- Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Execution of a Material Definitive Agreement

Sale of the Bronto Skylift Business

On December 11, 2015, Federal Signal Corporation, a Delaware corporation, and certain of its subsidiaries (the “Company”) entered into a share sale and purchase agreement (the “Sale Agreement”) with Morita Holdings Corporation, a Japanese corporation (“Buyer”), pursuant to which the Company agreed to sell 100% of: the shares of Bronto Skylift Oy Ab, the shares of Bronto Skylift, Inc. and the partnership interests in Bronton Kiinteistöt Ky (collectively “Bronto”) to Buyer. Such shares and interests represent 100% of the operations of the Company’s Bronto business. Bronto is a leading manufacturer and supplier of sophisticated, vehicle-mounted, aerial platforms for fire fighting, rescue and industrial applications, and is currently the only continuing operation in Federal Signal’s Fire Rescue Group. Under the terms of the Sale Agreement, upon closing, Buyer will acquire Bronto for €80 million (approximately \$88 million) in cash, subject to post-closing net working capital and net debt adjustments. The Sale Agreement includes various representations, warranties, covenants and indemnities which are customary for a transaction of this nature. The transaction is expected to close in the first quarter of 2016, subject to customary closing conditions. The foregoing summary of the Sale Agreement is not intended to be complete and is qualified in its entirety by reference to the Sale Agreement which is attached hereto as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference (excluding schedules and exhibits, which the Company agrees to furnish supplementally to the Securities and Exchange Commission upon request). Additionally, a copy of the related press release is furnished herewith as Exhibit 99.1 and is incorporated herein by reference.

Item 9.01 Financial Statements and Exhibits.
