MALVERN BANCORP, INC.

ABOUT THE ANNUAL MEETING OF SHAREHOLDERS

This proxy statement is furnished to holders of common stock of Malvern Bancorp, Inc. (the “Company” or “Malvern Bancorp”), the holding company of Malvern Federal Savings Bank (“the Bank”). As we have previously disclosed, we filed an application with the Office of the Comptroller of the Currency to convert the charter the Bank from a federally chartered savings bank to a national bank, under the name Malvern Bank, National Association. Our Board of Directors is soliciting proxies to be used at the annual meeting of shareholders to be held at the General Warren Inne, located at 9 Old Lancaster Rd, Malvern, Pennsylvania, on Thursday, February 22, 2018 at 11:00 a.m., Eastern Time, and any adjournment thereof, for the purposes set forth in the Notice of Annual Meeting of Shareholders. This proxy statement is first being mailed to shareholders on or about January 18, 2018.

Important Notice Regarding the Availability of Proxy Materials for the Shareholders Meeting to Be Held on February 22, 2018. This proxy statement and our Annual Report on Form 10-K for the fiscal year ended September 30, 2017 as well as driving directions to the annual meeting are available at <http://www.proxyvote.com> and on our website at <http://ir.malvernfederal.com>.

What is the purpose of the annual meeting?

At our annual meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting, consisting of the election of directors, a non-binding resolution to approve the compensation of our named executive officers, and the ratification of our independent registered public accounting firm for the fiscal year ending September 30, 2018.

Who is entitled to vote?

Only Malvern Bancorp shareholders of record as of the close of business on the record date for the meeting, December 28, 2017, are entitled to vote at the meeting. On the record date, we had 6,572,684 shares of common stock issued and outstanding and no other class of equity securities outstanding. For each issued and outstanding share of common stock you own on the record date, you will be entitled to one vote on each matter to be voted on at the meeting, in person or by proxy.

How do I submit my proxy?

VOTE BY INTERNET - www.proxyvote.com

Use the Internet to transmit your voting instructions and for electronic delivery of information up until 11:59 P.M. Eastern Time the day before the cut-off date or meeting date. Have your proxy card in hand when you access the web site and follow the instructions to obtain your records and to create an electronic voting instruction form.

VOTE BY PHONE - 1-800-690-6903

Use any touch-tone telephone to transmit your voting instructions up until 11:59 P.M. Eastern Time the day before the cut-off date or meeting date. Have your proxy card in hand when you call and then follow the instructions.

VOTE BY MAIL

Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

If my shares are held in “street name” by my broker, could my broker automatically vote my shares for me?

Your broker may not vote on the election of directors or the non-binding proposal on compensation of our named executive officers unless you provide your broker with instructions on how to vote. You should use the voting instruction card provided by the institution that holds your shares to instruct your broker to vote your shares or else your shares will be considered “broker non-votes.”

Broker non-votes are shares held by brokers or nominees as to which voting instructions have not been received from the beneficial owners or the persons entitled to vote those shares and the broker or nominee does not have discretionary voting power under rules applicable to broker-dealers. Under these rules, the proposal to elect directors and the non-binding proposal to approve the compensation of our named executive officers are not items on which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions within ten days of the annual meeting.

Your broker may vote in his or her discretion on the ratification of the appointment of our independent registered public accounting firm if you do not furnish instructions.

Can I attend the meeting and vote my shares in person?

All shareholders are invited to attend the annual meeting. Shareholders of record can vote in person at the annual meeting. If your shares are held in street name, then you are not the shareholder of record and you must ask your broker or other nominee how you can vote at the annual meeting.

Can I change my vote after I return my proxy card?

Yes. If you are a shareholder of record, there are three ways you can change your vote or revoke your proxy after you have sent in your proxy form.

First, you may send a written notice to our Corporate Secretary, Mr. Joseph D. Gangemi, Malvern Bancorp, Inc., 42 East Lancaster Avenue, Paoli, Pennsylvania 19301, in advance of the meeting stating that you would like to revoke your proxy.

Second, you may complete and submit a new proxy card before the annual meeting. Any earlier proxies will be revoked automatically.

Third, you may attend the annual meeting and vote in person. Any earlier proxy will be revoked. However, attending the annual meeting without voting in person will not revoke your proxy.

If your shares are held in “street name” and you have instructed a broker or other nominee to vote your shares, you must follow directions from your broker or other nominee to change your vote.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the outstanding shares that are entitled to vote on a particular matter will constitute a quorum. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of votes considered to be present at the meeting.

What are the Board of Directors' recommendations?

