**Item 1.01. Entry into a Material Definitive Agreement**

On March 15, 2018, National Holdings Corporation, a Delaware corporation (the “Company”), Computershare Inc., a Delaware corporation (“Computershare”), and its wholly-owned subsidiary, Computershare Trust Company, N.A., a federally chartered trust company (and together with Computershare, the “Warrant Agent”) agreed to amend and restate the terms of the form of warrant agreement dated December 13, 2016 (the “Original Agreement”).

The Amended and Restated Warrant Agreement (the “Amended Agreement”) explicitly provides that the Company shall not be required to pay cash if it cannot issue registered shares of Common Stock upon exercise of a Warrant. Prior to the Amended Agreement, while possibly implied by the Original Agreement that the Company was not required to pay cash upon such exercise, an accounting presumption resulted in a large and unfavorable charge to the Company’s financials. As such, the Company and the Warrant Agent amended and restated the Original Agreement to make that clarifying modification, amongst other immaterial modifications, deemed to be necessary, desirable, and in the best interest of the parties.

The above description of the Amended Agreement is qualified in its entirety by reference to the full and complete terms of the Amended Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
