ALTISOURCE ASSET MANAGEMENT CORPORATION
PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS

General Information

We have made this proxy statement (“Proxy Statement”) available to you on or about April 21, 2017 as a holder of common stock of Altisource Asset Management Corporation, a U.S. Virgin Islands corporation (“we,” “us,” “our,” “AAMC” or the “Company”) because our Board of Directors is soliciting your proxy to be used at our Annual Meeting of Stockholders and at any postponement or adjournment thereof (the “Annual Meeting”). The 2017 Annual Meeting of Stockholders will be held at the Buccaneer Hotel, located at 5007 Estate Shoys, Christiansted, United States Virgin Islands 00820 on Wednesday, May 24, 2017, at 9:00 a.m., Atlantic Standard Time for the purposes listed in the Notice of Annual Meeting of Stockholders.

At the Annual Meeting, our stockholders will be asked to consider and vote upon (i) the election of five (5) Directors to serve until the 2018 Annual Meeting of Stockholders and/or until their successors are duly elected and qualified and (ii) “Say-on-Pay” with respect to the compensation of AAMC’s named executive officers, as disclosed in the Proxy Statement, on an advisory basis.

We are not aware of any other matters that may properly come before the Annual Meeting or any postponement or adjournment thereof. If any other matters properly come before the Annual Meeting, the persons designated as proxies intend to vote in accordance with their discretion on such matters.

We have not included a proposal for our stockholders to ratify our appointment of the independent registered public accounting firm for the year ending December 31, 2017. Deloitte & Touche LLP is currently serving as our independent registered public accounting firm. Our Audit Committee routinely reviews our independent auditors. We have initiated a request for proposal (“RFP”) process with several independent registered public accounting firms, including Deloitte & Touche LLP, to be our independent auditors for the year ending December 31, 2017. It is possible that, following this RFP process, which is expected to be completed during the second quarter of 2017, we may retain Deloitte & Touche LLP as our independent registered public accounting firm, or we may retain a new independent registered public accounting firm for the year ending December 31, 2017. In either event, we expect to again include a proposal in the proxy statement for our 2018 Annual Meeting of Stockholders and in future periods.

Proxies to be exercised at the Annual Meeting are being solicited by and on behalf of our Board of Directors primarily through the use of the mails. Our Directors, officers, employees and other agents, none of whom will receive additional compensation therefor, may solicit proxies by telephone, facsimile or other personal contact. We will bear the cost of the solicitation of proxies, including postage, printing and handling and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of shares of our common stock.

Proxy Materials

Our proxy materials, including this Proxy Statement and our 2016 Annual Report on Form 10-K, have been made available to stockholders on or about April 21, 2017 through the “Shareholders” link on our website at www.altisourceamc.com or through www.proxyvote.com. Our Annual Report on Form 10-K for the year ended December 31, 2016 was filed with the SEC and made available on our website on March 1, 2017.

Voting Procedures

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. However, if your common stock is held in the name of your bank or brokerage firm or other nominee, and you want to vote in person, you will need to obtain a legal proxy from the institution that holds your common stock. If your shares of common stock are held in your name, you can authorize a proxy to vote your shares in lieu of attending the Annual Meeting and voting in person. You may authorize a proxy to vote your shares over the Internet by following the instructions provided in the printed proxy materials. You may also authorize a proxy to vote your shares by mail or telephone pursuant to instructions provided on the proxy card. If you are authorizing a proxy to vote your shares over the Internet or by telephone, you will need to provide the control number that is printed on the proxy card that you receive.

If your common stock is held in the name of your bank or brokerage firm or other nominee, you should receive separate instructions from the holder of your common stock describing how to provide voting instructions. Even if you plan to attend the Annual Meeting, we recommend that you authorize a proxy to vote your shares in advance of the Annual Meeting as described above so that your vote is counted if you later decide not to attend the Annual Meeting.

How a Proxy Works

All valid proxies received prior to the meeting will be voted in accordance with your instructions. If no contrary instructions are given, other than as discussed below with respect to broker “non-votes,” each proxy received will be voted “FOR” each of the nominees for Director and with regard to any other business that properly comes before the meeting in accordance with the judgment of the persons appointed as proxies.

How to Revoke a Proxy

Your proxy may be used only at the Annual Meeting and any postponement or adjournment of this meeting and will not be used for any other meeting. You have the power to revoke your proxy at any time before it is exercised by:

• filing written notice with our Corporate Secretary at the following address:

Stephen H. Gray, Corporate Secretary
Altisource Asset Management Corporation
36C Strand Street
Christiansted, United States Virgin Islands 00820

• submitting a properly executed proxy bearing a later date; or

• appearing at the Annual Meeting and giving the Corporate Secretary notice of your intention to vote in person.

Who May Vote

You are entitled to vote at the Annual Meeting or any postponement or adjournment thereof if you are a holder of record of our common stock at the close of business on April 12, 2017. At the close of business on April 12, 2017, there were 1,547,002 shares of common stock issued, outstanding and able to be voted (which excludes 1,193,546 treasury shares held by the Company that are not entitled to vote at the Annual Meeting). Each share of our common stock is entitled to one (1) vote at the Annual Meeting of Stockholders on all matters properly presented, other than the Company’s treasury shares. Abstentions and broker “non-votes” will be treated as present for purposes of a quorum.

Quorum and Voting Information

The presence at the Annual Meeting of a majority of the votes of our common stock entitled to be cast, represented in person or by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker “non-votes,” if any, will be treated as present for purposes of determining the presence of a quorum.

A broker “non-vote” occurs when a broker or nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker or nominee does not have discretionary voting power on that item and has not received instructions from the beneficial owner.

Edgar Filing: Altisource Asset Management Corp - Form DEF 14A

Company's named executive officers requires the affirmative vote of a majority of the votes cast on the proposal at the Annual Meeting. You may vote "FOR" or "AGAINST" or "ABSTAIN" on Proposal Two.

Neither broker "non-votes" nor votes marked "ABSTAIN" will have an effect with regard to the foregoing proposals regarding the election of Directors or "Say-on-Pay."

If the shares you own are held in "street name" by a bank or brokerage firm or other nominee, your bank, brokerage firm or other nominee, as the record holder of your shares, is required to vote your shares according to your instructions. To vote your shares, you will need to follow the directions your bank, brokerage firm or other nominee provides you. You will receive a proxy card that will tell you how to access our proxy materials and authorize a proxy to vote your shares via the Internet. It will also tell you how to request a paper or email copy of our proxy material. You should instruct your bank, brokerage firm or other nominee to vote your shares by following the voting instructions provided by your bank, brokerage firm or other nominee. Please contact your bank, brokerage firm or other nominee for further information.

The below table summarizes the voting requirements to elect Directors and to approve the "Say-on-Pay" proposal in this Proxy Statement:

Proposal	Vote Required
1. Election of Directors	Majority of shares represented at the meeting in person or by proxy and entitled to vote
2. Approval of executive compensation on an advisory basis	Majority of shares represented at meeting in person or by proxy and entitled to vote

Board Recommendation

The Board recommends that you vote as follows:

•"FOR" each of the five (5) director nominees set forth in Proposal One and

•"FOR" the approval, on an advisory basis, of the compensation of the Company's named executive officers, as disclosed in the Proxy Statement set forth in Proposal Two.

Any properly authorized proxy as to which no instructions are given will be voted in accordance with the foregoing recommendation.

ELECTION OF DIRECTORS

(Proposal One)

Our Amended and Restated Bylaws provide that our Board of Directors shall consist of no less than three (3) members with the exact number to be determined by vote of a majority of the Board of Directors.

