Positions in shares of Common Stock may be held in margin accounts and may be pledged as collateral security for the repayment of debit balances in such accounts. Such margin accounts may from time to time have debit balances. In addition, since other securities may be held in such margin accounts, it may not be possible to determine the amounts, if any, of margin used to purchase shares of Common Stock.

Table of Contents**Item 4. Purpose of Transaction**

On April 12, 2016, the Reporting Persons sent a letter (the **April Letter**) to the Board of Directors of the Issuer (the **Board**), pursuant to which the Reporting Persons made a proposal (**Proposal**) to acquire all of the outstanding shares of Common Stock not beneficially owned by the Reporting Persons for \$32.00 per share in cash, subject to the terms described in the April Letter (the **Proposed Transaction**).

In the April Letter, the Reporting Persons expressed their belief that the Proposal represents a compelling opportunity that stockholders will find extremely attractive.

Together with the April Letter, the Reporting Persons provided the Board with a draft merger agreement (the “**Draft Merger Agreement**”) and advised the Board that the Reporting Persons were prepared to begin negotiating a definitive merger agreement immediately. The Draft Merger Agreement contemplates the acquisition of the Issuer by an affiliate of the Reporting Persons (“**Parent**”), by means of the merger of a subsidiary of Parent with and into the Issuer (the “**Merger**”). Under the terms of the Merger Agreement, at the effective time of the Merger, each share of outstanding Common Stock would convert into the right to receive the merger consideration of \$32.00, without interest, in cash, subject to terms and conditions of the Draft Merger Agreement. In addition to other customary terms and conditions, the Draft Merger Agreement includes a “go-shop” provision, which would permit the Issuer to solicit competing acquisition proposals for a period of 45 days following the signing date of the definitive merger agreement. The Draft Merger Agreement does not contain a financing condition.

The description of the April Letter and the Draft Merger Agreement in this Item 4 is qualified in its entirety by reference to the complete text of the April Letter and the Draft Merger Agreement, which have been filed as Exhibit 99.2 and 99.3 to this Schedule 13D and are incorporated herein by reference in their entirety.

There can be no assurance that any definitive agreement will be entered into regarding the proposed acquisition of the Issuer, or, if entered into, what the terms thereof will be, or that the Proposed Transaction or any other transaction will be approved or consummated. The Proposal is subject to a number of conditions, including, among other things, the negotiation and execution of a definitive agreement and other related agreements mutually acceptable in form and substance to the Issuer and the Reporting Persons. Neither the Issuer nor any Reporting Person is obligated to complete the Proposed Transaction, and a binding commitment with respect to the Proposed Transaction will result only from the execution of definitive documents, and then will be on the terms provided in such documentation.

Table of Contents

The Reporting Persons purchased the shares of Common Stock based on the Reporting Persons' belief that the shares, when purchased, were undervalued and represented an attractive investment opportunity. No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subsections (a) through (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein.

The Reporting Persons intend to review their investments in the Issuer on a continuing basis. Depending on various factors, including, without limitation, the Issuer's financial position and strategic direction, the outcome of the discussions referenced above, actions taken by the Board, price levels of the securities of the Issuer, other investment opportunities available to the Reporting Persons, concentration of positions in the portfolios managed by the Reporting Persons, the availability and cost of debt financing, whether any offer has been made by a third party to acquire the Issuer or the outstanding shares of Common Stock, the terms and conditions of any offer that is made by a third party to acquire the Issuer or the outstanding shares of Common Stock, conditions in the capital markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investments in the Issuer as they deem appropriate, including, without limitation, purchasing additional shares of the Common Stock or other financial instruments related to the Issuer or selling some or all of their beneficial or economic holdings, engaging in hedging or similar transactions with respect to the securities relating to the Issuer and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

PROPOSAL LETTER

CONFIDENTIAL

April 12, 2016

The Board of Directors
Integrated Device Technology, Inc.
6024 Silver Creek Valley Road
San Jose, California 95138

Dear Members of the Board of Directors:

We, Libin Sun, Liang Xu, Haiping Zhou, Zhibin Lin, Junping Chen, Libin Yang, and Nauman A. Aly (collectively, we or us), are pleased to submit this preliminary non-binding proposal (the “Proposal”) to acquire all of the outstanding shares of common stock of Integrated Device Technology, Inc. (the “Company” or “IDT”) not beneficially owned by us for a purchase price of \$32.00 per share in cash (the “Transaction”).

This all-cash Transaction would provide stockholders with immediate liquidity at a substantial premium to the market’s assessment of IDT’s value. Our Proposal represents a premium of 65% to the closing price of the Company’s common stock on April 11, 2016. By any measure, we believe our Proposal represents a compelling opportunity that your stockholders will find extremely attractive.

In addition, in order to guarantee that stockholder value is being maximized, we have included in our filings today a draft merger agreement that contemplates a “go shop” provision that would allow the Board to solicit competing proposals for a period following execution of our agreement. We are aware that numerous parties have expressed acquisition interest in IDT, and this structure guarantees that the Company will secure a healthy premium for its stockholders while holding open the opportunity to obtain an even higher premium. Our draft merger agreement contains no financing condition, and we have endeavored to make this a document that is both customary for transactions of this type and fair to both sides in order to facilitate a quick negotiation. We are eager to move ahead expeditiously.

Our Proposal is subject to a confirmatory due diligence review of the Company which, with the cooperation of management, we believe can be completed within 30 days. With access to private diligence materials, we believe there is a further opportunity to increase our current offer, which is based on publicly disclosed information only. We are available to sign an appropriate confidentiality agreement and commence our due diligence review immediately.

The Transaction would be subject to the approval of the Company’s Board of Directors and the negotiation and execution of mutually agreeable definitive transaction documents. We would be happy to meet with members of the Board, senior management and your advisors as soon as practicable to answer any questions about our Proposal or the attached draft and to work out the details for moving toward a completed Transaction.

We intend to finance the Transaction with a combination of debt and equity capital. Equity financing would be provided by us, in the form of cash and rollover equity in the Company, and from any additional equity investor who may be admitted to the Transaction. Debt financing is expected to be provided by loans from third party financial institutions. We are confident that we can timely secure adequate financing to consummate the Transaction.

Please note that this Proposal is not a binding offer, agreement or agreement to make a binding offer or agreement at any point in the future. This letter is a preliminary indication of interest by us and does not contain all matters upon

which agreement must be reached in order to consummate the proposed Transaction, nor does it create any binding rights or obligations in favor of any person. The parties will be bound only upon the execution of mutually agreeable definitive documentation.

Please note that we will promptly file a beneficial ownership report on Schedule 13D disclosing the submission of this letter. As a result of our substantial share ownership in IDT, SEC rules oblige us to make the existence and contents of this letter public.

In closing, we would like to express our commitment to working together to bring this Transaction to a successful and timely conclusion. Should you have any questions regarding this Proposal, please do not hesitate to contact us. We look forward to hearing from you.

The date on which the Closing actually occurs is referred to herein as the “Closing Date.” For the avoidance of doubt, a condition may only be waived in writing by the party or parties entitled to the benefit of such condition under this Agreement.

1.3. Effective Time. Subject to the terms and conditions hereof, on the Closing Date, the Company and Parent will cause an appropriate certificate of merger (the “Certificate of Merger”) to be duly executed and filed with the Secretary of State of the State of Delaware (the “Secretary of State”) in accordance with the relevant provisions of the DGCL and shall take all such reasonable further actions as may be required by Law to make the Merger effective. accordance with the Charter and the Bylaws.

2.5. **Officers.** The officers of the Company immediately prior to the Effective Time shall, from and after the Effective Time, be the officers of the Surviving Corporation until their successors have been duly elected or appointed and qualified or until their earlier death, resignation or removal in accordance with the Charter and Bylaws.

(d) **Treasury Shares and Parent-Owned Shares.** Any Share owned by the Company (whether held in treasury or otherwise) or by any of its direct or indirect wholly-owned Subsidiaries or by Parent, Merger Sub or any of their respective direct or indirect wholly-owned Subsidiaries, in each case immediately prior to the Effective Time, shall not represent the right to receive the Per Share Merger Consideration and shall be treated as an Excluded Share pursuant to Sections 2.6(a) and (b) hereof.

2.7. **Payment.**

(a) **Paying Agent.** At or promptly after the Effective Time, Parent shall deposit and/or cause to be deposited (including by causing the Company and its Subsidiaries to deposit) with a paying agent selected by Parent and reasonably satisfactory to the Company (the “Paying Agent”), for the benefit of the Record Holders of Shares, for

exchange in accordance with this Article II through the Paying Agent, an aggregate cash amount in immediately available funds necessary for the Paying Agent to make the aggregate payments under Section 2.6(a) (such cash being hereinafter referred to as the “Exchange Fund”). If, after the Effective Time, a Dissenting Stockholder effectively withdraws its demand for, or loses its, dissenters’ rights pursuant to Section 262 of the DGCL with respect to any Dissenting Shares, Parent shall deposit, or cause to be deposited, with the Paying Agent additional funds in an amount equal to the product of (i) the number of Dissenting Shares of which the Dissenting Stockholder is the Record Holder or beneficial owner and for which the Dissenting Stockholder has withdrawn its demand for, or lost its, dissenters’ rights pursuant to Section 262 of the DGCL and (ii) the Per Share Merger Consideration. The Paying Agent shall invest the Exchange Fund as directed by Parent. Any interest and other income resulting from such investment shall be payable to Parent or the Surviving Corporation and any amounts in excess of the amounts payable under Section 2.6(a) shall be promptly paid to the Surviving Corporation. No losses with respect to such investments shall alter the obligations of Parent hereunder. The Exchange Fund shall not be used for any purpose other than to fund payments due pursuant to Section 2.6(a).

(b) Payment Procedures.

(i) Letter of Transmittal. As soon as reasonably practicable after the Effective Time, the Surviving Corporation shall instruct the Paying Agent to mail to each Record Holder of Shares (other than Excluded Shares held by a Record Holder that does not also hold Shares that are not Excluded Shares) a letter of transmittal in customary form and with such other provisions as Parent and the Company shall reasonably agree and instructions for use in surrendering the Certificates representing such Shares and determining the amount to which such Record Holder is entitled as a result of the Merger in respect thereof.

(ii) Payment for Shares. Upon delivery to the Paying Agent of such letter of transmittal by any Record Holder of Shares (other than Excluded Shares), duly completed and signed in accordance with its instructions, together with such other documents as may be reasonably required by the Paying Agent pursuant to such instructions and surrender of the Certificate that immediately prior to the Effective Time represented such Shares (or affidavit of loss in lieu thereof as provided in Section 2.7(e), or, if such Shares are held in book-entry or other uncertificated form, upon the entry through a book-entry transfer agent of the surrender of such Shares on a book-entry account statement), such Record Holder shall be entitled to receive from the Exchange Fund, and the Paying Agent shall pay, a cash amount in immediately available funds equal to the number of such Shares multiplied by the Per Share Merger Consideration, and, if applicable, the Certificate so surrendered shall forthwith be cancelled. No interest will be paid or accrued on any amount payable as provided above. Risk of loss of and title to any Certificate will pass only upon proper delivery as provided above. In the event of a transfer of ownership of Shares that is not registered in the transfer records of the Company, payment to be delivered upon compliance with the procedures described above may be made to the transferee if the applicable letter of transmittal and the Certificate representing such Shares is presented to the Paying Agent and is accompanied by all documents reasonably required to evidence and effect such transfer and to evidence that any applicable stock transfer Taxes have been paid or are not applicable. The Per Share Merger Consideration paid with respect to any Share in accordance with the terms hereof shall be deemed to have been paid in full satisfaction of all rights pertaining to such Share.

(c) Transfers. From and after the Effective Time, the stock transfer books of the Company shall be closed and there shall be no transfers on the stock transfer books of the Company of the Shares that were outstanding immediately prior to the Effective Time. If, after the Effective Time, any Person presents to the Surviving Corporation, Parent or the Paying Agent any Certificates or any transfer instructions relating to Shares cancelled in the Merger, such Person shall be given a copy of the letter of transmittal referred to in Section 2.7(b)(i) and instructed to comply with the instructions in that letter of transmittal in order to receive the cash to which such Person is entitled

pursuant to this Article II.

(d) **Termination of Exchange Fund.** Any portion of the Exchange Fund (including the proceeds of any investments thereof) that remains unclaimed by the Record Holders of Shares for six months after the Effective Time shall be delivered to the Surviving Corporation. Any Record Holder of Shares (other than Excluded Shares) who has not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation for payment of the Per Share Merger Consideration for such Shares upon compliance with the instructions in the form of letter of transmittal referred to in Section 2.7(b)(i), without any interest thereon. Notwithstanding anything to the contrary herein, none of the Surviving Corporation, Parent, the Paying Agent or any other Person shall be liable to any Record Holder of Shares for any amount properly delivered to a public official pursuant to applicable abandoned property, escheat or similar Laws.

