### **Item 3.02. Unregistered Sales of Equity Securities**

The Certificate of Designation of Preferences, Rights and Limitations (the “Certificate of Designation”) of Series A Convertible Preferred Stock (the “Series A Preferred Stock”) of the Company entitles the holders of Series A Preferred Stock to dividends (the “Preferred Dividends”) at a rate of 8% of \$1,000 per annum, compounded annually. The Certificate of Designation allows the Company to pay the Preferred Dividends by issuing and delivering fully paid and nonassessable shares of Series A Preferred Stock. Accordingly, on February 11, 2019, the Board declared a Preferred Dividend on the Series A Preferred Stock and issued 2,945 shares of Series A Preferred Stock to pay the Preferred Dividend to the holder of Series A Preferred Stock.

The Series A preferred stock will only be convertible into common stock following such time as the Company’s stockholders have approved an amended and restated certificate of incorporation that authorizes at least 125 million shares of common stock. Unless and until such an approval is received, the Series A preferred stock will not be convertible into common stock. If the Series A Preferred Stock becomes convertible into common stock, it will be convertible into that number of shares of common stock of the Company determined by dividing \$1,000 by the conversion price of \$2.00, subject to certain anti-dilution protections and beneficial ownership limitations.

The Company relied on the exemption from registration available under Section 4(a)(2) and Rule 506 of Regulation D of the Securities Act of 1933, as amended, in connection with the distribution.

### **5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

On February 11, 2019, the Board of Directors (the “Board”) of Avinger, Inc. (the “Company”) approved the termination of the Company’s 2015 Employee Stock Purchase Plan (the “Plan”), effective immediately. The Plan previously enabled eligible employees of the Company to purchase common stock of the Company at a discount through payroll deductions. The Board determined that there was not sufficient participation in the Plan to justify the administrative costs associated with the Plan.
