Item 8.01 Other Events

On March 8, 2017, MSA Safety Inc.'s subsidiary Mine Safety Appliances Company LLC (“MSA LLC”) was paid approximately \$80.9 million (the “Payment”) pursuant to insurance policies issued by The North River Insurance Company and its affiliates (“North River”). The Payment reflects amounts previously invoiced to North River for reimbursement on cumulative trauma product liability claims. North River has reserved its rights to recover from MSA LLC any portion of the Payment that may later be judicially determined is not owed MSA LLC under the relevant policies. The Payment has been treated as a collection, and MSA LLC’s insurance receivable has been reduced by the full amount of the Payment. We will use the Payment to reduce outstanding debt.

The Payment does not constitute a full and final settlement from North River regarding its coverage obligations owed to MSA LLC. MSA LLC continues to seek additional amounts due from North River, including those amounts relating to the \$57.8 million verdict in the Court of Common Pleas in Allegheny County, Pennsylvania.

Note 19 of the Consolidated Financial Statement in Part II Item 8 of MSA Safety Inc.’s Form 10-K for 2016 sets forth more background on these matters.