(e) **Lost, Stolen or Destroyed Certificates.** In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact, in form reasonably satisfactory to Parent and the Paying Agent, by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent, the posting by such Person of a bond in customary amount and upon such terms as may be required by Parent as indemnity against any claim that may be made against it or the Surviving Corporation with respect to such Certificate, the Paying Agent will make a payment in an amount equal to the number of Shares formerly represented by such lost, stolen or destroyed Certificate multiplied by the Per Share Merger Consideration, without any interest thereon.

(f) **Dissenting Shares.** Notwithstanding anything in this Agreement to the contrary, no Person who has prior to the Effective Time perfected a demand for dissenters' rights pursuant to Section 262 of the DGCL with respect to any Dissenting Shares shall be entitled to receive the Per Share Merger Consideration with respect to such Dissenting Shares unless and until such Person shall have effectively withdrawn (in accordance with Section 262 of the DGCL) or lost such Person's right to payment of fair value under the DGCL with respect to such Dissenting Shares. Unless and until a Dissenting Stockholder shall have effectively so withdrawn or lost such Dissenting Stockholder's right to appraisal under the DGCL with respect to Dissenting Shares, such Dissenting Stockholder shall be entitled to receive only the payment provided by Section 262 of the DGCL with respect to such Dissenting Shares. The Company shall give Parent (i) prompt notice of any written demands for payment of fair value, attempted withdrawals of such demands, and any other instruments served pursuant to applicable Law that are received by the Company relating to Company stockholders' dissenters' rights and (ii) the opportunity to participate in and control all negotiations and proceedings with respect to demands for payment of fair value by Company stockholders under the DGCL. The Company shall not, except with the prior written consent of Parent, voluntarily make any payment with respect to any demands for payment of fair value, offer to settle or settle any such demands.

(g) **Withholding Rights.** Notwithstanding anything to the contrary set forth herein, each of Parent, the Surviving Corporation and the Paying Agent shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement (including pursuant to Sections 2.6(a) and 2.8) such Taxes as it is required to deduct and withhold with respect to the making of such payment under the Internal Revenue Code of 1986, as amended (the "Code") or the rules and regulations promulgated thereunder, or under any other applicable provision of Law. To the extent that amounts are so deducted and withheld by Parent, the Surviving Corporation or the Paying Agent, as the case may be, such deducted and withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Record Holder of Shares in respect of which such deduction and withholding was made by Parent, the Surviving Corporation or the Paying Agent, as the case may be.

2.8. **Company Equity Awards.**

(a) At the Effective Time, (i) each unvested Company Stock Option shall become immediately vested and exercisable in full, and (ii) all Company Stock Options that are outstanding and are unexercised as of immediately prior to the Effective Time shall be cancelled and, in exchange therefor, each holder of any such cancelled Company Stock Option shall be entitled to receive, in consideration of the cancellation of such Company Stock Option and in settlement therefor, a payment in cash of an amount equal to the product of (A) the total number of Shares previously subject to such Company Stock Option and (B) the excess, if any, of the Per Share Merger Consideration over the exercise price per Share previously subject to such Company Stock Option (such amount being hereinafter referred to as the “Option Consideration”). The Option Consideration shall be paid by the Surviving Corporation as soon as practicable following the Effective Time. From and after the Effective Time, there shall be outstanding no Company Stock Options, and the former holders thereof shall be entitled only to the payment of the Option Consideration, if any. Any Company Stock Option with respect to which the Option Consideration is \$0, shall be cancelled for no consideration. The Company shall take such steps as may be necessary to terminate the Company Stock Incentive Plans as of the Effective Time.

(b) At the Effective Time, (i) each Company RSU outstanding under the Company Stock Incentive Plans, the vesting of which is not dependent upon the achievement of any performance measures (a “Time-Based RSU”) shall become immediately vested in full and all restrictions thereupon shall lapse and (ii) each Company RSU other than the Time-Based RSUs (a “Performance-Based RSU”) shall be deemed earned with respect to the target number of Shares subject to such Performance-Based RSU (the “Target RSU Shares”), and unless otherwise agreed to in writing by the Parent and the holder of such Company RSU prior to the Effective Time, each outstanding Company RSU (including those Company RSUs that vest or are deemed earned by reason of the consummation of the Merger) shall be cancelled and the holder thereof shall be entitled to receive a payment in cash of an amount equal to the product of (i) the total number of Shares previously underlying such Time-Based RSU (or, in the case of a Performance-Based RSU, the applicable Target RSU Shares) and (ii) the Per Share Merger Consideration (such amount being hereafter referred to as the “RSU Consideration”). The RSU Consideration in respect of the Time-Based RSUs shall be paid by the Surviving Corporation as soon as practicable following the Effective Time. The RSU Consideration in respect of Performance-Based RSUs shall be paid by the Surviving Corporation at the time such Performance-Based RSUs otherwise would have vested if they had not been cancelled in accordance with the foregoing, subject to the holder’s continued employment or service through the applicable vesting date, or earlier acceleration, in each case in accordance with the terms of such Performance-Based RSUs. From and after the Effective Time, there shall be outstanding no Company RSUs, and the former holders thereof shall be entitled only to the payment of the RSU Consideration, if any. At the Effective Time, each outstanding unvested Performance-Based RSU in respect of any underlying Shares other than the Target RSU Shares shall be forfeited and cancelled without payment of consideration.

(c) Each of the current “Purchase Periods” (as defined in the Company ESPP) in progress as of the date of this Agreement under the Company ESPP shall continue, and the Shares shall be issued to participants thereunder on the next currently scheduled purchase date thereunder occurring after the date of this Agreement as provided under, and subject to the terms and conditions of, the Company ESPP, except that any Purchase Period that would otherwise be in progress as of the Effective Time shall be shortened, and the last day of such Purchase Period shall be the second Business Day immediately preceding the Effective Time. Each then-outstanding Company ESPP Purchase Right under the Company ESPP shall be exercised automatically on the new last day of such Purchase Period. To the extent any Shares so purchased remain outstanding at the Effective Time, such Shares shall be treated in accordance with Section 2.6. As promptly as practicable following the date of this Agreement, the Company and Company Board (or, if appropriate, any committee thereof) shall adopt such resolutions or take such other actions as are required or reasonably requested by Parent to prohibit the commencement of any new Purchase Period under the Company ESPP at or after the date of this Agreement and prior to the earlier of the termination of this Agreement or the Effective

Time.

(d) The Company Board (or appropriate committee thereof) shall adopt resolutions and take all other such action as may be reasonably necessary to effectuate the treatment of the Company Stock Options, Company RSUs and Company ESPP Purchase Rights (collectively, the “Company Equity Awards”) as contemplated by this Section 2.8 to the effect that (i) all awards issued under the Company Stock Incentive Plans shall be settled as of the Effective Time as contemplated by this Agreement, and (ii) neither any holder of Company Equity Awards, nor any other participant in any Company Stock Incentive Plan shall have any right thereunder to acquire any securities of the Company, the Surviving Corporation, Parent, or to receive any payment or benefit with respect to any award previously granted under the Company Stock Incentive Plans, except as provided in this Section 2.8.

2.9. Adjustments. In the event that, between the date of this Agreement and the Effective Time, the Company changes the number of Shares issued and outstanding as a result of a reclassification, stock split (including a reverse stock split), stock dividend or distribution, recapitalization, merger, issuer tender or exchange offer, or other similar transaction, or declares or pays any dividend or other distribution, the Per Share Merger Consideration shall be correspondingly adjusted to reflect such change and to provide the holders of Shares the same economic effect as contemplated by this Agreement prior to such action, and as so adjusted shall, from and after the date of such event, be the Per Share Merger Consideration.

ARTICLE III

Company Material Adverse Effect. The Company and each of its Subsidiaries is duly qualified or licensed to do business and is in good standing in each jurisdiction in which the nature of its business or the ownership or leasing of its properties makes such qualification or licensing necessary, except in such jurisdictions where the failure to be so duly qualified or licensed and in good standing has not had or would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect. The Company has made available to Parent true, complete and correct copies of its certificate of incorporation and by-laws and has made available to Parent the certificate of incorporation and by-laws (or similar organizational documents) of each of its Subsidiaries.

There are no voting trusts, proxies or other agreements to which the

3.4. Authority.

(a) The Company has the requisite corporate power and authority to execute and deliver this Agreement and, subject to obtaining the Requisite Company Vote, to perform its obligations hereunder and to consummate the Merger and the other transactions contemplated hereby. The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the Merger and the other transactions contemplated hereby have been duly authorized by all necessary corporate action on the part of the Company, subject to adoption of this Agreement by the holders of a majority of the outstanding Shares (the “Requisite Company Vote”). This Agreement has been duly executed and delivered by the Company and (assuming the valid authorization, execution and delivery of this Agreement by Parent and Merger Sub) constitutes the valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except that such enforceability (i) may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting or relating to the enforcement of creditors’ rights generally and (ii) is subject to general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(b) The Company Board, at a meeting duly called and held, has unanimously (i) determined that this Agreement and the Merger and the other transactions contemplated hereby are fair to, and in the best interests of, the stockholders of the Company, (ii) approved and declared advisable this Agreement and the Merger and the other transactions contemplated hereby, and (iii) resolved to recommend adoption by the stockholders of the Company of this Agreement, which resolutions, as of the date hereof, have not been subsequently withdrawn or modified in a manner adverse to Parent or Merger Sub.

3.5. Consents and Approvals; No Violations. Except for filings, permits, authorizations, consents and approvals set forth in Section 3.5 of the Company Disclosure Letter or filing of the Merger Certificate with the Secretary of State, filing of the Proxy Statement or as may be required under, and other applicable requirements of, the Exchange Act, the HSR Act, the CFIUS Approval, the DGCL, the rules and regulations of the NASDAQ and state securities Laws, neither the execution, delivery or performance of this Agreement by the Company nor the consummation by the Company of the transactions contemplated hereby will (a) contravene, conflict with, or result in any violation or breach of any provision of the certificate of incorporation or the bylaws of the Company or of the similar organizational documents of any of the Company’s Subsidiaries, (b) require the Company to provide any notice to, or make any filing with, or obtain any permit, authorization, consent or approval of, any Governmental Entity or workers council or similar organization, (c) assuming compliance with the matters referred to in clause (b) and obtaining the Stockholder Approval, contravene, conflict with or result in a violation or breach of any provision of any applicable Law, (d) require any consent or other action by any Person under, constitute a default, or an event that, with or without notice or lapse of time or both, could become a default, under, or cause or permit the termination, cancellation, acceleration or other change of any right or obligation or the loss of any benefit under, any of the terms, conditions or provisions of any Material Contract, or (e) result in the creation or imposition of any Lien on any asset of the Company or any of its Subsidiaries, with such exceptions, in the case of each of clauses (b) through (e), as would not have or would not be reasonably expected to have, individually or in the aggregate, a Company Material Adverse Effect.

No consent, approval, Order or authorization of, filing or registration with, or notification to any Governmental Authorities (any of the foregoing being referred to herein as a Consent) is required on the part of the Company

(including on behalf of or in respect of any of its Subsidiaries) in connection with the execution and delivery by the Company of this Agreement, the performance by the Company of its covenants and obligations hereunder and the consummation by the Company of the transactions contemplated hereby, except:

- (e) both (i) the submission of a voluntary joint filing of notice of the transaction to the German Ministry of Economy and Energy and any requested supplemental information (the German Joint Notice) pursuant to the German Foreign Trade and Payments Ordinance and (ii) the German Foreign Investment Approval;
- (f) the Taiwan Approvals;
- (g) any other International Approvals; and
- (h) such other Consents, the failure of which to obtain would not have, individually or in the aggregate, a Company Material Adverse Effect or prevent or materially delay the consummation by the Company of the transactions contemplated hereby or the performance by the Company of its covenants and obligations hereunder.

3.6. Company SEC Documents. The Company has filed with or furnished to the SEC, on a timely basis, all forms, reports, statements, certifications, schedules and other documents required to be filed with the SEC or furnished to the SEC by the Company since December 31, 2010 under the Securities Act or the Exchange Act (all such forms, reports, statements, certifications, schedules and other documents filed since December 31, 2010 together with any documents so filed or furnished during such period on a voluntary basis, as the same may have been amended since their filing, collectively, the “Company SEC Documents”). As of their respective filing dates, the Company SEC Documents complied in all material respects with the requirements of the Securities Act or the Exchange Act, as the case may be, each as in effect on the date so filed. At the time filed with the SEC (or if amended prior to the date hereof, as of the date of such amendment), none of the Company SEC Documents contained any untrue statement of a material fact or omitted a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. (b) The Company (i) has implemented and maintains disclosure controls and procedures (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) to ensure that material information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and is accumulated and communicated to the Company's management as appropriate to allow timely decisions regarding required disclosure, and (ii) has disclosed to the Company's auditors and the audit committee of the Company Board (A) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting that are reasonably likely to adversely affect in any material respect the Company's ability to record, process, summarize and report financial information and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in the Company's internal controls over financial reporting. The principal executive officer and principal financial officer of the Company have made all certifications required by the Sarbanes-Oxley Act and the regulations of the SEC promulgated thereunder, and the statements contained in all such certifications were as of their respective dates made true, complete and correct.

