PROXY STATEMENT FOR THE ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD TUESDAY, APRIL 25, 2017

Introduction: Date, Time, and Place of Annual Meeting

This proxy statement is being furnished in connection with the solicitation by the board of directors of Penns Woods Bancorp, Inc. (the "Corporation"), a Pennsylvania business corporation, of proxies to be voted at the Annual Meeting (the "Annual Meeting") of holders of Common Stock (the "Common Stock") of the Corporation to be held on Tuesday, April 25, 2017, at 12:30 P.M., at the Pine Barn Inn, 1 Pine Barn Place, Danville, PA 17821, and any adjournment or postponement thereof.

The principal executive office of the Corporation is located at 300 Market Street, Williamsport, PA 17701. All inquiries should be directed to Richard A. Grafmyre, President of the Corporation, at (570) 322-1111. Jersey Shore State Bank ("JSSB") and Luzerne Bank ("Luzerne", together referred to as the "Banks") are wholly owned subsidiaries of the Corporation.

Solicitation and Revocability of Proxies

This proxy statement and enclosed proxy card are first being sent to shareholders of the Corporation on or about March 24, 2017. Shares properly represented by the proxy will be voted in accordance with the specifications made thereon by the shareholders. Any proxy not specifying to the contrary will be voted "FOR" the Class 3 nominees noted, "FOR" the approval of the advisory vote on executive compensation, "FOR" the ratification of the appointment of S.R. Snodgrass, P.C. as the independent registered public accounting firm of the Corporation for the year ending December 31, 2017 and one year for the preferred frequency for holding an advisory vote on executive compensation. The execution and return of the enclosed proxy card will not affect the right of a shareholder of record to attend the Annual Meeting and to vote in person if such shareholder gives written notice to the Secretary of the Corporation. Shareholder may also vote by telephone or Internet as provided on the enclosed proxy card.

The cost of assembling, printing, mailing, and soliciting proxies and any additional material that the Corporation may furnish shareholders in connection with the Annual Meeting will be borne by the Corporation. In addition to the solicitation of proxies by use of the mails, directors, officers, and employees of the Corporation and/or the Banks may solicit proxies, without additional compensation, by telephone, telegraph, or personal interview, with nominal expense to the Corporation. The Corporation will also pay the standard charges and expenses of brokerage houses or other nominees or fiduciaries for forwarding proxy soliciting material to the beneficial owners of shares.

A shareholder of record who returns a proxy may revoke the proxy at any time before it is voted (1) by giving written notice of revocation to Richard A. Grafmyre, President and Chief Executive Officer, Penns Woods Bancorp, Inc., 300 Market Street, Williamsport, PA 17701, (2) by executing a later-dated proxy and giving written notice thereof to the Secretary of the Corporation, or (3) by voting in person after giving written notice to the Secretary of the Corporation.

If your shares are held in "street name" (that is, through a broker, trustee, or other holder of record), you will receive a proxy card from your broker seeking instructions as to how your shares should be voted. If no voting instructions are given, your broker or nominee has discretionary authority to vote your shares on your behalf on certain routine matters. A "broker non-vote" results on a matter when your broker or nominee returns a proxy but does not vote on a particular proposal because it does not have discretionary authority to vote on that proposal and has not received voting instructions from you. Under the rules of The New York Stock Exchange, only Proposal No. 3 (the ratification of the appointment of the Corporation's independent registered public accounting firm) is a routine matter, and

therefore is the only proposal for which your broker or nominee has discretionary authority to vote. Your broker or nominee does not have discretionary authority to vote on Proposal No. 1 (the election of the five Class 3 directors), Proposal No. 2 (advisory vote on executive compensation), and Proposal No. 4 (advisory vote on the frequency of advisory votes on executive compensation). You may not vote shares held in “street name” at the Annual Meeting unless you obtain a legal proxy from your broker or holder of record.

Quorum

Under the Corporation’s bylaws, the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast will constitute a quorum for transaction of business at the Annual Meeting.

Voting Securities

Holders of record of the common stock at the close of business on March 1, 2017 will be entitled to notice of and to vote at the Annual Meeting. On March 1, 2017 there were 4,734,952 shares of common stock outstanding. Each share of common stock outstanding as of the close of business on March 1, 2017, is entitled to one vote on each matter that comes before the meeting, and holders do not have cumulative voting rights with respect to the election of directors. Under Pennsylvania law and the Bylaws of the Corporation, the presence of a quorum is required for each matter to be acted on at the Annual Meeting. For purposes of the Annual Meeting, a quorum consists of the presence, in person or by proxy, of shareholders entitled to cast at least a majority of the votes which all shareholders are entitled to cast. Votes withheld, abstentions and broker non-votes will be counted in determining the presence of a quorum for each matter.

