mr. Ordan, which provides that, as of January 1, 2016 (the "Transition Date"), Mr. Ordan will (i) cease to be an employee of WPG and Executive Chairman of the Board and will instead serve as the non-executive Chairman of the Board, and (ii) provide consulting services to the Board and the Company’s Chief Executive Officer through May 28, 2017 (the “Consulting Period”) unless his services are earlier terminated in accordance with the Consulting Agreement.

From the Transition Date, the Consulting Agreement supersedes Mr. Ordan's employment agreement, subject to certain limited exceptions set forth in the Consulting Agreement. The Consulting Agreement's effectiveness was contingent on Mr. Ordan remaining employed with WPG through December 31, 2015. If Mr. Ordan's employment with WPG was terminated for any reason prior to January 1, 2016, the Consulting Agreement would have been null and void and the terms of his employment agreement would have controlled. Given that Mr. Ordan was not terminated prior to December 31, 2015 and the Consulting Agreement as well as the terms of any effective equity award agreements are the relevant documents now in force, the disclosure in this section as it pertains to potential payments to Mr. Ordan following the termination of services or a change in control will deal solely with the applicable terms and conditions in the Consulting Agreement and any effective equity award agreements as those are the documents that control in the event of an actual termination of Mr. Ordan’s services or a change in control. Additionally, for purposes of disclosure relating only to Mr. Ordan, we assume the triggering event occurred on January 1, 2016, but will continue to use \$10.61 for the last closing market price for the Common Shares as that price was the most recently available price on January 1, 2016.

During the term of the Consulting Agreement, Mr. Ordan receives the following compensation: (i) an annualized cash consulting fee of \$350,000 (payable in equal monthly installments) (the "Consulting Fee"), (ii) while he is a member of the Board, an annual retainer (pro-rated for the period from the Transition Date through May 28, 2016) in the same amount and in the same form as other non-employee independent members of the Board, and (iii) while, and for so long as, he is non-executive Chairman of the Board, an additional annual cash retainer of \$100,000 (pro-rated for the period from the Transition Date through May 28, 2016) in respect of his services as non-executive Chairman of the

Board, paid at the same time as the annual retainer.

The Consulting Agreement also provides that Mr. Ordan is entitled to: (i) an annual cash bonus in respect of the Company's 2015 fiscal year based on actual performance, (ii) on December 31, 2015, full vesting of any then unvested inducement LTIP Units; provided that such inducement LTIP Units will be convertible into O.P. Units, and such units exchangeable into Common Shares or cash, on the later of (1) the satisfaction of any conditions to exchange or conversion contained in WPGLP's limited partnership agreement and the applicable certificate of designation and (2) the first to occur of: (A) Mr. Ordan ceasing to serve as a member of the Board for any reason, (B) May 28, 2017, and (C) immediately prior to a change in control (as defined in the employment agreement), and (iii) the ability to earn an annual LTIP award in respect of fiscal year 2015, subject to achievement of applicable performance targets, with any such annual LTIP award to be fully vested on the date of grant. The Consulting Agreement provides that, other than as described above, all equity awards held by Mr. Ordan as of the Transition Date which are then unvested shall be forfeited, and any right Mr. Ordan had under his employment agreement to receive grants of equity awards on or following the date of the Consulting Agreement shall be forfeited.

The Consulting Period may be terminated by Mr. Ordan or WPG at any time and for any reason (or no reason) by providing the other party with not less than 30 days advance written notice of such termination. Prior to the Separation Date, the Consulting Agreement provided that the Consulting Period would terminate immediately upon Mr. Ordan accepting full-time employment with another employer. However, in connection with Mr. Ordan relinquishing chairmanship of the Board, the Company and Mr. Ordan entered into an amendment of the Consulting Agreement that removes the automatic termination of the Consulting Agreement upon Mr. Ordan finding other employment. Instead under the amendment, the Consulting Agreement will terminate upon the earlier of: (i) May 28, 2017 and (ii) the date either the Company or Mr. Ordan terminates the Consulting Agreement upon 30 days notice.

