Item 1.01 Entry into a Material Definitive Agreement

## Edgar Filing: BRT REALTY TRUST - Form 8-K

Please see the information contained in Item 8.01 of this report, which is incorporated herein by reference.

### Item 8.01 Other Events

On November 2, 2006, entities wholly-owned by CIT Capital USA, Inc., (wholly-owned by CIT Group, Inc., (DEL)) and BRT Realty Trust (registrant or BRT) entered into a joint venture agreement. The joint venture, known as BRT Funding LLC, will engage in the business of investing in short-term commercial real estate loans, commonly referred to as "bridge loans." The joint venture provides for an initial capitalization of up to \$100 million, to be advanced as commercial real estate loans are funded by the joint venture, 75% of which will be provided by the CIT member of the joint venture and 25% by the BRT member of the joint venture. The joint venture contemplates obtaining a line of credit of up to \$50 million, but there are no agreements or commitments in place with respect to such line of credit and there is no assurance that an acceptable line can be obtained.

The joint venture, which will be managed on a fee basis by the BRT member, will distribute net available cash to its members on a pro rata basis until each party receives annually a 9% return on outstanding advances, and, thereafter, any available net cash in excess of 9% will be distributed 37 1/2% to the CIT member and 62 1/2% to the BRT member. In addition, up to 2% of the origination fees paid by borrowers on loans originated by the joint venture will be distributed 37 1/2% to the CIT member and 62 1/2 % to the BRT member. Any origination fees received in any loan transaction exceeding 2%, but not exceeding 3%, will be paid to REIT Management Corp., BRT's adviser, and origination fees in excess of 3% will be paid 37 1/2% to the CIT member and 62% to the BRT member. BRT has agreed to present loan proposals to the joint venture for its consideration on a first refusal basis under procedures set forth in a joint venture agreement, with the first \$50 million in principal amount of loans accepted by the joint venture to be originated solely by, and for the benefit of, the joint venture. Loans in excess of \$50 million accepted by the joint venture will be shared 50/50 by the joint venture and BRT until the joint venture has a loan portfolio of \$100 million of outstanding loans (up to \$150 million if the maximum line of credit is obtained). If the joint venture sustains any loss of principal with respect to a loan which is foreclosed upon (principal amount of loan exceeds the amount received upon a foreclosure, net of all foreclosure expenses) the BRT member will reimburse the CIT Member up to 75% of the actual loss, but only to the extent that amounts received by the BRT member from cash distributions exceeds the BRT member's 9% return, with such reimbursement to be capped at two thirds of 1% of the highest aggregate principal amount of the venture's loans outstanding.

BRT will continue to originate loans for its own account, including, among others, loans which are made after the joint venture's loan portfolio exceeds \$100 million (or, if the maximum line of credit is obtained, up to \$150 million).

Registrant will pay a fee of 4% of the funds advanced by the CIT member, as and when such funds are advanced, to a merchant banking firm for services rendered in the transaction. The merchant banking firm involved in the transaction is unrelated to the registrant. However, an independent director of One Liberty Properties, Inc., which may be deemed an affiliate of registrant, is a managing director of the merchant bank.

A complete copy of the joint venture agreement (Limited Liability Company Agreement dated November 2, 2006) is attached as an exhibit to this report and should be referred to for all provisions of the joint venture agreement, as the above description is a summary of only the more important provisions of the agreement.

Notwithstanding anything contained herein to the contrary, the Company shall not make or participate in, and the Managing Member shall not cause or permit the Company to make or to participate in, any loan referred to below unless such loan has been approved in writing by all Members or, pursuant to Section 4.03(c), is deemed to have been approved by all Members:

The Managing Member shall not be liable hereunder for causing or permitting the Company to make or to participate in any loan that would be prohibited hereunder on account of such loan being of the nature of a loan referred to under the foregoing clause (d) if the Managing Member undertook reasonable efforts to determine whether such loan was of such nature and such efforts failed to disclose that such loan was of such nature.

Compensation of Members. Except for the distributions to be made to the Members as provided under Articles VII and IX, no Member (including, as relevant, in its capacity as the Managing Member, the Tax Matters Member or the Liquidating Member or otherwise) shall be entitled to any compensation or other payment from the Company.

The Percentage Interests of the Members may be adjusted only as set forth in this Agreement.

No Member shall be liable for the return of the Capital Contributions (or any portion thereof) of any other Member, it being expressly understood and agreed that any such return shall be made solely from the assets of the Company. No Member shall be entitled to withdraw or receive a return of any part of its Capital Contributions or Capital Account, to receive interest on its Capital Contributions or Capital Account or to receive any distributions from the Company, except as expressly provided for in this Agreement or under applicable law (and for purposes of this Section 3.06, Capital Account shall be deemed to also include the capital account of any Member for financial or book purposes or as set forth in the Delaware Act or under common law).

The CIT Member shall, from time to time, give written notice to the Managing Member designating up to three individuals as CIT's designee(s) to receive notice of, and the right to attend and participate in, any meeting of the Loan Committee contemplated under Section 4.03(b). The individuals who have been so designated by CIT are herein referred to as such CIT's "Designees."

The BRT Member shall assure that (a) simultaneously with members of the Loan Committee being given notice of any meeting at which any proposed or prospective Company Loan (including any Shared Loan) is to be considered for approval, the Designees of the CIT Member are given notice of such meeting and (b) simultaneously with any Committee Report being given to any member of the Loan Committee with respect to any proposed or prospective Company Loan (including any Shared Loan), the Designees of the CIT Member are given a copy of such Committee Report with respect to such proposed or prospective Company Loan.

Notwithstanding anything contained herein to the contrary, in the event any Member shall request any additional information with respect to any proposed or prospective Company Loan (including any third party market study), then, as soon as reasonably practical after such request is made, such additional information shall be obtained (at the Company's expense) and provided to such Member. If any information so requested is obtained prior to the date the relevant proposed or prospective Company Loan is to be made or advanced by the Company, then (notwithstanding anything contained in Section 4.03(c) to the contrary) the Member requesting such information shall have two (2) Business Days following its receipt of such information to determine whether to approve or disapprove such proposed or prospective Company Loan; provided, however, that, if such information is not received by the Company or the Managing Member until less than two (2) Business Days prior to when such proposed or prospective Company Loan is required to close and be funded and such information is forthwith delivered to the Member requesting such information, then such Member

No Member shall (without the consent of the other Members) disapprove any proposed or prospective Company Loan that has been recommended by the Managing Member unless (i) such proposed or prospective Company Loan fails to meet or comply with one or more of the criteria set forth in Section 2.08, (ii) such proposed or prospective Company Loan would, if made, constitute a loan referred to under Section 2.09, (iii) such Member has (as contemplated by Section 4.03(d)) requested additional information with respect to such proposed or prospective Company Loan and such additional information has not been provided or (iv) in the case of the CIT Member, the CIT Designees did not receive advance notice of the Loan Committee meeting at which such proposed or prospective Company Loan was considered for approval or disapproval so as to allow them to attend and participate in such Loan Committee meeting.

Conditions to Closing of Company Loans. The Managing Member shall not cause or permit the Company to close or fund any loan contemplated hereunder to be made or advanced by the Company unless each and all of the following conditions (except to the extent the same have been waived in writing by the Members) have been met or satisfied:

The Company shall bear and pay the following, but (except with the prior written consent of all of the Members) only the following, expenses: (i) all Taxes payable by the Company, (ii) all Accounting Fees incurred by the Company, (iii) all legal and other expenses incurred by the Company and payable to an Independent Third Party in connection with (A) the enforcement of any Company Loan (including the foreclosure under any related First Mortgage or other realization upon any real property or other collateral securing such Company Loan and any costs or expenses related to the repair, preservation or improvement of any real property securing any Company Loan, including (if applicable) after the Company has acquired such real property in connection with a foreclosure sale or otherwise) (all such legal and other expenses, collectively, "Foreclosure Expenses") or (B) the enforcement of any Participation Agreement or other contract to which the Company is a party, (iv) all payments of interest, principal and any other amounts (including any points and other fees payable by the Company to any Third Party Lender in connection with any Third Party Financing) that are payable by the Company to any Third Party Lender in connection with any Third Party Financing, (v) all legal and other similar expenses incurred by the Company and payable to an Independent Third Party in connection with the preparation and negotiation of any loan agreement or other documentation relating to any Third Party Financing, (vi) all legal and other expenses incurred by the Company and payable to an Independent Third Party in connection with the dissolution and liquidation of the Company as contemplated under Article IX and (vii) any Reimbursable Loan Origination Expenses (all of the costs and expenses referred to in the foregoing clauses (i) through (vii) are herein referred to collectively as the "Operating Expenses"). Notwithstanding anything contained in this Section 4.15 to the contrary, the Managing Member shall be authorized to apply any Loan Origination Deposits in payment of any corresponding Loan Origination Expenses.