(c) Since January 1, 2010 through the date of this Agreement, to the Knowledge of the Company, (i) none of the Company, any of its Subsidiaries or any director, officer, or auditor of the Company or any of its Subsidiaries has received, or otherwise had or obtained knowledge of, any material complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of the Company or any of its Subsidiaries or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that the Company or any of its Subsidiaries has engaged in questionable accounting or auditing practices, and (ii) no attorney representing the Company or any of its Subsidiaries, whether or not employed by the Company or any of its Subsidiaries, has reported evidence of a material violation of securities Laws, breach of fiduciary duty or similar violation by the Company or any of its officers, directors, employees or agents to the Company Board or any committee thereof or to any director or officer of the Company.

3.8. Absence of Material Adverse Change. From December 31, 2012 through the date hereof, (a) the Company and its Subsidiaries have conducted their respective businesses in all material respects in the ordinary course consistent with past practice, (b) there has not occurred any fact, circumstance, change, event, occurrence or effect that has had or would reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, and (c) neither the Company nor any of its Subsidiaries has taken any action or agreed to take any action that would be prohibited by Section 5.1 if it were taken on or after the date of this Agreement without Parent's consent.

3.9. Information Supplied. None of the information supplied or to be supplied in writing by the Company or any of its Representatives specifically for inclusion or incorporation by reference in the Proxy Statement relating to the Stockholders Meeting will, at the time the Proxy Statement is first mailed to the Company's stockholders or at the time of the Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading, except that no representation or warranty is made by the Company with respect to statements made or incorporated by reference therein based on information supplied in writing by Parent or Merger Sub or any of their Representatives specifically for inclusion or incorporation by reference therein.

Each of the Company and its Subsidiaries is in possession of all licenses, certificates, authorizations, consents, permits, approvals and other similar authorizations of, from or by a Governmental Entity (collectively, "Permits") necessary for it to own, lease or operate its properties and assets and to carry on its business as now conducted; all such Permits are valid and in full force and effect; no default has occurred under, and there exists no event that, with notice or passage of time or both, would result in a default under, any such Permit; and none of the Company or any of its Subsidiaries has received any cease and desist letters or material inquiries from any Governmental Entity with respect to any such Permit, except where the absence of Permits, failure of Permits to be valid and in full force and effect, or defaults under Permits have not had or would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect.

(b) Since December 31, 2010, (i) neither the Company nor any of its Subsidiaries nor, to the Knowledge of the Company, any of their respective Representatives, auditors or accountants has received (x) any material written notice or other written communication from a Governmental Entity that alleges that the Company or any of its Subsidiaries is not in compliance with any Law applicable to the Company, any of its Subsidiaries or their respective businesses, operations, properties or assets or (y) any material written notice or other written communication or, to the Knowledge of the Company, any oral complaint, allegation, assertion or claim on a hotline or whistleblower or similar telephone line or service regarding deficiencies in the compliance practices, procedures, methodologies or methods of the Company or its Subsidiaries or their employees or their respective internal compliance controls, including any complaint, allegation, assertion or claim that the Company or its Subsidiaries or their employees has engaged in illegal practices with respect to the business of the Company and its Subsidiaries, and (ii) no attorney representing the Company or its Subsidiaries or any of their employees has reported evidence of a material violation of any Laws by the Company or its Subsidiaries or any of their Representatives.

(a) Each Benefit Plan is listed in Section 3.14(a) of the Company Disclosure Letter. Each such Benefit Plan has been publicly filed or otherwise made available to Parent, and with respect to each such Benefit Plan, the Company has made available to Parent a true, complete and correct copy of (to the extent applicable) (i) each trust, funding, insurance or administrative agreement relating to each such Benefit Plan; (ii) the most recent summary plan description or other written explanation of each such Benefit Plan provided to participants; (iii) the two most recent Forms 5500 required to have been filed with the IRS (or any similar reports filed in any comparable non-U.S. Governmental Entity) and any schedule thereto; and (iv) the most recent determination letter issued by the IRS (or comparable qualification document issued by a comparable non-U.S. Governmental Entity). All employer or employee contributions, premiums and expenses to or in respect of each Benefit Plan have been paid in full or, to the extent not yet due, have been adequately accrued on the applicable financial statements of the Company included in the Company SEC Documents in accordance with GAAP.

(c) No Benefit Plan is subject to Title IV of ERISA, neither the Company nor any of its Subsidiaries or ERISA Affiliates has incurred any liability under Title IV of ERISA and, to the Knowledge of the Company, there is no risk that any such liability could be incurred. (d) As of the date hereof, there are no pending or, to the Knowledge of the Company, threatened, disputes, arbitrations, claims, suits or grievances involving a Benefit Plan (other than routine claims for benefits payable under any such Benefit Plan) that could result in a material liability to the Company or any of its Subsidiaries.

(e) All Benefit Plans that are intended by their terms to be qualified under Section 401(a) of the Code have been determined by the IRS to be so qualified, or a timely application for such determination is now pending or is not yet required to be filed and nothing has occurred that presents a material risk to the qualification of such plans. Neither the Company nor any of its Subsidiaries has any liability or obligation under any welfare plan or agreement to provide benefits after termination of employment to any employee or dependent other than as required by Section 4980B of the Code or applicable Law.

(f) Except as expressly provided under this Agreement, neither the entering into this Agreement nor the consummation of the transactions contemplated by this Agreement will (alone or in combination with any other event) (i) entitle any current or former officer, director, manager, employee or consultant of the Company or any Subsidiary or any independent contractor to severance pay or any other payment, (ii) accelerate the time of payment or vesting, result in any forgiveness of indebtedness or trigger any payment of funding (through a grantor trust or otherwise) of compensation or benefits under, increase the amount payable or trigger any other material obligation pursuant to, any Benefit Plan or other arrangement, or (iii) result in any payment (whether in cash or property or the vesting of property) to any “disqualified individual” (as such term is defined in Treasury Regulation Section 1.280G-1) that could

reasonably be construed, individually or in combination with any other such payment, to constitute an “excess parachute payment” (as defined in Section 280G(b)(1) of the Code). No person is entitled to receive any additional payment (including any tax gross-up or other payment) from the Company or any of its Subsidiaries as a result of the imposition of any excise taxes required by Section 4999 of the Code or any taxes required by Section 409A of the Code.

(a) Section 3.15(a) of the Company Disclosure Letter contains a true, complete and correct list of all registered trademarks, copyrights, patents and domain names and applications for the foregoing (“Registered Intellectual Property”), and material unregistered Intellectual Property, in each case that is Company Intellectual Property. Each item of Registered Intellectual Property is in good standing with the Governmental Entity with which it is registered or pending. The Company and its Subsidiaries own, or are validly licensed or otherwise have the right to use all Intellectual Property reasonably necessary for the conduct of the business of the Company and its Subsidiaries substantially as currently conducted. No claims are pending or, to the Knowledge of the Company, threatened, (i) challenging the ownership, enforceability or validity of any Company Intellectual Property, or (ii) alleging that the Company or any of its Subsidiaries is violating, misappropriating or infringing the rights of any Person with regard to any Intellectual Property other than claims that, individually or in the aggregate, have not had or would not reasonably be expected to have a Company Material Adverse Effect. The Company and its Subsidiaries have taken reasonable and appropriate steps to (i) maintain and police trademarks and service marks that comprise any part of the Company Intellectual Property and (ii) protect and preserve the confidentiality of the trade secrets that comprise any part of the Company Intellectual Property, and to the Knowledge of the Company, there are no unauthorized uses, disclosures, dilutions or infringements of any such trademarks, service marks, or trade secrets. Except as would not have or would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, neither the execution and delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement shall impair or alter any of the Company’s or its Subsidiaries’ rights in any Company Intellectual Property.

(b) The Company and its Subsidiaries own the Company Intellectual Property free from any Liens, other than Permitted Liens. Except for matters that have not had or would not reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect, the Company and its Subsidiaries have, at all times, complied with all applicable Law and their own policies and procedures relating to data privacy and security. The Company and its

Subsidiaries maintain and are in compliance with (i) policies and procedures regarding disaster recovery that are commercially reasonable and, in any event, are in compliance with all applicable Laws, and (ii) industry standard system security measures and procedures to protect against unauthorized access to, or the destruction, loss or alteration of customer data or information. To the Knowledge of the Company, computer services or other information technology assets of the Company or of any of its Subsidiaries that are material to each of their respective businesses do not contain any viruses, malicious code or other faults that present a substantial risk that a Person would obtain unauthorized access to them. To the Knowledge of the Company, since December 31, 2010, there have been no (A) failures of computer services or other information technology assets that have caused disruptions that are material to the Company or any of its Subsidiaries or customers, or (B) security breaches relating to, violations of any security policy regarding or any unauthorized access of any data, computer services or other information technology assets used in the business of the Company or any of its Subsidiaries.

No Consent of any Person is required on the part of Parent, Merger Sub or any of their Affiliates in connection with the execution and delivery by Parent and Merger Sub of this Agreement, the performance by Parent and Merger Sub of their respective covenants and obligations hereunder and the consummation by Parent and Merger Sub of the transactions contemplated hereby, except:

- (g) the filings, approvals or clearances with or by the Governmental Authorities in Taiwan with respect to the transactions contemplated hereby, including the submission and approval of the Taiwan Application and/or any other filings, approvals or clearances for foreign/PRC investments under the Act Governing Relations between the People of the Taiwan Area and the Mainland Area (collectively, the Taiwan Approvals),

- (i) such other Consents, the failure of which to obtain would not, individually or in the aggregate, prevent or materially delay the consummation by Parent or Merger Sub of the transactions contemplated hereby, or the performance by Parent or Merger Sub of their respective covenants and obligations hereunder.

4.4. Information Supplied. None of the information supplied or to be supplied in writing by Parent or Merger Sub or any of their Representatives specifically for inclusion or incorporation by reference in the Proxy Statement will, at the time the Proxy Statement is first mailed to the Company's stockholders or at the time of the Stockholders Meeting, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they are made, not misleading, except that no representation or warranty is made by Parent or Merger Sub with respect to statements made or incorporated by reference therein based on information supplied in writing by the Company or any of its Representatives specifically for inclusion or incorporation by reference therein.

4.5. Litigation. There is no material Action pending or, to the Knowledge of Parent, threatened against Parent or any of its Subsidiaries (including Merger Sub) that would reasonably be expected, individually or in the aggregate, to prevent or materially impair or delay the consummation of the Merger or any of the other transactions contemplated by this Agreement. None of Parent or any of its Subsidiaries (including Merger Sub) is subject to or bound by any material outstanding Orders that would reasonably be expected, individually or in the aggregate, to prevent or materially delay or impede the consummation of the Merger or any of the other transactions contemplated by this Agreement.

4.6. Operations of Merger Sub. Merger Sub has been formed solely for the purpose of the Merger, Merger Sub has not conducted any business prior to the date hereof and Merger Sub has no, and prior to the Effective Time will not have any, assets, liabilities or obligations of any nature other than those incident to its formation and pursuant to this Agreement and the Merger and the other transactions contemplated by this Agreement, including the Financing.

4.7. Financing.

(a) Parent has delivered to the Company true, complete and correct copies of (i) the executed commitment letter, dated as of the date hereof, among Parent and the Guarantors (the “Equity Commitment Letter”), pursuant to which the Guarantors have committed, subject to the terms and conditions thereof, to invest in Parent the cash amounts set forth therein (the “Equity Financing”), and (ii) the executed commitment letter, dated as of the date hereof, among Parent, Merger Sub and [] (the “Debt Commitment Letter”, together with the Equity Commitment Letter, the “Financing Letters”), pursuant to which the counterparties thereto have committed, subject to the terms and conditions thereof, to lend the amounts set forth therein (the “Debt Financing” and, together with the Equity Financing, the “Financing”).

(b) Assuming the accuracy of the representations and warranties of the Company in this Agreement as of the Closing Date and the performance by the Company of its obligations hereunder, the amount of funds to be provided pursuant to the Financing Letters, if funded in accordance with the terms of the Financing Letters together with at least \$[] of Available Cash will be sufficient to (i) pay the aggregate Per Share Merger Consideration to all holders of Shares (other than any Shares that are the subject of Section 2.6(d)), including the amounts payable pursuant to Section 2.8, (ii) repay the principal and interest on all indebtedness outstanding under the Credit Facilities, and (iii) pay any and all fees and expenses required to be paid at the Closing by Parent or Merger Sub in connection with the Merger and the Financing.