The recommendations of the Board of Directors are set forth under the description of each proposal in this proxy statement. In sum, the Board of Directors recommends that you vote FOR the nominees for director described herein, FOR the non-binding resolution to approve the compensation of our named executive officers, and FOR the ratification of the appointment of BDO USA, LLP to serve as our independent registered public accounting firm for fiscal 2018.

The proxy solicited hereby, if properly signed and returned to us and not revoked prior to its use, will be voted in accordance with your instructions. If no contrary instructions are given, each proxy signed and received will be voted in the manner recommended by the Board of Directors and, upon the transaction of such other business as may properly come before the meeting, in accordance with the best judgment of the persons appointed as proxies. Proxies solicited hereby may be exercised only at the 2018 annual meeting and any adjournment of the annual meeting and will not be used for any other meeting.

What vote is required to approve each item?

The election of directors will be determined by a majority of votes cast by shareholders at the annual meeting. The affirmative vote of a majority of the votes cast on the proposal is required to approve the non-binding resolution approving the compensation of our named executive officers and to ratify the appointment of BDO USA, LLP for fiscal 2018. Under the Pennsylvania Business Corporation Law, abstentions and broker "non-votes" are not counted as votes cast.

ELECTION OF DIRECTORS

Our Bylaws provide that our Board will consist of not less than five nor more than fifteen members, as determined from time to time by resolution of the Board. Our Board has set the number of directors, effective as of the 2018 annual meeting, at eight. All of the members of our current Board will stand for re-election this year for a one year term, except for George Steinmetz, who is not standing for re-election. Julia D. Corelli was appointed as a director effective January 1, 2018, and will stand for election at the 2018 annual meeting.

Corelli, Ms. Woodman and Ms. Leitzell, are independent directors, as defined in the Nasdaq listing standards.

If a nominee for director does not receive at least a majority of the votes cast at the 2018 annual meeting, he or she is required to tender his or her resignation to the Board, and the Board, after considering the recommendation of the Nominating and Corporate Governance Committee, will thereafter consider whether to accept or reject the tendered resignation, or whether other action should be taken.

Unless otherwise directed, each proxy signed and returned by a shareholder will be voted for the election of the nominees for director as described herein. If any person named as a nominee should be unable or unwilling to stand for election at the time of the 2018 annual meeting, the proxies will nominate and vote for any replacement nominee or nominees recommended by our Board of Directors. At this time, the Board of Directors knows of no reason why any of the nominees named herein may not be able to serve as a director if elected.

Director Nominations

Nominations for director of Malvern Bancorp are made by the full Board of Directors. The Board of Directors considers the recommendations of the Nominating and Corporate Governance Committee in selecting nominees for director. All of our directors participate in the consideration of director nominees and will consider candidates for director suggested by other directors, as well as our management and shareholders. A shareholder who desires to recommend a prospective nominee for the Board should notify our Secretary in writing with whatever supporting material the shareholder considers appropriate. Any shareholder wishing to make a nomination must follow our procedures for shareholder nominations, which are described under “Shareholder Proposals, Nominations and Communications with the Board of Directors.”

The charter of the Nominating and Corporate Governance Committee sets forth certain criteria the committee may consider when recommending individuals for nomination as a director including: (a) ensuring that the Board of Directors, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise (including expertise that could qualify a director as a “financial expert,” as that term is defined by the rules of the SEC), local or community ties and (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with our business and industry, independence of thought and an ability to work collegially. The committee also may consider the extent to which the candidate would fill a present need on the Board of Directors.

Committees and Meetings of the Board of Directors

During the fiscal year ended September 30, 2017, the Board of Directors of Malvern Bancorp met 17 times. No director of Malvern Bancorp attended fewer than 75% of the aggregate of the total number of Board meetings held during the period for which he or she has been a director and the total number of meetings held by all committees of the Board on which he or she served during the periods that he or she served.

Membership on Certain Board Committees. The Board of Directors of Malvern Bancorp has established an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The membership of the committees set forth in the following paragraphs is as of the date of this proxy statement.

