Item 8.01. Other Events

On May 19, 2014, Post Holdings, Inc. (“Post” or the “Company”) announced that it intends to commence an underwritten public offering, subject to market and other conditions, of 4,500,000 shares of its common stock. The Company expects to grant the underwriters of the common stock offering a 30-day option to purchase up to an additional 675,000 shares of common stock.

The Company also announced that it intends, subject to market and other conditions, to commence an underwritten public offering of 2,000,000 tangible equity units (the “Units”), with a stated value of \$100.00 per Unit. In addition, Post intends to grant the underwriters of the Unit offering an option to purchase, within 13 days beginning on, and including, the date of the initial issuance of the Units, up to an additional 300,000 Units. Each Unit will consist of a prepaid stock purchase contract and an amortizing note. Unless earlier settled, each stock purchase contract will automatically settle for shares of Post’s common stock on June 1, 2017 (subject to postponement in limited circumstances).

Post also announced it intends to commence a private offering to eligible purchasers, subject to market and other conditions, of \$630 million in aggregate principal amount of senior notes due 2022 (the “Notes”). The Notes will be unsecured unsubordinated obligations of the Company and will be guaranteed by the Company’s domestic subsidiaries. The closing of the Note offering is conditioned upon the simultaneous closing of the Company's previously announced acquisition of MFI Holding Corporation.

A copy of the press release issued in connection with the above offerings is attached hereto as Exhibit 99.1.