Assuming the presence of a quorum, the five nominees for director receiving the highest number of votes cast by shareholders entitled to vote for the election of directors will be elected. Votes withheld from a particular nominee and broker non-votes will not constitute or be counted as votes cast for such nominee.

The affirmative vote of a majority of votes cast by shareholders at the Annual Meeting is required for approval of the other non-election matters to be considered at the Annual Meeting. A plurality of the votes cast for Proposal No. 4 will be considered the shareholders' preferred frequency for holding an advisory vote on executive compensation. Abstentions and broker non-votes will not constitute or be counted as votes cast and will not affect the outcome on the other non-election matters.

All proxies properly executed and not revoked will be voted as specified.

The Audit Committee of the Corporation was composed of all independent directors within the meaning of Nasdaq listing standards. The Audit Committee operates under a written charter, a copy of which is available on our website, www.jssb.com, under Investor Relations/ Financial Information/ Governance Documents and is available upon written request to the President. The board of directors has designated Daniel K. Brewer as the Audit Committee financial expert. The Audit Committee is responsible for the appointment, compensation, oversight, and termination of the Corporation's independent auditors. The Audit Committee is required to pre-approve audit and certain non-audit services performed by the independent auditors. The Audit Committee also assists the board of directors in providing oversight over the integrity of the Corporation's financial statements, compliance with applicable legal and regulatory requirements, and the performance of our internal audit function. The Audit Committee also is responsible for, among other things, reporting to the board of directors on the results of the annual audit and reviewing the financial statements and related financial and non-financial disclosures included in our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q. Importantly, from a corporate governance perspective, the Audit Committee regularly evaluates the independent auditors' independence, including approving consulting and other legally permitted, non-audit services provided by the auditors and the potential impact of the services on the auditors' independence. The Audit Committee meets periodically with the independent auditors and the internal auditors outside of the presence of management, and possesses the authority to retain professionals to assist it in meeting its responsibilities without consulting with management. The Audit Committee reviews and discusses with management earnings releases, including the use of pro-forma information. The Audit Committee also discusses with management and the independent auditors the effect of accounting initiatives. The Audit Committee also is responsible for receiving and retaining complaints and concerns relating to accounting and auditing matters.

The board of directors of the Corporation met eighteen (18) times during 2016. All of the Directors attended at least 80% of the aggregate of all meetings of the board of directors and the Committees of which they were members.

Board Leadership Structure

Our board of directors maintains the freedom to choose whether the roles of Chairman of the Board and Chief Executive Officer should be combined or separated, based on what it believes is best for the Corporation and its shareholders at any given time. The board of directors has determined that it is appropriate to separate the roles of Chief Executive Officer and Chairman of the Board for the Corporation. Accordingly, R. Edward Nestlerode, Jr. serves as Chairman of the Board of the Corporation while Richard A. Grafmyre serves as Chief Executive Officer of the Corporation. The board of directors believes this arrangement provides stronger corporate governance and conforms to industry best practices.

Board Risk Oversight

Each member of the board of directors has a responsibility to monitor and manage risks faced by the Corporation. At a minimum, this requires the members of the board of directors to be actively engaged in board discussions, review materials provided to them, and know when it is appropriate to request further information from management and/or engage the assistance of outside advisors. Furthermore, because the banking industry is highly regulated, certain risks to the Corporation are monitored by the board of directors through its review of the Corporation's and its banking subsidiaries compliance with regulations set forth by the banking regulatory authorities. Because risk oversight is a responsibility for each member of the board of directors, the board's responsibility for risk oversight is not concentrated into a single committee. Instead, oversight is delegated, to a large degree, to the various board committees with an independent director serving in the capacity of committee chairman. These committees meet formally, as needed, to discuss risks and monitor specific areas of the Corporation's performance with their findings reported at the next scheduled full meeting of the board of directors. In addition, the composition of the board of directors and normal agenda allow for the continuous oversight of risk by providing an environment which encourages the directors to ask specific questions or raise concerns and allots them sufficient time and materials to do so effectively. The overlap of committee membership provides a broad perspective of various risks and the actions undertaken to manage risks in today's environment.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee operates under a written charter, a copy of which is available on our website, www.jssb.com, under Investor Relations/Financial Information/Governance Documents and is available upon request to the President. All members of the Committee are independent within the meaning of Nasdaq listing standards, and the Committee met twice during 2016. The Committee will consider candidates recommended by shareholders. Shareholders desiring to submit a candidate for consideration as a nominee of the board of directors must submit the same information with regard to the candidate as required to be included in the Corporation's proxy statement with respect to nominees of the board of directors in addition to any information required by the Bylaws of the Corporation. Shareholder recommendations should be submitted in writing to Penns Woods Bancorp, Inc., 300 Market Street, Williamsport, PA 17701 (Attention: President and Chief Executive Officer), on or before December 31 of the year preceding the year in which the shareholder desires the candidate to be considered as a nominee. Although the board of directors at this time does not utilize any specific written qualifications, guidelines, or policies in connection with the selection of director nominees, candidates must have a general understanding of the financial services industry or otherwise be able to provide some form of benefit to the Corporation's business, possess the skills and capacity necessary to provide strategic direction to the Corporation, be willing to represent the interests of all shareholders, be able to work in a collegial board environment, and be available to devote the necessary time to the business of the Corporation. In addition to these requirements, candidates will be considered on the basis of diversity of experience, skills, qualifications, occupations, education, and backgrounds, and whether the candidate's skills and experience are complementary to the skills and experience of other board members. Candidates recommended by shareholders will be evaluated on the same basis as candidates recommended by the independent directors.

