Item 4. Purpose of Transaction.

Starboard Value LP, together with its affiliates (“Starboard”), invested in the Issuer based on Starboard’s belief that the Issuer is deeply undervalued and represents an attractive investment opportunity. Starboard believes that opportunities exist within the control of the Issuer’s management and the board of directors (the “Board”) to take actions that would create significant value for the benefit of all shareholders. Starboard has conducted extensive research on the Issuer and has reviewed the plan presented to shareholders on December 19, 2013, including the proposed separation of the Issuer’s Red Lobster business. Starboard has also reviewed the Issuer’s second quarter fiscal year 2014 financial results. Starboard believes that the plan outlined by management falls significantly short of the actions required to maximize shareholder value. Further, Starboard is disappointed with the continued poor financial performance of the Issuer. Starboard intends to closely monitor developments at the Issuer and engage in discussions with the Issuer, including discussions with members of management and the Board, as well as with other shareholders and interested parties. Starboard may make recommendations regarding corporate strategy, capital allocation, financial performance, and Board composition. Specifically, Starboard believes there is a significant opportunity to dramatically improve the operating performance at the Issuer, as well as opportunities to realize substantial value from the Issuer’s real estate holdings and to explore other strategic options available to the Issuer to maximize shareholder value, including alternative business sale or separation transactions.

Depending upon overall market conditions, other investment opportunities available to Starboard, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, Starboard may endeavor to increase or decrease its position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as Starboard may deem advisable.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. Starboard intends to review its investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer’s financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, Starboard may in the future take such actions with respect to its investment in the Issuer as it deems appropriate including, without limitation and in addition to the actions outlined above, making proposals to the Issuer concerning changes to the capitalization, ownership structure, or operations of the Issuer, purchasing additional Shares, selling some or all of its Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares, or changing its intention with respect to any and all matters referred to in Item 4.