(c) As of the date hereof, the Financing Letters are in full force and effect. Other than as set forth in the Financing Letters and any fee letter (a “Fee Letter” and, together with the Debt Commitment Letter, the “Debt Financing Letters”), a copy of which has been provided to the Company prior to the date hereof (except that only the fee amounts, consent fees, price caps (including price caps in any securities demand provisions) and economic “flex” provisions set forth therein have been redacted), there are no conditions precedent related to the funding of the full net amount of the Financing that would, or would reasonably be expected to, (i) impair the validity of the Financing Letters, (ii) reduce the aggregate amount of the Financing, or (iii) prevent or materially delay the Closing. As of the date hereof, no event has occurred which, with or without notice, lapse of time or both, would constitute a default or breach on the part of Parent or Merger Sub or, to the Knowledge of Parent, any of the other parties thereto, under the Financing Letters, other than any such default or breach that has been waived by the Guarantors or the Financing Sources, as the case may be, or otherwise cured in a timely manner by Parent or Merger Sub to the satisfaction of the Guarantors or the Financing Sources, as the case may be. As of the date hereof, there are no side letters or other Contracts imposing conditions upon the Financing other than the Financing Letters, any Fee Letter, and any engagement letter relating to any offering of debt securities in connection with the transactions contemplated hereby other than as expressly set forth in the Financing Letters delivered to the Company prior to the date hereof. As of the date hereof, Parent and Merger Sub have fully paid, or caused to be fully paid, any and all commitment or other fees which are due and payable on or prior to the date hereof pursuant to the terms of the Financing Letters.

4.8. Limited Guaranty. Concurrently with the execution of this Agreement, the Guarantors have delivered to the Company the duly executed Limited Guaranty. The Limited Guaranty is in full force and effect and is the valid, binding and enforceable obligation of each Guarantor, except that such enforceability (a) may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar Laws affecting or relating to the enforcement of

creditors' rights generally and (b) is subject to general principles of equity (regardless of whether considered in a proceeding in equity or at law). As of the date hereof, no event has occurred, which, with or without notice, lapse of time or both, would constitute a default on the part of any Guarantor under the Limited Guaranty.

4.9. Brokers. No agent, broker, finder or investment banker, financial advisor or other Person, other than [], is entitled to any broker's, brokerage, finder's, financial advisor's or other similar fee or commission in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of Parent or Merger Sub for which the Company could have any liability.

(a) Notwithstanding any other provision of this Agreement to the contrary, during the period beginning on the date of this Agreement and continuing until the Solicitation Period End-Date, the Company and its Representatives shall have the right, directly or indirectly, to (i) solicit, initiate, facilitate or encourage any inquiries regarding, or the making of any proposal or offer that constitutes, an Acquisition Proposal, including by way of providing access to the officers, employees, agents, properties, books and records of the Company and its Subsidiaries and access to non-public information pursuant to one or more Acceptable Confidentiality Agreements; provided, that the Company shall promptly (and in any event within twenty-four (24) hours) provide or make available to Parent any written material non-public information concerning the Company or any of its Subsidiaries that is provided or made available to any Person and that was not previously provided or made available to Parent; and (ii) continue, enter into and maintain discussions or negotiations with respect to Acquisition Proposals or other proposals that could lead to Acquisition Proposals, or otherwise cooperate with or assist or participate in, or facilitate any such discussions or negotiations. For purposes of this Agreement, “Solicitation Period End-Date” means 11:59 p.m. (EST) on the date that is forty-five (45) days after the date of this Agreement. Parent shall not, and shall cause its Affiliates (including Merger Sub) not to, actively interfere with or prevent the participation of any Person, including any officer or director of the Company or any of its Subsidiaries and any bank, investment bank or other potential provider of debt or equity financing (other than the parties to the Debt Commitment Letter), in negotiations and discussions permitted by this Section 5.2(a).

(b) Except as expressly permitted by Section 5.2(c), (x) the Company shall, and shall cause its Subsidiaries to, and shall use its reasonable best efforts to cause its Representatives to, on the Solicitation Period End-Date, immediately cease any existing solicitations, discussions or negotiations with any Persons (other than, prior to the Cut-Off Date, any Excluded Party) that may be ongoing with respect to any Acquisition Proposals or any proposal reasonably likely to result in an Acquisition Proposal (and the Company shall demand that all copies of all non-public information it or its Subsidiaries or their respective Representatives have distributed or made available since the date hereof to Persons (other than, prior to the Cut-Off Date, any Excluded Party) in connection with their consideration of any Acquisition Proposal (other than with respect to Parent and its Affiliates), be promptly destroyed or returned to the Company (subject to the exceptions set forth in any applicable confidentiality agreement)) and cause any physical or virtual data room to no longer be accessible to or by any Person other than Parent and its Affiliates and, prior to the Cut-Off Date, any Excluded Party; and (y) from the Solicitation Period End-Date until the earlier to occur of the Effective Time or the termination of this Agreement in accordance with Article VII, the Company and its Subsidiaries shall not, and the Company shall use its reasonable best efforts to cause its Representatives not to, directly or indirectly, (i) initiate, solicit or knowingly encourage, facilitate or assist any inquiries or the making of any proposal or offer that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal, (ii) engage in, continue or otherwise participate in any discussions or negotiations regarding any proposal or offer that constitutes, or may reasonably be expected to lead to, an Acquisition Proposal, or provide any non-public information or data to any Person relating to the Company or any of its Subsidiaries, or afford to any Person access to the business, properties, assets or personnel of the Company or any of its Subsidiaries, (iii) enter into any other acquisition agreement, merger agreement or similar definitive agreement, letter of intent or agreement in principle with respect thereto or any other agreement relating to an Acquisition Proposal (an “Alternative Acquisition Agreement”), (iv) grant any waiver, amendment or release under any standstill or confidentiality agreement, or (v) otherwise knowingly facilitate any effort or attempt to make an Acquisition Proposal other than, in each case, to request information from the Person making any such proposal or offer for the sole purpose of the Company Board informing itself about the proposal or offer that has been made and the Person that made it or to notify any Person of the Company’s obligations under this Section 5.2. Notwithstanding the foregoing, the Company may continue to take any of the actions described in clauses (i), (ii), (iv) or (v) above from and after the Solicitation Period End-Date with respect to any Excluded Party until the date that is fifteen (15) days following the Solicitation Period End-Date (the “Cut-Off Date”); provided, that the Cut-Off Date shall be extended until the second Business Day following the expiration of any Negotiation Period relating to a Superior Proposal made by an Excluded Party for which the Company delivered a notice of termination under Section 7.3(a) prior to the original Cut-Off Date (but only with respect to any such Excluded Party). “Excluded Party” means any Person, group of Persons or group that includes any Person (so long as such Person and the other members of such group, if any, who were members of such group immediately prior to the Solicitation Period

End-Date constitute at least 50% of the equity financing of such group at all times following the Solicitation Period End-Date and prior to the termination of this Agreement) (including, with respect thereto, their Representatives) from whom the Company or any of its Representatives has received prior to the Solicitation Period End-Date a written Acquisition Proposal that the Company Board determines in its good faith judgment prior to the Solicitation Period End-Date, after consultation with its independent financial advisor and outside counsel, is bona fide and is, or would reasonably be expected to result in, a Superior Proposal. Within two (2) Business Days following the Solicitation Period End-Date, the Company shall deliver to Parent a list of all Excluded Parties.

(c) From and after the date of this Agreement, the Company shall promptly notify Parent orally (and then in writing within twenty-four (24) hours) after it or any of its Subsidiaries or any of their respective Representatives has received any request for discussions or negotiations, any request for access to the properties or books and records of the Company or any of its Subsidiaries of which the Company or any of its Subsidiaries or any of their respective Representatives is or has become aware, or any request for information relating to the Company or any of its Subsidiaries, in each case, in connection with an Acquisition Proposal or any proposal, inquiry, offer or request relating to or constituting an Acquisition Proposal or a potential Acquisition Proposal or any amendments to the financial or material terms of the foregoing. Such notice to Parent shall indicate the identity of the Person making such proposal or request and the material terms and conditions of such proposal, if any. Following the Solicitation Period End Date, the Company shall keep Parent reasonably informed on a current basis (and in any event within twenty-four (24) hours) of the status of any material developments, discussions or negotiations regarding any such Acquisition Proposal or any change to the financial or material terms of any such Acquisition Proposal, including by providing a copy, if applicable, of any written requests, proposals or offers, including proposed agreements, regarding any such Acquisition Proposal within twenty-four (24) hours after the receipt thereof. Notwithstanding Section 5.2(b) but without limiting the actions permitted by Sections 5.2(a) and 5.2(b) and subject to complying with Section 5.2(b), if, prior to the time the Stockholder Approval is obtained, the Company receives a bona fide written Acquisition Proposal from any Person that did not result from a breach of any provision of this Section 5.2 and that the Company Board concludes in good faith, after consultation with its independent financial advisor and outside legal counsel, constitutes a Superior Proposal or would reasonably be expected to result in a Superior Proposal, (x) the Company and its Representatives may provide access and non-public information with regard to the Company and its Subsidiaries in response to a request therefor by such Person if the Company receives from such Person (or has received from such Person) an executed Acceptable Confidentiality Agreement (a copy of which the Company shall promptly (and in any event, within twenty-four (24) hours) provide to Parent following execution thereof), provided, that the Company shall promptly (and in any event, within twenty-four (24) hours) make available to Parent and Merger Sub any non-public information concerning the Company or its Subsidiaries that is provided to any Person given such access which was not previously made available to Parent or Merger Sub, and (y) the Company and its Representatives may engage or participate in any discussions or negotiations with such Person, in each case, provided, that the Company Board concludes in good faith, after consultation with its outside legal counsel, that failure to take such action described in the foregoing clauses (x) or (y) would cause the Company Board to violate its fiduciary duties to the stockholders of the Company under applicable Law.

(d) Except as set forth in this Section 5.2(d), neither the Company Board nor any committee thereof shall withhold, withdraw, qualify, change, amend or modify (or publicly propose or resolve to withhold, withdraw, qualify, change, amend or modify), in any manner adverse to Parent, the Company Recommendation with respect to the Merger, make any public statement in connection with the Company Recommendation or in reference to an Acquisition Proposal that is inconsistent with the Company Recommendation and in any manner adverse to Parent, fail to include the Company Recommendation in the Proxy Statement or fail to make or reaffirm the Company Recommendation within five (5) Business Days following Parent's written request to do so following the Company's or its Representatives' receipt of an Acquisition Proposal (any of the foregoing, a "Change of Recommendation"), or adopt, approve or recommend or otherwise declare advisable (publicly or otherwise), or propose to adopt, approve or recommend (publicly or otherwise) an Acquisition Proposal, or cause or permit the Company to enter into any Alternative Acquisition Agreement. Notwithstanding anything to the contrary set forth in this Agreement, prior to the

time the Stockholder Approval is obtained, the Company Board may effect a Change of Recommendation (and, in the case of the following clause (y), terminate this Agreement pursuant to Section 7.3(a) and enter into an Alternative Acquisition Agreement) if (x) an event, fact, development or occurrence affecting the business, assets or operations of the Company (but not relating to an Acquisition Proposal) that was neither known nor reasonably foreseeable to the Company Board as of the date of this Agreement becomes known to the Company Board (an “Intervening Event”), or (y) if the Company receives an Acquisition Proposal that is a binding, written offer capable of acceptance that the Company Board concludes in good faith, after consultation with its independent financial advisor and outside counsel, constitutes a Superior Proposal, provided, that in order to effect a Change of Recommendation under either clause (x) or (y) or terminate this Agreement to enter into a definitive agreement with respect to a Superior Proposal under clause (y):

(i) the Company Board concludes in good faith, after consultation with its independent financial advisor and outside counsel, that failure to do so would be inconsistent with its fiduciary obligations under applicable Law and the Company shall have complied with all of its obligations under this Section 5.2;

(ii) the Company shall have provided prior written notice to Parent, at least three (3) Business Days in advance of making such Change of Recommendation or such termination (such period, the “Negotiation Period”), advising Parent of the intention to effect a Change of Recommendation or terminate this Agreement pursuant to Section 7.3(a), which notice shall specify in detail the basis for the Change of Recommendation or termination and, in the case of a Superior Proposal, the identity of the party making such Superior Proposal and the material terms thereof and include copies of the final forms of all relevant documents relating to such Superior Proposal;

(iii) during the Negotiation Period, the Company shall have, and shall have caused its Representatives to, negotiate with Parent in good faith with respect to changes to the terms and conditions of this Agreement or the transactions contemplated hereby (or as to other proposals made by Parent); and

(iv) after so negotiating with Parent and Merger Sub during the Negotiation Period, the Company Board shall have considered in good faith any and all changes to this Agreement and the transactions contemplated hereby offered by Parent (or other proposals made by Parent) and shall have concluded, after consultation with its independent financial advisor and outside legal counsel, (A) in the event the Company Board’s determination pursuant to clause (d)(i) above is in response to a Superior Proposal, that such Superior Proposal would continue to constitute a Superior Proposal even if such changes or other proposals were to be given effect, provided, that if any material amendment or revision is made to the Acquisition Proposal that the Company Board has determined to be a Superior Proposal, the Company shall be required to deliver a new written notice to Parent with respect to each successive such amendment or revision and to comply with the requirements of this Section 5.2 (including Section 5.2(d)) with respect to such new written notice and the Negotiation Period shall recommence, or (B) in the event the Company Board’s determination pursuant to clause (d)(i) above is in response to an Intervening Event, that such changes would not obviate the need for a Change of Recommendation in response to such Intervening Event.