Nominations for director to be made at the Annual Meeting by shareholders entitled to vote for the election of directors must be submitted to the Secretary of the Corporation not less than ninety (90) days or more than one hundred fifty (150) days prior to the Annual Meeting, which notice must contain certain information specified in the Bylaws. No notice of nomination for election as a director has been received from any shareholder as of the date of this proxy statement. If a nomination is attempted at the Annual Meeting that does not comply with the procedures required by the Bylaws or if any votes are cast at the Annual Meeting for any candidate not duly nominated, then such nomination and/or such votes may be disregarded.

(1) Represents earnings from consulting agreement (described in detail below) and an additional \$5,106 for health insurance benefits.

In connection with his retirement, Mr. Valencik and the Corporation entered into a consulting letter agreement, effective August 1, 2005. Under the agreement, Mr. Valencik performed certain consulting services for the Corporation, principally in the area of business development. The agreement renewed on each August 1, subject to either party's right to terminate the agreement upon 45 days' prior written notice. The agreement terminated on June 30, 2016. During the term of the consulting agreement, Mr. Valencik was required to devote not more than 20 hours per week to the provision of consulting services. In consideration of the consulting services, he was paid \$1,400 per month and was reimbursed for the after-tax cost of health insurance if he was ineligible for coverage under the Corporation's health insurance programs. Mr. Valencik has notified the Corporation of his retirement, effective as of the date of the Annual Meeting.

The Corporation pays a retainer fee to each director of the Corporation of \$28,000. In addition, JSSB and Luzerne pay a retainer fee to each director of \$25,000 and \$22,000, respectively. Mr. Nestlerode received \$5,000 for serving as Chairman of the Board for the Corporation and Mr. Furey and Mr. Kluger each received \$5,000 for serving as Chairman of the Board for JSSB and Luzerne, respectively. In the aggregate, the existing board of directors of the Corporation earned \$695,000 for all board service during 2016. Directors do not receive additional fees for Board or committee meeting attendance.

JSSB and Directors Casale, Furey, Rockey, and Walko have entered into director fee agreements pursuant to which each participating director may defer payment of all or a portion of his director's fees earned for service on the boards of directors of the Corporation and JSSB. JSSB has established a deferral account for each participating director on its books. Benefits are funded by each director's fees and JSSB's general assets and are payable upon retirement, early termination, disability, death, or the occurrence of a change in control of the Corporation or JSSB. Interest is credited to each deferral account at an annual rate equal to 50% of the Corporation's return on equity for the immediately prior

year, compounded monthly. Following termination of service, interest is credited to a deferral account at a rate based on the yield of the 10-year treasury note. A participating director may receive a payment of his account if the board of directors has determined that, following a request by a participating director, such director has suffered a severe unforeseeable financial hardship and becomes payable at the board of directors discretion. Generally, the amounts are payable, at the participating director's prior election, in a lump sum or in 60 equal monthly installments. Following the occurrence of a triggering event, payments will commence within 30 days after, at the participating director's prior election, his retirement or termination of service, or the occurrence of a change in control of the Corporation or JSSB. If payments are not triggered until the participating director's death, the benefits will be paid within 90 days following receipt of the director's death certificate.