The five (5) nominees listed below for election as Directors at the Annual Meeting have been recommended by our Nomination/Governance Committee and nominated by our Board of Directors to serve on the Board until the 2018 Annual Meeting of Stockholders and/or until their successors are duly elected and qualified. Assuming a quorum, each of the five (5) nominees for Director will be elected as Directors if they receive a majority of the votes cast in person or by proxy at the meeting.

The Nomination/Governance Committee and our Board of Directors has nominated George G. Ellison to continue to serve as our Chairman of the Board of Directors and has nominated Dale Kurland to serve as the lead independent director. The Board of Directors has also nominated each of Mr. Ellison, Mr. Byrd, Ms. Kurland, Mr. Redleaf and Governor de Jongh to continue to serve as Directors. Paul T. Bossidy, a current member of our Board of Directors, the Chair of our Audit Committee and our Lead Independent Director, has informed the Board of Directors that he does not intend to stand for re-election to the Board at the 2017 Annual Meeting of Stockholders; therefore, he was not nominated and Board has determined to reduce the size of the Board from six (6) to five (5) members effective with the 2017 Annual Meeting. There are no arrangements or understandings between any nominee and any other person for selection as a nominee.

If any nominee is unable or unwilling to stand for election at the time of the Annual Meeting, the person or persons appointed as proxies will nominate and vote for a replacement nominee or nominees recommended by our Board of Directors. At this time, our Board of Directors knows of no reason why any of the nominees would not be able or willing to serve as Director if elected.

The following table sets forth certain information concerning our five nominees for Director:

Mr. Byrd's understanding of neighborhood and borrower needs will provide us with valuable inputs regarding borrower and tenant satisfaction. His diverse experience will further enable the Company to consider other client opportunities and their related benefits.

Dale Kurland. Ms. Kurland was elected to our Board of Directors in December 2012 and, effective with her re-election to the Board, will serve as our Lead Independent Director. Ms. Kurland is the founder and President of Classic Strategies Group, LLC ("CSG"), a private company founded in 2004 that provides mergers and acquisition consulting services to mortgage banking executives. Nathaniel Redleaf. Mr. Redleaf was elected to our Board of Directors in June 2014. Mr. Redleaf is a Partner at Luxor Capital Group, LP, a New York-based hedge fund ("Luxor"), where he focuses on the homebuilding, commercial real estate, finance and gaming sectors. Prior to joining Luxor, Mr. Redleaf was a Research Analyst at Imperial Capital, a distressed debt focused investment bank. Mr. Redleaf currently serves as a member of the board of directors of William Lyons Homes Inc., Innovate Managed Holdings LLC and Eastland Tire Australia Pty. He received his B.A. degree in Political Economies of Industrial Societies from the University of California, Berkeley in 2005.

Mr. Redleaf brings valuable experience to our Board of Directors in real estate investment, finance and capital markets.

John P. de Jongh, Jr. John P. de Jongh, Jr., the former Governor of the United States Virgin Islands, was appointed to our Board of Directors in December 2016. Governor de Jongh currently is a Principal of Chilmark Investment Partners, LLC ("Chilmark"), a U.S. Virgin Islands-based advisory firm with a focus on real estate, insurance and financial services. From January 2007 to January 2015, Governor de Jongh served two terms as the Governor of the

U.S. Virgin Islands, during which he led the territory through the difficult economic periods following the financial crisis of 2008, sponsored legislation to expand access of small businesses to loan programs and export initiatives, ensured Government access to capital markets, negotiated public-private initiatives with cruise lines and rum producers and implemented revitalization projects for St. Croix, St. Thomas and St. John. From 2003 to 2006, Governor de Jongh served as a Principal of Chilmark in the same capacities as his current position. Governor de Jongh's substantial political and business experience in the U.S. Virgin Islands, as well as his financial and real estate-related experience in general, bring strong targeted knowledge to our Company and drive a diverse and local understanding to our Board of Directors for the jurisdiction in which we are located.

**OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT YOU VOTE "FOR" EACH OF THE NOMINEES FOR DIRECTOR**

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Meetings of the Board of Directors

The Board of Directors plays an active role in overseeing management and representing the interests of the stockholders. Directors are expected to attend all meetings of the Board of Directors and the meetings of committees on which they serve. Directors are also consulted for advice and counsel between formal meetings. Our current Board of Directors held five (5) meetings in 2016. Each incumbent Director attended 100% of these meetings during the period in which they served as well as the meetings held by all committees of our Board of Directors on which they served during the year. The Board of Directors also regularly held executive sessions of the independent directors. We do not have a formal policy regarding Director attendance at the Annual Meeting of Stockholders. However, all of the incumbent members of our Board of Directors attended our 2016 Annual Meeting of Stockholders.

Independence of Directors

Our Corporate Governance Guidelines provide that our Board of Directors must be comprised of a majority of Directors who qualify as independent Directors under the standards of the NYSE, which governs the NYSE MKT where our common stock is listed.

Our Board of Directors annually reviews the direct and indirect relationships that we have with each Director. The purpose of this review is to determine whether any such transactions or relationships are inconsistent with a determination that the Director is independent. Only those Directors who are determined by our Board of Directors to have no material relationship with AAMC are considered independent. This determination is based in part on the analysis of questionnaire responses that follow the independence standards and qualifications established by NYSE rules and law. Our current Board of Directors has determined that Messrs. Byrd, de Jongh and Redleaf and Ms. Kurland are independent Directors.

Board Leadership Structure

Our Board of Directors' leadership structure consists of a Chairman who is also our Chief Executive Officer, a Lead Independent Director, who is elected by the independent directors, and three Committee Chairs, each of whom are independent directors (and one of whom, the Chair of our Audit Committee, is also our Lead Independent Director). We discuss succession planning with respect to our Chairman, our Chief Executive Officer, and other business heads at least annually.

Our Board has combined the positions of Chairman and Chief Executive Officer since Mr. Ellison was appointed as Chairman of the Board in June 2015. Our Board believes that we are well served by Mr. Ellison's service as both Chairman of the Board and Chief Executive Officer since he is dealing with, and is heavily involved in, the day-to-day operations of the Company and its clients, thereby being best positioned to provide insights and strategic information to the Board for consideration. Due to Mr. Ellison's combined position as Chairman and Chief Executive Officer, we also have appointed a Lead Independent Director. All of our other directors are independent, and all of our Board committees and their chairpersons are independent. Our Board believes that the strong leadership structure provides the Board with an important balance and knowledge base, for several reasons. First, a combined Chairman and Chief Executive Officer position allows us to speak with one voice to our stockholders, counterparties and external constituencies. Second, we operate in the investment industry, which is impacted heavily by real estate risk, investment risk, market risk, credit risk, liquidity risk, legal, compliance and regulatory risk and reputation risk. We believe that these risks are best managed on a daily basis by Mr. Ellison in his dual role as Chairman and Chief Executive Officer and the senior management team who report directly to him, with oversight of the full Board, including Board Committees composed solely of outside, independent directors. Third, we have empowered a strong

Lead Independent Director provides independent oversight over Mr. Ellison and the full Board of Directors, including with respect to the calling of meetings of the Board, executive sessions of the independent members of the Board, and setting the agenda for meetings of the Board and meetings of the independent members of the Board. Our Lead Independent Director has and will also provide important leadership and insight as the Chair of our Audit Committee. We also have empowered other strong independent Directors to chair our Compensation Committee and Nomination/Governance Committee. Each of our independent Directors is authorized to call executive sessions of independent Directors to discuss any subject, and each of our independent Directors has done

7

so. Our independent Directors also frequently communicate with each other by telephone between meetings of the Board and committees of the Board.