(e) Nothing contained in this Section 5.2 shall be deemed to prohibit the Company or the Company Board or any committee thereof from (i) complying with its disclosure obligations under U.S. federal or state Law with regard to an Acquisition Proposal, including taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2(a) under the Exchange Act, or (ii) making any “stop-look-and-listen” communication to the stockholders of the Company pursuant to Rule 14d-9(f) under the Exchange Act; provided, that any such disclosure (other than a “stop, look and listen” communication or similar communication of the type contemplated by Rule 14d-9(f) under the Exchange Act) shall be deemed, for all purposes of this Agreement, to be a Change of Recommendation unless the Company Board expressly publicly reaffirms the Company Recommendation within two (2) Business Days following any request by Parent.

(f) No Change of Recommendation shall change the approval of the Company Board for purposes of Section 251(b) of the DGCL.

(g) The Company acknowledges and agrees that any violation of the restrictions set forth in this Section 5.2 by any Representatives of the Company or any Subsidiary of the Company or their respective Representatives shall be deemed to be a breach of this Section 5.2 by the Company.

5.3. Proxy Statement.

(a) As promptly as reasonably practicable, and in any event within twenty (20) Business Days, after the date of this Agreement, the Company shall prepare and file with the SEC a preliminary proxy statement relating to the Stockholders Meeting (together with any amendments thereof or supplements thereto, the "Proxy Statement"). Unless there is a Change of Recommendation in accordance with Section 5.2, the Proxy Statement shall include the recommendation of the Company Board that the stockholders of the Company vote in favor of the adoption of this Agreement in accordance with the DGCL (the "Company Recommendation"). The Company agrees that at the date of mailing to stockholders of the Company and at the time of the Stockholders Meeting:

(i) the Proxy Statement will comply in all material respects with the applicable provisions of the Exchange Act and the rules and regulations thereunder and

(ii) none of the information supplied by it or any of its Subsidiaries for inclusion or incorporation by reference in the Proxy Statement will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, that no representation or warranty is made by the Company with respect to statements made or incorporated by reference therein to the extent based on information supplied by or on behalf of Parent or Merger Sub or any Affiliate of Parent or Merger Sub in specifically for inclusion or incorporation by reference in the Proxy Statement. Parent agrees to provide or cause to be provided all information with respect to itself, its Subsidiaries and its Representatives as may be reasonably requested by the Company for inclusion in the Proxy Statement, and that, at the date of mailing to stockholders of the Company and at the time of the Stockholders Meeting, none of the information supplied by it or any of its Subsidiaries for inclusion or incorporation by reference in the Proxy Statement will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, that no representation or warranty is made by either Parent or Merger Sub with respect to statements made or incorporated by reference therein to the extent based on information supplied by the Company or any Affiliate of the Company specifically for inclusion or incorporation by reference in the Proxy Statement.

(b) The Company shall promptly, following its or its legal counsel's receipt thereof, inform Parent of any and all comments (written or oral) of the SEC with respect to the Proxy Statement and of any request by the SEC for any amendment or supplement thereto or for additional information, and the Company shall promptly provide to Parent copies of all correspondence between the Company and/or any of its Representatives and the SEC with respect to the Proxy Statement. The Company and Parent shall each use its reasonable best efforts to promptly provide responses to the SEC with respect to all comments received on the Proxy Statement from the SEC and to make any amendments or filings as may be necessary in connection therewith. Each of the Company and Parent agrees to promptly correct any information provided by it for use in the Proxy Statement if and to the extent such information shall have become false or misleading in any material respect or as otherwise required by applicable Law, and the Company further agrees to cause the Proxy Statement, as so corrected (if applicable), to be filed with the SEC and, if any such correction is made following the mailing of the Proxy Statement as provided in this Section 5.3(b), mailed to the stockholders of the Company, in each case as and to the extent required by the Exchange Act. The Company shall

cause the definitive Proxy Statement to be mailed promptly after the date the SEC staff advises that it has no further comments thereon or that the Company may commence mailing the Proxy Statement.

(c) Subject to applicable Law, prior to filing or mailing the Proxy Statement or filing any other required filings (or, in each case, any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, the Company shall provide Parent with a reasonable opportunity to review and comment on such document or response and shall include in such document or response comments reasonably proposed by Parent.

5.4. Stockholders Meeting.

(a) Subject to Section 5.3(a), the Company will take, in accordance with applicable Law and its certificate of incorporation and bylaws, all reasonable action necessary to convene a special meeting of the stockholders of the Company (the "Stockholders Meeting") within thirty (30) days after the date of mailing of the Proxy Statement (with the record date and meeting date of the Stockholders Meeting to be selected with the consent of Parent) to consider and vote upon the adoption of this Agreement. Subject to Section 5.2(d), the Company Board shall recommend adoption of this Agreement by its stockholders at the Stockholders Meeting and shall use its reasonable best efforts to solicit such adoption of this Agreement, and the Company shall use its reasonable best efforts to solicit from its stockholders proxies in favor of the adoption of this Agreement and secure any approval of its stockholders that is required by the DGCL and any other applicable Law to effect the Merger.

(b) The Company shall not adjourn or postpone the Stockholders Meeting without Parent's prior written consent (which may be withheld in Parent's sole discretion). Parent may require the Company to adjourn or postpone the Stockholders Meeting up to two (2) times (for a period of not more than thirty (30) calendar days in the aggregate), unless prior to such adjournment the Company shall have received proxies in respect of an aggregate number of Shares voting for the adoption of this Agreement, which have not been withdrawn, such that the Stockholder Approval will be obtained at such meeting. Once the Company has established a record date for the Stockholders Meeting, the Company shall not change such record date or establish a different record date for the Stockholders Meeting without Parent's prior written, unless required to do so by applicable Law.

5.5. Reasonable Best Efforts; Filings; Other Actions.

(a) Upon the terms and subject to the conditions set forth in this Agreement, the Company and Parent shall each use their reasonable best efforts to promptly (i) take, or cause to be taken, all actions, and to do, or cause to be done, and assist and cooperate with the other in doing all things reasonably necessary, proper or advisable under applicable Law or otherwise to consummate and make effective the transactions contemplated by this Agreement, including the Merger, (ii) obtain from any Governmental Entities and any third parties any actions, non-actions, clearances, waivers, consents, approvals, permits or orders required to be obtained by the Company, Parent or any of their respective Subsidiaries in connection with the authorization, execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby, including the Merger, and (iii) make all registrations, filings, notifications or submissions which are necessary or advisable, and thereafter make any other required submissions, with respect to this Agreement and the Merger required under (A) any applicable federal or state securities Laws, (B) the HSR Act and any other applicable Regulatory Law, and (C) any other applicable Law, and in the case of the notification and report form under the HSR Act, in no event later than ten (10) Business Days from the execution of this Agreement. The Company and Parent will each request early termination of the waiting period with respect to the Merger under the HSR Act and Regulatory Law. The Company and its Subsidiaries shall not, without Parent's prior written consent, discuss or commit to any extension of any waiting period under the HSR Act or any other applicable Regulatory Law or to any agreement not to consummate the Merger. Notwithstanding anything to the contrary

contained in this Agreement, all obligations of the Company, Parent and Merger Sub to obtain the Financing or any other financing for the transactions contemplated hereby shall be governed exclusively by Sections 5.12 and 5.13, and not this Section 5.5.

(b) The Company, Parent and Merger Sub shall each use its reasonable best efforts to resolve such objections, if any, as may be asserted with respect to the transactions contemplated hereby under any Regulatory Law. Notwithstanding the foregoing or any other provision of this Agreement, nothing contained in this Agreement shall require or obligate Parent or any of its Affiliates to, and the Company shall not, without the prior written consent of Parent: (i) commence or defend any litigation with any Governmental Entity or private party; (ii) pay or commit to pay any material amount of cash or other consideration, or incur or commit to incur any material liability or other obligation, in connection with obtaining any authorization, consent, order, registration or approval; or (iii) agree or otherwise be required to sell, divest, dispose of, license, hold separate, or take or commit to take any action that limits in any respect its freedom of action with respect to, or its ability to retain, any businesses, products, rights, services, licenses, or assets of Parent, the Company, or any of their respective Subsidiaries, or any interest or interests therein, if any such action set forth in clauses (i) – (iii) would reasonably be expected to have (x) a material adverse effect on the business of the Company and its Subsidiaries, taken as a whole, or (y) a material adverse effect on Parent or its Affiliates (determined by reference to the magnitude of the business of the Company being acquired by Parent pursuant hereto).

(c) Each of the Company, Parent and Merger Sub shall, subject to the terms of Section 5.5(b), (i) subject to any restrictions under any Regulatory Law, to the extent practicable, promptly notify each other of any communication to that party from any Governmental Entity with respect to this Agreement and the transactions and other agreements contemplated hereby and permit the other party to review in advance any proposed written communication to any Governmental Entity, (ii) respond as promptly as reasonably practicable to any inquiries received from, and supply as promptly as reasonably practicable any additional information or documentation that may be requested by, the Antitrust Division of the U.S. Department of Justice, the Federal Trade Commission, or any other Governmental Entity in respect of any registrations, declarations and filings, (iii) unless required by applicable Law, not agree to participate in any meeting with any Governmental Entity in respect of any filings, investigation or other inquiry with respect to this Agreement and the transactions and other agreements contemplated hereby unless it consults with the other party in advance and, to the extent permitted by such Governmental Entity, gives the other party the opportunity to attend and participate thereat, in each case to the extent practicable, (iv) subject to any restrictions under any applicable Law, furnish the other party with copies of all correspondence, filings and communications between it and its Affiliates and their respective Representatives on the one hand, and any Governmental Entity or members of its staff on the other hand, with respect to this Agreement and the transactions and other agreements contemplated hereby (excluding any sensitive information with respect to any individual who is an officer, director, employee or equity holder in Parent or any of its Affiliates and any documents and communications which are subject to preexisting confidentiality agreements, the attorney client privilege or work product doctrine), and (v) furnish the other party with such necessary information and reasonable assistance as such other party and its Affiliates may reasonably request in connection with their preparation of necessary filings, registrations, or submissions of information to any Governmental Entities in connection with this Agreement and the transactions and other agreements contemplated hereby and thereby, including any filings necessary or appropriate under the provisions of any Regulatory Law.

(d) The Company shall keep Parent and Merger Sub informed, on a current basis, of any events, discussions, notices or changes with respect to any Tax (other than ordinary course communications which could not reasonably be expected to be material to the Company), criminal or regulatory investigation or other Action involving the Company or any of its Subsidiaries, and shall reasonably cooperate with Parent and Merger Sub and their respective Affiliates in an effort to avoid or mitigate any cost or regulatory consequences to them that might arise from such investigation or Action (including by reviewing written submissions in advance, attending meetings with authorities and coordinating and providing assistance in meeting with regulators).

5.6. Access and Reports.

(a) Subject to applicable Law, from and after the date of this Agreement to the Effective Time, upon reasonable notice, the Company shall, and shall cause each of its Subsidiaries to, (i) afford to Parent, Merger Sub and each of their Representatives, reasonable access, during normal business hours, to its officers, employees, properties, offices and other facilities, books, contracts and records and (ii) furnish or cause to be furnished such information concerning the business, properties, Contracts, assets, liabilities, personnel and other aspects of the Company and its Subsidiaries as Parent Merger Sub or their Representatives may reasonably request; provided, that (x) no investigation pursuant to this Section 5.6 or otherwise shall affect or be deemed to modify any representation or warranty made by the Company herein, and (y) the foregoing shall not require the Company or any of its Subsidiaries (A) to permit any inspection, or to disclose any information that would violate any of its obligations with respect to confidentiality so long as the Company shall have used reasonable best efforts to obtain the consent of such third party to allow such inspection or disclosure or (B) to disclose any information of the Company or any of its Subsidiaries that would waive the protection of attorney-client privilege if the Company shall have used reasonable best efforts to disclose such information in a way that would not waive such privilege.

5.7. Publicity; Communications.

(a) The initial press release to be issued with respect to the transaction contemplated by this Agreement, including the Merger, shall be a joint press release by the Company and Parent and thereafter the Company and Parent each shall consult with each other prior to issuing any press releases or otherwise making public announcements (including conference calls with investors and analysts) with respect to the Merger or any of the other transactions contemplated by this Agreement and prior to making any filings with any third party and/or any Governmental Entity or the NASDAQ with respect thereto, except as may be required by Law or by obligations pursuant to any listing agreement with the NASDAQ (in which case, such party shall use all reasonable efforts to consult with the other parties before issuing such press release or making such public announcement or filing).

(b) Before any Merger Communication of the Company or any of its “participants” (as defined in Item 4 of Schedule 14A of the Exchange Act) is first (i) disseminated to any investor, analyst, member of the media, employee, client, customer or other third party or otherwise made accessible on the website of the Company or such participant (whether in written, video or oral form via webcast, hyperlink or otherwise) or (ii) utilized by any executive officer, key employee or advisor of the Company or any such participant as a script in discussions or meetings with any such third parties, the Company shall (or shall cause any such participant to) provide such Merger Communication to Parent and allow Parent a reasonable opportunity to comment thereon, and shall consult in good faith with Parent for purposes of determining whether that communication constitutes “soliciting material” that is required to be filed by Rule 14a-6(b) or Rule 14a-12(b) of the Exchange Act. The Company shall (or shall cause any such participant to) give reasonable and good faith consideration to any comments made by Parent on any such Merger Communication.