Table Of Contents

Except as further explained below, upon the termination of the Consulting Period, Mr. Ordan shall cease receiving the Consulting Fee, and shall only be entitled to any accrued but unpaid portion of the Consulting Fee through the date of the termination of the Consulting Period plus any incurred but unpaid business expenses that are properly submitted under WPG's expense reimbursement policy (the "Accrued Amounts"). If the Consulting Agreement is terminated in this manner, other than the Accrued Amounts, WPG shall have no further liability to Mr. Ordan in his capacity as a consultant to WPG. The termination of the Consulting Period shall have no impact on Mr. Ordan's continued position on the Board.

Notwithstanding anything discussed above to the contrary, in the event that the Consulting Period is terminated by WPG other than for "Cause" (as defined below) or by Mr. Ordan for "Good Reason" (as defined below), the Company shall pay to Mr. Ordan (i) the Accrued Amounts and (ii) within ten (10) business days following such termination, any portion of the Consulting Fee that would have been payable through May 28, 2017 had such termination not occurred, and which remains unpaid as of the date of such termination (with no duty of mitigation and no offset for other earnings). If the Consulting Agreement is terminated in this manner, other than the payment described in the preceding sentence and the Accrued Amounts, WPG shall have no further liability to Mr. Ordan in his capacity as a consultant to WPG.

For purposes of this section regarding Mr. Ordan, "Cause" means, (i) Mr. Ordan's willful failure to perform or substantially perform the services under the Consulting Agreement; (ii) illegal conduct or gross misconduct by Mr. Ordan in the performance of the such services that is willful and demonstrably and materially injurious to WPG's business, financial condition or reputation; (iii) a willful and material breach by Mr. Ordan of his obligations under the Consulting Agreement or the release attached thereto (including for the avoidance of doubt any provisions of the Mr. Ordan's employment agreement surviving) or that certain letter from Mr. Ordan to WPG dated the same date as the Consultant Agreement; (iv) Mr. Ordan's conviction of, or entry of a plea of guilty or *nolo contendere* with respect to, a felony crime or a crime involving moral turpitude, fraud, forgery, embezzlement or similar conduct; provided, however, that the actions in (i) and (iii) above will not be considered Cause unless Mr. Ordan has failed to cure such actions within thirty (30) days of receiving written notice from the Board specifying, with particularity, the events allegedly giving rise to Cause and further provided that such actions will not be considered Cause unless the Board provides written notice within ninety (90) days of any member of the Board's (excluding Mr. Ordan if applicable at the time of such notice) having knowledge of the relevant action. Further, no act or failure to act by Mr. Ordan will be deemed "willful" unless done or omitted to be done not in good faith or without reasonable belief that such action or omission was in WPG's best interests, and any act or omission by Mr. Ordan pursuant to authority given pursuant to a resolution duly adopted by the Board or on the advice of counsel for WPG will be deemed made in good faith and in the best interests of WPG. The Consulting Period will not be deemed to have been terminated by WPG for Cause unless and until there is delivered to Mr. Ordan a copy of a resolution duly adopted by the affirmative vote of not less than two thirds (2/3) of the entire membership of the Board (excluding Mr. Ordan, if he is then a member of the Board), at a meeting called and duly held for such purpose (after reasonable notice to Consultant and an opportunity for Mr. Ordan and his counsel to be heard before the Board), finding in good faith that Mr. Ordan has engaged in the conduct set forth above and specifying the particulars thereof in detail.

For purposes of this section regarding Mr. Ordan, “Good Reason” means the material breach of the Consulting Agreement by WPG; provided, however, that any such breach will not be considered Good Reason unless Mr. Ordan shall provide notice of such breach to WPG in writing within sixty 60 days of Mr. Ordan’s knowledge of such breach, and WPG has failed to cure such breach within thirty (30) days of receiving such written notice. Unless Mr. Ordan gives WPG written notice of any such breach within 120 days of the initial existence of such breach which, after any applicable notice and the lapse of any applicable 30-day grace period, would constitute Good Reason, such breach will cease to be an event constituting Good Reason.

Payments Made to Messrs. Richards and Gaffney and Ms. Tehrani Upon Termination of Employment

We entered into an employment agreement with Mr. Richards, dated as of June 3, 2014, as amended (the “Richards Agreement”) which was generally in the same form as the employment agreement with Mr. Knerr. On January 15, 2016 (the “Richards Separation Date”), Mr. Richards’ employment with our company as Executive Vice President, Chief Administrative Officer was terminated thereby terminating his employment agreement.

