ITEM 5. Other Events and Regulation FD Disclosure

•
On September 19, 2002, our Board has approved a \$10.0 million increase in the Company's previously announced \$15.0 million Stock Repurchase Program. The \$10.0 million increase brings the total amount authorized to be spent by the Company to repurchase its outstanding common stock to 25.0 million. Under our Stock Repurchase Program, we may repurchase, from time to time during our 2002 Fiscal Year, either on the open market or through privately

negotiated transactions as we deem appropriate, and dependent on market conditions, share price and other factors we deem appropriate, (i) up to the Board authorized amounts of our outstanding common stock to be financed by our cash flow, plus (ii) such additional amount of our outstanding common stock as may be repurchased using the proceeds we receive from the exercise of options under our 2001 Equity Incentive Plan and an amount equal to the tax benefits which accrue to us by virtue of our ability to deduct the difference between the market price of our common stock on the exercise date and the exercise price of any options being exercised as compensation to the holders of the options under our 2001 Equity Incentive Plan.

On September 20, 2002, the Company issued a news release announcing an increase in the Stock Repurchase Program. A copy of the news release is attached to this Form 8-K as Exhibit 99.1.