Our Board believes that this leadership structure provides an effective balance between leadership of the Board and our Company by a strong Chairman and Chief Executive Officer and effective oversight of the Board and our Company by independent Directors.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee, a Compensation Committee and a Nomination/Governance Committee. A brief description of these committees is provided below.

Audit Committee. The Audit Committee of our Board of Directors oversees the relationship with our independent registered public accounting firm, reviews and advises our Board of Directors with respect to reports by our independent registered public accounting firm and monitors our compliance with laws and regulations applicable to our operations, including the evaluation of significant matters relating to the financial reporting process and our system of accounting, internal controls, auditing and federal securities law matters and the review of the scope and results of the annual audit conducted by the independent registered public accounting firm.

The members of the Audit Committee since March 2017 have been Mr. Bossidy, Ms. Kurland, Governor de Jongh and Mr. Redleaf. Mr. Bossidy has served as the Chair of the Audit Committee since December 2012, and Ms. Kurland was appointed as Chair of the Audit Committee effective with Mr. Bossidy's departure from the Board on May 24, 2017, and Governor de Jongh and Mr. Redleaf will continue to serve as members of the Audit Committee. Each current and proposed member of our Audit Committee is independent as defined in regulations adopted by the SEC and NYSE listing standards. Our Board of Directors has determined that all members of our Audit Committee are financially literate and possess accounting or related financial management expertise. Our Board of Directors has also determined that each of Mr. Redleaf and Governor de Jongh qualifies as an "audit committee financial expert" as that term is defined in SEC rules.

Our Audit Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Audit Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Audit Committee in March 2016 and is expected to be amended/approved in the meeting of the Audit Committee scheduled in May 2017. The Audit Committee met nine (9) times in 2016.

Compensation Committee. The Compensation Committee of our Board of Directors oversees our Board and employee compensation and employee benefit plans and practices. The Compensation Committee also evaluates and makes recommendations to our Board of Directors for human resource and compensation matters relating to our named executive officers. With respect to all officers and employees of the Company other than the Chairman/Chief Executive Officer, the Compensation Committee reviews with the Chief Executive Officer and subsequently approves all executive compensation plans, any executive severance or termination arrangements and any equity compensation plans that are not subject to stockholder approval. The Compensation Committee also has the power to review our other compensation plans, including the goals and objectives thereof and to recommend changes to these plans to our Board of Directors. The Compensation Committee has authority for the administration of awards under AAMC's 2012 Equity Incentive Plan (the "2012 Equity Plan"). The Compensation Committee has the authority to retain independent counsel or other advisers as it deems necessary in connection with its responsibilities at our expense. The Compensation Committee may request that any of our Directors, officers or employees, or other persons attend its

meetings to provide advice, counsel or pertinent information as the Committee requests.

The members of the Compensation Committee since March 2017 have been Ms. Kurland, Mr. Byrd and Mr. Redleaf, and Ms. Kurland has served as the Chair of the Compensation Committee. Upon the election of the proposed Directors, Nathaniel Redleaf will serve as the Chair of the Compensation Committee and Mr. Byrd and Ms. Kurland will continue to serve as Compensation Committee members. Each current and proposed member of the Compensation Committee is independent as defined by NYSE listing standards. While we have no specific qualification requirements for members of the Compensation Committee, our members have knowledge and

experience regarding compensation matters as developed through their respective business experience in both management and advisory roles, including general business management, executive compensation and employee benefits experience.

Our Compensation Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Compensation Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Compensation Committee in March 2016 and is expected to be amended/approved in the meeting of the Compensation Committee scheduled in May 2017. The Compensation Committee met four (4) times in 2016.

Nomination/Governance Committee. The Nomination/Governance Committee of our Board of Directors makes recommendations to our Board of Directors of individuals qualified to serve as Directors and committee members for our Board of Directors; advises our Board of Directors with respect to Board of Directors composition, procedures and committees; develops and recommends to the Board of Directors a set of corporate governance principles and oversees the evaluation of our Board of Directors and our management.

The members of the Nomination/Governance Committee since March 2017 have been Mr. Redleaf, Mr. Bossidy, Mr. Byrd and Governor de Jongh. Mr. Redleaf has served as the Chair of the Nomination/Governance Committee since March 2016. Upon the election of the proposed Directors, Mr. Byrd will become be Chair of the Nomination/Governance Committee and Mr. Redleaf and Governor de Jongh will continue to serve as Nomination/Governance Committee members. Each current and proposed member of our Nomination/Governance Committee is independent as defined in the NYSE listing standards.

Our Nomination/Governance Committee operates under a written charter approved by our Board of Directors, a copy of which is available on our website at www.altisourceamc.com and is available in print to any stockholder who requests it. On an annual basis, the Nomination/Governance Committee reviews and approves its charter. The Committee also evaluates its performance under its charter annually and delivers a report to the Board setting forth the results of its evaluation, including an assessment of the adequacy of its charter and any recommendations for amendments. The charter was last reviewed and approved by the Nomination/Governance Committee in March 2016 and is expected to be amended/approved in the meeting of the Nomination/Governance Committee scheduled in May 2017. The Nomination/Governance Committee met three (3) times in 2016.

It is the policy of our Nomination/Governance Committee to consider candidates for Director recommended by you, our stockholders. In evaluating all nominees for Director, our Nomination/Governance Committee will take into account the applicable requirements for Directors under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and NYSE listing standards. In addition, our Nomination/Governance Committee will take into account AAMC's best interests as well as such factors as knowledge, experience, skills, expertise, diversity and the interplay of the candidate's experience with the background of other members of our Board of Directors.

The Nomination/Governance Committee will consider diversity when it recommends Director nominees to the Board of Directors, viewing diversity in an expansive way to include differences in prior work experience, viewpoint, education and skill set. In particular, the Nomination/Governance Committee will consider diversity in professional experience, skills, expertise, training, broad-based business knowledge and understanding of our business environment when recommending Director nominees to the Board of Directors, with the objective of achieving a Board with diverse business and educational backgrounds. Board members should have individual backgrounds that, when combined, provide a portfolio of experience and knowledge that will serve our governance and strategic needs.

The Nomination/Governance Committee will periodically review the skills and attributes of Board members within the context of the current make-up of the full Board of Directors as the Nomination/Governance Committee deems appropriate. The Nomination/Governance Committee does not discriminate against candidates for the Board of Directors based on race, color, religion, sex, sexual orientation or national origin.

The Nomination/Governance Committee will regularly assess the appropriate size of the Board of Directors and whether any vacancies on the Board of Directors are anticipated. Various potential candidates for Director will then be identified. Candidates may come to the attention of the Nomination/Governance Committee through current members of the Board of Directors, professional search firms, stockholders or industry sources.

In connection with this evaluation, one or more members of the Nomination/Governance Committee, and others as appropriate, will interview prospective nominees. After completing this evaluation and interview, the Nomination/Governance Committee will make a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors will determine the nominees after considering the recommendation and report of the Nomination/Governance Committee. Should a stockholder recommend a candidate for Director, our Nomination/Governance Committee would evaluate such candidate in the same manner that it evaluates any other nominee. To date, no stockholder or group of stockholders owning more than 5% of our common stock has put forth any Director nominees.

If you want to recommend persons for consideration by our Nomination/Governance Committee as nominees for election to our Board of Directors, you can do so by writing to our Corporate Secretary at Altisource Asset Management Corporation, 36C Strand Street, Christiansted, United States Virgin Islands 00820. You should provide each proposed nominee's name, biographical data and qualifications. Your recommendation should also include a written statement from the proposed nominee consenting to be named as a nominee and, if nominated and elected, to serve as a Director.