Mr. Richard’s termination was deemed to be a termination other than for “cause” under the Richards Agreement, entitling him to receive certain payments under the Richards Agreement upon our receipt of a general release of claims. Following our receipt of such release and the expiration of the revocation period, Mr. Richards received: (i) a lump sum cash payment equal to \$2,250,000 which equaled the sum of two times Mr. Richards’: (1) annual base salary in effect immediately prior to the Richards Separation Date which was \$450,000 and (2) target annual cash bonus under the 2015 Plan which was \$675,000 and (ii) upon expiration of the relevant waiting period, accelerated vesting of 22,500 unvested LTIP Units (the “Units”) held by Mr. Richards. In the general release Mr. Richards executed in connection with the termination of his employment, Mr. Richards forfeited any right to receive any payout of performance-based LTIP Units allocated to Mr. Richards pursuant to the award agreement for the Units.

Table Of Contents

With respect to Mr. Gaffney, the employment agreement between Mr. Gaffney and the Company terminated on December 31, 2015 when Mr. Gaffney's employment as the Company's Executive Vice President, Head of Capital Markets was terminated without "cause" (as defined in the employment agreement by and among the Company and Mr. Gaffney, dated as of June 3, 2014). Similar to the Richards Agreement, Mr. Gaffney's employment agreement entitled him to receive a severance payment following a termination other than for cause subject to the Company receiving a general release of claims from Mr. Gaffney. Following our receipt of such release and the expiration of the revocation period, Mr. Gaffney received: a lump sum cash payment equal to \$350,000 which equaled Mr. Gaffney's annual base salary in effect on the date immediately preceding the date of his termination. Additionally, pursuant to the terms of his equity award agreement for his unvested and outstanding LTIP Unit holdings, the vesting of the 11,250 unvested LTIP Units held by Mr. Gaffney was accelerated.

In connection with his termination, Mr. Gaffney entered into a Transition and Consulting Agreement (the "Gaffney Agreement"), effective as of January 1, 2016 (the "Effective Date"), pursuant to which Mr. Gaffney is to provide consulting and advisory services to the Company with respect to matters within the scope of his knowledge and expertise for a term of one month commencing on January 1, 2016; provided, that, on the last day of such one-month period, and on the last day of each subsequent one-month period, the term shall automatically extend for one additional month unless and until terminated by the Company or Mr. Gaffney for any reason (or no reason) by providing the other party with not less than ten (10) days advance written notice of such termination, except in the case of a termination for "cause" (as such term is defined in the Gaffney Agreement), which would be effective immediately (the "Gaffney Consulting Period"). Under the Gaffney Agreement, Mr. Gaffney shall receive a monthly consulting fee of \$43,750 payable on or around the 15th day of each month during the Gaffney Consulting Period. In the event that the Gaffney Consulting Period is terminated for cause, Mr. Gaffney will be required to repay a prorated portion of the Consulting Fee based on the number of days remaining in the Gaffney Consulting Period as of the date of such termination. The Company terminated the Consulting Agreement without cause effective March 31, 2016.

For Ms. Tehrani, her employment also terminated at the close of business on December 31, 2015. Her severance arrangement is similar to Mr. Gaffney and Mr. Richards in that under her employment agreement she was entitled to a severance payment following a termination by the Company not for cause and after execution of general release of claims. Additionally, her equity award agreement provided for the acceleration of the vesting of any outstanding and unvested LTIP Units she held. Following WPG's receipt of the release and the subsequent expiration of the release revocation period, Ms. Tehrani received a lump sum cash payment equal to \$375,000 which equaled Ms. Tehrani's annual base salary in effect on the date immediately preceding the date of her termination and, upon expiration of the relevant waiting period, the vesting accelerated for the 15,000 unvested LTIP Units she held.

