Item 5. Other Events and Required FD Disclosure

On June 16, 2003, a complaint for declaratory relief was filed in the California Superior Court, Central District, Los Angeles County, by Tamara H. Gustavson, B. Wayne Hughes, individually and as trustee, and B. Wayne Hughes, Jr., as plaintiffs, and naming Public Storage, Inc. (the "Company"), as defendant. B. Wayne Hughes is the Chairman of the Board of Directors (and formerly the Chief Executive Officer) of the Company, Tamara H. Gustavson is his daughter and was formerly an officer of the Company, and B. Wayne Hughes, Jr., is his son and is currently a director and was formerly an officer of the Company.

The complaint relates to the Company's acquisition from the plaintiffs of all the outstanding shares of PS Insurance Company, Ltd. ("PSIC"), which was completed on December 31, 2001. In exchange for their shares in PSIC, the Company issued to the plaintiffs 1,439,765 shares of its common stock (or a net of 1,138,733 shares, after taking into account 301,032 shares held by PSIC). The transaction was approved in March 2001 by the disinterested directors of the Company, and a financial advisor issued a fairness opinion to the Company's Board of Directors on the transaction.

As the Company has previously reported, a shareholder of the Company has made a demand on the Board of the Directors that challenged the fairness of

the acquisition of PSIC and demanded that the Company recover profits earned by PSIC from November 1995 through December 2001 and that the entire purchase price paid for PSIC in excess of its net assets be returned to the Company. The Company Board of Directors has authorized an inquiry by its independent directors to review the fairness of this transaction to the Company's shareholders and the Company's ability to have started its own tenant reinsurance business in 1995.

In their complaint, the plaintiffs are seeking the court to make (i) a binding declaration either that the Company is not entitled to recover profits or other moneys earned by PSIC from November 1995 through December 2001; or of the amounts that the plaintiffs should surrender to the Company if it determines that the Company is entitled to recover any of such profits or moneys; and (ii) a binding declaration either that the Company cannot establish that the acquisition agreement was not just and reasonable as to the Company at the time it was authorized, approved or ratified; or of the amounts the plaintiffs should surrender to the Company, if it determines that the agreement was not just and reasonable to the Company at that time, and order the plaintiffs to do so. Plaintiffs are not seeking any payments from the Company. In the event of a determination that plaintiffs are obligated to pay certain amounts to the Company, the complaint states that they have agreed to be bound by that determination to pay such amounts to the Company.

2

The Company believes that plaintiffs' action will ultimately resolve matters relating to PSIC and will not have any financially adverse effect on the Company (other than the costs and other expenses relating to the lawsuit).