## Edgar Filing: BRT REALTY TRUST - Form 8-K

The Managing Member shall assure that the Company shall not incur or bear more than one half (1/2) of all costs and expenses that are incurred (whether by or on behalf of the Company, BRT or any Affiliate of BRT) in connection with (i) the investigation of a prospective Borrower that may enter into a Company Loan if such Company Loan might be part of a Shared Loan, (ii) any other due diligence relating to any prospective Company Loan if such Company Loan might be part of a Shared Loan or (iii) the preparation or negotiation of documentation for any prospective Company Loan if such Company Loan might be part of a Shared Loan. The Managing Member shall also assure that, with respect to all costs and expenses that, if paid or incurred by the Company, would constitute Foreclosure Expenses related to any Company Loan, the Company shall not incur or bear more than the Company's Share of such costs and expenses. Nothing contained in this Section 4.15(b) shall be deemed to release or relieve the Managing Member of any of its obligations under Section 4.15(a) or any other provisions of this Agreement.

**Holding of REIT Qualifying Assets.** If any Member or a direct or indirect parent of any Member is a real estate investment trust and such Member is not a taxable REIT subsidiary, at the request of such Member, the Managing Members shall promptly dispose of any asset of the Company that generates gross income of a character that is not described in Section 856(c)(3) of the Code, causes or threatens to cause such Member to fail to satisfy the requirements of Section 856(c)(4) of the Code or produces income from a prohibited transaction within the meaning of Section 857(b)(6) of the Code.

**Loans Deemed Disapproved.** Any loan that is not approved or deemed approved within specified time frames by the CIT Member shall be deemed disapproved.

### CAPITAL

**Initial Capital Contributions.** Within ten (10) Business Days following the Effective Date, the CIT Member shall contribute one hundred and fifty thousand dollars (\$150,000) to the capital of the Company and the BRT Member shall contribute fifty thousand dollars (\$50,000) to the capital of the Company.

**Capital Calls.**

In anticipation of, but not less than two(2) full Business Days prior to the closing of, the making or advance of a new Company Loan by the Company (including any new Company Loan that constitutes the Company's Share of any Shared Loan), the Managing Member may, by written notice given to each Member, make a call upon such Member to make a contribution to the capital of the Company in an amount equal to such Member's Contribution Percentage of the principal amount of such Company Loan anticipated to be made or advanced by the Company at the closing of such new Company Loan (any such written notice is herein referred to as a "Capital Call Notice" and shall specify the principal amount of such Company Loan anticipated to be made or advanced by the Company at the closing of such new Company Loan). Promptly, and in any event within two (2) full Business Days, following its receipt of any such Capital Call Notice, each Member shall contribute to the capital of the Company, in immediately available funds, its Contribution Percentage of the principal amount of such Company Loan anticipated to be made or advanced by the Company at the closing of such new Company Loan as set forth in such Capital Call Notice; provided, however, that no Member shall be obligated to make any such additional contribution to the capital of the Company to the extent that the amount of such additional contribution, when aggregated with all capital contributions that have theretofore been made by such Member to the capital of the Company (including pursuant to Section 5.01) and that have not been repaid or returned to such Member as contemplated under Section 7.01(a) would exceed such Member's Maximum Contribution Amount.

## Edgar Filing: BRT REALTY TRUST - Form 8-K

In the event the Managing Member, acting in good faith and in accordance with Customary Practices, determines that the Company needs to incur and expend Foreclosure Expenses that cannot be funded from Company Loan Non-Principal Repayments that have been retained or are anticipated to be received by the Company, the Managing Member may make a capital call on the Members to provide capital contributions to the Company to fund such Foreclosure Expenses. Such capital call shall be made by written notice to the Members setting forth the amount of such capital call and, in reasonable detail, the anticipated application of the amount being requested. Within ten (10) days following its receipt of such notice, the CIT Member shall contribute to the capital of the Company an amount equal to seventy-five percent (75%) of the amount of such capital call and the BRT Member shall contribute to the capital of the Company an amount equal to twenty-five percent (25%) of the amount of such capital call. Notwithstanding anything contained herein to the contrary, the CIT Member shall not be required to make any contribution to the capital of the Company pursuant to this Section 5.02(b) to the extent that the amount of such contribution, when aggregated with the amount of all contributions that have previously been made by the CIT Member pursuant to this Section 5.02(b) and have not been repaid to the CIT Member pursuant to step one of Section 7.01(b), would exceed seven hundred and fifty thousand dollars (\$750,000) and the BRT Member shall not be required to make any contribution to the capital of the Company pursuant to this Section 5.02(b) to the extent that the amount of such contribution, when aggregated with the amount of all contributions that have previously been made by the BRT Member pursuant to this Section 5.02(b) and have not been repaid to the BRT Member pursuant to step one of Section 7.01(b), would exceed two hundred and fifty thousand dollars (\$250,000).

No Further Capital Contributions. Except as expressly provided in this Agreement or with the prior written consent of all the Members, no Member shall be required or entitled to contribute any other or further capital to the Company (subject, however, to the proviso in clause (i) of Section 5.05(a) and the last sentence of Section 7.05), nor shall any Member be required or entitled to loan any funds to the Company. No Member will have any obligation to restore any negative or deficit balance in its Capital Account upon liquidation or dissolution of the Company (and for purposes of this Section 5.03, Capital Account shall be deemed to also include the capital account of any Member for financial or book purposes or as set forth in the Delaware Act or under common law). Notwithstanding any other provision of this Agreement to the contrary, nothing contained herein will, or is intended or will be deemed to benefit any creditor of the Company or any creditor of any Member, and no such creditor shall have any rights, interests or claims hereunder, be entitled to any benefits or be entitled to require the Company or any Member to demand, solicit or accept any loan, advance or Additional Capital Contribution for or to the Company or to enforce any rights that the Company or any Member may have against any other Member or that any Member may have against the Company, pursuant to this Agreement or otherwise.

Method of Payment. All Capital Contributions or advances required by or provided for in this Article V shall be made by wire transfer of funds to the Company account designated by the Managing Member, and any distributions to any Member (pursuant to Article VII or IX) required by or provided in this Agreement shall be made by wire transfer of funds to such account as designated by such Member or other means mutually acceptable or then commonly used for the receipt and distribution of proceeds in major commercial transactions.

Defaults in Making Capital Contributions and Remedies.

If either Member (the "Non-Contributing Member") fails to timely make any Capital Contribution (or any portion thereof) required pursuant to Section 5.01 or 5.02 and the other Member (the "Contributing Member") has fully made its Capital Contribution as required pursuant to Section 5.01 or 5.02 (as

## Edgar Filing: BRT REALTY TRUST - Form 8-K

applicable), then the Contributing Member may cause either (but not both) of the following actions to be taken by delivery of notice to such effect to the Company and the Non-Contributing Member (which notice shall be so delivered within ten (10) Business Days following the date the Non-Contributing Member was required, but failed, to make such Capital Contribution):

The Contributing Member may (A) advance (in addition to such amount as the Contributing Member is required to contribute to the capital of the Company pursuant to Section 5.01 or 5.02 (as applicable)) to the Company an amount up to the Non-Contributing Member's Default Contribution Amount (subject to the limitation that the aggregate Priority Member Advances made by the Contributing Member and then outstanding does not exceed seven million five hundred thousand dollars (\$7,500,000)) and (B) designate such advance as a "Priority Member Advance" (provided, however, such Priority Member Advance will be considered and treated as a Capital Contribution for federal income tax purposes); OR

The Contributing Member may withdraw its share of such required Capital Contribution.

