At a meeting held on April 28, 2008, the Human Resources Committee (the "Committee") of the Board of Directors (the "Board") of Constellation Brands, Inc. (the "Company") took the following action with regard to certain compensatory arrangements for the Company's Executive Officers.

Criteria for 2009 Fiscal Year Incentive Awards

The Committee adopted the 2009 Fiscal Year Award Program for Executive Officers (the "2009 Program for Executive Officers"), thereby establishing the performance criteria and targets under the Company's Annual Management Incentive Plan (the "AMIP") for the Company's fiscal year ending February 28, 2009. Pursuant to the 2009 Program for Executive Officers, incentive awards for the Company's 2009 fiscal year, if any, will be based on a percentage of base salary, depending upon the participant's management position, and achieved Company performance or achieved Company and division performance during the plan year.

As only Executive Officers of the Company participate in the 2009 Program for Executive Officers, performance will be based solely upon achieved Company performance or a combination of achieved Company and division performance for the plan year. Performance targets are based upon:

- (1) Company or Company and division "Earnings Before Interest and Taxes," which is measured for the period from March 1, 2008 through February 28, 2009.
- (2) Company or Company and division "Free Cash Flow," which is equal to Net Cash Provided by (Used in) Operating Activities minus Purchases of Property, Plant and Equipment. "Free Cash Flow" is measured based on the Company's or the applicable division's performance for the period from March 1, 2008 through February 28, 2009.

Assuming that the same level of performance is achieved for all applicable performance criteria noted above, potential awards for Richard Sands and Robert Sands range from 30% to 240% and potential awards for all other Executive Officers range from 17.5% to 140%.
