LITIGATION PROCEEDINGS INVOLVING DIRECTORS OR NOMINEES

The Company has been informed by Ben Hill Griffin III that he is a party to a Lawsuit filed against him in Polk County, Florida Circuit Court by the families of his four sisters, most of the members of whom are beneficiaries of a trust, entitled the Ben Hill Griffin, Jr. Revocable Intervivos Trust #1 (the "Trust"). The plaintiffs in the lawsuit (The Four Sisters Protectorate, et al v. Ben Hill Griffin, III, Trustee, Case No. GC-G-0054, Section 81) sought to impose judicial sanctions on Mr. Griffin III, including his removal as Trustee of the Trust based on allegations of over-compensation and receipt of an illegal bonus. On March 29, 2001, after court-ordered mediation pending completion of which the trial was adjourned. Mr. Griffin III and a representative of the Four Sisters Protectorate, joined by their respective counsel, executed a "Settlement Agreement" which set forth the basic elements of a settlement of the lawsuit, contingent upon several events, including Internal Revenue Service approval of the proposed transaction as a tax free split-off for federal income tax purposes, and the Court's judicial termination of the Trust. The terms contained in the Settlement Agreement were not intended, nor were they sufficient, to resolve all specific items necessary to consummate a settlement of the lawsuit. The Settlement Agreement provided that the shares of Alico stock then owned by Ben Hill Griffin Investments, Inc. would be utilized in the tax free split-off, along with other assets, as a means of allocating to the FSP assets approximating the value of their interests in Ben Hill Griffin Investments, Inc., a holding company wholly owned by the Trust, Ben Hill Griffin III, the Four Sisters Protectorate and its members.

Mr. Griffin III has indicated that following execution of the Settlement Agreement the parties disagreed as to its validity or enforceability on various grounds. On May 14, 2001, the Harris Family filed a motion in the Circuit Court of the 10th Judicial Circuit in and for Polk County, Florida (Case No. GC-G-0054) seeking to have the Settlement Agreement set aside as invalid and unenforceable. On November 2, 2001 the Court entered a written order that the Settlement Agreement is enforceable. Mr. Griffin III's attorneys indicate that a large number of issues related to the mechanism and terms of the proposed distribution of certain of the assets of the Trust to the families of the four sisters, including the Alico stock beneficially owned by the Trust, remain to be worked out between the representatives of the four sisters and Ben Hill Griffin III and are currently being negotiated. According to them these terms are expected to be set forth in a definitive separation agreement, which is still being negotiated by the parties to the litigation but is expected to be finalized shortly. The Company further understands that consummation of the settlement will be subject to various conditions which are still being discussed, but will include the requirement that the parties receive a favorable IRS Revenue Ruling. Mr. Griffin III's attorneys indicate that no ruling request has yet been submitted. Neither the Company nor Mr. Griffin III know when or if the settlement will be implemented but believe IRS ruling process alone could take 6 months from the date a ruling request is submitted.

Mr. Griffin III has also informed the Company that immediately before the hearing on the enforcement of the State court action, lawyers for the Harris family provided Mr. Griffin III's attorneys with copies of a federal court action naming among others as defendants, Mr. Griffin III, individually

Edgar Filing: ALICO INC - Form DEF 14A

and as Trustee of the Ben Hill Griffin Jr. Revocable Inter vivos Trust #1, and BHG Inc. According to Mr. Griffin III's attorneys, this litigation was filed in the federal district court for the Northern District of Florida (Case No: 4:01cv 432-5PM). The complaint, amount other things, seeks to set aside the settlement agreement based on alleged violations of the securities laws, fraud, and negligence. Although this suit was filed on October 2, 2001, Mr. Griffin III's attorneys indicate that, as of this date, neither Mr. Griffin III nor BHG Inc. has been served in this action. Mr Griffin III's attorneys have indicated that they believe this suit is without merit, if not frivolous, and have stated that if Mr. Griffin III is ever served, he will defend it vigorously.

DIRECTORS' COMPENSATION, COMMITTEES OF THE BOARD OF DIRECTORS AND CERTAIN MEETINGS

The Company's Board of Directors held 15 meetings in fiscal 2001. Each member of the Board of Directors, including employees of the Company, received \$1,000 for each Board meeting attended. During the year ended August 31, 2001, no director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Board and (2) the total number of meetings of all the Committees of the Board on which he served.

The Company has an Executive Committee, an Audit Committee, and a Compensation Committee; it does not have a Nominating Committee.

The Executive Committee, which exercises, to the extent permitted by Florida law, all the powers of the Board of Directors during intervals between Board meetings, consists of Ben Hill Griffin, III, W. Bernard Lester, and Ben Hill Griffin, IV. The Executive Committee met 10 times during fiscal 2001. No compensation is paid for executive committee meetings.

The Audit Committee, which is composed of five independent non-employee directors, met twice during the fiscal year. The principal functions of the Audit Committee are to recommend to the Board of Directors the engagement of the Company's independent public accountants, to review with such accountants the plan for and results of their examination of the financial statements of the Company, to determine the independence of such accountants, and to review the adequacy of the system of internal accounting controls, procedures and practices.

