**Item 7.01 Regulation FD Disclosure.**

On September 20, 2017, in response to a release of information by the City of Burlington d/b/a Burlington Telecom (“BT”) regarding the bidding process for BT, Tucows Inc. (the “Company”) released certain information, attached hereto as Exhibits 99.1, 99.2 and 99.3, regarding its bid (the “Bid”) to acquire all of the assets of BT, together with all of the Burlington Telecom System assets the City of Burlington conveyed to and then leased back from Blue Water Holdings, LLC (together with BT, the “BT Business”). The Company believes that the BT Business, with its existing fiber assets and a strong customer base, will add to the Company’s growing fiber footprint. The Company is offering to acquire the BT Business for a total consideration of \$28.8 million, consisting of (i) \$27.5 million in cash payable at closing, (ii) an additional \$0.5 million to the extent BT Business’ EBITDA achieves \$4.25 million by its fiscal year end on June 30, 2018 and (iii) the Company’s undertaking to move BT Business’ data center from Burlington’s Memorial Auditorium to another location, which is estimated to cost approximately \$0.8 million. As of the date hereof, the Company is one of the remaining bidders for the BT Business. BT has indicated that on October 2, 2017, it will narrow the field to two bidders and on October 16, 2017, it will select the final winning bidder. There can be no assurance that the Company will be selected as the winning bidder.

This Current Report on Form 8-K contains forward-looking statements related to the Bid, including, without limitation, the timing, process and outcome of the Bid, the terms and conditions of the acquisition, and the anticipated effects of the acquisition and future operations of the acquired business if the Bid is successful. Such statements are based on management’s current expectations and are subject to a number of uncertainties and risks, which could cause actual results to differ materially from those described in the forward-looking statements. Information about potential factors that could affect the Company’s business, results of operations and financial condition is included in the “Risk Factors” sections of the Company’s filings with the Securities and Exchange Commission. All forward-looking statements included in this document are based on information available to the Company as of the date of this document, and except to the extent the Company may be required to update such information under any applicable securities laws, the Company assumes no obligation to update such forward-looking statements.
