ITEM 1.01

ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On January 21, 2015 the board of directors of WWA Group, Inc. (the “Company”) directed an officer of the Company to enter into a Share Exchange Agreement (“Agreement”) with AllCom, a Nevada corporation. The Company will acquire all of the issued and outstanding stock of Genie Gateway (“Genie”) for a combination of the Company’s common and preferred stock. Genie is a California corporation and the wholly owned subsidiary of AllCom.

The Agreement provides that AllCom will exchange 100% of the issued and outstanding common shares of Genie for a combination of the Company’s common stock and a Series B Preferred Stock, to be created in connection with the transaction. The combination of the newly issued securities will constitute ninety-seven percent (97%) voting control of all of the issued and outstanding capital stock of WWAG. The Agreement further provides for the appointment of four new members to the Company’s board of directors while one current member of the board will resign. The transaction is subject to the parties meeting certain conditions precedent to closing.

AllCom is a developer of proprietary hardware and software solutions integrating telecommunications, electronic banking and the internet.

Genie Gateway is a forward-looking unified communications and payment processing platform blending business products and services - traditionally purchased from multiple vendors - into one seamless service.