Notwithstanding any other provision of this Agreement to the contrary, in the event any Member fails to timely make any Capital Contribution (or any portion thereof) required pursuant to Section 5.01 or 5.02 and the resulting exercise of any remedy in this Agreement results in the immediate or future imposition of a transfer tax on the Company (or any Member thereof), the Member that failed to make such Capital Contribution under Section 5.01 or 5.02 shall be liable for and shall be obligated to directly pay any such transfer tax (and such payment shall not be deemed to be a Capital Contribution and shall have no effect upon the allocation provisions or any other equity provisions of this Agreement).

Each Member acknowledges and agrees that the other Member would not be entering into this Agreement were it not for (i) the Members agreeing to make the Capital Contributions provided for in Sections 5.01 and 5.02 and (ii) the remedy provisions provided for herein. Each Member acknowledges and agrees that in the event any Member fails to make its Capital Contributions pursuant to this Agreement, the other Member will suffer substantial damages and the remedy provisions set forth above under step three of Section 7.01(b) are fair, just and equitable in all respects and administratively superior to any other method for determining such damages.

Eighth, the balance, if any, thirty-seven and one-half percent (37 1/2%) to the CIT Member and sixty-two and one-half percent (62 1/2%) to the BRT Member.

Notwithstanding Section 6.01, any Profits relating to the recovery on and with respect to any Lost Principal Amount shall be allocated to the Members in the same manner as which the Losses associated with such Lost Principal Amount were allocated.

Losses. After giving effect to the special allocations set forth in Sections 6.03 and 6.04, Losses for any Allocation Year shall be allocated to the Members as follows:

First, to the Members, in proportion to their relative Outstanding Advances (increased by any outstanding Priority Member Advances) an amount equal to the excess, if any, of (i) the cumulative aggregate Lost Principal Amounts for all Foreclosed Company Loans over (ii) the cumulative Losses allocated to such Member pursuant to this Section 6.02(a) for all prior Allocation Years; and

Qualified Income Offset. In the event that any Member unexpectedly receives any adjustments, allocations or distributions described in Regulations Section 1.704-1(b)(2)(ii)(d)(4), Section 1.704-1(b)(2)(ii)(d)(5) or Section 1.704-1(b)(2)(ii)(d)(6), items of Company income and gain shall be allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Adjusted Capital Account Deficit of such Member as quickly as possible; provided that an allocation pursuant to this Section 6.03(b) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit after all other allocations provided for in this Article VI have been tentatively made as if this Section 6.03(b) were not in this Agreement.

Gross Income Allocation. In the event that any Member has an Adjusted Capital Account Deficit at the end of any Allocation Year, such Member shall be allocated items of Company income and gain in the amount of such deficit as quickly as possible; provided that an allocation pursuant to this Section 6.03(b) shall be made only if and to the extent that such Member would have an Adjusted Capital Account Deficit in excess of such sum after all other allocations provided for in this Article VI have been tentatively made as if Section 6.03(b) and this Section 6.03(c) were not in this Agreement.

Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Company asset, pursuant to Code Section 734(b) or Section 743(b) is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m)(2) or Section 1.704-1(b)(2)(iv)(m)(4), to be taken into account in determining Capital Accounts as the result of a distribution to a Member in complete liquidation of such Member's Interest in the Company, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of such Company asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated to the Members in accordance with their Interests in the event Regulations Section 1.704-1(b)(2)(iv)(m)(2) applies, or to the Member to whom such distribution was made in the event Regulations Section 1.704-1(b)(2)(iv)(m)(4) applies.

Allocations Relating to Taxable Issuance of Interests. Any income, gain, loss or deduction realized as a direct or indirect result of the issuance of an Interest by the Company to a Member (the "Issuance Items") shall be allocated among the Members so that, to the extent possible, the net amount of such Issuance Items, together with all other allocations under this Agreement to each Member, shall be equal to the net amount that would have been allocated to each such Member if the Issuance Items had not been realized.

Curative Allocations. The allocations set forth in Sections 6.03(b), 6.03(c) and 6.03(d) (the "Regulatory Allocations") are intended to comply with certain requirements of the Regulations. It is the intent of the Members that, to the extent possible, the Regulatory Allocations shall be offset either with special allocations of other items of Company income, gain, loss or deduction pursuant to this Section 6.04. Therefore, notwithstanding any other provision of this Article VI (other than the Regulatory Allocations), the Managing Member shall make such offsetting special allocations of Company income, gain, loss or

## Edgar Filing: BRT REALTY TRUST - Form 8-K

deduction in whatever manner it (acting in good faith) determines appropriate so that, after such offsetting allocations are made, each Member's Capital Account balance is, to the extent possible, equal to the Capital Account balance such Member would have had if the Regulatory Allocations were not part of this Agreement and all Company items were allocated pursuant to Sections 6.01, 6.02 and 6.03(e).

Other Allocation Rules.

Profits, Losses and any other items of income, gain, loss or deduction shall be allocated to the Members pursuant to this Article VI as of the last day of each Fiscal Year, provided that Profits, Losses and such other items shall also be allocated at such times as the Gross Asset Values of Property are adjusted pursuant to clause (ii) of the definition of "Gross Asset Value" in Section 1.01.

For purposes of determining the Profits, Losses or any other items allocable to any period, Profits, Losses and any such other items shall be determined on a daily, monthly or other basis, as determined by the Managing Member (except to the extent otherwise provided in Section 8.06) using any permissible method under Code Section 706 and the Regulations thereunder.

The Members are aware of the income tax consequences of the allocations made by this Article VI and hereby agree to be bound by the provisions of this Article VI in reporting their shares of Company income and loss for income tax purposes, except as otherwise required by law.

Tax Allocations; Code Section 704(c).

Except as otherwise provided in this Section 6.06, each item of income, gain, loss and deduction of the Company for federal income tax purposes shall be allocated among the Members in the same manner as such items are allocated for book purposes under this Article IV. In accordance with Code Section 704(c) and the Regulations thereunder, income, gain, loss and deduction with respect to any Property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members so as to take account of any variation between the adjusted basis of such Property to the Company for federal income tax purposes and its initial Gross Asset Value (computed in accordance with the definition of "Gross Asset Value" in Section 1.01).

In the event the Gross Asset Value of any Company asset is adjusted pursuant to clause (ii) of the definition of Gross Asset Value, subsequent allocations of income, gain, loss and deduction with respect to such asset shall take account of any variation between the adjusted basis of such asset for federal income tax purposes and its Gross Asset Value in the same manner as under Code Section 704(c) and the Regulations thereunder.

Any elections or other decisions relating to such allocations shall be made by the Managing Member in any manner that reasonably reflects the purpose and intention of this Agreement, provided that the Company shall elect to apply the traditional method described by Regulation Section 1.704-3(b), and provided, further, that any items of loss or deduction attributable to property contributed by a Member shall, to the extent of an amount equal to the excess of (A) the federal income tax basis of such property at the time of its contribution over (B) the Gross Asset Value of such property at such time, be allocated in its entirety to the such contributing Member and the tax basis of such property for purposes of computing the amounts of all items allocated to any other Member (including a transferee of the contributing Member) shall be equal to its Gross Asset Value upon its contribution to the Company. Allocations pursuant to this Section 6.06 are solely for purposes of federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses, other items

or distributions pursuant to any provision of this Agreement.

second step (Management Allocation) - to the BRT Member an amount equal to (A) one-quarter percent (1/4%) of the weighted average of the aggregate outstanding principal amounts of the Company Loans (exclusive of any Non-Performing Company Loans) during such Fiscal Quarter (provided that, for any Fiscal Quarter that is less than three full calendar months, the foregoing amount shall be pro rated based upon the length of such Fiscal Quarter compared to the corresponding three full calendar months) plus (B) if, during such Fiscal Quarter, the Company has recovered on and with respect to any Non-Performing Company Loan an amount (net of all legal fees and other related costs of recovery) equal to or in excess of the outstanding principal amount of such Non-Performing Company Loan, an amount equal to the Management Distribution Shortfall for such Non-Performing Company Loan or, if less, the amount of such excess, plus the amount (if any) of the Carry-over Management Distribution (determined as of the close of business on the last day of such Fiscal Quarter), if any;