Compensation Committee Interlocks and Insider Participation

The Board's Compensation Committee currently consists of Messrs. John J. Dillon III, Robert J. Laikin, and Ms. Jacquelyn R. Soffer. At December 31, 2015, the Compensation Committee was comprised of Messrs. Louis G. Conforti, Robert J. Laikin, Niles C. Overly, and Ms. Jacquelyn R. Soffer; each as of that date deemed independent by

the Board and its Governance and Nominating Committee. Following the consummation of the Merger on the Merger Closing Date, Mr. Overly was appointed to the Compensation Committee. The aforementioned persons at December 31, 2015, were the only individuals who were members of the Compensation Committee during fiscal year 2015. No person who served as a member of the Compensation Committee during the fiscal year ended December 31, 2015 was a current or former officer or employee of the Company or engaged in certain transactions with the Company required to be disclosed by regulations of the SEC. Additionally, there were no compensation committee “interlocks” during the fiscal year ended December 31, 2015, which generally means that no executive officer of the Company served as a director or member of the compensation committee of another entity, one of whose executive officers served as a director or member of the Compensation Committee of the Company.

The Board has appointed the Compensation Committee (or a duly authorized subcommittee thereof) to serve as the administrator of the Company’s compensation and equity-based plans. The Compensation Committee is the administrator for the WGPLP Plan, Glimcher Realty Trust Amended and Restated 2004 Incentive Compensation Plan (the “2004 GRT Plan”), and the Glimcher Realty Trust 2012 Incentive Compensation Plan (the “2012 GRT Plan”). The Company assumed the 2004 GRT Plan and 2012 GRT Plan in connection with the Merger, but all equity awards issued by the Company during 2015 were from the WGPLP Plan.

As the administrator, the Compensation Committee determines the number of options and other awards granted to the directors and employees of the Company under the WGPLP Plan and, the 2004 GRT Plan and 2012 GRT Plan, to the extent that outstanding awards from those plans, are modified or adjusted.

On May 21, 2015, our Board, upon the recommendation of both our Governance and Nominating Committee and our Compensation Committee, approved annual compensation for the period from May 28, 2015 to May 28, 2016 (the "Governance Year") for each of the independent members of our Board, which then included Messrs. Conforti, Overly, Laikin and White and Ms. Soffer. Each independent director's annual compensation totaled \$200,000 based on a combination of cash and RSUs awarded from the WPGLP Plan. The compensation structure for the Board's independent directors for the Governance Year was exactly the same as the compensation structure for the comparable period during 2014 and 2015. The annual compensation for the Governance Year is allocated as follows: (a) 60% in RSUs, equal to \$120,000, and (b) 40% in cash compensation, equal to \$80,000. Payment of the cash portion is made in quarterly installments. Cash compensation for Mr. Niles C. Overly, who began serving on the Board on the Merger Closing Date, was pro-rated for the quarterly period during which his Board service commenced.

In connection with the RSU awards, we entered into an RSU award agreement with each independent director, pursuant to which each independent director was granted 8,403 RSUs, which number of RSUs was determined by dividing \$120,000 by \$14.28, the closing price of the Common Shares on May 21, 2015. Each RSU represents a contingent right to receive one Common Share, and each independent director's RSUs will vest on May 28, 2016, subject to such director's continued membership on the Board. In the event the independent director leaves the Board, he or she will receive one Common Share for each vested RSU. Additionally, pursuant to their applicable RSU awards agreements, while the award is outstanding, each independent director is also paid Common Share dividend equivalent payments in connection with our quarterly dividend payments for the Common Shares, in cash, equal to regular cash dividends paid on Common Shares, regardless of whether the RSUs have vested. The value of dividend equivalent payments is factored into the grant date fair value reported in the table below and computed in accordance with FASB ASC Topic 718.

The following table, accompanying footnotes, and narrative discussion below set forth certain information with respect to the cash and other compensation paid or accrued by the Company for services rendered by the persons serving on the Board during the fiscal year ended December 31, 2015. All values stated are rounded to the nearest dollar.

Messrs. Michael P. Glimcher, Mark S. Ordan, David Simon, and Richard S. Sokolov, who were directors on the Board during all or a portion of fiscal year 2015, are not included in this table because they did not receive any compensation for their service as a director. The compensation received by Messrs. Ordan and Glimcher for their (1) respective service during 2015 as our Chief Executive Officer and Mr. Ordan's later service as our Executive Chairman is set forth in the Summary Compensation Table. Mr. Simon's term ended following the 2015 Meeting and Mr. Sokolov resigned from the Board on February 24, 2016, and Mr. Glimcher resigned from the Board on the Separation Date.

