**Item 1.01 Entry into a Material Definitive Agreement**

On December 13, 2006, Forest Laboratories, Inc., a Delaware corporation ("Forest") and its wholly-owned subsidiary, FL Acquisition Corp., a Delaware corporation, ("Merger Sub") entered into an Agreement and Plan of Merger (the "Merger Agreement") with Cerexa, Inc., a Delaware Corporation ("Cerexa"), and Dennis Podlesak and Eckard Weber, M.D., as the agent (the "Stockholders' Agent") of Cerexa's stockholders (the "Former Stockholders"), as announced in the attached press release. Pursuant to the terms and subject to the conditions set forth in the Merger Agreement, Merger Sub will merge with and into Cerexa (the "Merger"), and Cerexa will continue as the surviving company in the Merger as a direct wholly owned subsidiary of Forest. The Board of Directors of Forest approved the Merger on December 11, 2006.

Under the terms of the Merger Agreement, upon consummation of the Merger (the "Effective Time"), Forest will acquire all of the outstanding capital stock of Cerexa in exchange for aggregate consideration of (i) \$480 million in cash, (ii) assumption of \$13.6 million in expenses and payments related to the transaction and (iii) a contingent payment of \$100 million if U.S net sales of ceftaroline products during any twelve-month period within the first five years following the first product launch exceed \$500 million. Cerexa has rights to commercialize ceftaroline, a next generation broad-spectrum hospital based cephalosporin antibiotic which is entering Phase III Studies, pursuant to a license with Takeda Pharmaceutical Company Ltd. Pursuant to the Merger, Forest will also acquire development and marketing rights (excluding Japan and certain Asian countries) to another injectable antibiotic and an option to a third, early stage injectable antibiotic.

An escrow will be established containing 7.5% of the cash consideration, subject to certain adjustments, and will be maintained for twelve months following the closing to secure the purchase price adjustments and the indemnity obligations of the Former Stockholders under the Merger Agreement.

The Merger Agreement contains customary representations, warranties and covenants, including, in the case of Cerexa, covenants to conduct its business in the ordinary course consistent with past practice during the interim period between execution of the Merger Agreement and the Effective Time of the Merger.

Completion of the Merger is subject to the following principal conditions: (i) no legal or regulatory restraint or prohibition preventing the consummation of the Merger, (ii) expiration or termination of the applicable Hart-Scott-Rodino Act waiting period, and (iii) the absence of any material adverse change affecting Cerexa. Following execution of the Agreement, the Merger was approved by the stockholders of Cerexa.

The summary of the agreement set forth above is qualified in its entirety by the agreement, which will be filed as an exhibit to the Company's quarterly report on Form 10-Q for the period ended December 31, 2006.

A copy of the press release announcing Forest's entry into the Merger Agreement is attached to this Current Report as Exhibit 99 and is incorporated herein by reference.