Application of Principles for Allocations. Notwithstanding anything contained in Section 7.01(b) to the contrary, the distributions provided for under Section 7.01(b) shall be made in accordance with the following principals:

the aggregate amount of the distributions to be made pursuant to Section 7.01(b) for or with respect to any Fiscal Quarter shall not exceed the amount of the Gross Available Cash Flow (determined as of the close of business on the last day of such Fiscal Quarter);

the aggregate amount of the distributions to be made pursuant to any step set forth under Section 7.01(b) for or with respect to any Fiscal Quarter shall not exceed the balance of (A) the amount of the Gross Available Cash Flow (determined as of the close of business on the last day of such Fiscal Quarter) less (B) the aggregate amount of all distributions provided to be made pursuant to any and all prior step(s) set forth under Section 7.01(b) for or with respect to such Fiscal Quarter; and

in the event the balance (as contemplated under the foregoing clause (ii)) available to be distributed to the Members pursuant to any step under Section 7.01(b) is not sufficient to pay to the Members the full amount provided to be distributed to the Members pursuant to such step (exclusive of any limitation thereof contemplated by the foregoing provisions of this Section 7.01(c)), such balance shall be allocated and distributed to and among the Members in proportion to the respective amounts that would have been distributed to the Members if such balance had equaled or exceeded the full amount provided to be distributed to the Members pursuant to such step (exclusive of any limitation thereof contemplated by the foregoing provisions of this Section 7.01(c)).

Quarterly Distributions of Net Available Cash Flow. Except as otherwise provided in Article IX, promptly (and in any event, within five (5) Business Days) following the end of each Fiscal Quarter (commencing with the Fiscal Quarter ending December 31, 2006, 2007), other than the last Fiscal Quarter of any Fiscal Year, the Company shall distribute, and the Managing Member shall cause the Company to distribute, to the Members from (and to the extent of) the Net Available Cash Flow (determined as of the close of business on the last day of such Fiscal Quarter) the following amounts in accordance with the following steps:

Fiscal Quarter, each Member will have received, pursuant to this clause (i) (when aggregated with its respective Included Distribution Amounts for such Fiscal Quarter), a per annum (calculated on the actual number of days outstanding) return on its respective Outstanding Advances during such Fiscal Quarter equal to the per annum (calculated on the actual number of days outstanding) return that each other Member receives, pursuant to this clause (i), on its respective Outstanding Advances during such Fiscal Quarter; and

second step, an amount equal to the balance of such Net Available Cash Flow (after deducting therefrom the amount provided to be distributed pursuant to the foregoing first step, shall be allocated and distributed (A) thirty-seven and one-half percent (37 1/2%) to the CIT Member and (B) sixty-two and one-half percent (62 1/2%) to the BRT Member.

Annual Distributions of Net Available Cash Flow. Except as otherwise provided in Article IX, promptly (and in any event, within five (5) Business Days) following the end of each Fiscal Year (commencing with the Fiscal Year ending December 31, 2006), the Company shall distribute, and the Managing Member shall cause the Company to distribute, to the Members from (and to the extent of) the Net Available Cash Flow (determined as of the close of business on the last day of such Fiscal Year) the following amounts in accordance with the following steps:

first step, to each Member, an amount sufficient (when aggregated with (A) the Included Distribution Amount(s) for such Member for all of the Fiscal Quarters ending during such Fiscal Year and (B) all distributions theretofore made to such Member pursuant to Section 7.01(d) for all of the Fiscal Quarters ending during such Fiscal Year) to pay such Member a nine percent (9%) per annum (calculated on the actual number of days outstanding) return on the Outstanding Advances of such Member during such Fiscal Year, provided that, if the amount of such Net Available Cash Flow is not sufficient to make the distributions provided for pursuant to this clause (i), an amount equal to such Net Available Cash Flow shall be allocated and distributed to and among the Members so that, for such Fiscal Year, each Member will have received, pursuant to this clause (i) (when aggregated with (A) the its respective Included Distribution Amounts for all of the Fiscal Quarters ending during such Fiscal Year and (B) all distributions theretofore made to such Member pursuant to Section 7.01(d) for all of the Fiscal Quarters ending during such Fiscal Year), a per annum (calculated on the actual number of days outstanding) return on its respective Outstanding Advances during such Fiscal Year equal to the per annum (calculated on the actual number of days outstanding) return that each other Member receives, pursuant to this clause (i), on its respective Outstanding Advances during such Fiscal Quarter; and

second step, an amount equal to the balance of such Net Available Cash Flow (after deducting therefrom the amount provided to be distributed pursuant to the foregoing first step, shall be allocated and distributed (A) thirty-seven and one-half percent (37 1/2%) to the CIT Member and (B) sixty-two and one-half percent (62 1/2%) to the BRT Member.

Amounts Withheld. All amounts withheld pursuant to the Code or any provision of any state, local, or foreign tax law with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts paid or distributed, as the case may be, to the Members with respect to which such amount was withheld pursuant to this Section 7.02 for all purposes under this Agreement. The Company is authorized to withhold from payments and distributions, or with respect to allocations, to the Members, and to pay over

to any federal, state and local government or any foreign government, any amounts required to be so withheld pursuant to the Code or any provisions of any other federal, state, or local law or any foreign law and shall allocate any such amounts to the Members with respect to which such amount was withheld.

Limitations on Distributions. The Company shall make no distributions to any of the Members except (i) as provided in this Article VII or in Article IX or (ii) as agreed to by all of the Members.

Treatment of Certain Payments on Company Loans. Notwithstanding any provision of the relevant Loan Documentation that would provide that any Foreclosure Expenses (or any similar costs or expenses) incurred or expended by the Company (or, with respect to any Shared Loan, BRT) are to be added to, or otherwise constitute, the principal amount of any Company Loan, any repayment made to the Company with respect to such Foreclosure Expenses (or any similar costs or expenses) shall be deemed to be and treated as a Company Loan Non-Principal Repayment. Further, notwithstanding anything to the contrary contained in any Loan Documentation with respect to any Company Loan that is a Non-Performing Company Loan, for so long as such Company Loan is a Non-Performing Company Loan, all payments received by the Company shall (for the purposes of determining whether such payment constitutes a Principal Repayment or a Company Loan Non-Principal Repayment) be deemed applied first to the outstanding principal amount of such Company Loan (exclusive of any portion such principal amount that, under the terms of the Loan Documentation, would be attributable to any Foreclosure Expenses (or any similar costs or expenses) incurred or expended by the Company (or, with respect to any Shared Loan, BRT)).

Distributions and Payments to Members. It is the intent of the Members and the Managing Member that no distribution or payment to any Member (including distributions under Sections 7.01 and 9.04) shall be deemed a return of money or other property in violation of the Delaware Act. The payment or distribution of any such money or property to a Member shall be deemed to be a compromise within the meaning of Section 18-502(b) of the Delaware Act, and the Member receiving any such money or property shall not be required to return any such money or property to the Company, any creditor of the Company or any other Person. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Member is obligated to return such money or property, such obligation shall be the obligation of such Member and not of the Company, any other Member or the Managing Member. Any amounts required to be paid under such obligation shall be treated as a permitted additional Capital Contribution.

Payments Due with respect to Lost Principal. If, as of the end of any Fiscal Year, there is a CIT Loan Principal Shortfall, then, within ten (10) days following the end of such Fiscal Year, the BRT Member shall pay to the CIT Member an amount equal to the least of the following:

- an amount equal to such CIT Loan Principal Shortfall;

- an amount equal to seventy-five percent (75%) of the aggregate of (i) the amount (if any) distributed or required to be distributed to the BRT Member for or with respect to such Fiscal Year pursuant to clause (ii) of Section 7.01(e) plus (ii) the amount(s) (if any) distributed to the BRT Member for or with respect to the Fiscal Quarters ending during such Fiscal Year (other than the last Fiscal Quarter of such Fiscal Year) pursuant to clause (ii) of Section 7.01(d); or

- seventy-five percent (75%) of the Maximum BRT Loan Loss Amount.