Represents the grant date fair value computed in accordance with FASB ASC Topic 718 of the RSUs granted to the listed directors during 2015. For a description of the assumptions used in computing the aggregate grant date fair values of these awards, refer to Part IV of the Form 10-K in Item 15 entitled "Exhibits and Financial Statement Schedules" in note 9 of the notes to consolidated financial statements. Except for Mr. Overly, each of the named directors held 14,783 RSUs at December 31, 2015. Mr. Overly received two grants of RSUs in 2015; one grant of (2) 2,532 RSUs following his election to the Board after the Merger Closing Date and the other during the annual grants to directors in May. Mr. Overly owned 10,935 RSUs and 6,582 WP Glimcher Converted Options at December 31, 2015. The aggregate WP Glimcher Converted Options and WP Glimcher Converted Restricted Share Award held by Mr. Michael P. Glimcher at the end of fiscal year 2015 is reported in the footnotes to the table entitled "Outstanding Equity Awards at Fiscal Year-End 2015. The stock option awards held by Mr. Overly at December 31, 2015 are a byproduct of the conversion of his GRT stock options at the Merger Closing Date into WP Glimcher Converted Options using the Equity Award Exchange Ratio.

- (3) The total value of all perquisites and other personal benefits received by the respective named director during the fiscal year ended December 31, 2015 was less than \$10,000, and therefore is not included in this table.
- (4) For each respective named director, the amount listed represents the aggregate total of the amounts listed in columns (b) through (d).

In connection with the management transition changes discussed in the section of this Proxy Statement entitled “Recent Developments,” the Board, Governance and Nominating Committee, and our Compensation Committee approved changes to the Company’s compensation program for non-employee members of the Board. The changes increased each such director’s annual compensation from \$200,000 to \$230,000 of which \$110,000 is to be paid in cash and \$120,000 in the form of equity compensation. Compensation for Messrs. John F. Levy and John J. Dillon III, new directors elected by the Board on the Separation Date to assume Board seats vacated by Messrs. Glimcher and Overly following their resignations, is set at the new level.

Certain Relationships & Related Party Transactions

Related Party Transactions with Simon

Agreements Relating to Our Separation from Simon

In connection with our separation from Simon, we and Simon entered into a separation agreement and entered into other agreements to effectuate our separation, provide a framework for our relationship with Simon after the separation and provide for the allocation between us and Simon of Simon’s assets, liabilities and obligations (including its investments, property and employee benefits and tax-related assets and liabilities) attributable to periods prior to, at and after our separation from Simon, such as property management agreements, a transition services agreement, a tax matters agreement and an employee matters agreement. These agreements were approved on May 6, 2014 by our then Board. During 2015, Messrs. David Simon, the current Chairman and Chief Executive Officer of Simon, and Richard S. Sokolov, the current President and Chief Operating Officer of Simon, served on the WPG Board as directors.

The Separation Agreement

The separation agreement sets forth, among other things, our agreements with Simon regarding the principal transactions that were necessary to separate us from Simon, including, among other things, the transfer of assets, the

assumption of liabilities and the distribution of WPG's Common Shares. It also sets forth other agreements that govern certain aspects of our relationship with Simon following the separation. Except as expressly set forth in the separation agreement or in any ancillary agreement, we were responsible for all costs and expenses incurred prior to the distribution date in connection with the separation, including costs and expenses relating to legal and tax counsel, financial advisors and accounting advisory work related to the separation. We incurred no expenses or fees under the separation agreement for the fiscal year ended December 31, 2015.

Property Management Agreements

In connection with the separation, we entered into property management agreements with one or more subsidiaries of Simon, pursuant to which those subsidiaries agreed to provide certain services to us under the direction of our executive management team. In addition, certain property management agreements that were in effect with respect to services provided by Simon in respect of certain mall properties continue in effect after the separation.

