## PART II

Item 3. Incorporation of Documents by Reference.

The following documents, which the Registrant has previously filed with the Securities and Exchange Commission (the “Commission”), are incorporated herein by reference and made a part hereof:

b) Quidel’s Quarterly Reports on Form 10-Q for the quarters ended March 31, 2016 and June 30, 2016;

Quidel’s Current Reports on Form 8-K filed on January 8, 2016, January 28, 2016, February 12, 2016, February 17, 2016, February 25, 2016, March 30, 2016, April 27, 2016, May 19, 2016, and July 27, 2016 (in each case, other than information that is furnished but that is deemed not to have been filed); and

d) The description of Quidel’s Common Stock contained in the Registration Statement on Form 8-A filed on February 28, 1983, including any amendment or report filed for the purpose of updating such description.

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act, subsequent to the date of this Registration Statement and prior to the filing of a post-effective amendment hereto that indicates that all securities offered hereunder have been sold or that deregisters all securities then remaining unsold shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing of such documents. Nothing in this Registration Statement shall be deemed to incorporate information furnished but not filed with the Commission.

For purposes of this Registration Statement, any statement contained in a document incorporated or deemed to be incorporated herein by reference shall be deemed to be modified or superseded to the extent that a statement contained herein or in any other subsequently filed document that also is or is deemed to be incorporated herein by reference modifies or supersedes such statement in such document. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Article 9 of the Registrant’s Restated Certificate of Incorporation (the “Certificate of Incorporation”) provides that, to the fullest extent permitted by the General Corporation Law of the State of Delaware (the “DGCL”), as the same exists or may be thereafter amended, a director of the Registrant shall not be personally liable to the Registrant or its

stockholders for monetary damages for breach of fiduciary duty as director.

The DGCL permits indemnification of directors, officers, employees and agent in certain circumstances and subject to

certain limitations. Article VI of the Registrant's Amended and Restated Bylaws (the "Bylaws") provides that the Registrant

shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, whether internal or external (other than an action by or in the right of the Registrant), by reason of the fact that he is or was a director or officer of the Registrant, or while a director or officer of the Registrant is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, if certain conditions are met, which parallel the provisions of the DGCL.

The Registrant has also entered into indemnification agreements with each of its directors and each of its officers. The provisions of the indemnification agreements parallel the portions of the Bylaws described above. Absent the indemnification agreements, the indemnification that might be available to directors and officers could be changed by amendment to the Registrant's Certificate of Incorporation and Bylaws. The agreements provide that in the event of changes, after the date of such indemnification agreements, in any applicable law, statute or rule which expands the right of a Delaware corporation to indemnify a member of its board of directors or an officer, such changes shall be, ipso facto, within the purview of the rights and obligations under the indemnification agreements. The Registrant may seek directors and officers' liability insurance against the cost of defense, settlement or payment of a judgment under certain circumstances.

To implement the provisions of the DGCL and the Bylaws, the Registrant has entered into indemnification agreements with each of its directors and each of its officers. The provisions of the indemnification agreements parallel the portions of the Bylaws described above. Absent the indemnification agreements, the indemnification that might be available to directors and officers could be changed by amendment to the Registrant's Certificate of Incorporation and Bylaws. In the event of changes, after the date of such indemnification agreements, in any applicable law, statute or rule which expands the right of a Delaware corporation to indemnify a member of its board of directors or an officer, such changes shall be, ipso facto, within the purview of the rights and obligations under the indemnification agreements. The Registrant may procure director's and officer's liability insurance to cover or offset the costs of defense, settlement or payment of a judgment under certain circumstances.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 8. Exhibits.

The list of exhibits filed as part of this Registration Statement on Form S-8 is included in the Exhibit Index which is incorporated by reference herein.

Item 9. Undertakings.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or

decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (1)(i) and (1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C 78m or 78o(d)) that are incorporated by reference in this registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective (2) amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

To remove from registration by means of a post-effective amendment any of the securities being registered which (3) remain unsold at the termination of the offering.

That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act (and, where applicable, each filing (4) of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