Audit Committee. The Board of Directors has established an Audit Committee consisting of Ms. Leitzell (Chair) and Messrs. Scartozzi, Steinmetz and Ms. Woodman. The Audit Committee reviews with management and the independent registered public accounting firm the systems of internal control, reviews the annual financial statements, including the Form 10-K, and monitors Malvern Bancorp’s adherence in accounting and financial reporting to

generally accepted accounting principles. The Audit Committee is comprised of four directors who are independent directors as defined in the Nasdaq listing standards and the rules and regulations of the Securities and Exchange Commission. The Board of Directors has determined that Ms. Leitzell meets the qualifications established for an audit committee financial expert in the regulations of the Securities and Exchange Commission. Board Leadership Structure and the Board's Role in Risk Oversight

Anthony C. Weagley serves as our President and Chief Executive Officer, Howard Kent serves as Chairman of the Board and Therese Woodman serves as Vice Chair of the Board. The Board of Directors has determined that separation of the offices of Chairman of the Board and President enhances Board independence and oversight. Further, the separation of the Chairman of the Board permits the President and Chief Executive Officer to better focus on his responsibilities of managing the daily operations of Malvern Bancorp, enhancing shareholder value and expanding and strengthening our franchise while allowing the Chairman to lead the Board of Directors in its fundamental role of providing independent oversight and advice to management. Mr. Kent is an independent director under the rules of the Nasdaq Stock Market.

Risk is inherent with every business, particularly financial institutions. We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputational risk. Management is responsible for the day-to-day management of the risks Malvern Bancorp encounters, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to ensure that the risk management processes designed and implemented by management are adequate and functioning as designed. The Board of Directors receives reports on this topic from executive management, other officers of the Company and the Chairpersons of the Audit, Enterprise Risk Management and Compliance Committees. The Chairman of the Board and independent directors work together to provide strong, independent oversight of Malvern Bancorp's management and affairs through its committees and meetings of independent directors. The Company believes that its Board leadership structure supports this approach to risk management.

Directors' Attendance at Annual Meetings

Directors are expected to attend the annual meeting of shareholders absent a valid reason for not doing so. In 2017, all of our directors attended our annual meeting of shareholders.

Directors' Compensation

We do not pay separate compensation to directors for their service on the Board of Directors of Malvern Bancorp. Fees are paid to directors by the Bank only. Each of our directors, other than Mr. Weagley, receives an annual retainer of \$25,000. The Bank's Chairman of the Board currently receives an additional annual retainer of \$10,000 and the Vice Chair receives an additional annual retainer of \$7,500. Our directors, except for our President and Chief Executive Officer, currently receive a fee of \$800 for attending regularly scheduled monthly Board meetings of the Bank and for

special meetings of the Board beginning with the fourth special Board meeting. The Chair of the Audit Committee and Loan Committee receives an additional fee \$7,500 per year. Board members receive a fee of \$300 for attending committee meetings, except for members of the Nominating and Corporate Governance Committee.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The primary objective of our executive compensation program is to attract and retain talented and motivated executive officers that will contribute to the Company’s overall success. Executive officers are instrumental to supporting growth and profitability as well as minimizing risk, resulting in the advancement of shareholder interests. The performance of each of the executive officers has a potentially vital impact on our profitability; therefore, we believe the design and administration of the compensation program is of considerable importance.

Executive Compensation Philosophy

Our compensation philosophy is dictated by the Compensation Committee of our Board of Directors. The duties and responsibilities of the Compensation Committee, which consists entirely of independent directors of the Board, are to:

provide guidance regarding the design of our employee benefit plans;

oversee the investments of our 401(k) plan;

establish the compensation of our chief executive officer;

with input from our chief executive officer, establish or recommend to our Board the compensation of our other executive officers;

monitor our overall compensation policies and employee benefit plans;

monitor our incentive plans for appropriate performance measures consistent with our overall strategic objectives; and

ensure that our incentive plans do not encourage unnecessary and excessive risk.

Our Compensation Objectives and the Focus of Our Compensation Rewards

We believe that an appropriate compensation program should draw a balance between providing rewards to executive officers while at the same time effectively controlling compensation costs. We reward executive officers in order to attract highly qualified individuals, to retain those individuals in a highly competitive marketplace for executive talent and to incentivize them to perform in a manner that maximizes our corporate performance. Accordingly, we have sought to structure our executive compensation with a focus on pay-for-performance. We seek to offer executive compensation programs that align each individual's financial incentives with our strategic direction and corporate values.

We view executive compensation as having three key elements:

a current cash compensation program consisting of salary and cash bonus incentives;

long-term equity incentives reflected in grants of stock options and/or restricted stock; and

other executive retirement benefits and perquisites.

These programs aim to provide our executives with an overall compensation package that is competitive with comparable financial institutions, and aligns individual performance with our long-term business objectives.

We annually review our mix of short term performance incentives versus longer term incentives, and incorporate in our compensation reviews the data from studies performed as to appropriate competitive levels of compensation and benefits. We do not have set percentages of short term versus long term incentives. Instead, we look to provide a reasonable balance of those incentives.