Pursuant to the terms of the property management agreements, during the fiscal year ended December 31, 2015, Simon managed, leased, maintained and operated our mall properties that were transferred to us from Simon in the separation. Simon was responsible for negotiating new and renewal leases with tenants, marketing these malls through advertisements and other promotional activities, billing and collecting rent and other charges from tenants, making repairs in accordance with budgets approved by us and maintenance and payment of any taxes or fees. In exchange, we paid during the fiscal year ended December 31, 2015 an annual fixed rate property management fee to Simon in amounts ranging from 2.5% to 4% of base minimum and percentage rents. We also reimburse Simon for certain costs and expenses, including the cost of on-site employees. In addition, Simon is also paid separate fees for its leasing, re-leasing and development services relating to our malls that were transferred to us from Simon in the separation. For fiscal year ended December 31, 2015, we paid or will pay Simon approximately \$32.7 million under these property management agreements, including approximately \$16.6 million for reimbursed costs and expenses. The Company provided Simon formal written notice on November 30, 2015 to terminate the property management agreements effective May 31, 2016.

Table Of Contents

Property Development Agreement

In connection with the separation, we have entered into a property development agreement with Simon's management services subsidiary pursuant to which it will plan, organize, coordinate and administer further development of approximately 13 of our mall properties, redevelop portions thereof, make improvements and perform other development work. In exchange, we will pay fees to Simon to cover pre-development and development costs and expenses as determined on a project-by-project basis. For fiscal year ended December 31, 2015, we paid or will pay Simon approximately \$1.6 million under the property development agreement. The Company provided Simon formal written notice on November 30, 2015 to terminate the property development agreement except for certain limited ongoing development projects, effective May 31, 2016.

Transition Services Agreement

We and Simon entered into a transition services agreement prior to the distribution pursuant to which Simon and its subsidiaries agreed to provide us, on a transitional basis, with various services. The services provided include information technology, accounts payable, payroll, and other financial functions, as well as engineering support for various facilities, quality assurance support, other administrative services and management and development and redevelopment services for approximately 19 of our community shopping center properties.

For fiscal year ended December 31, 2015, pricing for community shopping center property management support and back office administration is \$5.0 million billed in quarterly installments, plus direct out-of-pocket expenses. Development services are provided at 2.5% of development costs. The Company provided Simon formal written notice on November 30, 2015 to terminate the transition services agreement effective May 31, 2016. For fiscal year ended December 31, 2015, we have paid or will pay Simon approximately \$9.6 million for services provided by it under the transition services agreement, including approximately \$3.8 million for reimbursed costs and expenses.

Tax Matters Agreement

We and Simon entered into a tax matters agreement prior to the distribution which generally governs Simon's and our respective rights, responsibilities and obligations after the distribution with respect to taxes (including taxes arising in the ordinary course of business and taxes, if any, incurred as a result of any failure of the distribution and certain related transactions to qualify as tax-free for U.S. federal income tax purposes), tax attributes, tax returns, tax elections, tax contests and certain other tax matters.

In addition, the tax matters agreement imposes certain restrictions on us and our subsidiaries (including restrictions on share issuances, business combinations, sales of assets and similar transactions) that are designed to preserve the tax-free status of the distribution and certain related transactions. The tax matters agreement provides special rules that allocate tax liabilities in the event the distribution, together with certain related transactions, is not tax-free. For fiscal year ended December 31, 2015, we have not incurred any costs or expenses payable to Simon with respect to the tax matters agreement.

Employee Matters Agreement

We and Simon entered into an employee matters agreement in connection with the separation to allocate liabilities and responsibilities relating to employment matters, employee compensation and benefits plans and programs and other related matters. The employee matters agreement governs Simon's and our compensation and employee benefit obligations relating to current and former employees of each company, and generally allocates liabilities and responsibilities relating to employee compensation and benefit plans and programs. For fiscal year ended December 31, 2015, we have not incurred any costs or expenses payable to Simon with respect to the employee matters agreement.