Payments to REIT. The BRT Member hereby authorizes and instructs the Company that, with respect to each quarterly distribution contemplated to be made under

## Edgar Filing: BRT REALTY TRUST - Form 8-K

the fourth step of Section 7.01(b), the Company shall deduct from, and shall pay to REIT (at such address as may be set forth in written instructions given by the BRT Member to the Company) from, such distribution an amount equal to the portion of such distribution that is payable on account of the Medium Amount (if any) of any Company Loan Origination Fee that was paid to the Company during the Fiscal Quarter with respect to which such distribution is to be made, and the Parties agree that (notwithstanding anything contained herein to the contrary, but subject to the immediately following sentence), unless and until such authorization and instructions are revoked in writing given by the BRT Member to the Company and the other Members, the Company shall make such payment to REIT. Any such payment to REIT shall, for purposes of this Agreement, be deemed distributed to the BRT Member.

### ADMISSION OF MEMBERS AND RESTRICTIONS ON TRANSFER

**No New or Additional Members.** Except as contemplated in the following provisions of this Article VIII with respect to a permitted Transfer of an Interest, no Person may be admitted as a Member without the written consent of all Members.

**No Transfer.** Except as expressly permitted under Section 8.03 and, as applicable, Section 8.05, no Member may Transfer, directly or indirectly, all or any portion of its Interest without the prior written consent of the other Members (which may be withheld or granted in the sole discretion of such other Members). Any attempt to Transfer any Interest in violation of this Agreement shall be null and void and of no force or effect.

**Permitted Transfers.** Any Member may, upon at least ten (10) days' prior written notice to the Company and the other Member(s), transfer and assign all of its Interests to a 100% Affiliate of such Member, provided that (a) the transferee of such Interests shall, prior to or simultaneously with such transfer, execute and deliver to the Company and the other Members a joinder or other agreement (in form and substance acceptable to the Company and the other Members) pursuant to which such transferee agrees to be bound by all of the terms, conditions and provisions this Agreement as a Member in the place and stead of the transferor Member and (b) the transferor Member shall not be released or relieved of any of its obligations and liabilities hereunder to the extent such transferee fails to perform or fulfill such obligations and liabilities. The provisions of this Section 8.03 will not apply to or be deemed to authorize or permit any collateral transfer of, or grant of a security interest in, a Member's Interest or in any Property.

**Limitation on Resignations.** No Member may, without the prior written consent of the other Member(s), resign from the Company, except as a result of such Member's involuntary dissolution or final adjudication as bankrupt or in connection with a permitted Transfer.

**Conditions on Transfer.**

Notwithstanding anything to the contrary contained in this Agreement, no Transfer of all or any part of any Interest shall be made (a) except in compliance with all applicable securities laws or (b) if such Transfer would violate any loan commitment or other agreement to which the Company is a party or by which it is otherwise bound. As promptly as practicable after the Transfer of any Interest as permitted hereunder, the books and records of the Company shall be changed to reflect such Transfer. All reasonable costs and expenses incurred by the Company in connection with such Transfer shall be paid by the transferee.

It is expressly understood and agreed that any Transfer otherwise

permitted pursuant to this Article VIII shall in all instances be prohibited (and, if consummated, shall be void ab initio) if such Transfer does not comply with all applicable laws, rules and regulations and other requirements of governmental authorities, including, without limitation, Executive Order 13224 (September 23, 2001), the rules and regulations of the Office of Foreign Assets Control, Department of Treasury, and any enabling legislation or other Executive Orders in respect thereof. In addition, each transferee of any Interest shall be required to make the representations and warranties set forth in Section 10.02 to the other Member(s) and the Company as of the date of the Transfer of such Interest. Each Member shall be deemed to make the representations and warranties set forth in Section 10.02(h) to the other Member(s) and the Company on behalf of any Person that acquires a beneficial ownership interest in such Member, with such representations and warranties to be effective as of the date of such acquisition.

Distributions and Allocations in Respect of Transferred Interests. If any Interest is Transferred during any Allocation Year in compliance with the provisions of this Article VIII, Profits, Losses, each item thereof, and all other items attributable to the Transferred Interest for such Allocation Year shall be divided and allocated between the transferor and the transferee by taking into account their varying Interests during the Fiscal Year in accordance with Code Section 706(d), using any conventions permitted by law and agreed to by the transferor and transferee. All distributions on or before the date of such Transfer shall be made to the transferor, and all distributions thereafter shall be made to the transferee. Solely for purposes of making such allocations and distributions, the Company shall recognize such Transfer not later than the end of the calendar month during which it is given notice of such Transfer, provided that, if the Company is given notice of a Transfer at least ten (10) Business Days prior to the Transfer, the Company shall recognize such Transfer as of the date of such Transfer, and provided further that, if the Company does not receive a notice stating the date such Interest was Transferred and such other information as the Managing Member may reasonably require within thirty (30) days after the end of the Allocation Year during which the Transfer occurs, then all such items shall be allocated, and all distributions shall be made, to the Person who, according to the books and records of the Company, was the owner of the Interest on the last day of such Allocation Year.

### DISSOLUTION AND TERMINATION

Dissolution and Liquidation. The Company shall dissolve and shall commence winding up and liquidating upon the first to occur of any of the following events (each a "Liquidating Event"):

- the sale, condemnation or other disposition of all the assets of the Company and the receipt of all consideration therefor;
- the lapse of sixty (60) days following the date on which any Member gives written notice to the Company, the Managing Member and the other Member(s) that such Member desires that the Company be dissolved and wound up (any such notice, a "Wind-Up Notice");
- the determination of all of Members to dissolve the Company;
- the resignation, expulsion, bankruptcy or dissolution of any Member or the occurrence of any other event that terminates the continued membership of any Member in the Company, unless, within ninety (90) days after such event, each of the remaining Members elects in writing to continue the business of the Company; or

## Edgar Filing: BRT REALTY TRUST - Form 8-K

the happening of any other event that makes it unlawful, impossible or impractical to carry on the business of the Company.

The Members hereby agree that, notwithstanding any provision of the Delaware Act, the Company shall not dissolve prior to the occurrence of a Liquidating Event.

Reconstitution. If it is determined, by a court of competent jurisdiction, that the Company has dissolved prior to the occurrence of a Liquidating Event, then within a period (the "Reconstitution Period") of an additional ninety (90) days after such determination, all of the Members may elect to reconstitute the Company and continue its business on the same terms and conditions set forth in this Agreement by forming a new limited liability company on terms identical to those set forth in this Agreement. Unless such an election is made within the Reconstitution Period, the Company shall dissolve and wind up its affairs in accordance with this Article IX. If such an election is made within the Reconstitution Period, then:

the reconstituted limited liability company shall continue until the occurrence of a Liquidating Event as provided in Section 9.01; and

unless otherwise agreed to by all of the Members, the Certificate of Formation and this Agreement shall, subject to any requirement under the Delaware Act to file a new certificate of formation, automatically constitute the certificate of formation and operating agreement of such new company. All of the assets and liabilities of the dissolved Company shall be deemed to have been automatically assigned, assumed, conveyed and transferred to the new company. No bond, collateral, assumption or release of any Member's or the Company's liabilities shall be required;

provided, however, that the right of the Members to select successor managers and to reconstitute and continue the business of the Company shall not exist and may not be exercised unless the Company has received an opinion of counsel that the exercise of the right would not result in the loss of limited liability of any Member and neither the Company nor the reconstituted limited liability company would cease to be treated as a partnership for federal income tax purposes upon the exercise of such right to continue.

