Item 8.01. Other Events.

On May 22, 2014, Post Holdings, Inc. (the “Company”) announced the pricing of its previously announced offering of \$630 million aggregate principal amount of 6.00% senior notes due 2022 at par (the “Notes”). The Notes offering is expected to close on June 2, 2014, subject to customary closing conditions and the simultaneous closing of the Company's previously announced acquisition of MFI Holding Corporation (“Michael Foods”).

The Notes will be unsecured unsubordinated obligations of the Company and will be guaranteed by the Company’s domestic subsidiaries. The Company intends to use the net proceeds from the Notes and the previously announced common stock and tangible equity units offerings, together with cash on hand and approximately \$625 million (subject to market and other conditions) of the approximately \$885 million of new term loans the Company expects to borrow, to fund the acquisition of Michael Foods and to pay related fees and expenses.

A copy of the press release issued in connection therewith is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Notes and the related subsidiary guarantees were offered in the United States to qualified institutional buyers in an offering exempt from registration pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to persons outside the United States in compliance with Regulation S under the Securities Act.