Risk Management and Oversight Process

Our Board of Directors and each of its committees are involved with the oversight of the Company's risk management.

The Board of Directors and the Audit Committee monitor AAMC's credit risk, liquidity risk, regulatory risk, operational risk and enterprise risk by regular reviews with management and internal and external auditors. In its periodic meetings with internal and external auditors, the Audit Committee discusses the scope and plan for the internal audit and includes management in its review of accounting and financial controls, assessment of business risks and legal and ethical compliance programs.

In its periodic meetings with the external auditors, the Audit Committee discusses the external audit scope, the external auditors' responsibility under the Standards of the Public Company Accounting Oversight Board ("PCAOB"), accounting policies and practices and other required communications. In addition, through regular reviews with management and, at times, certain employees of AAMC, the Nomination/Governance Committee assists the Board of Directors in monitoring the Company's governance and succession risks, and the Compensation Committee assists the Board of Directors in monitoring our compensation policies and related risks.

The Board of Directors' role in risk oversight is consistent with the Company's leadership structure, with the Chief Executive Officer and other members of senior management having responsibility for assessing and managing the Company's risk exposure, and our Chairman, the Board of Directors and its committees providing oversight in connection with these efforts. Our Investment Committee, which is comprised of our Chairman and our Chief Executive Officer, has responsibility for assessing and managing the Company's risk exposure with respect to transactional and counterparty risk.

BOARD OF DIRECTORS COMPENSATION

The following table discloses compensation received by each non-management member of our Board of Directors who served as a Director during fiscal year 2016. Management members of our Board of Directors do not receive compensation for their service as a Director.

John P. de Jongh Jr. (3)	4,946	—	4,946

Each of Mr. Bossidy, Ms. Kurland and Mr. Byrd received 374 shares of common stock of AAMC on June 20, 2016 for service on the Board from June 4, 2015, the day after the 2015 Annual Meeting of Stockholders to May 26, 2016, the date of the 2016 Annual Meeting of Stockholders. The number of shares granted was based on a share (1) price of \$160.47, which is the average of the high and low sales prices of our common stock on June 4, 2015, and such shares had a grant date fair value calculated under FASB ASC 718 of \$162.66. The value of the shares set forth in the table above is based on the average of the high and low sale prices of our common stock on the date of issuance, June 20, 2016, of \$18.45 per share.

(2) Pursuant to Luxor's policies and procedures, Mr. Redleaf is not entitled to receive any compensation for his membership on our Board of Directors or committees thereof.

Gov. de Jongh joined the Board on December 6, 2016 and received \$4,946 in cash compensation for the period commencing as of such date to December 31, 2016. Gov. de Jongh received an award of 919 shares of restricted (3) stock with a grant date fair value of \$30.58, which was the average of the high and low sales prices of our common stock on December 6, 2016, for his service to the Board for the period commencing December 6, 2016 to the date of the Annual Meeting.

As set forth above, we provide the following cash compensation to our non-management Directors in quarterly installments, paid in arrears for their services for the prior quarter:

- an annual retainer of \$70,000;
- an additional \$20,000 to the lead independent Director of the Board of Directors, only if the Chairman of the Board is a management Director (if the Chairman of the Board is a non-management director, the Chairman shall receive \$50,000);

- an additional \$10,000 to all committee chairpersons (other than the Audit Committee chairperson); and
- an additional \$5,000 to all Audit Committee members.

Equity Compensation

As part of Director compensation, commencing with the 2016-2017 service year our non-management Directors also received annually shares of common stock of AAMC with a fair market value of \$60,000 pursuant to the 2012 Equity Incentive Plan. "Fair Market Value" is defined as the average of the high and low prices of our common stock as reported on the applicable securities exchange on which AAMC is listed or quoted on the first day of the service year.

Equity compensation is paid for the prior year of service after each annual organizational meeting of the Board of Directors, which typically follows the Annual Meeting of Stockholders. Shares of our common stock will be awarded if the Director attends an aggregate of at least 75% of all meetings of the Board of Directors and committees thereof of which the Director is a member during the service year.

For Directors serving less than a full year, such Directors receive a pro rata portion of \$60,000 of shares of our common stock based on the high and low sales prices on the first day of his or her service year, multiplied by a fraction, the numerator of which is the number of days served and the denominator of which is 365 days.

As noted in the Director Compensation Table above, on June 4, 2015 we granted 374 restricted shares to each of Mr. Bossidy, Mr. Byrd and Ms. Kurland, based on the average of the high and low prices of AAMC Common Stock on

June 4, 2015 of \$160.47 per share, which vested, subject to each Directors attending at least 75% of the Board and Committee meetings during the 2016-2017 service year. The 374 shares vested and were issued to Mr. Bossidy, Mr. Byrd and Ms. Kurland on June 20, 2016.

Other Compensation

Directors are reimbursed for reasonable travel and other expenses incurred in connection with attending meetings of the Board of Directors and its committees.

Any Director compensation may be prorated for a Director serving less than a full one (1) year term as in the case of a Director joining the Board of Directors after an Annual Meeting of Stockholders but during the service year.

COMPENSATION DISCUSSION AND ANALYSIS

Introduction, Philosophy and Objectives

We believe an effective executive compensation program aligns executives' interests with stockholders by rewarding performance that achieves or exceeds specific financial targets and strategic goals designed to increase stockholder value. We seek to promote individual service longevity and to provide our executives with long-term incentive opportunities that promote consistent, high-level financial performance. The Compensation Committee evaluates both performance and compensation annually to ensure that we maintain our ability to attract and retain superior employees in key positions and that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of peer companies. To achieve these objectives, we generally believe executive compensation packages should include both cash and equity-based compensation that rewards performance as measured against established goals.

This compensation discussion and analysis provides information regarding the following:

- compensation programs for our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and General Counsel and Secretary;
- overall objectives of our compensation program and what it is designed to reward;
- each element of compensation that we provide and
- the reasons for the compensation decisions we have made regarding these individuals.

Our named executive officers for 2016 were:

Name	Position
George G. Ellison	Chief Executive Officer
Robin N. Lowe	Chief Financial Officer
Stephen H. Gray	General Counsel and Secretary
Kenneth D. Najour (1)	Former Chief Accounting Officer

- (1) Mr. Najour, who was our Chief Accounting Officer from October 2014 through April 2016, stepped down as Chief Accounting Officer in May 2016 and terminated his employment with the Company on August 5, 2016.

Role of Executive Officers in Compensation Decisions

The Chief Executive Officer is involved in the design and implementation of our executive compensation and is typically present at Compensation Committee meetings, except that the Chief Executive Officer is not present during any voting or deliberations on his compensation. The Chief Executive Officer annually will review the performance of each executive officer (other than himself, whose performance is reviewed by the Compensation Committee) and present his conclusions and recommendations regarding incentive award amounts to the Compensation Committee for its consideration and approval. The Committee can exercise its discretion in accepting, rejecting and/or modifying any such executive compensation recommendations; however, executive compensation matters are generally delegated to the Chief Executive Officer (other than with respect to himself) for development and execution. In connection with our 2016 year-end bonuses, Mr. Ellison was involved with, and recommended compensation for, our named executive officers other than him.