Transfer Not Effecting Termination. Without limiting, but subject to, the other provisions hereof, the Transfer of all or any part of a Member's Interest permitted hereunder will not result in the dissolution of the Company. Except as contemplated by Section 9.01 or otherwise specifically provided in this Agreement, each Member agrees that, without the consent of the other Member(s), no Member may withdraw from or cause a voluntary dissolution of the Company. In the event any Member withdraws from or causes a voluntary dissolution of the Company in contravention of this Agreement, such withdrawal or the causing of a voluntary dissolution shall not affect such Member's liability for obligations of the Company.

Winding Up. Upon the occurrence of (i) a Liquidating Event or (ii) the determination by a court of competent jurisdiction that the Company has dissolved prior to the occurrence of a Liquidating Event (unless the Company is reconstituted pursuant to Section 9.02), the Company shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets and satisfying the claims of its creditors and the Members, and no Member shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Company's business and affairs, provided that, to the extent not inconsistent with the foregoing, all covenants contained

## Edgar Filing: BRT REALTY TRUST - Form 8-K

in this Agreement and obligations provided for in this Agreement shall continue to be fully binding upon the Members until such time as the assets of the Company have been distributed pursuant to this Section 9.04 or to a trust as contemplated by Section 9.05 and the Certificate of Formation has been canceled pursuant to the Delaware Act. The Liquidating Member shall be responsible for, as promptly as possible, but in an orderly and businesslike and commercially reasonable manner, overseeing the winding up and dissolution of the Company, which winding up and dissolution shall be completed within ninety (90) days (or such longer period as may be agreed to in writing by all Members) of the occurrence of the Liquidating Event and within ninety (90) days (or such longer period as may be agreed to in writing by all Members) after the last day on which the Company may be reconstituted pursuant to Section 9.02. The Liquidating Member shall take full account of the Company's liabilities and assets and shall cause the Company's assets or the proceeds from the sale thereof, to the extent sufficient therefor, to be applied and distributed, to the maximum extent permitted by law, in the following order:

first, to creditors in satisfaction of all of the Company's Debts and other Liabilities (whether by payment or the making of reasonable provision for payment thereof to the extent required by Section 18-804 of the Act), other than liabilities for distribution to Members under Section 18-601 or Section 18-604 of the Act;

second, to Members and former Members of the Company in satisfaction of liabilities for distribution under Section 18-601 or Section 18-604 of the Act; and

the balance, if any, to the Members in accordance with the positive balance in their Capital Accounts, after giving effect to all contributions, distributions and allocations for all periods.

Compliance with Certain Requirements of Regulations; Deficit Capital Accounts. In the event the Company is "liquidated" within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made pursuant to this Article IX to the Members who have positive Capital Accounts in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(2). If any Member has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all Allocation Years, including the Allocation Year during which such liquidation occurs), such Member shall have no obligation to make any contribution to the capital of the Company with respect to such deficit, and such deficit shall not be considered a debt owed to the Company or to any other Person for any purpose whatsoever. In the discretion of the Liquidating Member, a pro rata portion of the distributions that would otherwise be made to the Members pursuant to this Article IX may be:

distributed to a trust established for the benefit of the Members for the purposes of liquidating the Company's assets, collecting amounts owed to the Company and paying any contingent or unforeseen liabilities or obligations of the Company. The assets of any such trust shall be distributed to the Members from time to time, in the reasonable discretion of the Liquidating Member, in the same proportions as the amount distributed to such trust by the Company would otherwise have been distributed to the Members pursuant to Section 9.04; or

withheld to provide a reasonable reserve for the Company's liabilities (contingent or otherwise) and to reflect the unrealized portion of any installment obligations owed to the Company, provided that such withheld amounts shall be distributed to the Members as soon as practicable.

Deemed Distribution and Recontribution. Notwithstanding any other provision of this Article IX, in the event the Company is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g) but no Liquidating Event has occurred, the assets of the Company shall not be liquidated, the Company's debts and other liabilities shall not be paid or discharged, and the Company's affairs shall not be wound up. Instead, solely for federal income tax purposes, the Company shall be deemed to have contributed all its assets and liabilities to a new limited liability company in exchange for an interest in such new company and, immediately thereafter, the Company will be deemed to liquidate by distributing interests in the new limited liability company to the Members.

Distributions in Kind. For the purposes of making distributions required by Section 9.04, the Liquidating Member may determine whether to distribute all or any portion of the Company's assets in-kind or to sell all or any portion of the Company's assets and distribute the proceeds therefrom, provided that the Liquidating Member shall not distribute any of the Company's assets, other than cash, to any Member without its prior written consent.

Rights of Members. Except as otherwise provided in this Agreement, each Member shall look solely to the assets of the Company for the return of its Capital Contributions and shall have no right or power to demand or receive assets other than cash from the Company. If the assets of the Company remaining after payment or discharge of the debts or liabilities of the Company are insufficient to return such Capital Contributions, the Members shall have no recourse against the Company, the Managing Member or any other Member.

Allocations and Distributions during Period of Liquidation. During the period commencing on the first day of the Fiscal Year during which a Liquidating Event occurs and ending on the date on which all of the assets of the Company have been distributed pursuant to Section 9.02 or to a trust as contemplated by Section 9.05, the Members shall continue to share Profits, Losses, gain, loss and other items of Company income, gain, loss or deduction in the manner provided in Article VI but no distributions shall be made pursuant to Article VII.

Character of Liquidating Distributions. All payments made in liquidation of the Interest of a Member shall be made in exchange for the Interest of such Member in the Company's assets pursuant to Code Section 736(b)(1), including the interest of such Member in Company goodwill.

Effect of Wind-Up Notice. Notwithstanding anything contained herein to the contrary, from and after the date the Managing Member receives a Wind-up Notice, the Managing Member shall not (pursuant to Section 5.02 or otherwise) make a capital call or other request or demand on any Member to make any additional capital contribution to the Company, and no Member shall be obligated to make any additional capital contribution to the Company, except with respect to any Loan Commitment that the Company has theretofore entered into or that the Company enters into within sixty (60) days following the date the Managing Member receives a Wind-up Notice.

Compensation. Neither the Liquidating Member, the Managing Member nor any other Member shall receive, or be entitled to receive, any additional compensation for any services performed pursuant to or in connection with this Article IX.

### RESTRICTIONS

#### Restrictive Covenants.

During the Restricted Period, unless otherwise agreed to by BRT or the BRT Member, CIT will not cause, and will not allow or permit, the CRE Unit to make (or to cause any of its Affiliates to make) any Commercial Real Estate Loan to any Borrower that has been initially introduced to the Company by any BRT Mortgage Broker, the BRT Member or any of its Affiliates. For avoidance of doubt, neither the CIT Member nor the CRE Unit shall be precluded from (i) making any loans to, or otherwise dealing with, (A) any Person (other than Steven Green or his known Affiliates) with which CIT or any of its Affiliates has, prior to the Effective Date, had any business relations, (B) any Person that was introduced to CIT or any of its Affiliates other than by or through the Company, any BRT Mortgage Broker, the BRT Member or any of its Affiliates or (C) any Affiliate of any Person referred to in the foregoing clause (A) or (B) or (ii) from making any loans (other than Commercial Real Estate Loans) to any Borrower.

Unless otherwise agreed to by BRT or the BRT Member, CIT shall undertake in good faith to cause the CRE Unit (i) not to solicit, during the Restricted Period, any BRT Mortgage Broker specified in Part I of Exhibit A attached hereto with respect to any Commercial Real Estate Loan and (ii) not to solicit, during the Shortened Restricted Period, any BRT Mortgage Broker specified in Part II of Exhibit A attached hereto with respect to any Commercial Real Estate Loan.

During the term of this Agreement, unless otherwise agreed to by CIT or the CIT Member, BRT will not, and will not allow or permit any of its Affiliates to, make any Commercial Real Estate Loan (other than (i) by and through the Company and (ii) the portion of any Shared Loan contemplated hereunder to be funded by BRT directly, rather than through the Company); provided, however, that (i) neither BRT nor any of its Affiliates shall be precluded from making any Disapproved Loan and (ii) neither BRT nor any of its Affiliates shall be

## Edgar Filing: BRT REALTY TRUST - Form 8-K

precluded from making any Commercial Real Estate Loan if the Company would not be able to make such Commercial Real Estate Loan because of the absence of available funding (whether from contributions from the Members pursuant to a capital call that has been or could be make under Section 5.02(a) or from funds that have been or could be obtained from any Third Party Financing).