Purchase of Jersey Gardens and University Park Village

Concurrently with our entering into the Merger agreement with Glimcher, on September 16, 2014, WPGLP and Simon Property Group, L.P. entered into a purchase and sale agreement pursuant to which our operating partnership subsidiary agreed to sell, or cause to be sold, to Simon's operating partnership subsidiary, (a) the equity interests in the owner of Jersey Gardens, a regional mall in Elizabeth, New Jersey and (b) the equity interests in the owner of University Park Village, an open air center in Fort Worth, Texas, for \$1.09 billion, subject to certain adjustments and apportionments, including with respect to the assumption of debt encumbering such assets. These equity interests were then owned by affiliates of Glimcher. Under a separate letter agreement, Glimcher Properties Limited Partnership, Glimcher's operating partnership subsidiary, agreed to convey the equity interests in the owners of these properties directly to Simon Property Group, L.P. substantially simultaneously with the closing of our acquisition of Glimcher. Also, on the Merger Closing Date, the parties entered into an amendment to the purchase and sale agreement, pursuant to which the parties clarified which precise equity interests were to be acquired by Simon Property Group, L.P., and agreed to customary post-closing obligations related to documentary and transfer taxes and payment of liability insurance deductibles. After closing adjustments and apportionments, the actual purchase price paid for the properties by Simon Property Group, L.P. was \$1.09 billion, including assumed indebtedness of \$405.1 million. The purchase and sale agreement was approved by the independent directors on our Board on September 15, 2014 in connection with the Board's approval of the Merger agreement with Glimcher. On January 13, 2015, the Audit Committee ratified the amended purchase and sale agreement under our related person transaction approval policy.

Consulting Agreement with Mark S. Ordan

On May 31, 2015, WPG entered into the Consulting Agreement with Mr. Ordan, the Company's then Executive Chairman. The Consulting Agreement provides that, as of January 1, 2016 (the "Transition Date"), Mr. Ordan would (i) cease to be an employee of the Company and Executive Chairman of the Board and will instead serve as the non-executive Chairman of the Board, and (ii) provide consulting services to the Board and the Chief Executive Officer of the Company through May 28, 2017 (the "Expiration Date") unless his services are earlier terminated in accordance with the Consulting Agreement's terms.

From the Transition Date, the Consulting Agreement supersedes Mr. Ordan's employment agreement with WPG (the "Ordan Employment Agreement"), subject to certain limited exceptions set forth in the Consulting Agreement. The Consulting Agreement became fully effective on the Transition Date after Mr. Ordan's employment with the Company as its Executive Chairman concluded on December 31, 2015. In consideration of his provision of services under the Consulting Agreement, during the term of the Consulting Agreement Mr. Ordan will receive the following compensation: (i) an annualized cash consulting fee of \$350,000 (payable in equal monthly installments) (the "Consulting Fee"), (ii) while he is a member of the Board, an annual retainer (prorated for the period from the Transition Date through the last day of the Governance Year) in the same amount and in the same form as other non-employee independent members of the Board, and (iii) while, and for so long as, he serves as non-executive Chairman of the Board, an additional annual cash retainer of \$100,000 (prorated for the period from the Transition Date through the last day of the Governance Year) in respect of his services as non-executive Chairman of the Board, paid at the same time as the annual retainer described in the preceding clause (ii).

The Consulting Agreement also provides that Mr. Ordan is entitled to the following: (i) an annual cash bonus in respect of the Company's 2015 fiscal year based on actual performance, (ii) on December 31, 2015, full vesting of any then-unvested inducement LTIP Units; provided that such inducement LTIP Units will be convertible into units of WPGLP, and such units exchangeable into Common Shares or cash, on the later of: (a) the satisfaction of any conditions to exchange or conversion contained in the relevant limited partnership agreement and certificate of designation and (b) the first to occur of (1) Mr. Ordan ceasing to serve as a member of the Board for any reason, (2) May 28, 2017, or (3) immediately prior to a change in control, and (iii) the ability to earn an annual LTIP Unit award in respect of fiscal year 2015, subject to achievement of applicable performance targets, with any such annual LTIP Unit award to be fully vested on the date of grant. The Consulting Agreement provides that, other than as described above, all equity awards held by Mr. Ordan as of the Transition Date which are then unvested shall be forfeited, and any right Mr. Ordan had under the Ordan Employment Agreement to receive grants of equity awards on or following the date of the Consulting Agreement shall be forfeited.

Mr. Ordan's consulting services under the Consulting Agreement may be terminated prior to the Expiration Date by either Mr. Ordan or the Company on not less than 30 days advance written notice, but if terminated by WPG other than for cause or by Mr. Ordan as a result of a material breach of the Consulting Agreement by WPG, then WPG will pay to Mr. Ordan, in addition to accrued but unpaid amounts, any unpaid portion of the Consulting Fee that would

have been payable through May 28, 2017 had such termination not occurred.