Compensation Consultant

To further the objectives of our compensation program, our Compensation Committee may conduct an analysis of the compensation levels of certain of our named executive officers in conjunction with an independent compensation

consultant. For year-end 2016 incentive compensation, our Compensation Committee retained and obtained advice from F.W. Cook & Co. ("F.W. Cook") as an independent compensation consultant to consider and recommend year-end cash bonus compensation for our named executive officers. Using benchmarking against peer companies of RESI and analysis of the peer compensation of internally-managed and externally managed with whom RESI competes and from whom AAMC would retain and/or potentially lose talent, the Compensation Committee were advised by F.W. Cook and considered information about such peer companies to determine the year-end cash bonus

compensation of our named executive officers. The peer/industry companies considered by F.W. Cook in providing its advice to the Compensation Committee included American Assets Trust, American Homes 4 Rent, American Residential Properties, Colony Starwood Homes, Dynex Capital, EdR, Hannon Armstrong, Investors Real Estate Trust, Invitation Homes, iStar, Ladder Capital, Monogram Residential, Post Properties, RAIT Financial Trust, Redwood Trust, Silver Bay Realty Trust, STORE Capital, Sun Communities and Washington REIT.

At the request of the Compensation Committee, F.W. Cook also reviewed and compared our current senior executive relocation packages and related benefits to the benefits provided to senior executives of other off-shore companies. The goal of such advice was to provide assurances that the relocation benefits we offer to ensure are aligned with industry practices, particularly given the challenges the Company can have in recruiting talent in the U.S. Virgin Islands and the Cayman Islands. See “Employee Relocation Program” below for more information.

If the Compensation Committee hires a compensation consultant, including F.W. Cook, for future periods, the consultant would be expected to provide research and present information to the Compensation Committee related to compensation trends and “best practices” in executive compensation among peer group companies in a similar line of business and of similar size to AAMC, or its primary client RESI, or any of AAMC’s other potential advisory clients. Executive compensation data and other resources provided by the compensation consultant would be expected to set the foundation for the Compensation Committee’s review and analysis of executive compensation levels.

Employment Agreements

We currently do not have employment agreements with any of our named executive officers. However, our employment arrangements provided for a base salary and target incentive compensation based on the satisfaction of relevant performance criteria. In addition, the executives may receive benefits such as participation in our health care plan and opportunity to participate in a contributory retirement plan. AAMC reimburses each executive for reasonable costs properly incurred by such executive in the course of his or her employment with us including, without limitation, reimbursement of relocation expenses, if relocation is required, and the provision of certain allowances as described in the Executive Compensation section below.

In addition, in the event that the executive’s employment is terminated by us without “cause” the executive may receive severance benefits of up to six months’ base salary. “Cause” generally is defined as either (i) any willful or grossly negligent conduct (including but not limited to fraud or embezzlement) committed by the executive in connection with his/her employment which conduct in the reasonable determination of the Board of Directors has had or will have a material detrimental effect on our business or (ii) the executive’s conviction of, or entering into a plea of nolo contendere to, a felony involving fraud or embezzlement or such other crime which may bring disrepute upon us, whether or not committed in the course of his or her employment. In these instances, we would also pay standard relocation costs to relocate the executive to their previous domicile prior to being relocated to the U.S. Virgin Islands or the Cayman Islands, as applicable.

Each of our executives has executed an Employee Intellectual Property and Confidentiality Agreement that contains covenants to maintain our confidential information and that all developments by such executive shall be our property.

Elements of Compensation

The current compensation package for our named executive officers consists of base salary and annual incentive compensation. This compensation structure was developed in order to provide each named executive officer with a competitive salary while emphasizing an incentive compensation element that is tied to the achievement of corporate goals and strategic initiatives as well as individual performance. We believe that the following elements of compensation are appropriate in light of our strategic initiatives, industry, current challenges and environment.

Base Salary. Base salaries for our named executive officers are established based on individual qualifications and job responsibilities while taking into account compensation levels at similarly situated companies for similar positions.

Base salaries of the named executive officers are expected to be reviewed annually during the performance appraisal process with adjustments made based on market information, internal review of the executive officer's compensation in relation to other officers, the individual performance of the executive officer and our corporate performance. Salary levels are also considered upon a promotion or other change in job responsibility. Salary adjustment recommendations will be based on our overall performance and an analysis of compensation levels necessary to maintain and attract quality personnel. The Compensation Committee will set the base salary for the Chief Executive Officer and approve the base salaries for all other named executive officers.

Annual Incentive Compensation. Pursuant to our annual incentive philosophy, our executives can earn cash awards as determined by the Compensation Committee. Our philosophy provides the Compensation Committee and our management with the authority to establish incentive award guidelines which are further discussed below.

Each named executive officer has a targeted annual cash incentive award that is expressed as a percentage of his or her annual cash total target compensation. In 2016, 42-62% of total annual cash target compensation was payable only upon achievement of certain minimum Company and individual performance levels. The appropriate targeted percentage varies based upon the nature and scope of each named executive officer's responsibilities. The table below reflects the percentage of each named executive officer's target total annual cash compensation that was allocated to each of base salary and incentive compensation in 2016 and each named executive officer's actual total annual cash compensation that was allocated to each of base salary and incentive compensation in 2016:

Name	Base Salary % of Target Total Annual Cash Compensation in 2016	Incentive Compensation % of Target Total Annual Cash Compensation in 2016	Base Salary % of Actual Total Annual Cash Compensation in 2016	Incentive Compensation % of Actual Total Annual Cash Compensation in 2016
George G. Ellison	50%	50%	50%	50%
Robin N. Lowe	50%	50%	53%	47%
Stephen H. Gray	58%	42%	62%	38%
Kenneth D. Najour (1)	38%	62%	100%	0%

(1) Mr. Najour departed AAMC prior to the end of 2016. Therefore, Mr. Najour did not receive any cash year-end bonus compensation.

Our annual incentive-based cash compensation is structured to motivate executives to achieve pre-established key performance indicators by rewarding the executives for such achievement. This is accomplished by utilizing a balanced scorecard methodology which incorporates multiple financial and non-financial performance indicators developed through our annual strategic planning process to enhance Company performance, the performance of the Company's primary client, RESI, and AAMC and RESI long-term stockholder value. This corporate scorecard is approved annually by the Compensation Committee and/or the full Board of Directors and is utilized by the Compensation Committee as a factor to determine the appropriate amount of incentive compensation to be paid to the Chief Executive Officer and other executive officers. During development of the corporate scorecard each year, the Compensation Committee considers the level of difficulty associated with attainment of each goal in the scorecard. The intent of the Compensation Committee is to establish the target goal at a level that is challenging to achieve. For 2016, our corporate scorecard was approved by our Board of Directors in its March 2016 meeting and subsequently amended throughout the year in additional Board of Directors meetings.

Our corporate scorecard for 2016, as amended, and corresponding achievement levels are detailed below:

The incentive award for our Chief Executive Officer and each of our other named executive officers is structured so that compensation opportunities are related to (i) our performance versus the objectives established in the corporate scorecard as described above, (ii) target base and incentive compensation of the peer and industry companies as advised to us by F.W. Cook and (iii) an individual performance appraisal.

The components in each scorecard are weighted based on relevance to our ultimate performance and the achievement of our corporate strategy as well as the strategic development of our primary client, RESI. Within each component of the scorecard, there are generally three (3) established levels of achievement: threshold, target and outstanding.

The goals and initiatives are further cascaded down through the organization to all of our incentive eligible employees tied to performance against goals that are directly linked to the achievement of our corporate strategic initiatives and the corporate strategic initiatives of RESI. The scorecards are communicated to all incentive eligible employees by the employee's immediate supervisor, which in the case of our named executive officers other than our Chief Executive Officer is Mr. Ellison. The evaluation of Mr. Ellison's performance is evaluated and communicated to him by the Compensation Committee. This incentive compensation structure is intended to align the goals of our incentive eligible employees with the overall success of AAMC and its client, RESI, while establishing clear performance standards within their respective business or support units.