5.8. Employee Benefits.

(a) For a period of one year following the Closing Date, the Surviving Corporation shall provide all employees of the Company and its Subsidiaries (including employees who are not actively at work on account of illness, disability or leave of absence) who continue in employment with the Surviving Corporation or its Subsidiaries following the Effective Time (the “Affected Employees”), with compensation and benefits which are substantially

comparable in the aggregate to the compensation and benefits provided to such Affected Employees as of the date of this Agreement (other than equity compensation incentives, defined benefit pension benefits, retiree medical or welfare benefits, severance benefits and any compensation or benefits triggered in whole or in part by the consummation of the transactions contemplated hereby). Nothing contained in this Section 5.8 shall be deemed to grant any Affected Employee any right to continued employment after the Effective Time.

(b) Parent will cause any employee benefit plans of Parent and its Subsidiaries (other than the Surviving Corporation and its Subsidiaries) in which the Affected Employees are entitled to participate after the Closing Date to take into account for purposes of eligibility and vesting (but not benefit accruals), service by such employees as if such service were with Parent or its Subsidiaries, to the same extent such service was credited under an analogous Benefit Plan, except that service credit shall also be provided for purposes of calculating paid time off and entitlements to severance pay.

(c) To the extent permitted under applicable Law and the terms of the applicable employee benefit plan, with respect to any employee benefit plans maintained by Parent and its Subsidiaries for the benefit of the Affected Employees following the Closing Date, Parent will cause the Surviving Corporation and its Subsidiaries to (i) with respect to any such employee benefit plan providing medical, dental, pharmaceutical and/or vision benefits to any Affected Employee, cause there to be waived any eligibility requirements or pre-existing condition limitations or waiting period requirements to the same extent waived under analogous Benefit Plans prior to the Closing Date and (ii) give effect, in determining any deductible, co-insurance and maximum out-of-pocket limitations, any eligible expenses paid by such employees during the calendar year in which Effective Time occurs under analogous Benefit Plans.

(d) Nothing contained in this Section 5.8, express or implied (i) shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement or (ii) is intended to confer upon any Person (including any current or former officers, employees, directors or consultants of the Company or any of its Subsidiaries, or dependents or beneficiaries of such current or former officers, employees, directors or consultants) any rights as a third-party beneficiary of this Agreement.

5.9. Expenses. Except as otherwise provided in this Agreement, all costs and expenses incurred in connection with this Agreement and the Merger and the other transactions contemplated by this Agreement shall be paid by the party incurring such expense. Parent shall, or shall cause the Surviving Corporation to, pay all charges and expenses, including those of the Paying Agent, in connection with the transactions contemplated in Article II.

5.10. Indemnification; Directors' and Officers' Insurance.

(a) From and after the Effective Time, Parent shall cause the Surviving Corporation to indemnify and hold harmless, to the fullest extent permitted under applicable Law, each present and former director and officer of the Company (collectively, the "Indemnified Parties") against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities (collectively, "Costs") incurred in connection with any Action, whether civil, criminal, administrative or investigative, arising out of or related to such Indemnified Parties' service as a director or officer of the Company or any of its Subsidiaries or services performed by such persons at the request of the Company or its Subsidiaries at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, in each case to the same extent that such Indemnified Parties are entitled to indemnification pursuant to the certificate of incorporation and bylaws of the Company (or corresponding organizational documents of the

applicable Subsidiary), in each case as in effect as of the date hereof (the “Existing Indemnification Rights”). Parent shall cause the Surviving Corporation to advance costs and expenses (including attorneys’ fees) as incurred by any Indemnified Party promptly after receipt by Parent of a written request for such advance to the fullest extent such Indemnified Party is entitled under the Existing Indemnification Rights and permitted under applicable Law; provided, that the Person to whom expenses are advanced provides an undertaking to repay such advances if it is ultimately determined that such Person is not entitled to indemnification.

(b) Prior to the Effective Time, the Company shall obtain and fully pay the premium for the extension of (i) the directors’ and officers’ liability coverage of the Company’s existing directors’ and officers’ insurance policies, and (ii) the Company’s existing fiduciary liability insurance policies, in each case for a claims reporting or discovery period of at least six (6) years from and after the Effective Time with respect to any claim related to any period or time at or prior to the Effective Time (collectively, “D&O Insurance”) with terms, conditions, retentions, coverage limits and limits of liability that are not materially less favorable than the coverage provided under the Company’s existing policies in effect on the date hereof with respect to any actual or alleged error, misstatement, misleading statement, act, omission, neglect, breach of duty or any matter claimed against a director or officer of the Company or any of its Subsidiaries by reason of him or her serving in such capacity that existed or occurred at or prior to the Effective Time (including in connection with this Agreement or the transactions or actions contemplated hereby). If the Company and the Surviving Corporation for any reason fail to obtain such “tail” insurance policies as of the Effective Time, the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, continue to maintain in effect for a period of at least six (6) years from and after the Effective Time the D&O Insurance in place as of the date hereof with terms, conditions, retentions and limits of liability that are at least as favorable as the coverage provided in the Company’s existing policies as of the date hereof, or the Surviving Corporation shall, and Parent shall cause the Surviving Corporation to, use reasonable best efforts to purchase comparable D&O Insurance for such six-year period with terms, conditions, retentions and limits of liability that are at least as favorable as the coverage provided under the Company’s existing policies as of the date hereof. Notwithstanding the foregoing, (i) in no event shall the Company, Parent or the Surviving Corporation be required to expend for any such policies pursuant to this Section 5.10(b) an annual premium amount in excess of 300% of the annual premiums currently paid by the Company for such insurance and (ii) if the annual premiums of such insurance coverage exceed such amount, the Company or the Surviving Corporation shall obtain a policy with the greatest coverage available for a cost not exceeding such amount.

(c) If the Surviving Corporation or any of its successors or assigns shall (i) consolidate with or merge into any other corporation or entity and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all of its properties and assets to any individual, corporation or other entity, then, and in each such case, proper provisions shall be made so that the successors and assigns of the Surviving Corporation shall assume all of the obligations set forth in this Section 5.10.

(d) The provisions of this Section 5.10 are intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Parties.

(e) The rights of the Indemnified Parties under this Section 5.10 shall be in addition to the Existing Indemnification Rights. All rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time and rights to advancement of expenses relating thereto now existing in favor of any Indemnified Party as provided in the Existing Indemnification Rights shall survive the Merger and shall not be amended, repealed or otherwise modified in any manner that would adversely affect any right thereunder of any such Indemnified Party.

5.11. Rule 16b-3. Prior to the Effective Time, the Company shall take all steps reasonably necessary to cause the transactions contemplated hereby and any other dispositions of equity securities of the Company in connection

with this Agreement by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act to be exempt under Rule 16b-3 promulgated under the Exchange Act.

5.12. Financing.

(a) Subject to the terms and conditions of this Agreement (including Section 5.12(d)), each of Parent and Merger Sub shall use its reasonable best efforts (taking into account the anticipated timing of the Marketing Period and the Termination Date) to obtain the proceeds of the Financing as soon as reasonably practicable on the terms and conditions (including the “flex” provisions) described in the Financing Letters, including using its reasonable best efforts to (i) comply with its obligations under the Financing Letters, (ii) negotiate and enter into definitive agreements with respect to the Financing Letters on terms and conditions (as such terms may be modified or adjusted in accordance with the terms of, and within the limits of the flex provisions contained in any Fee Letter) no less favorable to Parent and Merger Sub than those contained in the Financing Letters, (iii) satisfy (or obtain a waiver of) all conditions applicable to, and within the control of, Parent and Merger Sub contained in the Financing Letters (including definitive agreements related thereto), and (iv) consummate the Financing at or prior to the Closing Date, subject to the satisfaction or waiver of the conditions contained herein. Notwithstanding anything to the contrary in the immediately preceding sentence, each of Parent and Merger Sub shall use its reasonable best efforts to take, and shall use its reasonable best efforts to cause each of its Affiliates to take, all actions necessary to maintain in effect, and enforce its rights under, the Financing Letters (including any definitive agreements relating thereto); provided, that each of Parent and Merger Sub may (i) amend, replace or modify the Debt Financing Letters to add or replace lenders, lead arrangers, bookrunners, syndication agents or similar entities and (ii) subject to the limitations set forth in this Section 5.12, otherwise amend or modify, grant any waiver of any provision or remedy under, or increase the amount of indebtedness or otherwise replace the Debt Financing Letters or one or more facilities. Parent and Merger Sub shall not, without the prior written consent of the Company (which consent shall not be unreasonably withheld, delayed or conditioned), enter into any amendment or modification to, or grant any waiver of any provision or remedy under, the Financing Letters, if such amendment, modification or waiver (A) reduces the aggregate amount of the Financing such that the aggregate funds that would be available to Parent and Merger Sub at the Closing (taking into account other sources of funding that would be available to them, including any equity financing or Available Cash) would not be sufficient to pay the aggregate Per Share Merger Consideration and pay all fees and expenses required to be paid at the Closing by Parent or Merger Sub in connection with the Merger, or (B) imposes new or additional conditions or other terms or otherwise expands, amends or modifies any of the conditions to the receipt of the Financing or other terms in a manner that would reasonably be expected to (x) materially delay or prevent the Closing Date, or (y) make the timely funding of the Financing or satisfaction of the conditions to obtaining the Financing materially less likely to occur. Any reference in this Agreement to (I) “Financing” shall include the financing contemplated by the Financing Letters as amended or modified in compliance with this Section 5.12 and (II) “Financing Letters” or “Debt Commitment Letter” shall include such documents as amended or modified in compliance with this Section 5.12(a).

(b) Parent shall keep the Company reasonably informed of the status of its efforts to arrange the Financing and provide to the Company copies of all executed definitive documents related to the Debt Financing. Without limiting the generality of the foregoing, Parent and Merger Sub shall give the Company prompt notice of any termination or repudiation of any Debt Commitment Letter or any definitive agreement related thereto by any party thereto of which Parent or Merger Sub or any of their Affiliates becomes aware.

(c) If any portion of the Debt Financing becomes unavailable on the terms and conditions (including any “flex” provisions) contemplated in the Debt Commitment Letter (other than due to the failure of a condition to the consummation of the Debt Financing resulting from a breach of any representation, warranty, covenant or agreement of the Company set forth in this Agreement), Parent shall use its reasonable best efforts to arrange to obtain alternative

financing from alternative sources (the “Alternative Debt Financing”) in an amount such that the aggregate funds that would be available to Parent and Merger Sub at the Closing (taking into account other sources of funds available to them, including any additional equity financing or Available Cash) will be sufficient to pay the aggregate Per Share Merger Consideration and pay all fees and expenses required to be paid at the Closing by Parent or Merger Sub in connection with the Merger, and to obtain a new financing commitment letter with respect to such Alternative Debt Financing (the “New Debt Commitment Letter”) and any new related fee letters (the “New Fee Letter”), which shall replace the existing Debt Commitment Letter and related Fee Letters, respectively, in whole or in part, and copies of which shall be promptly provided to the Company; provided, that Parent and Merger Sub shall not be required to arrange or obtain any such Alternative Debt Financing on terms and conditions (including any “flex” provisions) that are less favorable to Parent and Merger Sub than those terms and conditions contained in the Debt Financing Letters. In the event any New Debt Commitment Letter is obtained, (i) any reference in this Agreement to the “Financing” or the “Debt Financing” shall mean the debt financing contemplated by the Debt Commitment Letter as modified pursuant to clause (ii) below and (ii) any reference in this Agreement to the “Financing Letters” or the “Debt Commitment Letter” shall be deemed to include the Debt Commitment Letter and any Fee Letter to the extent not superseded by a New Debt Commitment Letter or New Fee Letter, as the case may be, at the time in question and any New Debt Commitment Letter or New Fee Letter to the extent then in effect.

(d) Notwithstanding anything to the contrary contained in this Agreement, nothing contained in this Section 5.12 shall require, and in no event shall the reasonable best efforts of Parent or Merger Sub be deemed or construed to require, Parent or Merger Sub to (i) commence any litigation or similar enforcement action against the Financing Sources to enforce Parent’s or Merger Sub’s rights under the Debt Financing Letters, (ii) pay any fees in excess of those contemplated in the Debt Financing Letters (whether to secure waiver of any conditions contained therein or otherwise), (iii) amend or waive any of the terms or conditions hereof, (iv) consummate the Closing at any time prior to the date determined in accordance with Section 1.2, or (v) seek the Equity Financing from any source other than those counterparty thereto (or permitted assignee of any such counterparty), or in an amount in excess of that contemplated by, the Equity Commitment Letters.