The Audit Committee operates pursuant to a Charter approved by the board, a copy of which was attached to last year's Proxy Statement. All members of the Audit Committee are independent directors as defined by the National Association of Security Dealers rules. Each outside director received \$1,000 for the committee meetings, and the Chairman received \$1,250.

The Compensation Committee reviews the compensation of the executive officers of the Company and makes recommendations to the Board of Directors regarding such compensation. The Compensation Committee met three times during the fiscal year 2001. Outside directors were paid \$1,000 for the committee meetings, and the Chairman was paid \$1,250.

AUDIT COMMITTEE REPORT

The Committee has prepared the following report on its activities with respect

Edgar Filing: ALICO INC - Form DEF 14A

- * Based on and relying on the review and discussions described above, the Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended August 31, 2001, for filing with the U.S. Securities and Exchange Commission.

COMPENSATION COMMITTEE REPORT

The Company's general compensation philosophy aims to provide base Compensation comparable with similar Florida businesses, allowing the Company to attract and retain qualified employees. In addition, the Company provides incentive compensation through a bonus program which is dependent on the individual's performance and which will also vary with the Company's performance. Accordingly, while the executive compensation program provides an overall level of compensation that is competitive within the Florida agribusiness industry, actual compensation levels in any given year may be greater or less than average competitive levels in comparable companies, depending on the Company's overall performance or such year and on the specific individual's performance or contribution to the Company. As additional incentive compensation, the Company adopted the 1998 Incentive Equity Plan, pursuant to which employees of the Company may be selected by the Board, in the Board's sole discretion, to receive stock options, restricted stock awards, or stock appreciation rights.

The Compensation Committee, comprised of independent directors on the Company's Board of Directors, reviews executive compensation and determines

Edgar Filing: ALICO INC - Form DEF 14A

Compensation levels which it then recommends to the Board of Directors. In determining the base compensation and any bonuses to be awarded to its executives, the Compensation Committee uses no set formula but rather evaluates a series of factors, including but not limited to (i) industry performance for such year, (ii) the Company's performance as compared to others in the industry that year, (iii) the Company's performance for such year as compared to the Company's performance with the previous year, and (iv) the individual's performance or contributions for such year as compared with such individual's performance or contributions the previous year, if applicable. In addition, the Compensation Committee will, in its discretion, evaluate other external and internal factors affecting performance, including individual circumstances.

The Chief Executive Officer's compensation is established using the same criteria as set forth above generally for executive compensation. For fiscal 2001, Mr. Ben Hill Griffin, III's base salary was comparable to that of the previous year, with a bonus award reflecting the Company's performance vis a vis comparable businesses and Mr. Griffin's contribution to such performance. In addition to his base salary and bonus pursuant to the terms of the Company's 1998 Incentive Equity Plan, Mr. Griffin received a grant of options to purchase 11,651 shares of the Company's common stock, the exercise price of which was based on the market price of the Company's common stock on September 12, 2000. The exercise price was based on the market price of the Company's common stock on August 31, 2000. Other Company employees also received stock options as part of their compensation during 2001.

Certain non-performance-based compensation to executives of public companies in excess of \$1,000,000 is not deductible for tax purposes. It is the responsibility of the Compensation Committee to determine whether any actions with respect to this compensation limit should be taken by the Company. During fiscal year 2001 no executive officers of the Company received any compensation in excess of this limit nor is it anticipated that any executive officer will receive any such compensation during fiscal year 2002. Therefore, the Compensation Committee has not taken any action to date to comply with this limit.

CONTINGENT COMPENSATION

1998 Incentive Equity Plan

The Company maintains an incentive equity plan (the "Incentive Equity Plan") pursuant to which Board members and employees selected by the Board of Directors may receive options to purchase Company common stock, awards of restricted stock, and stock appreciation rights (SARs). The purpose of the plan is to advance the interests of the Company and its stockholders by offering participants an opportunity to acquire or increase their proprietary interests in the Company, and thereby receiving additional incentives to achieve the Company's objectives. No stock options, SARs or restricted stock may be granted under the plan on or after the tenth anniversary of the plan's effective date.

Edgar Filing: ALICO INC - Form DEF 14A

The Incentive Equity Plan is administered by the Board of Directors.

Pension and Profit Sharing

The Company operates a Profit Sharing Plan under Section 401(k) of the Internal Revenue Code

(the "Plan"). Under this Plan a regular employee of the Company becomes eligible to participate upon employment provided he or she continues such employment through the following August 31. Vesting of the Plan begins after three (3) years of service with the Company at which time an employee becomes 20% vested. Vesting increases by 20% with each additional year of service. Employees become fully vested upon completion of seven (7) years service.

The Plan is fully funded by contributions by the Company, except for such contributions of employees electing to take advantage of the salary reduction feature (Section 401(k) Internal Revenue Code). Contributions by the Company are determined by its Board of Directors from time to time with allocations to employee accounts based on each participant's salary.