We also periodically "benchmark" our compensation programs to industry available databases and to a peer group. The process has involved hiring independent compensation consulting firms to perform studies that employ the following

processes:

gathering data from industry specific global and regional compensation databases based upon company size for each executive position;

determining an appropriate peer group of financial institutions based upon similar size and geography;

developing data points for salary and total cash compensation comparisons and equity opportunities;

averaging peer group and database statistics together to produce a relevant “market” at the data points for salary, total cash compensation and equity and comparing our positions to the “market” data;

evaluating other compensation components, including executive benefits as compared to competitive standards; and

comparing our compensation levels to the “market” and determining our relative positioning for competitiveness as to salary, total cash compensation and non-cash compensation.

-11-

Our chief executive officer participates in determinations regarding the compensation and design of our benefit programs for all employees, but does not participate in setting his own compensation.

During fiscal 2017, the Compensation Committee engaged Compensation Advisors (“Compensation Advisors”) to assist with the assessment and market review of executive officer and director compensation and related benefits. Compensation Advisors provided no services to and received no fees from the Company, or its affiliates, other than in connection with the engagement entered into by the Compensation Committee. There are no personal relationships between Compensation Advisors and any member of the Compensation Committee other than in respect of the engagement. No employee of Compensation Advisors owns any stock of the Company and there are no business or personal relationships between Compensation Advisors and any executive officer of the Company other than in respect to the engagement entered into by the Compensation Committee of the Company.

The Role of Management

In addition to input from our compensation consultant, the Committee also considers input from the Company’s Chief Executive Officer regarding base salary, bonuses and other benefits for named executive officers other than the Chief Executive Officer. Although the Committee considers such input, the Compensation Committee has final authority on compensation matters for all named executive officers.

Peer Review

The Compensation Committee utilized a proxy peer group to review compensation levels for the executive team and Board of Directors. The purpose of the peer group is to provide relative comparative data to assist the Board in making sound decisions relative to the compensation practices of the Bank. An initial group of public institutions was narrowed based on relevant criteria, including asset size, geographic location, number of offices, number of employees, and performance metrics. The resulting peer group for the 2017 fiscal year is comprised of 19 banks with 2016-year end assets between \$1.372 billion and \$4.426 billion.

During fiscal 2017, Compensation Advisors was asked to perform a base salary review of the employees at the Bank. Each incumbent position was compared to current market pricing for similar positions from our sources. This allows positions that have skills that are portable to industries outside of banking to be benchmarked on a more global scale. Each position was compared to positions with similar job responsibilities. Actual job responsibilities may vary among the same job titles. The Bank continues to re-benchmark positions when a job description is changed or a new position is created. In addition to the base salary review, Compensation Advisors completed a comprehensive executive compensation review and a director compensation review.

Components of the Compensation Program

The elements of the compensation programs for the Company's executive officers, which are base salary, cash incentives, equity incentives, and benefits, are detailed below. While the Compensation Committee considers total compensation when reviewing benchmarking data, one component does not specifically affect another as they each serve unique purposes. In addition to providing a benefit to the executive each component serves the purpose of either attracting or retaining talent.

Base Salary

The Compensation Committee views base salary as the foundation of the compensation program and is a primary consideration for attracting experienced talent. We establish our executive officers' base salaries primarily using criteria that includes technical expertise, individual responsibility level, organizational performance and the competitive data for the peer group identified above and believe that base salaries should be paid at a level that affords us the ability to hire and retain experienced individuals in our industry that can effectively contribute to the achievement of our strategic business goals.

Base salary for the Chief Executive Officer is set by the Committee on an annual basis. Base salaries for the executive officers other than its Chief Executive Officer are made on an annual basis and are based upon recommendations by the Chief Executive Officer. The factors for the Committee's compensation decisions include Bank financial performance, industry base salaries within the Peer Group, the nature and responsibilities of the position, the contribution and experience of the officer, and the length of the officer's service with the Bank. The Committee also considers recommendations from the compensation consultant.

Executive Achievement Incentive Compensation Plan

The Executive Achievement Incentive Compensation Plan ("EAICP") is a performance-based incentive program designed to reward key executives and reinforce the goals of the Bank for profitable growth and achievement of Company financial objectives. For fiscal 2017, all Named Executive Officers (as defined herein) other than Mr. Weagley participated in the EAICP.

The EAICP provides the executive with the opportunity to earn both equity and non-equity (cash) awards, expressed as a percentage of salary. Individuals are assigned specific objectives throughout the year, which comprise each

individual's "personal" goals. These personal goals typically represent 50% of the total available payout and can range up to 100% of the total available payout under the EAICP. The other component may be a "Bank" goal, which accounts for up to 50% of the total payout, but is usually no more than 25% of the total available payout.

