(1) The performance shares were earned as of December 31, 2018 for the 2016-2018 performance period, and settled on March 4, 2019.

Represents shares withheld by PNM Resources, Inc. to satisfy the tax withholding obligations arising in connection with the settlement of the performance share award described in (1) above. The company utilizes a modified "share withholding" approach in connection with settling awards of performance shares, in which it (i) withholds (in cash) an amount to satisfy tax withholding obligations and remits such amount to the relevant tax authorities, and (ii) directs a designated broker to purchase on the open market the number of shares of the company's common stock that can be acquired with the after-tax value of the performance share award at the prevailing market price. Only these "net shares" are delivered to the recipient of the performance share award.

(3) Each restricted stock right represents a contingent right to receive one share of PNM Resources, Inc. common stock.

The restricted stock units vest in three equal annual installments beginning one year from March 7, 2019. Vested shares will be delivered (4) to the reporting person on the applicable vesting dates (or, if the company is in a blackout period under its insider trading policy on any vesting date, at a later date after such blackout period ends).

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