5.13. Financing Cooperation.

(a) Prior to the Effective Time, the Company shall, and shall cause each of its Subsidiaries and each of its and their respective officers and employees to, and shall use its reasonable best efforts to cause the non-employee Representatives of the Company and each of its Subsidiaries to, provide to Parent such cooperation reasonably requested by Parent to cause the conditions and covenants in the Debt Financing Letters to be satisfied or otherwise that is necessary, proper, advisable or desirable, or reasonably requested by Parent, in connection with the Debt Financing, including cooperation that consists of:

(i) participating in meetings (including one-on-one meetings with the parties acting as lead arrangers or agents for, and prospective lenders and purchasers of, the Debt Financing and senior management and Representatives, with appropriate seniority and expertise, of the Company), presentations, road shows, due diligence sessions, drafting sessions and sessions with rating agencies;

(ii) (A) furnishing Parent and the Financing Sources as promptly as practicable with financial and other pertinent information regarding the Company and its Subsidiaries as may be reasonably requested by Parent, including audited consolidated balance sheets and related statements of income, equity and cash flows and related notes of the Company, in each case prepared in accordance with GAAP for the three (3) most recently completed fiscal years ended at least ninety (90) days before the Closing Date, and, for each fiscal quarter after the date hereof ended at least forty-five (45) days prior to the Closing Date and for the comparable quarter of the prior fiscal year, unaudited consolidated balance sheets of the Company as of the end of such fiscal quarter and the related unaudited statements

of income, equity and cash flows and related notes, in each case prepared in accordance with GAAP and using the same accounting principles, policies, methods, practices, procedures, classifications, categories, estimates, judgments and assumptions as were used in preparing the audited financial statements contained in the Company SEC Documents, (B) furnishing Parent and the Financing Sources as promptly as practicable with information regarding the Company of the type and form customarily included in an offering memorandum for private placements of debt securities under Rule 144A promulgated under the Securities Act, including financial statements and pro forma financial information (including as of and for the twelve-month period ending on the last day of the most recently completed four-fiscal quarter period ended at least forty-five (45) days before the Closing Date, prepared after giving effect to the transactions contemplated hereby and the Financing as if such transactions and the Financing had occurred as of such date (in the case of the balance sheets) or at the beginning of such period (in the case of other financial statements), in each case prepared in accordance with GAAP), financial data, audit reports and business and other financial information of the type and form that would be required by Regulation S-X and Regulation S-K promulgated under the Securities Act for a registered public offering of debt securities (including for the preparation of pro forma financial statements), or that would otherwise be necessary to receive from the independent accountants that audited the Audited Financial Statements (and any other accountant to the extent financial statements audited or reviewed by such accountants are or would be included in such offering memoranda), customary “comfort” (including “negative assurance” comfort), together with drafts of customary comfort letters that such independent accountants are prepared to deliver upon “pricing” of any high-yield securities being issued in lieu of any portion of the Debt Financing, with respect to the financial information to be included in such offering memorandum and which, with respect to any interim financial statements, shall have been reviewed by such independent accountants as provided in AU 722, and consents of such independent accountants to use of their reports in any materials related to the Debt Financing, (C) assisting with the preparation of materials for rating agency presentations, lender presentations, high-yield road show presentations or memoranda, syndication memoranda, offering documents, private placement memoranda, bank information memoranda, prospectuses and other marketing materials or documents, including business and financial projections reasonably requested by Parent or the Financing Sources, in each case in connection with the Debt Financing, and (D) furnishing Parent and the Financing Sources as promptly as practicable with completed field audits and appraisals satisfactory to the Financing Sources of the customer accounts receivable and inventory of the Company suitable to be pledged as collateral for an asset-based loan facility to be established pursuant to the Debt Financing Commitments (all such information required to be delivered or prepared pursuant to this Section 5.13(a)(ii), together with any replacements or restatements thereof and supplements thereto, if any such information would go stale or otherwise be unusable under customary practices for such purposes, the “Required Information”);

(iii) executing and delivering authorization letters authorizing the distribution of information to prospective lenders or investors and containing a representation that the public side versions of such documents, if any, do not include material non-public information regarding the Company or its Subsidiaries or securities;

(iv) executing and delivering any securities purchase agreement, credit agreement, indenture, supplemental indenture, note, guarantee, pledge and security document, currency or interest hedging arrangement, other definitive financing document, representation letter to auditors and any other certificate or document and back-up therefor and for legal opinions as may be reasonably requested by Parent or the Financing Sources or their respective counsel, obtaining and delivering a solvency certificate of the chief financial officer of the Company and any Subsidiary of the Company that is a borrower or guarantor under any of the Debt Financing, consents of accountants for use of their reports in any materials relating to the Debt Financing, and other certificates, legal opinions or documents required to satisfy the conditions in the Debt Financing Letters or as may otherwise be reasonably requested by Parent or the Financing Sources or their respective counsel, and otherwise reasonably facilitating the pledging of collateral; provided, that the Company shall not be required to execute any document in connection with this Section 5.13(a)(iv) that would be effective at any time before the time immediately prior to the Effective Time (other than any representation letter to auditors, which shall be delivered prior to the pricing of any high-yield securities being issued in lieu of any portion of the Debt Financing);

(v) using reasonable best efforts to obtain accountants' comfort letters, corporate and facilities ratings, consents, landlord waivers and estoppels, non-disturbance agreements, legal opinions, surveys and title insurance (including providing reasonable access to Parent and its Representatives to all owned real property and leased real property), engineering reports, environmental and other inspections and other documentation and items relating to the Debt Financing as may be reasonably requested by Parent and to arrange discussions among Parent, Merger Sub and the Financing Sources and prospective Financing Sources with other parties to or beneficiaries of Material Contracts, Company Leases and Liens;

(vi) taking all actions reasonably necessary to (A) permit the Financing Sources to evaluate the Company's and its Subsidiaries' current assets, inventory, cash management and accounting systems, policies and procedures relating thereto for the purpose of establishing collateral arrangements and (B) establish bank and other accounts and blocked account agreements and lock box arrangements in connection with the foregoing, provided that such accounts, agreements and arrangements will not become active or take effect until the Effective Time;

(vii) granting the Financing Sources access to the Company and Company Subsidiaries' respective properties, assets, and cash management and accounting systems (including cooperating in and facilitating the completion of field examinations, collateral audits, asset appraisals, surveys, Phase I environmental site assessments and engineering/property condition reports);

(viii) reasonably facilitating the pledging or the re-affirmation of the pledge of collateral (including obtaining and delivering of pay-off letters and Lien terminations, in each case, in form and substance reasonably satisfactory to Parent, and other cooperation in connection with the repayment or other retirement of existing indebtedness and the release and termination of any and all related Liens);

(x) furnishing Parent and the Financing Sources promptly with all documentation and other information which any lender providing or arranging Debt Financing has determined is required by regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the PATRIOT Act; and

Parent shall, promptly upon request by the Company, reimburse the Company and its Subsidiaries for all reasonable out-of-pocket costs and expenses incurred by the Company or its Subsidiaries in connection with such cooperation.

(b) The Company hereby consents to the use of its and its Subsidiaries' logos in connection with the Financing; provided, that such logos are used solely in a manner that is not intended to or is not reasonably likely to harm or disparage the Company or any of its Subsidiaries or the reputation or goodwill of the Company or any of its Subsidiaries.

(b) **Regulatory Consents.** Any applicable waiting periods (including any extensions thereof) under the HSR Act shall have expired or been terminated and all consents, approvals and actions of, filings with, and notices to, all Governmental Entities required of Parent, Merger Sub, the Company or any of their respective Affiliates in connection with the transactions contemplated hereby shall have been made, obtained or effected, as the case may be, and the CFIUS Approval shall have been obtained; provided that no requirements or conditions to mitigate any national security concerns shall have been imposed, other than such requirements or conditions that Parent, Merger Sub or Company are obligated to accept.

(b) the Stockholders Meeting shall have been held and completed and the Stockholder Approval shall not have been obtained at such Stockholders Meeting or at any adjournment or postponement thereof; or

(c) any Governmental Entity has denied approval of the Merger and such denial has become final and non-appealable or any Order permanently restraining, enjoining or otherwise prohibiting consummation of the Merger shall become final and non-appealable; provided, that the right to terminate this Agreement pursuant to this Section 7.2(c) shall not be available to any party if the enactment, issuance, promulgation, enforcement or entry of such Order, or the Order becoming final and non-appealable, was primarily due to the failure of such party to perform any of its obligations under this Agreement.

7.3. Termination by the Company. This Agreement may be terminated and the Merger may be abandoned by action of the Company Board if:

(a) at any time prior to the time the Stockholder Approval is obtained, in order to accept a Superior Proposal in accordance with Section 5.2; provided, that the Company shall have (i) simultaneously with such termination entered into the associated Alternative Acquisition Agreement, (ii) complied in all respects with the provisions of Section 5.2, and (iii) simultaneously with such termination paid all amounts due to Parent pursuant to Section 7.5;

(c) (i) all of the conditions set forth in Sections 6.1 and 6.2 have been satisfied (other than those conditions that, by their nature, are to be satisfied at the Closing and which were, at the time of termination, capable of being satisfied at the Closing), (ii) the Company has irrevocably notified Parent in writing that the Company is ready, willing and able to consummate the Closing and all of the conditions set forth in Section 6.3 have been satisfied or that the Company is willing to waive any unsatisfied conditions in Section 6.3 for the purpose of consummating the Closing, and (iii) Parent and Merger Sub have failed to consummate the Closing on the later of the date the Closing is required to have occurred pursuant to Section 1.2 and the expiration of five (5) Business Days following Parent's delivery of such notice;

7.4. Termination by Parent. This Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time by Parent if:

(a) (i) the Company Board or any committee thereof makes a Change of Recommendation, (ii) a tender offer or exchange offer for the outstanding Shares is commenced, or a proposal is made to the Company or publically announced, that would, in each case, if consummated, constitute an Acquisition Proposal and the Company Board or any committee thereof shall have failed to recommend against acceptance of such tender offer, exchange offer or proposal to its stockholders (including, for these purposes, by taking any position contemplated by Rule 14e-2 of the Exchange Act other than recommending rejection of such tender offer, exchange offer or proposal or making any "stop look and listen" communication to the stockholders of the Company pursuant to Rule 14d-9(f) under the Exchange Act)

within ten (10) Business Days after Parent's written request to do so following the commencement of such tender offer or exchange offer or making of such proposal or the Company Board or any committee thereof recommends that the stockholders of the Company tender their Shares in such tender or exchange offer, (iii) the Company or the Company Board or any committee thereof shall have (x) approved, adopted, recommended, or declared advisable any Acquisition Proposal or (y) approved or recommended, or entered into or allowed the Company or any of its Subsidiaries to enter into, an Alternative Acquisition Agreement or (iv) the Company Board or any committee thereof formally resolves to take, or publicly announces an intention to take, any of the foregoing actions; or

(b) there has been a breach of any representation, warranty, covenant or agreement made by the Company in this Agreement or any such representation or warranty shall have become untrue after the date of this Agreement, which breach or failure to be true (i) would give rise to the failure of a condition set forth in Section 6.2(a) or Section 6.2(b) and (ii) (x) cannot be cured by the Company by the Termination Date or (y) if capable of being cured, shall not have been cured within the earlier of (A) thirty (30) calendar days following receipt of written notice from the Parent of such breach or failure and (B) one (1) Business Day prior to the earlier of the Termination Date and the date on which the Agreement may otherwise be terminated by the Company in accordance with Article VII; provided that Parent shall not have the right to terminate this Agreement pursuant to this Section 7.4(b) if it or Merger Sub is then in material breach of any of their representations, warranties, covenants or other agreements hereunder, which breach would give rise to the failure of a condition set forth in Section 6.3(a) or 6.3(b).

7.5. Effect of Termination and Abandonment.

(a) In the event of termination of this Agreement and the abandonment of the Merger pursuant to this Article VII, this Agreement shall become void and of no effect with no liability to any Person on the part of any party hereto (or of any member of the Parent Group or the Company Group); provided, that (i) except as otherwise provided herein (including in Section 7.5(e)), no such termination shall (x) relieve any party hereto of any liability to pay the Termination Fee or the Excluded Party Fee, as applicable, or the Parent Fee or to reimburse Reimbursable Expenses pursuant to this Section 7.5 or (y) relieve any party hereto of any liability incurred or suffered as a result of any willful and material breach of this Agreement prior to such termination, and (ii) the provisions listed in the second sentence of Section 8.1 shall survive the termination of this Agreement.