Performance metrics include a number of key performance factors, including profitability, growth, and financial operating condition. The 2017 fiscal year performance metrics included return on assets, return on equity, net income before tax, loan growth, non-performing assets and a composite score for achievement of other annual objectives.

Incentive awards payable under the EAICP for fiscal 2017 were based on a percent of base salary and ranged from 0-15 percent. Each participant's possible award included one or more of the above criteria, with the maximum amount possible not to exceed 100% of the potential award. See "Grant of Plan Based Awards" for a description of the amounts that could have been earned under the EAICP by the Named Executive Officers for fiscal 2017.

The three Named Executive Officers who participated in the EAICP for fiscal 2017 received awards under the EAICP for fiscal 2017 performance, as their respective goals were met. See the "Summary Compensation Table."

Loan Incentive Plan

The Bank's lending officers are eligible to participate in the Loan Incentive Plan (the "Lender Plan"), which provides an annual incentive payout based on quarterly loan originations that meet certain underwriting standards. Quarterly originations must meet a hurdle of \$2.0 million for a payout to occur. Incentive amounts are based on the achievement of individual goals (weighted at 30%) and Bank-wide goals (weighted at 70%). The Compensation Committee can make discretionary adjustments to the quarterly incentive payout amounts.

Employees' Savings & Profit Sharing Plan

The Bank maintains an Employees' Savings & Profit Sharing Plan (the "401(k) Plan"), for its employees, including executive officers. Eligible employees may defer up to 6% of their salaries, with a matching contribution made by the Bank up to a specified limit determined annually by the Board of Directors. The Bank also may make additional discretionary contributions. We made 401(k) Plan matching contributions of \$114,886 and \$83,481, respectively, in fiscal 2017 and fiscal 2016.

Employee Stock Ownership Plan

In 2008, the Company established an employee stock ownership plan (the "ESOP") for all eligible employees. As part of the Bank's mutual holding company reorganization, the ESOP purchased 241,178 shares of common stock of Malvern Federal Bancorp utilizing a \$2.6 million loan from the Company. The loan to the ESOP is being repaid over its term of 18 years and shares are released for allocation to employees' accounts as debt service payments are made. Shares released from the suspense account are allocated to each eligible participant's plan account pro rata based on compensation. Forfeitures may be used for the payment of expenses or be reallocated among the remaining participants. Participants become 100% vested after three years of service. Participants also become fully vested in

their account balances upon a change in control (as defined), death, disability or retirement. Benefits are payable upon retirement or separation from service. The current ESOP trustee is Pentegra.

Other Benefits

Change in Control Arrangements

On May 25, 2017, the following agreements were executed:

the Company and the Bank entered into an employment agreement with Mr. Weagley, which amends and restates Mr. Weagley's prior employment agreement dated June 23, 2016;

the Company, the Bank and William Boylan entered into an employment agreement which provides that Mr. Boylan serves as the Executive Vice President and Chief Lending Officer of the Company and the Bank; and

the Bank amended the Change of Control Agreement, dated May 23, 2016, with Joseph Gangemi, Senior Vice President and Chief Financial Officer of the Company and the Bank.

William "Bill" Woolworth, Senior Vice President and Chief Risk Officer of the Company and the Bank, is a party to a Change of Control Agreement with the Bank dated May 23, 2016.

See "Agreements with Named Executive Officers."

Shareholder Advisory Vote on Executive Compensation

We conduct an annual shareholder advisory vote on the compensation of the named executive officers, and our Board of Directors and the Compensation Committee carefully consider the outcome of these advisory votes when making compensation decisions. In February 2017, in excess of 98.7% of the votes cast were voted in favor of the non-binding advisory proposal to approve the compensation of our named executive officers. The Compensation Committee viewed this approval as an affirmation of our current pay practices and as a result, we made no significant changes to our pay practices. It continues to be the Committee's goal to maintain alignment of our pay practices with the best interests of the Company and its shareholders. We will, therefore, continue to evaluate the appropriateness of the Company's compensation program and consider shareholder feedback throughout the evaluation process.

Compensation-Related Risk Assessment

We conduct an annual evaluation of our compensation programs, policies and practices to ensure that they reflect an appropriate level of risk-taking but do not encourage our employees to take excessive or unnecessary risks that could have an adverse impact on the Company.

