**Item 3.02 Unregistered Sales of Equity Securities.**

As further described in Item 5.02 below, on December 29, 2017, ThermoGenesis Corp., a majority owned subsidiary of Cesca Therapeutics Inc. (the “Company”), issued options to purchase an aggregate of 280,000 shares of ThermoGenesis Corp. common stock under a newly adopted ThermoGenesis Corp. 2017 Equity Incentive Plan. Such options, together with the shares issuable thereunder, were issued by ThermoGenesis Corp. under the exemption from registration provided by Rule 701 promulgated under the Securities Act of 1933, as amended, as the option grants were made to employees, directors, consultants, and advisors of ThermoGenesis Corp. under a written compensatory benefit plan established by ThermoGenesis Corp., and the option grants otherwise met the conditions of Rule 701. The disclosure provided in Item 5.02 of this Report is hereby incorporated by reference into this Item 3.02.

**Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

*Issuance of Stock Options*

On December 29, 2017, the Board of Directors of the Company approved the issuance of previously authorized common stock options to Dr. Xiaochun (Chris) Xu, the Company’s Chairman, President, and Chief Executive Officer, and Vivian Liu, the Company’s Chief Operating Officer. The option grants to Dr. Xu and Ms. Liu were authorized by Dr. Xu’s Executive Employment Agreement, dated November 13, 2017, and Ms. Liu’s Amendment No. 1 to Executive Employment Agreement, dated November 13, 2017, respectively. Such agreements, together with the option grants, were described in the Form 8-K filed by the Company on November 15, 2017. As further described in such prior Form 8-K, the options have an exercise price of \$3.00 per share, expire 10 years from the date of grant, and vest in 20% increments over a period of five years. The options were granted under the Company’s 2016 Equity Incentive Plan, as amended, and the options will terminate without vesting if the November 2017 amendment to such plan is not approved by the Company’s stockholders before November 13, 2018.

*Adoption of ThermoGenesis Corp. 2017 Equity Incentive Plan*

On December 29, 2017, the Board of Directors of ThermoGenesis Corp., a majority owned subsidiary of the Company (“ThermoGenesis”), adopted the ThermoGenesis Corp. 2017 Equity Incentive Plan (the “ThermoGenesis Plan”) and on the same day granted options to purchase an aggregate of 280,000 shares of ThermoGenesis common stock to employees, directors, consultants, and advisors of ThermoGenesis. The ThermoGenesis Plan was unanimously approved by the ThermoGenesis stockholders (including the Company) on December 29, 2017.

The ThermoGenesis Plan authorizes the issuance of up to 1,000,000 shares of ThermoGenesis common stock, all of which may be issued as incentive stock options under Section 422 of the Internal Revenue Code. The ThermoGenesis Plan will be administered by the Compensation Committee of the ThermoGenesis Board of Directors (the “ThermoGenesis Board”), except that if such a committee is not appointed, the plan will be administered by the ThermoGenesis Board. The Compensation Committee or ThermoGenesis Board, as the case may be, will have the authority to designate persons to receive awards under the ThermoGenesis Plan and determine the size and terms of such awards; interpret the ThermoGenesis Plan and any agreement covering any award under the ThermoGenesis Plan; make, change and rescind rules and regulations relating to the ThermoGenesis Plan; and make changes to, or reconcile any inconsistency in, any award or agreement covering an award. The ThermoGenesis Plan provides that no stock options or stock appreciation rights will be granted with an exercise or base price less than the fair market value per share of the ThermoGenesis common stock on the date of grant.

Unless earlier terminated by the ThermoGenesis Board, the ThermoGenesis Plan will terminate on the tenth anniversary of the effective date of the plan, provided that no such termination will affect awards that are then outstanding under the plan.

The ThermoGenesis Board also approved a form of stock option award agreement for use in making stock option awards under the ThermoGenesis Plan (the “ThermoGenesis Option Agreement”), which is attached as Exhibit 10.2 to this Form 8-K and is incorporated herein by this reference.

Except for the grants described below, ThermoGenesis and the Company cannot currently determine the benefits, if any, to be paid under the ThermoGenesis Plan in the future to the named executive officers of the Company. Such benefits will be determined by the ThermoGenesis Board or the ThermoGenesis Compensation Committee, as the case may be, from time to time.

The foregoing descriptions of the ThermoGenesis Plan and form of ThermoGenesis Option Agreement are qualified in their entirety by reference to the full text of such documents attached as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and incorporated herein by reference.

*Initial Option Grants under ThermoGenesis Corp. 2017 Equity Incentive Plan*

Such grants included a grant of options to two named executive officers of the Company, Dr. Xu and Ms. Liu, each of whom was granted an option to purchase 30,000 shares of ThermoGenesis common stock. The options granted to Dr. Xu and Ms. Liu were approved by the Company’s Compensation Committee and will vest as to 20% of the option shares on December 29, 2018 and as to an additional 20% on December 31 of each of the four ensuing years thereafter until vested in full. The options will expire on the 10<sup>th</sup> anniversary of the grant date and be otherwise subject to the terms and conditions (including early termination provisions) of the ThermoGenesis Plan and the applicable option agreement.