The 2016 personal scorecards for Mr. Ellison and each of Messrs. Lowe, Gray and Najour were based on the corporate scorecard goals set forth in the table above as well as an evaluation of their individual performance and leadership as a whole. Each of the goals were weighed and applied by the Compensation Committee for each named executive officer in determining his performance against the goals on an overall basis, taking into consideration their individual performance and the industry compensation levels of the Company's peers.

As our Chief Executive Officer, Mr. Ellison utilizes the assessments of each executive officer's performance, as well as his own observations, to prepare a written performance appraisal for each of these named executive officers. These performance appraisals rate performance based on objective criteria related to two key factors: (i) the executive's ability to improve and develop their organization throughout the year and (ii) the executive's strategic contributions to the direction of the Company, as well as the Company's primary client, RESI. The Chief Executive Officer's scorecard performance and personal performance appraisal are determined by the Compensation Committee, taking into consideration whether our performance and corresponding incentive results present a fair representation of the Chief Executive Officer's performance.

For our executives other than Mr. Ellison, Mr. Ellison presents performance appraisal scores to the Compensation Committee and makes recommendations as to the incentive compensation for each such executive officer. The Compensation Committee evaluates the recommendations in light of overall performance and the executive's business unit or support unit's performance and makes the final compensation award determinations for each named executive officer. Annual incentive compensation is paid to our executives and other incentive eligible employees following this determination. For 2016, the non-equity incentive compensation was awarded in March 2017. Please see the Summary Compensation Table under "Executive Compensation" for the actual amounts awarded for 2016 performance.

Following these procedures and the ratings of achievement against their 2016 scorecards, the Compensation Committee determined to award the following cash incentive compensation awards to our named executive officers: Mr. Ellison received 100% of his aggregate target cash bonus opportunity, Mr. Lowe received 89% of his aggregate target cash bonus opportunity and Mr. Gray received 84% of his aggregate bonus opportunity. Mr. Najour did not receive any cash incentive compensation due to his departure from AAMC in August 2016.

In determining the bonuses for our named executive officers, the Compensation Committee considered the valuable and substantial contributions they had made to our Company in 2016, the importance to us of retaining and incentivizing them, and the analysis prepared by F.W. Cook comparing our compensation structure to those of companies in the industry in which we and RESI compete. The Compensation Committee also considered that, although the substantial accomplishments made by such officers were not reflected in AAMC's GAAP financial performance, such accomplishments were key in setting up AAMC for future success under the Asset Management Agreement with RESI and were very much reflected in the significant increase in AAMC's stock price by 212% throughout the year. All of these incentive bonus amounts were paid to our named executive officers in March 2017.

2017 Annual Incentive Compensation. Generally, in the March meetings of the Board of Directors and Board Committees of each fiscal year, the Compensation Committee approves the corporate scorecard and annual incentive components for the Chief Executive Officer and other named executive officers for the upcoming year. The Compensation Committee determined that the following strategic initiatives were important and would be considered in determining the 2017 cash incentive compensation for our named executive officers:

- ▲AAMC's financial performance;
- ▲AAMC's diversification of business and increased revenue stream;
- ▲RESI's financial performance;
- ▲achieving targeted growth of RESI's rental portfolio;

- capital markets and purchase transactions for RESI;
- maintaining or increasing financing capability and liquidity for RESI; and
- maintaining REIT compliance for RESI, and corporate governance and regulatory compliance for AAMC.

Equity Incentive Plan

In December 2012, our prior Board of Directors and AAMC's sole stockholder approved and implemented the 2012 Equity Incentive Plan. The purpose of the 2012 Equity Incentive Plan is to provide additional incentives to key employees, Directors and other key individuals to make extraordinary contributions to the Company, to assist with the retention of key employees, Directors and other key individuals and to align their interests with the interests of our stockholders. The 2012 Equity Incentive Plan is administered by the Compensation Committee, who authorizes the award of restricted stock, options, stock appreciation rights, stock purchase rights or other equity-based awards to our employees. Options awarded under the 2012 Equity Incentive Plan, if any, may be either "incentive stock options" as defined in Section 422 of the United States Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified stock options, as determined by the Compensation Committee. Currently, other than restricted stock awards with vesting terms, the Compensation Committee does not expect to grant any options, stock appreciation rights, stock purchase rights or other equity based awards under the 2012 Equity Incentive Plan.

Each restricted stock award granted under the 2012 Equity Incentive Plan is, and will be, evidenced by a written award agreement between the participant and us, which describes the award and states the terms and conditions to which the award is subject. If any shares subject to award are forfeited or if any award terminates, expires or lapses without being exercised, shares of common stock subject to such award will again be available for future award.

Our restricted shares of common stock vest subject to the achievement of stock performance hurdles AAMC, generally related to the performance of AAMC stock price since the date of grant.

If an award recipient's service with AAMC or any of its affiliates is terminated prior to full vesting of the restricted stock, then the award recipient will forfeit all unvested restricted stock to AAMC, except that if (i) an award recipient's service is terminated either by us (or an affiliate) without cause or due to death or disability and (ii) a performance hurdle has already been achieved or is achieved within ninety days of termination, unvested stock for the corresponding tranche will continue to vest; provided that the recipient was employed by AAMC or its affiliates for at least two years prior to termination.

On March 7, 2017, the Compensation Committee awarded Mr. Ellison an aggregate of 16,164 shares of AAMC restricted stock, which shall vest in three equal annual installments on each of March 7, 2018, 2019 and 2020 with a grant date value of \$1,270,167, based on the average of the high and low sales prices on March 7, 2017 of \$78.58 per share. The award of these shares is not included in the "Summary Compensation Table" because the grants were made following the end of the 2016 fiscal year. None of our other named executive officers received any additional awards of restricted stock.

Any future awards of restricted stock by us may be subject to vesting requirements determined from time to time by the Compensation Committee, which may be different from or similar to the vesting requirements set forth above.

Relocation Program and USVI Preferred Stock Plan

Our principal offices are based in St. Croix, in the U.S. Virgin Islands, and we also have an office in the Cayman Islands. Generally, the employees, including executives, we seek to hire have previously not been based in St. Croix or the Cayman Islands. Rather, the talent we have recruited has generally been located in major metropolitan centers in the United States. In addition, St. Croix is generally more economically depressed and both the Cayman Islands and St. Croix have a higher cost of living compared to most of the major metropolitan areas of the United States where we believe important talent is located and a number of our peer companies are based.

Employee Relocation Program. In order to enable us to recruit top talent and incentivize key personnel to relocate, we offer a relocation package to individuals who are relocating to the U.S. Virgin Islands or the Cayman Islands to work (the “Employee Relocation Program”). The Employee Relocation Program includes relocation benefits such as moving expenses, home sale support, a housing allowance, payment of applicable children’s school tuition fees and payment of “home leave” travel for return trips to the continental United States, in each case subject to certain limits and exceptions. Upon a participant’s departure after at least one year of service or termination without cause, such participant is eligible to receive reimbursement for relocation costs back to the continental United States. We believe that our Employee Relocation Program is necessary to attract and retain talent that is critical to our success. For 2016, each of Messrs. Ellison, Lowe and Gray received benefits under the Employee

Relocation Program as set forth in the “Summary Compensation Table” below and accompanying footnotes. In reviewing our relocation program against other off-shore companies, F.W. Cook advised that our packages, although given to more executives than the comparable off shore entities, were generally lower in amount than the comparable off-shore companies and, therefore were within approximately 5% of the median benefits provided at such comparable off-shore companies.