Risk Assessment Procedures

We have reviewed our compensation policies and programs for all of our employees and have determined that the compensation policies and incentive compensation programs in place are not reasonably likely to have a material adverse effect on the Company and do not encourage our employees to take excessive risks. We are confident that the internal controls and procedures we have in place throughout our organization sufficiently manage any inherent risk in our programs. Among other things, our executive compensation programs reflect the following policies and practices:

The Compensation Committee is composed solely of independent directors, under its own authority, and has engaged its own independent compensation consultant;

We conduct an annual shareholder advisory vote on the compensation of the named executive officers, and our Board of Directors and the Compensation Committee carefully consider the outcome of these advisory votes;

We do not provide significant perquisites or other personal benefits to our executive officers. Our executives participate in our health and welfare benefit programs on the same basis as all of our employees; and

Annually, the Board of Directors reviews and approves all policies of the Bank to ensure that they reflect an appropriate level of risk-taking but do not encourage our employees to take excessive or unnecessary risks that could have an adverse impact on the Bank.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed the Compensation Discussion and Analysis included in this Proxy Statement and discussed it with our management. Based on this review and discussion, the Compensation Committee recommended that the Compensation Discussion and Analysis be included in this proxy statement.

The amount shown in the “Bonus” column for Mr. Weagley for fiscal 2016 includes \$50,000 which was paid to him as a result of the termination of the Formal Agreement with the Office of the Comptroller of the Currency, as had been previously provided in Mr. Weagley’s original Employment Agreement dated May 15, 2015. The other \$150,000 was paid to him as a result of achievement of specific performance goals under an annual bonus plan outlined in his June 23, 2016 Employment Agreement.

The amounts shown in the “Non-Equity Incentive Plan Compensation” column for Mr. Boylan represent amounts paid to him under the Lender Plan that have been accrued for him, 25% of which will be held back until completion of the loan review process in accordance with the plan. The amounts in such column for Mr. Gangemi and Mr. Woolworth represent amounts paid under the EAICP. In connection with fiscal 2017 performance, under the EAICP, Mr. Gangemi is also entitled to \$9,825 worth of restricted stock at the market price on the date of the grant, and Mr. Woolworth is also entitled to \$6,838 worth of restricted stock at the market price on the date of the grant. Such grants will be made in fiscal year 2018 and Mr. Boylan received \$22,482 worth of restricted stock at the market price on January 31, 2017.

In the table above, when we refer to amounts under “Stock Awards”, we are referring to the aggregate grant date fair value in accordance with FASB ASC Topic 718. The shares were granted in fiscal 2017 under the Company’s 2014 Long-Term Incentive Compensation Plan. The shares granted to Messrs. Agreements with Named Executive Officers

Mr. Weagley

On June 23, 2016, Malvern Bancorp and the Bank entered into an employment agreement with Anthony C. Weagley, Chief Executive Officer and President of the Company and the Bank, which was amended and restated on May 25, 2017 (as amended and restated, the "Employment Agreement").

The Employment Agreement provides that Mr. Weagley will continue to serve as President and Chief Executive Officer of the Company and the Bank for successive one year periods, unless either party has provided written notice at least 60 days prior to the end of the then current annual period that such party does not agree to renew the Employment Agreement. The Employment Agreement also provides that Mr. Weagley will serve as a director of the Company and the Bank.

Pursuant to the Employment Agreement, Mr. Weagley will receive an annual base salary at the rate of \$400,000 per year, plus additional annual base compensation of \$100,000, of which \$35,000 will be paid in cash (as part of the regular payroll process) and the remaining \$65,000 will be paid in shares of the Company's common stock. Such amounts (totaling \$500,000), which are collectively referred to as "Annual Base Salary in the Employment Agreement" may be increased by the Boards of the Company and the Bank.

Mr. Weagley will also be entitled to participate in an annual bonus plan, with an initial target bonus of \$100,000, upon the achievement of specified performance goals approved by the Compensation Committee and the Company's Board of Directors. He will also be entitled to participate in other employee benefit plans maintained for executives of the Bank.

If Mr. Weagley's employment is terminated by the Company or the Bank without "Cause" (as defined in the Employment Agreement)(other than for death or disability) or if the Company or the Bank terminate the Employment Agreement by delivering a non-renewal notice, in either case occurring after a "Change in Control" (as defined in the Employment Agreement), or if Mr. Weagley terminates his employment for "Good Reason" (as defined in the Employment Agreement) after a Change in Control, he will be entitled to receive, after signing a release, a lump sum cash payment equal to three years of his Annual Base Salary, in addition to any amounts he has already earned as of the date of termination, and any vesting restrictions on any grants of equity that have been made to him will be waived.