During the term of this Agreement, BRT will not, and will not allow or permit any of its Affiliates to, enter into (i) any transaction or other arrangement with any other Person pursuant to which BRT or any of its Affiliates would agree or otherwise undertake to make, manage or service any third party's mortgage loan portfolio or other real estate loans or (ii)

any joint venture, partnership or other jointly-owned arrangement or entity the purpose of which is to make, manage or service any third party's mortgage loan portfolio or other real estate loans.

During the term of this Agreement, CIT will undertake in good faith to cause the CRE Unit to introduce or otherwise direct to the Company any opportunity of which the CIT Member becomes aware involving a prospective Borrower who is seeking to obtain a loan that would meet all of the criteria set forth in Section 2.08 and that would not require any approval contemplated under Section 2.09, provided that such obligation shall not apply if the Company would not be able to make such loan because of the absence of available funding (whether from contributions from the Members pursuant to a capital call that has been or could be make under Section 5.02(a) or from funds that have been or could be obtained from any Third Party Financing).

Notwithstanding anything contained herein to the contrary, neither CIT nor the CRE Unit shall be deemed to be precluded or prohibited from participating in any loan or any group of related loans with any other Person or from investing in any pool or other group of loans that have been originated or funded by any other Person.

Notwithstanding anything contained herein to the contrary, CIT shall be entitled, whether during or after the Restricted Period, (directly or through any Affiliate) to enter into a joint venture or other arrangement with another Person for the purposes of making or investing in Commercial Real Estate Loans, provided that, prior to making entering into any such joint venture or other arrangement, that is entered into during the Restricted Period (any such action by CIT, whether directly or through any Affiliate, is hereinafter referred to as a "Joint Venture Action"), CIT shall first have complied with the following provisions of this Section 11.01(g). At least thirty (30) days prior to entering into any Joint Venture Action, CIT shall give BRT written notice of CIT's desire or intention to do so, which notice shall set forth the nature and the principal terms and conditions of such Joint Venture Action. In the event BRT desires to participate in an amount of up to twenty-five percent (25%) of CIT's investment, commitment and/or involvement in such Joint Venture Action, then, within twenty (20) days following its receipt of the aforesaid notice, BRT shall give CIT written notice of BRT's commitment to do so (which notice (a "BRT Joint Venture Commitment Notice") shall specify the percentage participation of CIT's investment, commitment and/or involvement in such Joint Venture Action that BRT will assume (such percentage participation is hereinafter referred to as "BRT's Joint Venture Percentage Commitment"). In the event BRT gives a timely BRT Joint Venture Commitment Notice to CIT as contemplated by the immediately preceding sentence, then CIT shall not close or otherwise proceed with such Joint Venture Action unless BRT is provided with an opportunity, upon the closing or consummation of such Joint Venture Action, to participate (in the amount of BRT's Joint Venture Percentage Commitment) in CIT's investment, commitment and/or involvement in such Joint Venture Action upon the same or substantially the same terms and conditions as CIT (with it being agreed that any differences in terms and conditions that are dependent upon or related to the different proportionate interests of CIT and BRT in such Joint Venture Action shall not

## Edgar Filing: BRT REALTY TRUST - Form 8-K

cause such terms and conditions not to be substantially the same). In the event BRT fails to give a timely BRT Commitment Notice CIT shall not proceed with such Joint Venture Action during the Restricted Period without BRT's prior consent; provided, however, that CIT shall be entitled to proceed with such Joint Venture Action without any consent from BRT if any Member gives or has given a Wind-Up Notice.

Notwithstanding anything contained herein to the contrary, CIT shall be entitled, whether during or after the Restricted Period, (directly or through any Affiliate) to lend funds to another Person that makes Commercial Real Estate Loans, provided that, prior to making any such loan transaction during the Restricted Period (any such loan transaction by CIT, whether directly or through any Affiliate, is hereinafter referred to as an "Investment"), CIT shall first have complied with the following provisions of this Section 11.01(h). At least thirty (30) days prior to making any Investment, CIT shall give BRT written notice of CIT's desire or intention to do so, which notice shall set forth the nature and the principal terms and conditions of such Investment. In the event BRT desires to participate in an amount of up to twenty-five percent (25%) of CIT's investment and/or commitment in such Investment, then, within twenty (20) days following its receipt of the aforesaid notice, BRT shall give CIT written notice of BRT's commitment to do so (which notice (a "BRT Investment Commitment Notice") shall specify the percentage participation of CIT's investment and/or commitment in such Investment that BRT will assume (such percentage participation is hereinafter referred to as "BRT's Investment Percentage Commitment"). In the event BRT gives a timely BRT Investment Commitment Notice to CIT as contemplated by the immediately preceding sentence, then CIT shall not close or otherwise proceed with such Investment unless BRT is provided with an opportunity, upon the closing or consummation of such Investment, to participate (in the amount of BRT's Investment Percentage Commitment) in CIT's investment and/or commitment in such Investment upon the same or substantially the same terms and conditions as CIT (with it being agreed that any differences in terms and conditions that are dependent upon or related to the different proportionate interests of CIT and BRT in such Investment shall not cause such terms and conditions not to be substantially the same). In the event BRT fails to give a timely BRT Investment Commitment Notice or gives a timely BRT Investment Commitment Notice but fails to proceed timely with BRT's Investment Percentage Commitment in such Investment, then CIT shall be entitled, without any participation by BRT, to proceed with such Investment.

BRT shall not, without the prior written consent of CIT, directly or indirectly Transfer all or any portion of its interest in the BRT Member to any Person that is not a 100% Affiliate of BRT. CIT shall not, without the prior written consent of BRT, directly or indirectly Transfer all or any portion of its interest in the CIT Member to any Person that is not a 100% Affiliate of CIT.

### MISCELLANEOUS

Further Assurances. Each Party, upon the reasonable request of any other Party, shall do and perform all such further acts and execute, acknowledge and deliver all such further instruments and documents as may be necessary or desirable to carry out, evidence and reflect the transactions contemplated hereby or otherwise carry out and perform the provisions of this Agreement.

Expenses. Each Member will bear all of its own expenses in connection with the preparation and negotiation of this Agreement and the consummation and performance of its obligations thereunder.

Indemnification.

## Edgar Filing: BRT REALTY TRUST - Form 8-K

Each of the Parties (an "Indemnifying Party") shall indemnify and hold harmless each other Party and its respective directors, officers, employees, agents and affiliates (each of the foregoing, an "Indemnified Party") from and against, and shall reimburse each Indemnified Party for, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and other legal costs, including those related to any appeal, and costs of any investigation) that have been suffered or incurred by such Indemnified Party and that have resulted from, or been occasioned by, (a) any breach or violation by the Indemnifying Party of any of its representations, warranties, covenants and other agreements set forth herein or (b) any claim asserted by any third party that, if true, would constitute a breach or violation by the Indemnifying Party of any of its representations, warranties, covenants and other agreements set forth herein (any such claim, a "Third-Party Claim").

If any Indemnified Party shall receive notice of, or otherwise become aware of the assertion of, a Third-Party Claim with respect to which such Indemnified Party intends to seek indemnification under this Section 12.03, then such Indemnified Party shall give prompt written notice thereof to the Indemnifying Party, which notice shall include or be accompanied with a copy of any summons, complaint or other written evidence of such Third-Party Claim to the extent that such summons, complaint or other written evidence has been received by such Indemnified Party or by any attorney or other agent thereof. The failure of an Indemnified Party to give such notice or to give such notice promptly shall not relieve the Indemnifying Party of its obligation to indemnify such (or any other) Indemnified Party under this Section 12.03 except to the extent that the failure to give such notice or the delay in giving such notice has materially prejudiced the Indemnifying Party in its ability to defend against such Third-Party Claim. The Indemnifying Party shall, with counsel selected by it (which selection shall be subject to the approval of the Indemnified Parties, such approval not to be unreasonably withheld or delayed), be entitled to defend against and settle any Third-Party Claim; provided, however, that its right to do so shall be conditioned upon its having confirmed in writing to the Indemnified Parties its obligation to indemnify them with respect to such Third-Party Claim (any such confirmation, a "Notice to Indemnify") and, provided, further, however, that the Indemnifying Party shall not be entitled to enter into any settlement of any such Third-Party Claim without the prior written consent of the Indemnified Parties, which consent shall not be unreasonably withheld or delayed. Notwithstanding anything contained herein to the contrary, the Indemnifying Party's obligation to indemnify the Indemnified Parties against any Third-Party Claim shall be conditioned upon the Indemnified Parties providing full and timely cooperation in the defense of such Third-Party Claim.

