**Item 8.01. Other Events**

(1) On July 11, 2017, the Company made the decision to discontinue the practice of providing seed capital for clients, at least through 1pm Industries, Inc. From this point forward, the company will collect 9.9% of a company's equity on the front end of each project and will no longer provide financing support through the company. This accounting decision was made to ensure the ability to book all revenue as top line revenue vs "other income". This move will ensure a clearer understanding for shareholders as to the revenue and profit results of the company on a quarterly and annual basis.