Upon termination by the Company or the Bank without Cause (other than for death or disability) or if the Company or the Bank terminate the Employment Agreement by delivering a non-renewal notice, in either case occurring absent a Change in Control, or if Mr. Weagley terminates his employment for Good Reason absent a Change in Control, he will be entitled to receive, after signing a release, a lump sum cash payment equal to three years of his Annual Base Salary.

Mr. Weagley's Employment Agreement also provides that he will be entitled to reimbursement of the premium otherwise payable for COBRA continuation coverage for the 18 months immediately following the date of termination of employment.

The Employment Agreement contains 12 month post-termination non-compete, non-solicitation of customers and non-solicitation of employees provisions.

Messrs Gangemi and Woolworth

On May 23, 2016, the Bank entered into a Change of Control Agreement (each, a "Change of Control Agreement" and collectively, the "Change of Control Agreements") with each of Joseph Gangemi, Senior Vice President and Chief Financial Officer of the Company and the Bank, and William "Bill" Woolworth, Senior Vice President and Chief Risk Officer of the Company and the Bank.

Each Change of Control Agreement provides that if the executive's employment with the Bank ceases within 12 months following the date of a Change of Control (as defined), or during the 90 days immediately preceding a Change of Control, as a result of termination by the Bank without Cause (as defined) or for Good Reason (as defined), then the executive will be entitled to receive any base salary that remains unpaid through the date of termination, any bonus that remains unpaid and which is payable with respect to a fiscal year which ended prior to the effective date of termination, and any expense reimbursement which is due and remains unpaid, plus a lump sum cash payment equal to 100% of the executive's base salary as in effect on the date of termination.

In addition, if the executive elects to receive continuation coverage under the Bank's group health plan under COBRA, each Change of Control Agreement provides that the executive will be entitled to reimbursement of the premium otherwise payable for COBRA continuation coverage for the 12 months immediately following the date of termination of employment, to the extent such premium exceeds the monthly amount charged to active similarly-situated employees of the Bank for the same coverage.

Each Change of Control Agreement provides that it is in lieu of, and not in addition to, any other severance plan, fund, agreement or other arrangement maintained by the Bank. Payment of the lump sum cash amounts and reimbursement for COBRA premiums described above are conditioned on the executive's execution and delivery of a release.

In addition, each Change of Control Agreement provides that the amounts and benefits payable to Mr. Gangemi or Mr. Woolworth, as applicable, in the circumstances described above, will be reduced to the extent necessary to avoid causing any of the payments or benefits to be nondeductible under Section 280G of the Internal Revenue Code of 1986, as amended (the “Code”), or subject to an excise tax under Section 4999 of the Code, unless the executive’s after-tax amounts and benefits would be greater without such a reduction.

On May 25, 2017, Mr. Gangemi and the Bank entered into an amendment (the “Amendment”) to Mr. Gangemi’s Change in Control Agreement. The Amendment increases the severance amount under the change of Control Agreement from 100% of Mr. Gangemi’s base salary to 150% of his base salary.

In exchange for the increase in the severance amount, Mr. Gangemi entered into a Non-Competition, Non-Solicitation, Confidentiality and Cooperation Agreement (the “Restrictive Covenants Agreement”) with the Bank, also dated May 25, 2017. Mr. Gangemi’s Restrictive Covenants Agreement provides that during the course of his employment with the Bank and for a period of 12 months after his termination of employment with the Bank for any reason (the “Restricted Period”), Mr. Gangemi will not, directly or indirectly, engage, participate or invest in any Competing Business (as defined) in the Competitive Territory (as defined). “Competing Business” is defined as any business engaged in banking or lending activities, or accepting deposits, providing financial services or financial advice, or any other activities in which the Company or the Bank engaged during Mr. Gangemi’s employment with the Bank. “Competitive Territory” is defined as any area that is within a 100 mile radius of any branch or office of the Company or the Bank or any of their affiliates that is or was in existence during Mr. Gangemi’s employment or any location where the Company, the Bank or any of their respective affiliates had planned to establish a branch or office during the 12 months prior to Mr. Gangemi’s termination of employment. The Restrictive Covenants Agreement also contains provisions prohibiting the solicitation of employees and customers of the Company or the Bank or any of their respective affiliates.