Preferred Stock Plan. Following stockholder approval at the 2016 Annual Meeting of Stockholders, we implemented AAMC’s 2016 Employee Preferred Stock Plan (the “Preferred Stock Plan”). The Preferred Stock Plan authorizes the grant of restricted non-voting Preferred Stock to AAMC’s U.S. Virgin Islands employees. The Preferred Stock Plan was created to induce certain employees to relocate and work in the U.S. Virgin Islands, remain in the employ of AAMC and provide additional incentive to promote the success of AAMC. On January 5, 2017, our Board of Directors authorized the acquisition of 100 shares of Series B Preferred Stock by Mr. Ellison and 100 shares of Series C Preferred Stock by Mr. Gray. In March 2017, AAMC declared and paid dividends on the Preferred Stock held by Messrs. Ellison and Gray, as well as other U.S. Virgin Islands employees of AAMC, based upon the performance of AAMC. Details regarding the dividends paid to Mr. Ellison and Mr. Gray are set forth in the footnotes to their “Other Compensation” column of the “Summary Compensation Table” below. Because Mr. Lowe was not located in the U.S. Virgin Islands, he did not participate in the Preferred Stock Plan.

Stock Ownership Policies

Although we do not have stock ownership requirements, our philosophy is that equity ownership by our Directors and executives is important to attract, motivate, retain and to align their interests with the interests of our stockholders.

The Compensation Committee believes that our various equity incentive plans are adequate to achieve this philosophy. We also maintain an insider trading policy detailing our trading window period for Directors, executive officers and other employees.

Other Compensation

The Compensation Committee’s policy with respect to other employee benefit plans is to provide benefits to our employees, including executive officers, which are comparable to benefits offered by companies of a similar size to ours. A competitive comprehensive benefit program is essential to achieving the goal of attracting and retaining highly qualified employees.

Potential Payments upon Termination or Change in Control

Below is a description of the amounts payable to each currently employed named executive officer, assuming the executive’s employment had terminated under various scenarios as of December 31, 2016 (the last business day of fiscal year 2016). Due to the number of factors that affect the nature and amount of any benefits under the various scenarios, actual amounts paid or distributed may be different.

Under our employment arrangements with each of Messrs. Ellison, Lowe and Gray, in the event that his employment is terminated by us without “cause,” he may receive severance benefits of up to six months’ base salary. In these instances, we would also pay standard relocation costs to relocate the executive to his previous domicile prior to being relocated to the U.S. Virgin Islands or the Cayman Islands, as applicable. If any of our executives’ employment is terminated for cause, his employment may be terminated without notice and with no liability to make any further payment to him, other than amounts accrued and unpaid as of the date of his termination.

In order to obtain the benefits provided under each executive’s termination provisions, the executive would first be required to execute a release of claims with us that will include a waiver and release of any and all claims he may have

against us. As of December 31, 2016, the separation payment each executive would have received upon termination, other than for cause, based on a six-month separation payment, would have been \$225,000 for Mr. Ellison, \$225,000 for Mr. Lowe and \$175,000 for Mr. Gray, as well as six months of medical insurance benefits for continued medical insurance benefits with a value of approximately \$11,008 for Mr. Ellison, \$8,652 for Mr. Lowe and \$12,771 for Mr. Gray.

The Compensation Committee may in its discretion revise, amend or add to the benefits of each executive officer.

None of our executive officers currently has an arrangement in which they would be entitled to a payment on a change of control, other than payments for termination described above to the extent the surviving party in a change of control transaction assumes the employment arrangements described above.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

“SAY-ON-PAY”

(Proposal Two)

As required by Section 14A of the Exchange Act and in accordance with the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), we are providing our stockholders with the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of our named executive officers as disclosed in accordance with SEC rules in this Proxy Statement. This proposal is commonly known as a “say-on-pay” proposal. The compensation of our named executive officers as disclosed in this Proxy Statement includes the disclosure under “Compensation Discussion and Analysis,” and other narrative and tabular executive compensation disclosure in this Proxy Statement, as required by SEC rules.

Please read the “Compensation Discussion and Analysis” for additional details about our executive compensation programs, including information about the fiscal year 2016 compensation of our named executive officers.

Accordingly, the following advisory and non-binding resolution will be presented to our stockholders at the 2017 Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s Proxy Statement for the 2017 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosures, and any related material disclosed in this Proxy Statement.”

Although this approval is advisory and non-binding, our Board of Directors and the Compensation Committee value the opinions of our stockholders and will consider the voting results when making future decisions regarding compensation of our named executive officers.

Our current policy is to provide stockholders with an opportunity to approve, on an advisory basis, the compensation of the named executive officers every three years at the annual meeting of stockholders. It is expected that the next such vote will occur at the 2020 annual meeting of stockholders. We also expect to have a stockholder vote on the frequency of “say on pay” voting at the 2020 annual meeting of stockholders.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

We have not included a proposal for our stockholders to ratify our appointment of the independent registered public accounting firm for the year ending December 31, 2017. Deloitte & Touche LLP is currently serving as our independent registered public accounting firm. Our Audit Committee routinely reviews our independent auditors. We have initiated an RFP process with several independent registered public accounting firms, including Deloitte & Touche LLP, to be our independent auditors for the year ending December 31, 2017. It is possible that, following this RFP process, which is expected to be completed during the second quarter of 2017, we may retain Deloitte & Touche LLP as our independent registered public accounting firm, or we may retain a new independent registered public accounting firm for the year ending December 31, 2017. In either event, we expect to again include a proposal in the proxy statement for our 2018 Annual Meeting of Stockholders and in future periods.

Despite our not including a proposal for the ratification of our appointment of our registered independent public accounting firm, we are providing the following information with respect to (a) Deloitte & Touche LLP, (b) our public financial statement disclosures and (c) the process of our Audit Committee throughout 2016 with our auditors.

Report of the Audit Committee

The Audit Committee (the “Audit Committee”) of the Board of Directors (the “Board of Directors”) has:

Reviewed and discussed with management AAMC’s audited financial statements as of and for the year ended December 31, 2016;

Discussed with Deloitte & Touche LLP, AAMC’s independent registered public accounting firm, the matters required to be discussed under Public Company Accounting Oversight Board (“PCAOB”) standards; and

Received and reviewed the written disclosures and the letter required by the applicable requirements of the PCAOB regarding the independent registered public accounting firm’s communications with the Audit Committee concerning independence, and discussed with Deloitte & Touche LLP their independence.

In reliance on the review and discussion referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in AAMC’s Annual Report on Form 10-K for the year ended December 31, 2016.

Audit Committee:

Deloitte & Touche LLP Fees

The following table shows the aggregate fees billed to AAMC for professional services by Deloitte & Touche LLP with respect to our fiscal year ended December 31, 2016 and 2015:

Category	2016	2015
Audit Fees	\$382,500	\$369,436
Audit-Related Fees	—	25,100
Tax Fees	5,616	23,700
All Other Fees	—	—
Total	\$388,116	\$418,236

Audit Fees. This category includes the aggregate fees and expenses billed for professional services rendered for the audits of AAMC's consolidated financial statements for the fiscal year ended December 31, 2016 and 2015, for reviews of the financial statements included in AAMC's quarterly reports on Form 10-Q during fiscal year 2016 and 2015 and for services that are normally provided by the independent registered public accounting firm and affiliates in connection with statutory and regulatory filings or engagements for the relevant fiscal year.

