On March 30, 2017, Exterran Corporation (the “Company”) issued a press release announcing that Exterran Energy Solutions, L.P. and EES Finance Corp., its wholly-owned subsidiaries, upsized and priced their private offering of \$375.0 million aggregate principal amount of 8.125% senior unsecured notes due 2025 (the “Notes”) to be co-issued by those subsidiaries and initially guaranteed only by the Company. The offering was upsized from the previously announced \$300 million aggregate principal amount. The Notes priced at 100.000% of their principal amount and the settlement of the offering is expected to occur on April 4, 2017, subject to customary closing conditions. The Notes will be offered only to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and non-U.S. persons pursuant to Regulation S under the Securities Act. The Notes will not initially be registered under the Securities Act or any state securities laws and may not be offered or sold absent an effective registration statement or an applicable exemption from the registration requirements of the Securities Act or any state securities laws.

The information contained in this Current Report on Form 8-K, including the exhibit hereto, is neither an offer to sell nor the solicitation of an offer to buy any of the Notes or any other securities.