Mr. Boylan

On May 25, 2017, the Company, the Bank and William J. Boylan entered into an employment agreement (the “Boylan Employment Agreement”), which provides that Mr. Boylan will serve as Executive Vice President and Chief Lending Officer of the Company and the Bank. The initial term of the Boylan Employment Agreement will expire on May 26, 2019, and the employment period will be deemed to be automatically extended for successive one year periods thereafter, unless at least 60 calendar days prior to the expiration of the initial or any extended term, the Company or the Bank shall give written notice to Mr. Boylan, or Mr. Boylan shall give written notice to the Company or the Bank, of its or his intention not to renew the employment period.

The Boylan Employment Agreement provides that Mr. Boylan’s compensation will include a base salary of \$235,000 per annum, subject to review and increase by the Board of Directors of the Company (the “Company Board”) or the Board of Directors of the Bank (the “Bank Board”). Mr. Boylan will also be eligible for such annual bonus as the Company Board or the Bank Board, or an applicable committee thereof, determines in its sole discretion to be appropriate based upon achievement of such performance goals or other factors as such Company Board or Bank Board or committee deems appropriate.

If Mr. Boylan’s employment is terminated by the Company or the Bank without cause (other than due to death or disability) or if the Company or the Bank terminate the Boylan Employment Agreement pursuant to a non-renewal notice, in each case on or after a Change in Control (as defined), or if Mr. Boylan’s employment is terminated by him for Good Reason (as defined) on or after a Change in Control, Mr. Boylan will be entitled to receive all unpaid salary and accrued benefits to the termination date, plus, subject to his execution of a mutually satisfactory release, a lump sum cash payment equal to any unpaid annual bonus earned and owed to him for a previous calendar year and any amounts earned by him but unpaid under the Bank’s Lender Incentive Plan, plus 24 months’ of his base salary. In addition, Mr. Boylan would become fully vested in all equity-based options and other awards, and he would be entitled to reimbursement for COBRA premiums paid by him for up to 18 months immediately following termination.

If Mr. Boylan’s employment is terminated by the Company or the Bank without Cause (as defined), other than due to death or disability, or if the Company or the Bank terminate the Boylan Employment Agreement pursuant to a non-renewal notice, in each case before a Change in Control, or if Mr. Boylan’s employment is terminated by him for Good Reason before a Change in Control, he will be entitled to receive all unpaid salary and accrued benefits to the termination date, plus, subject to his execution of a mutually satisfactory release, his then annual rate of base salary for twelve months, as severance. He would also be entitled to reimbursement for COBRA premiums for up to six months.

If Mr. Boylan’s employment is terminated at any time for Cause or if he resigns without Good Reason, he will be entitled to receive only unpaid salary and accrued benefits to the termination date.

In connection with executing the Boylan Employment Agreement, Mr. Boylan executed a Non-Competition, Non-Solicitation, Confidentiality and Cooperation Agreement which is comparable to Mr. Gangemi's Restrictive Covenants Agreement.

Related Party Transactions

Loans and Extensions of Credit. The Bank offers loans to its directors, officers and employees as well as members of their immediate families and others who are considered “related persons” under Item 404 of Regulation S-K of the SEC. Any loans by the Bank to related persons are made in the ordinary course of business on substantially the same terms, including interest rates and collateral, as those prevailing at the same or comparable transactions with persons not related to the Bank. These loans did not involve more than the normal risk of collectability or present other unfavorable features. These loans were performing according to their original terms at September 30, 2017. None of the Bank’s loans to any of its directors, executive officers, any of their immediate family members or to any related persons were non-accrual, past due, restructured or deemed potential problem loans at September 30, 2017.

Proposal 2

PROPOSAL TO ADOPT A NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act"), the proxy rules of the SEC were amended to require that not less frequently than once every three years, a proxy statement for an annual meeting of shareholders for which the proxy solicitation rules of the SEC require compensation disclosure must also include a separate resolution subject to shareholder vote to approve the compensation of the company's named executive officers disclosed in the proxy statement. The Company's Board of Directors previously determined to submit the non-binding resolution on compensation of our named executive officers to our shareholders on an annual basis.

The executive officers named in the summary compensation table and deemed to be "named executive officers" are Messrs. Weagley, Gangemi, Boylan and Woolworth. Reference is made to the summary compensation table and disclosures set forth under "Management Compensation" in this proxy statement.

The proposal gives shareholders the ability to vote on the compensation of our named executive officers through the following resolution:

“Resolved, that the shareholders approve the compensation of the named executive officers as disclosed in this proxy statement.”

The shareholder vote on this proposal is not binding on Malvern Bancorp or the Board of Directors and cannot be construed as overruling any decision made by the Board of Directors. However, the Board of Directors of Malvern Bancorp will review the voting results on the non-binding resolution and take them into consideration when making future decisions regarding executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.