(b) In the event that:

(i) (x) this Agreement is terminated pursuant to Sections 7.2(a), 7.2(b) or 7.4(b) (other than as provided in Section 7.5(b)(iv)), (y) any Person shall have delivered to the Company or publicly disclosed an Acquisition Proposal prior to the Stockholders Meeting and (z) within 12 months of such termination, the Company enters into a definitive agreement with respect to any Acquisition Proposal or consummates the transactions contemplated by any Acquisition Proposal (whether the Acquisition Proposal made prior to the Stockholders Meeting or a different Acquisition Proposal), then the Company shall, on the date such definitive agreement is entered into or such Acquisition Proposal is consummated (whichever is earlier), pay or cause to be paid an amount equal to \$[] million (the "Termination Fee") to Parent and reimburse Parent for all of its Reimbursable Expenses by wire transfer of same day funds to one or more accounts designated by Parent; provided, that for purposes of clause (z) above the references to "20%" in the definition of "Acquisition Proposal" shall be deemed to be references to "50%";

(ii) this Agreement is terminated by the Company pursuant to Section 7.3(a), the Company shall pay the Termination Fee to Parent prior to such termination and shall reimburse Parent for all of its Reimbursable Expenses, provided, that if such termination occurs prior to the Cut-Off Date on account of a Superior Proposal made by a Person that is an Excluded Party, then the Company shall pay to Parent an amount equal to \$[] million (the "Excluded

Party Fee”) and shall reimburse Parent for all of its Reimbursable Expenses, in each case by wire transfer of same day funds to one or more accounts designated by Parent;

(iii) this Agreement is terminated by Parent pursuant to Section 7.4(a), the Company shall pay the Termination Fee to Parent and shall reimburse Parent for all of its Reimbursable Expenses, promptly, and in any event within two (2) Business Days, after the date of such termination; provided, that if such termination pursuant to Section 7.4(a) occurs prior to the Cut-Off Date on account of a Superior Proposal made by a Person that is an Excluded Party, then the Company shall pay to Parent the Excluded Party Fee and shall reimburse Parent for all of its Reimbursable Expenses, in each case by wire transfer of same day funds to one or more accounts designated by Parent promptly, and in any event within two (2) Business Days, after the date of such termination;

(iv) this Agreement is terminated by Parent pursuant to Section 7.4(b) as a result of any material breach by the Company of the covenants contained in Section 5.2, the Company shall pay the Termination Fee to Parent and shall reimburse Parent for all of its Reimbursable Expenses, promptly, and in any event within two (2) Business Days, after the date of such termination, by wire transfer of same day funds to one or more accounts designated by Parent; or

(v) this Agreement is terminated by the Company pursuant to Section 7.2(a), 7.2(b) or 7.3(b), at any time at which Parent was entitled to terminate this Agreement pursuant to Section 7.4(a) or 7.4(b) (in the later case, as a result of any material breach by the Company of the covenants contained in Section 5.2), the Company shall pay the Termination Fee to Parent and shall reimburse Parent for all of its Reimbursable Expenses, promptly, and in any event within two (2) Business Days, after the date of such termination, by wire transfer of same day funds to one or more accounts designated by Parent.

For the avoidance of doubt, in no event shall the Company be required to pay the Excluded Party Fee or Termination Fee on more than one occasion. Parent shall have the right to assign its right to receive the Termination Fee, Reimbursable Expenses and/or Excluded Party Fee, as applicable, to one or more Persons in its sole discretion.

(c) In the event that:

(i) this Agreement is terminated pursuant to (A) Section 7.3(b), at any time at which Parent was not entitled to terminate this Agreement, or (B) Section 7.3(c), then Parent shall promptly, but in no event later than two (2) Business Days, after the date of such termination, pay or cause to be paid to the Company or its designees an amount equal to \$[] (the “Parent Fee”), by wire transfer of same day funds to an account designated by the Company; or

(ii) this Agreement is terminated by Parent pursuant to Section 7.2(a) and the Company would have been entitled to terminate this Agreement pursuant to Sections 7.3(b) or 7.3(c) but for such termination pursuant to Section 7.2(a), then Parent shall promptly, but in no event later than two (2) Business Days, after the date of such termination, pay or cause to be paid to the Company the Parent Fee, by wire transfer of same day funds to an account designated by the Company.

For the avoidance of doubt, in no event shall Parent be required to pay the Parent Fee on more than one occasion. The Company shall have the right to assign its right to receive the Parent Fee to one or more Persons in its sole discretion.

(d) Notwithstanding anything to the contrary herein, if a Chosen Court has ordered Parent to pay the Parent Fee to the Company, the Company shall be entitled to enforce such order only if within five (5) Business Days following entry of such order, the Company shall have irrevocably offered and committed in a writing delivered to Parent to complete the Merger in accordance with the terms of this Agreement and, within three (3) Business Days after the Parent’s receipt of such writing, Parent and Merger Sub shall not have consummated the Merger.

(e) Notwithstanding anything to the contrary in this Agreement, in the event Parent and Merger Sub fail to effect the Closing, or otherwise breach this Agreement or fail to perform hereunder (in any case, whether willfully, intentionally, unintentionally or otherwise), then, except for an order of specific performance as and only to the extent expressly permitted by Section 8.7, the Company's sole and exclusive remedy (whether at law, in equity, in contract, in tort or otherwise) against (i) Parent, Merger Sub, the Guarantors, (ii) the former, current and future holders of any equity, partnership or limited liability company interest, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders, assignees of Parent, Merger Sub or the Guarantors, (iii) any Financing Source, or any lead arranger, arranger, agent or Representative of or to Parent, Merger Sub or the Guarantors or (iv) any future holders of any equity, partnership or limited liability company interest, controlling persons, directors, officers, employees, agents, attorneys, Affiliates, members, managers, general or limited partners, stockholders, assignees of any of the foregoing (collectively, the "Parent Group") in respect of this Agreement, any Contract executed in connection herewith, including the Financing Letters and the Limited Guaranty, and the transactions contemplated hereby and thereby shall be to terminate this Agreement in accordance with this Article VII and collect, if due, the Parent Fee pursuant to Section 7.5(c) from Parent or pursuant to the Limited Guaranty, and upon payment of the Parent Fee, no member of the Parent Group shall have any further liability or obligation relating to or arising out of this Agreement, the Financing Letters or the Limited Guaranty, or the transactions contemplated hereby or thereby. The Company agrees to cause any Action pending in connection with this Agreement or any of the transactions contemplated hereby (including any Action related to the Financing, the Equity Commitment Letters or the Debt Financing Letters) by the Company Group against any member of the Parent Group to be dismissed with prejudice promptly, and in any event within five (5) Business Days, after payment of the Parent Fee. In no event shall any member of the Company Group seek or permit to be sought on behalf of any member of the Company Group any damages from, or otherwise bring any Action against, any member of the Parent Group in connection with this Agreement or any of the transactions contemplated hereby (including any Action related to the Financing, the Equity Commitment Letters or the Debt Financing Letters), other than an Action to recover payment of the Parent Fee when required in accordance with and to the extent set forth in Section 7.5(c) or for specific performance solely under the circumstances and as specifically set forth in Section 8.7. In no event shall the Company be entitled to seek the remedy of specific performance of this Agreement other than solely under the circumstances and as specifically set forth in Section 8.7. Nothing in this Section 7.5(e) shall in any way expand or be deemed or construed to expand the circumstances under which the Parent Group may be liable under this Agreement or any of the transactions contemplated hereby (including the Financing). For the avoidance of doubt, in no event shall the Parent Group have any liability under or in respect of this Agreement or the transactions contemplated hereby in excess of an aggregate amount equal to, or other than in respect of, the Parent Fee.

ARTICLE VIII

General Provisions

8.1. **Survival.** This Article VIII and the agreements of the Company, Parent and Merger Sub contained in Article II and Sections 5.9 and 5.10 shall survive the consummation of the Merger. This Article VIII and Sections 5.9 and 7.5 shall survive the termination of this Agreement. All other representations, warranties, covenants and agreements in this Agreement shall not survive the consummation of the Merger or the termination of this Agreement.

8.2. **Modification or Amendment.** Subject to the provisions of the applicable Laws, the parties hereto may modify or amend this Agreement, by written agreement executed and delivered by the duly authorized officers of each of the respective parties; provided, that following approval of this Agreement by the Company's stockholders, there shall be no amendment of, or change to, the provisions of this Agreement which, pursuant to applicable Law, would require further approval by the Company's stockholders without receipt of such approval.

8.3. Waiver; Extension. The conditions to each of the parties' obligations to consummate the Merger are for the sole benefit of such party and may be waived by such party (without the approval of the stockholders of the Company) in whole or in part to the extent permitted by applicable Laws. At any time prior to the Effective Time, the parties may (a) waive or extend the time for the performance of any of the obligations or other acts of the other parties or (b) waive any inaccuracies in the representations and warranties contained in this Agreement or in any document delivered pursuant to this Agreement. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. The failure of any party to this Agreement to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of such rights.

8.4. Counterparts. This Agreement may be executed in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement.

8.5. Governing Law and Venue; Waiver of Jury Trial.

(a) This Agreement and all Actions (whether at law, in contract or in tort) that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance hereof, shall be governed by and construed in accordance with the Laws of the State of Delaware without regard to principles of conflicts of law. Each party hereto agrees that it shall bring any Action between the parties or involving any member of the Company Group or Parent Group (other than the Financing Sources) arising out of or related to this Agreement or the transactions contained in or contemplated by this Agreement exclusively in the Court of Chancery of the State of Delaware (unless the Court of Chancery of the State of Delaware declines to accept jurisdiction over a particular matter, in which case, in any state or federal court within the State of Delaware) (together with the appellate courts thereof, the "Chosen Courts"), and solely with respect to any such Action (i) irrevocably submits to the exclusive jurisdiction of the Chosen Courts, (ii) waives any objection to the laying of venue in any such Action in the Chosen Courts, (iii) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any party hereto or any member of the Company Group or Parent Group (other than the Financing Sources) and (iv) agrees that service of process upon such party in any such Action shall be effective if notice is given in accordance with Section 8.6 of this Agreement. Notwithstanding the foregoing, each of the parties hereto agrees that (x) the Financing Letters and all Actions (whether at law, in contract or in tort) that may be based upon, arise out of or relate to the Financing Letters, or the negotiation, execution or performance thereof, shall, except as otherwise provided herein, be governed by and construed in accordance with the Laws of the State of New York without regard to principles of conflicts of law and (y) such party shall not bring or support any Action of any kind or description, whether in law or in equity, against any of the Financing Sources in any way relating to this Agreement or any of the transactions contemplated hereby (including the Financing), including but not limited to any dispute arising out of or relating to the Debt Financing or the performance thereof, in any forum other than the Supreme Court of the State of New York, County of New York, or if under applicable law exclusive jurisdiction is vested in the Federal courts, the United States District Court for the Southern District of New York (and the appellate courts thereof). The provisions of this Section 8.5 shall be enforceable by each Financing Source, its Affiliates and their respective successors and permitted assigns.

(b) EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR THE FINANCING LETTER OR AGAINST

THE FINANCING SOURCES. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (i) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATION OF THIS WAIVER, (iii) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (iv) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.5.

8.6. Notices. All notices, demands and other communications to be given or delivered under or by reason of the provisions of this Agreement shall be in writing and shall be deemed to have been given (a) if personally delivered, on the date of delivery, (b) if delivered by express courier service of national standing (with charges prepaid), on the Business Day following the date of delivery to such courier service, (c) if deposited in the United States mail, first-class postage prepaid, on the fifth Business Day following the date of such deposit, or (d) if delivered by facsimile transmission, upon confirmation of successful transmission, (i) on the date of such transmission, if such transmission is completed at or prior to 5:00 p.m., local time of the recipient party on a Business Day, on the date of such transmission, and (ii) on the next Business Day following the date of transmission, if such transmission is completed after 5:00 p.m., local time of the recipient party, on the date of such transmission or is transmitted on a day that is not a Business Day. 8.7. Specific Performance.

(a) The parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The parties acknowledge and agree that, prior to the valid termination of this Agreement pursuant to Article VII, the parties hereto shall be entitled, in addition to any other remedy to which they are entitled at law or in equity, to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the Chosen Courts, except as provided in Section 8.7(b).

(b) Notwithstanding Section 8.7(a), it is acknowledged and agreed that the Company shall be entitled to seek specific performance of Parent's obligation pursuant to the terms of this Agreement to cause the Equity Financing to be funded to fund the Merger and to consummate the Merger only in the event that each of the following conditions has been satisfied: (i) all of the conditions in Sections 6.1, 6.2 and 6.3 shall have been satisfied (other than those conditions that, by their nature, are to be satisfied at the Closing or the failure of which to be satisfied is caused by a material breach by Parent or Merger Sub of its representations, warranties, covenants or agreements contained in this Agreement), (ii) the third Business Day immediately following the final day of the Marketing Period shall have occurred, (iii) the Debt Financing has been funded or will be funded at the Closing if the Equity Financing is funded at the Closing, (iv) Parent and Merger Sub fail to complete the Closing in accordance with Section 1.2, and (v) the Company has irrevocably confirmed in a written notice to Parent that if specific performance is granted and the Equity Financing and Debt Financing are funded, then the Closing will occur, and that it is willing to waive any unsatisfied conditions in Section 6.3 (but solely for purposes of consummating the Merger). For the avoidance of doubt, in no event shall the Company be entitled to enforce or seek to enforce specifically Parent's obligations to cause the Equity Financing to be funded or to complete the Merger if the Debt Financing has not been funded (or will not be funded at the Closing if the Equity Financing is funded at the Closing).