The Consulting Agreement contained a provision requiring WPG to pay reasonable legal fees incurred by Mr. Ordan in connection with the negotiation and documentation of the Consulting Agreement in an amount not to exceed \$10,000.

GENERAL INFORMATION

SHAREHOLDER PROPOSALS AT OUR 2017 ANNUAL MEETING

Rule 14a-8 Shareholder Proposals

Under Rule 14a-8 of the Exchange Act, shareholder proposals received by our Corporate Secretary at 180 East Broad Street, Columbus, Ohio 43215 may be eligible for inclusion in the proxy materials for the 2017 Annual Meeting of Shareholders. We expect that the 2017 Annual Meeting of Shareholders will occur on or about May 18, 2017. Based on such date, and because the date of the 2017 Annual Meeting of Shareholders will be changed by more than 30 days from the date of the 2016 Annual Meeting of Shareholders, the date by which the Company must receive shareholder proposals to be considered for inclusion in the proxy materials for the 2017 Annual Meeting of Stockholders is January 18, 2017, which we believe is a reasonable time before we begin to print and send the proxy materials for the 2017 Annual Meeting of Stockholders. In addition, shareholder proposals must otherwise comply with the requirements of Rule 14a-8 promulgated under the Exchange Act and any other applicable laws and regulations.

Shareholder Proposals or Other Business Outside of the Rule 14a-8 Process

Our Bylaws also establish an advance notice procedure for shareholders who wish to present a proposal of business or nominate a director before an annual meeting of shareholders but do not intend for the proposal to be included in our proxy statement pursuant to Rule 14a-8. Pursuant to our Bylaws, such a proposal of business or nomination of a director may be brought before the annual shareholder meeting by a shareholder who is entitled to vote at such meeting and who gives timely notice of such proposal or nomination and otherwise satisfies the applicable requirements set forth in our Bylaws. We expect that the 2017 Annual Meeting of Shareholders will occur on or about May 18, 2017. Based on such date, and because the date of the 2017 Annual Meeting of Shareholders will be changed by more than 30 days from the date of the 2016 Annual Meeting of Shareholders, to be timely for the 2017 Annual Meeting of Shareholders, such notice must be received by our Corporate Secretary at 180 East Broad Street, Columbus, Ohio 43215 by the close of business on January 18, 2017, which date is 120 calendar days in advance of the expected date of the 2017 Annual Meeting of Shareholders.

HOUSEHOLDING OF PROXY MATERIALS

SEC rules permit companies and intermediaries such as brokers to satisfy the delivery requirements for proxy statements and notices with respect to two or more shareholders sharing the same address by delivering a single annual report to shareholders and proxy statement addressed to those shareholders. This process, which is commonly referred to as "householding," provides cost savings for companies. Some brokers household proxy materials, delivering a single annual report to shareholders and proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker that it will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate annual report to shareholders and proxy statement, or if your household is receiving multiple copies of these documents and you wish to request that future deliveries be limited to a single copy, please notify your broker. You can also request prompt delivery of a copy of the Proxy Statement and annual report by contacting Investor Relations, WP Glimcher Inc., 180 East Broad Street, Columbus, Ohio 43215, (614) 621-9000.

FINANCIAL AND OTHER INFORMATION

The Company's Annual Report to Shareholders and Annual Report on Form 10-K for the fiscal year ended December 31, 2015, including certain financial statements and schedules, are being made available to the Company's shareholders concurrently with this Proxy Statement. Glimcher and WP Glimcher are registered trademarks of the Company.

EXPENSES OF SOLICITATION

The cost of soliciting proxies will be borne by the Company. Brokers and nominees should forward soliciting materials to the beneficial owners of the Common Shares held of record by such persons and the Company will reimburse them for their reasonable forwarding expenses. In addition to the use of the mails, proxies may be solicited by directors, executive officers, and regular employees of the Company, who will not be specially compensated for such services, by means of personal calls upon, or telephonic or telegraphic communications with, shareholders or their personal representatives.

The Board does not know of any other matters that may be properly brought before the Annual Meeting. If other matters are presented, the proxy holders have discretionary authority to vote all proxies in accordance with their best judgment.