Notwithstanding anything contained herein to the contrary, except as provided in the next following sentence, the Indemnifying Party shall not be obligated to indemnify any Indemnified Party for, or otherwise pay, any attorneys' fees or other legal or related costs (or any costs of any investigation) suffered or incurred by any Indemnified Party in connection with any Third-Party Claim after such Indemnified Party has received any Notice to Indemnify with respect to such Third-Party Claim; provided, however, that, if, after giving any Notice to Indemnify, the Indemnifying Party reverses its position and claims that it is not required to indemnify any Indemnified Party against the Third-Party Claim, then, in the event the Indemnifying Party is obligated hereunder to indemnify such Indemnified Party with respect to such Third-Party Claim, the Indemnifying Party shall bear and pay the reasonable attorneys' fees and other legal costs, including those related to any appeal, and costs of any investigation, incurred by such Indemnified Party after the Indemnifying Party has reversed its position and claimed that it is not required to indemnify such Indemnified Party against such Third-Party Claim. Notwithstanding the foregoing, if there is a legitimate and good faith conflict of interest between the Indemnifying Party and one or more of the Indemnified

## Edgar Filing: BRT REALTY TRUST - Form 8-K

Parties in connection with the defense of any Third-Party Claim so that one counsel or law firm could not properly represent both the Indemnifying Party and such Indemnified Parties in connection with such defense, the Indemnifying Party, in the event it is obligated hereunder to indemnify such Indemnified Parties with respect to such Third-Party Claim, shall bear and pay the reasonable attorneys' fees and other legal costs, including those related to any appeal, and costs of any investigation, incurred by such Indemnified Parties in connection with such defense, regardless of whether the Indemnifying Party has given a Notice to Indemnify. However, under no circumstances shall the Indemnifying Party be obligated to pay for the attorneys' fees or related legal fees of more than one attorney or law firm for or on behalf of one or more of the Indemnified Parties.

Notices. All notices, demands, requests, consents, approvals or other communications (each of the foregoing, a "Notice") required or permitted to be given hereunder or pursuant hereto or that are given with respect to this Agreement to any Party shall be in writing and shall be (a) personally delivered, (b) sent by both registered or certified mail, postage prepaid and return receipt requested, and regular first class mail, (c) sent both by facsimile transmission with receipt of transmission confirmed electronically or by telephone and by regular first class mail, or (d) sent by reputable overnight courier service with charges prepaid and delivery confirmed, to the intended recipient at its respective address as set forth below; provided, however, that, if a Party sending any Notice has received written notice in accordance with this Section 12.04 of a more recent address for any intended recipient referred to below, any Notice to such intended recipient shall be delivered or sent to it at the most recent address of which such Party has received such a notice:

Entire Agreement. This Agreement is intended by the Parties as a final expression of their agreement and is intended to be a complete and exclusive statement of the agreement and understanding of the Parties in respect of the subject matter contained herein, constitutes the entire agreement of the Parties with respect to the subject matter hereof and supersedes, and merges herein, all prior and contemporaneous negotiations, discussions, representations, understandings and agreements among the Parties, whether oral or written, with respect such subject matter. No representation, warranty, restriction, promise, undertaking or other agreement with respect to such subject matter has been made or given by any Party other than those set forth in this Agreement.

Amendment and Waiver. This Agreement may be amended, modified or supplemented only to the extent expressly set forth in writing that is signed by the Party to be charged therewith and that sets forth therein that its purpose is to amend, modify or supplement this Agreement or some term, condition or provision hereof. No waiver of any term, condition or provision of this Agreement or of any breach or violation of this Agreement or any provision hereof shall be effective except to the extent expressly set forth in writing that is signed by the Party to be charged therewith. Without limiting the generality of the foregoing, no failure to object or otherwise act, and no conduct (including, without limitation, any failure or delay in enforcing this Agreement or any provision hereof or any acceptance or retention of payment) or course of conduct or dealing, by any Party shall be deemed (a) to constitute a waiver by such Party of the breach or violation of this Agreement or of any provision hereof by any other Party or (b)

to have caused or reflected any amendment or other modification of this Agreement or of any term or provision hereof. Any waiver may be made in advance or after the right waived has arisen or the breach or default waived has occurred, and any waiver may be conditional. No waiver of any breach or violation of any agreement or provision herein contained shall be deemed a waiver of any preceding or succeeding breach or violation thereof nor of any other agreement or provision herein contained. No waiver or extension of time for performance of any obligation or act shall be deemed a waiver or extension of the time for performance of any other obligation or act.

Assignment; No Third Party Beneficiaries. This Agreement and the rights, duties and obligations hereunder may not be assigned or delegated by any Party hereto without the prior written consent of each of the other Parties; provided that any Member may, as expressly provided herein, assign its Interest. Except as provided in the immediately preceding sentence, any purported assignment or delegation of rights, duties or obligations hereunder made without the prior written consent of each of the other Parties shall be null and void and of no effect. This Agreement and the provisions hereof shall be binding upon and enforceable against each of the Parties and its successors and assigns and shall inure to the benefit of and be enforceable by each of the Parties and its successors and permitted assigns. Except as expressly provided for in this Agreement, this Agreement is not intended to confer any rights or benefits on any Persons other than the Parties and their successors and permitted assigns. Without limiting the scope or generality of the foregoing, nothing contained in this Agreement is intended or shall be deemed to benefit any creditor of the Company or any Member, and no creditor of the Company or any Member shall be entitled to require the Company to solicit, or the Members to make, any Capital Contribution to the Company or to enforce any right that the Company or any Member may have against any Member under this Agreement or otherwise.

Severability. This Agreement and the terms and provisions hereof shall be deemed severable, and the invalidity or unenforceability of any term or provision hereof shall not affect the validity or enforceability of this Agreement or of any other term or provision hereof. In the event any term or provision hereof shall be determined to be invalid or unenforceable as applied to any situation or circumstance or in any jurisdiction, such invalidity or unenforceability shall not apply or extend to any other situation or circumstance or in any other jurisdiction or affect the validity or enforceability of any other term or provision. It is the Parties' intent that this Agreement and each term and provision hereof be enforceable in accordance with its terms and to the fullest extent permitted by law. Accordingly, to the extent any term or provision of this Agreement shall be determined or deemed to be invalid or unenforceable, such provision shall be deemed amended or modified to the minimum extent necessary to make such provision, as so amended or modified, valid and enforceable.

Waiver of Jury Trial; Consent to Jurisdiction. EACH OF THE PARTIES EXPRESSLY WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY SUIT, LITIGATION OR OTHER JUDICIAL PROCEEDING REGARDING THIS AGREEMENT OR ANY DISPUTE HEREUNDER OR RELATING HERETO. Each of the Parties agrees that any dispute under or with respect to this Agreement or otherwise arising between them shall be determined before the state or federal courts situated in the City, County and State of New York, which courts shall have exclusive jurisdiction and venue over and with respect to any such dispute, and each of the Parties hereby irrevocably submits to the exclusive jurisdiction and venue of such courts. Each Party agrees not to raise any defense or objection, under the theory of forum non conveniens or otherwise, with respect to the jurisdiction of any such court. In addition to such other method as may available under applicable law, each Party agrees that any summons, complaint or other papers or process in connection with any such dispute may be served on it in the same manner in which a Notice may be given to it pursuant to Section 12.04.