Audit-Related Fees. This category includes the aggregate fees billed for audit-related services by the independent registered public accounting firm that are reasonably related to the performance of the audits or reviews of the financial statements and are not reported above under "Audit Fees." The Audit-Related Fees in 2015 consist of fees for additional services related to the Company's Exchange Act filings.

Tax Fees. This category would include the aggregate fees billed for professional services rendered by the independent registered public accounting firm for tax compliance and tax planning.

All Other Fees. This category would include the aggregate fees billed for products and services provided by the independent registered public accounting firm that are not reported above under "Audit Fees," "Audit-Related Fees" or "Tax Fees." We did not incur any such other fees for the years ended December 31, 2016 or December 31, 2015.

The Audit Committee considered the fees paid to Deloitte & Touche LLP for the fiscal year ended December 31, 2016 and determined that the services and fees are compatible with the independence of Deloitte & Touche LLP.

Audit Committee Pre-Approval Policy

The Audit Committee is required to pre-approve the audit and (unless the de minimus exception of applicable law permits) non-audit services performed by the independent registered public accounting firm in order to assure that the provision of such services does not impair the independent registered public accounting firm's independence. Unless a type of service to be provided by the independent registered certified public accounting firm has received general pre-approval, it will require specific pre-approval by the Audit Committee. For the fiscal year ended December 31, 2016, all fees associated with the independent registered public accounting firm's services were pre-approved by the Audit Committee.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

BUSINESS RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

The Board of Directors has adopted policies and procedures for the review, approval and monitoring of transactions involving AAMC and related persons (Directors, nominees for election as Director and named executive officers or their immediate family members or stockholders owning 5% or greater of the Company's outstanding stock or their immediate family members) within our written Code of Business Conduct and Ethics, which is available at www.altisourceamc.com. The policies and procedures are not limited to related person transactions that meet the threshold for disclosure under the relevant SEC rules as the policies and procedures broadly cover any situation in which a conflict of interest may arise.

Any situation that potentially involves a conflict of interest is to be immediately disclosed to the Company's General Counsel who, in consultation with management and the Audit Committee chair and with outside counsel, as appropriate, must assess the nature and extent of any concern and then recommend any follow up action, as needed. The General Counsel will notify the Chair of the Audit Committee if any such situation requires notice to or approval of the Audit Committee of the Board of Directors.

Related persons are required to obtain the approval of the Audit Committee of the Board of Directors for any transaction or situation that may pose a conflict of interest. In considering a transaction, the Audit Committee will consider all relevant factors including, but not limited to, (i) whether the transaction is in the best interests of AAMC; (ii) alternatives to the related person transaction; (iii) whether the transaction is on terms comparable to those available to third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflicts; and (v) the overall fairness of the transaction to AAMC.

Relationship with RESI

Asset Management Agreement with RESI

On March 31, 2015, we entered into an asset management agreement (the "AMA") with RESI and its subsidiary, Altisource Residential, L.P. The AMA, which became effective on April 1, 2015, provides for a management fee structure as follows:

- **Base Management Fee.** We are entitled to a quarterly Base Management Fee equal to 1.5% of the product of (i) RESI's average invested capital (as defined in the Current AMA) for the quarter multiplied by (ii) 0.25, while RESI has fewer than 2,500 SFR properties actually rented ("Rental Properties"). The Base Management Fee percentage increases to 1.75% of invested capital while RESI has between 2,500 and 4,499 Rental Properties and increases to 2.0% of invested capital while RESI has 4,500 or more Rental Properties;

Incentive Management Fee. We are entitled to a quarterly Incentive Management Fee equal to 20% of the amount by which RESI's return on invested capital (based on AFFO defined as RESI's net income attributable to holders of common stock calculated in accordance with GAAP plus real estate depreciation expense minus recurring capital expenditures on all of RESI's real estate assets owned) exceeds an annual hurdle return rate of between 7.0% and 8.25% (depending on the 10-year treasury rate). The Incentive Management Fee increases to 22.5% while RESI has between 2,500 and 4,499 Rental Properties and increases to 25% while RESI has 4,500 or more Rental Properties; and

Conversion Fee. We are entitled to a quarterly conversion fee equal to 1.5% of the market value of assets converted into leased single-family homes by RESI for the first time during the quarter.

To the extent RESI has an aggregate shortfall in its return rate over the previous seven quarters, that aggregate return rate shortfall gets added to the normal quarterly 1.75% return hurdle for the next quarter before we are entitled to an Incentive Management Fee.

RESI has the flexibility to pay up to 25% of the Incentive Management Fee to us in shares of its common stock. Under the AMA, RESI will not be required to reimburse us for the allocable compensation and routine overhead expenses of our employees and staff, all of which will now be covered by the Base Management Fee described above. Only the compensation and benefits of the general counsel dedicated to RESI and certain other out-of-pocket expenses incurred on RESI's behalf are reimbursed by RESI.

RESI has the flexibility to pay up to 25% of the incentive management fee to AAMC in shares of its common stock.

Under the AMA, we continue to be the exclusive asset manager for RESI for an initial term of 15 years from April 1, 2015, with two potential five-year extensions, subject to RESI achieving an average annual return on invested capital of at least 7% under our management.

Neither party is entitled to terminate the AMA prior to the end of the initial term, or each renewal term, other than termination by (a) RESI and/or AAMC "for cause" for certain events such as a material breach of the AMA and failure to cure such breach, (b) RESI for certain "good reason events" such as its failure to achieve a return on invested capital of at least 7% for two consecutive fiscal years after the third anniversary of the AMA, and (c) RESI in connection with certain change of control events.

No Incentive Management Fee under the Current AMA was payable to us during 2016 because our return on invested capital (as defined in the Current AMA) for the seven quarters covered by the Current AMA was below the required hurdle rate.

Expense reimbursement

Under the AMA, RESI is required to reimburse us on a monthly basis for (i) direct and indirect expenses we incur or payments we make on RESI's behalf, excluding, the compensation and routine overhead expenses of all our employees and staff (other than RESI's dedicated general counsel, 100% of whose base salary, bonus and benefits RESI reimbursed to AAMC).

Aggregate Management Fees and Expense Reimbursements Paid to AAMC by RESI in 2016

In 2016, the aggregate fees paid to AAMC under the AAMC by RESI were \$19,174,892 in Management Fees and \$816,207 in Expense Reimbursements.

Equity Plans

Options Granted in Separation from ASPS

In connection with our separation from ASPS in December 2012, we adopted the 2012 Equity Plan and the 2012 Special Equity Incentive Plan. In the separation transaction, we issued options to purchase 242,771 shares of our common stock with a weighted average exercise price of \$1.52 per share at December 31, 2012 under the 2012 Equity Plan to ASPS employees holding ASPS stock options immediately prior to the separation, representing the same exchange ratio as the separation transaction of one share for every ten shares represented by the ASPS options. We also issued options to purchase 63,053 shares of our common stock with a weighted average exercise price of \$0.75 per share at December 31, 2012 under the Special Option Plan to non-employee holders of ASPS stock options using the same exchange ratio. These options expire on the same dates as they expired under the ASPS plans. Because the options were granted as part of the separation to holders of ASPS stock options, no share-based compensation related to these options is included in our consolidated financial statements appearing in our Annual Report on Form 10-K. None of these options have ever been held by, or were exercised by, any of our named executive officers. No

additional shares of common stock are issuable under the 2012 Equity Plan other than shares of restricted stock issuable to our Directors and employees. No additional shares of common stock are issuable under the 2012 Special Equity Incentive Plan.
