#### ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On February 17, 2015, El Paso Electric Company (the “Company”) and Arizona Public Service Company (“APS”), a wholly-owned subsidiary of Pinnacle West Capital Corporation, entered into an asset purchase agreement (the “Agreement”), providing for the purchase by APS of the Company’s interests in Units 4 and 5 of the Four Corners Power Plant near Farmington, New Mexico (“Four Corners”). The cash purchase price is equal to the net book value of the Company’s interest in Four Corners at the date of closing, which is expected to occur not later than July 2016, subject to the receipt of regulatory approvals. The purchase price will be adjusted downward to reflect APS’s assumption in the Agreement of the Company’s obligation to pay for future plant decommissioning and mine reclamation expenses. At the closing, APS will also reimburse the Company for the undepreciated value of certain capital expenditures made prior thereto. APS will assume responsibility for all capital expenditures made after July 2016 and, with certain exceptions, any pre-2016 capital expenditures to be put into service following the closing. In addition, APS will indemnify the Company against liabilities and costs related to the future operation of Four Corners.

Four Corners consists of five coal-fired Units located on Navajo Nation land. Units 4 and 5 each have a generating capacity of 770 megawatts. The Company has agreed to sell its entire interest in Four Corners, consisting of a 7% interest in each of Units 4 and 5. APS currently owns a 63% interest in each Unit. The other owners of Units 4 and 5 are Public Service Company of New Mexico (13%), Salt River Project Agricultural Improvement and Power District (10%) and Tucson Electric Power Company (7%). APS operates the plant on behalf of all participants. The Company notified the other owners in 2013 that it would not participate in Four Corners past the termination of the 50 year contractual term in July 2016 but that it would offer to sell its interest to them in order to facilitate their decision to extend the life of the plant.

Pursuant to a Co-Tenancy Agreement among the Four Corners owners, one other owner maintains a right of first refusal to purchase a portion of the Company’s interest proportional to its current ownership percentages. This purchase right must be exercised within 120 days following notice of the proposed sale and, if exercised, the amount available for purchase by APS would be correspondingly reduced.

The foregoing description of the Agreement is qualified by reference to the full text of the Agreement, which is filed as Exhibit 10.1 hereto, and which is incorporated by reference herein.