The Plan also includes a voluntary employee contribution provision pursuant to Section 401(k) of the Internal Revenue Code which allows employees to contribute up to 20% of their salary, or a maximum of \$10,500. All 401(k) accounts are 100% vested.

Employees will be deemed 100% vested and receive full benefits from the Plan, regardless

of their standing on vesting schedules, upon retirement on or after age 65, death or permanent disability. Benefits commence within 60 days after request following one of the qualifying events, referred to above, and can be taken as periodic payments or in a lump sum.

For the year ended August 31, 2001, the Company contributed a total of \$443,942 to the Profit Sharing Plan.

Additional Plan

The Company has a nonqualified defined benefit retirement plan, which covers officers of the

Company, as well as certain management and key personnel (the "Nonqualified Plan").

The Nonqualified Plan is being funded by the purchase of insurance contracts and is designed to provide a set monthly benefit after the participant reaches age 65. The participants are required to pay a portion of the cost of the Nonqualified Plan and the

Edgar Filing: ALICO INC - Form DEF 14A

Company pays the remaining amount. The expense and monthly benefit amount are based on the participant's annual salary and age at the date of entry into the Nonqualified Plan.

Pension expense for the additional retirement benefits was approximately \$395,000, \$128,000 and \$213,000 for the years ended August 31, 2001, 2000 and 1999, respectively.

INTEREST OF MANAGEMENT IN CERTAIN TRANSACTIONS

Effective November 2, 1983, the Company entered into a continuing marketing contract covering the majority of its citrus crop with Ben Hill Griffin, Inc., a company which is controlled by Ben Hill Griffin, III, the Company's Chairman of the Board and Chief Executive Officer. This contract provides for modifications to meet changing conditions and cancellation by either party by giving notice prior to August first preceding the next fruit season. Modifications to the terms of the contract are made upon the mutual agreement of both parties and can relate to numerous provisions of the contract including the quantity of fruit to be delivered and service fees to be collected by Ben Hill Griffin, Inc. Such modifications may be necessary depending on factors such as weather and general market conditions. During the year ended August 31, 2001 approximately 77 percent of the Company's crop was marketed under this contract. Under the terms of this contract, the Company's fruit is harvested, packed and/or otherwise processed and sold along with fruit from other growers, including Ben Hill Griffin, Inc., and the proceeds distributed on a pro rata basis as sales of the finished product are made by the buyer. The Company bears the costs of harvesting. The co-mingling of fruit with other growers permits Alico to participate in the negotiation of higher prices from buyers that would not likely be available if price

negotiations were limited only to Alico's fruit. The marketing contract also permits

Alico's fruit to be sold in either fresh or processed form, in 639: whichever market will provide the highest return. Historically, this contract has provided

highly competitive returns. Ben Hill Griffin, Inc. receives a handling fee and a marketing

fee out of the sales proceeds. The assistance provided for by the contract is considerable

and reduces the number of staff which the Company would otherwise have to employ. Additionally, the Company may receive advances on sales which are then deducted from its share of the distributed proceeds. Substantially 11 of the 2001-2002 citrus crop will be marketed under the terms of this contract; also, Ben Hill Griffin, Inc. provides

harvesting services for citrus sold to unrelated processors. The total amount paid

to Ben Hill Griffin, Inc., under the terms of the marketing contract, for harvesting and

other costs was \$7,614,788 during the year ended August 31, 2001. In addition,

Griffin was paid \$2,185,899 for harvesting citrus sold to an unrelated processor.

These charges are comparable to similar services available in the industry.

The Company purchased from Ben Hill Griffin, Inc., on a competitive bid basis,

fertilizer,

spray, herbicides and other miscellaneous supplies at a total cost of \$6,029,491 during the year.

INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

The firm of KPMG LLP, Certified Public Accountants, 111 North Orange Avenue, Suite 1600,

Orlando, Florida 32801, has served as the Company's independent certified public

accountants since January 1, 1984. In addition to performing the year-end audit of the

financial statements, the independent public accountant: (1) performs a limited review

of the quarterly financial statements, reviews the financial information included in the

annual report to shareholders and the Forms 10-Q and 10-K filed with the Securities

and Exchange Commission; and (2) prepares the federal and state income tax returns.

All services performed by the independent accountants are approved by the Audit

Committee of the Board of Directors prior to performance.

Representatives of KPMG LLP are expected to be present at the Annual Meeting of Stockholders and will be given an opportunity to make a statement if they so desire and

will be available to respond to appropriate questions from stockholders.

Upon the Audit

Committee's recommendation, the Board of Directors reaffirmed continuation of KPMG

LLP as auditors.

The following list details the aggregate fees billed by KPMG LLP for professional services:

Audit Fees	\$ 95,640
All other Fees	\$ 874,605 (1)

(1) This number includes \$49,605 billed for Tax Fees and \$825,000 billed for other Consulting Fees.

The Audit committee of the Board of Directors has determined that the provision of the non-audit professional services is compatible with maintaining KPMG LLP's independence.

OTHER BUSINESS

The Board of Directors is aware of no other matter that will be presented for action at the meeting.

If any other matter requiring a vote of the shareholders properly comes before the meeting,
