We have audited the accompanying statement of net assets available for benefits of the Continental Airlines, Inc. 2004 Employee Stock Purchase Plan (the "Plan") as of December 31, 2004, and the related statement of changes in net assets available for benefits for the period from April 1, 2004 (date of inception) through December 31, 2004. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2004, and the changes in net assets available for benefits for the period from April 1, 2004 (date of inception) through December 31, 2004 in conformity with accounting principles generally accepted in the United States of America.

1. DESCRIPTION OF PLAN

The Continental Airlines, Inc. 2004 Employee Stock Purchase Plan (the "Plan") is a self-funded contributory stock purchase plan which provides Continental Airlines, Inc. (the "Plan Sponsor" or the "Company") and Participating Company employees the option to purchase Continental Airlines, Inc. Class B common stock (the "stock") at a discounted price. The following description provides only general information. Participants should refer to the Plan for a complete description of the Plan's provisions.

General

- The Plan was adopted by the Plan Sponsor during 2004 to allow eligible employees to purchase Plan Sponsor stock (up to 3,000,000 shares in the aggregate) at a discounted price. Any employee of the Plan Sponsor who is employed on a grant date (April 1, 2004, and thereafter, on the first day of each successive July, October, January and April) is eligible to participate in the Plan as of such grant date. The purchase price per share offered under the Plan with respect to any grant date is equal to 85% of the lower of the fair market value of the stock on the date of grant or on the last day of the applicable fiscal quarter. However, in any, event the minimum purchase price that may be paid by a participant may not be less than \$10 per share. Further, if the fair market value of a share of stock on the date of grant or the last day of the fiscal quarter would result in a purchase price less than the \$10 per share minimum price, then the purchase price will be \$10 per share. This may result in a purchase price that is greater than 85% of the fair market value of the stock on the date of grant or on the last day of the applicable fiscal quarter. In any event, the purchase price per share may not be more than the fair market value of a share of stock on the last day of the fiscal quarter. Participant contributions will be returned to the participant if the fair market value of a share of stock on the last day of the fiscal quarter is less than \$10. Unless an employee has previously withdrawn from the Plan, shares will be issued as soon as practical after the end of the fiscal quarter based on contributions for that quarter. Employee payroll deductions under the Plan are included within the general funds of the Plan Sponsor and are subject to the creditors of the Plan Sponsor.

Withdrawals

- A participant may, upon request, withdraw their total contributions, suspend or resume his or her payroll deductions and, on one occasion during each purchase period, may reduce their contributions prospectively.

Administrative Expenses

- The Human Resources Committee of the Board of Directors of the Plan Sponsor administers the Plan. The expenses of administering the Plan are paid by the Plan Sponsor.

Vesting

- At all times, each Plan participant has a fully vested right to all cash amounts withheld from his or her paychecks. For a period of six months after the date of purchase, a Plan participant may not sell or otherwise transfer or dispose of the shares issued in connection with such purchase.

Plan Termination

- The Plan may be terminated by the Board of Directors of the Plan Sponsor at any time. The Plan shall terminate on December 31, 2014.

• SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