Luzerne maintains a Director Deferred Fee Plan in which all Luzerne directors, including Mr. Kluger, Mr. Nackley and Ms. Schwartz, participate. The Plan is a non-qualified deferred compensation plan into which Luzerne directors can defer up to 100% of the board fees earned during a calendar year. All amounts deferred by a director are fully vested at all times and currently earn an annual interest rate equal to prime plus 3%, with a floor of 6%. Balances accrued in the Plan prior to December 31, 2012 earn interest at 10%. Upon cessation of a Luzerne director's service with Luzerne, Luzerne will pay the director all amounts credited to the director's deferred fee account.

Directors who are also employees of the Corporation (currently Mr. Grafmyre and Mr. Knepp) do not receive any separate compensation for serving as a director of the Corporation or the Banks.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Bylaws provide that the board of directors shall consist of not less than five (5) nor more than twenty-five (25) directors who are shareholders, the exact number to be fixed and determined from time to time by resolution of the full board of directors or by resolution of the shareholders at any annual or special meeting with the number currently set at fifteen (15). The Articles of Incorporation and Bylaws further provide that the directors shall be divided into three (3) classes, as nearly equal in number as possible, known as Class 1, Class 2, and Class 3. The directors of each class serve for a term of three (3) years and until their successors are elected and qualified. Under Pennsylvania law, directors of the Corporation can be removed from office by a vote of shareholders only for cause. On February 28, 2017, Hubert A. Valencik, a Class 2 director of the Corporation since 2005, notified the Corporation of his intention to retire as of the date of the Annual Meeting, after thirty-three years of continuous service as an employee, officer or director of the Corporation and Jersey Shore State Bank. The directors of the Corporation serve as follows:

Nominees for election as Class 3	Class 1 Directors	Class 2 Directors
Directors whose term expires in 2020:	to serve until 2019:	to serve until 2018:
James M. Furey, II (age 69)	Daniel K. Brewer (age 54)	William J. Edwards (age 45)
Richard A. Grafmyre (age 63)	Michael J. Casale, Jr. (age 65)	Leroy H. Keiler, III (age 53)
D. Michael Hawbaker (age 49)	Joseph E. Kluger (age 53)	Jill F. Schwartz (age 63)
Brian L. Knepp (age 42)	R. Edward Nestlerode, Jr. (age 64)	Ronald A. Walko (age 70)
John G. Nackley (age 64)	William H. Rockey (age 70)	

The board of directors has affirmatively determined that all of the directors are independent within the meaning of the NASDAQ listing standards, except for Richard A. Grafmyre, President and Chief Executive Officer of the Corporation and Brian L. Knepp, Senior Vice President and Chief Financial Officer of the Corporation. The board categorically determined that a lending relationship resulting from a loan made by one of the Corporation's banking subsidiaries (Jersey Shore State Bank or Luzerne Bank), to a director would not affect the determination of independence if the loan complies with Regulation O under the federal banking laws. The board also categorically determined that maintaining with the Banks a deposit, savings, or similar account by a director or any of the director's affiliates would not affect the determination of independence if the account is maintained on the same terms and conditions as those available to similarly situated customers.

The proxies solicited hereunder will be voted "FOR" (unless otherwise directed) the five (5) director nominees of the board of directors listed previously for election as Class 3 directors. Each nominee has agreed to serve if elected and qualified. The Corporation does not contemplate that any nominee will be unable to serve as a director for any reason. However, in the event one or more of the nominees should be unable to stand for election, proxies will be voted for the remaining nominees and such other persons selected by the board of directors, in accordance with the best judgment of the proxy holders.

INFORMATION AS TO NOMINEES AND DIRECTORS

Set forth below is the principal occupation and certain other information regarding the nominees and other directors whose terms of office will continue after the annual meeting. In addition, below we provide the particular experience, qualification, attributes, or skills that led the board of directors to conclude that each director and nominee should serve as a director. Share ownership information for each director and nominee is included under “Beneficial Ownership and Other Information Regarding Directors and Management.”

NOMINEES FOR DIRECTOR

James M. Furey, II is President and owner of Eastern Wood Products. Mr. Furey has served as a director since 1990. Through Mr. Furey's professional experience in the lumber industry, which is significant in the Williamsport region, he has developed strong ties to the community. From these community relationships, Mr. Furey provides the board with insight as to the growth opportunities and real estate industry within the Williamsport region.

Richard A. Grafmyre has served as President and Chief Executive Officer of the Corporation since joining the Corporation in October 2010. Prior to joining the Corporation, Mr. Grafmyre served as President, Chief Executive Officer, and Chairman of FNB Bank since 1997. For the efficient operation of the board, the board believes that the President and Chief Executive Officer should have a position on the board to act as a liaison between the board and management and to assist with the board's oversight responsibilities by ensuring the board receives information from management in a timely and accurate manner to permit the board to carry out its responsibilities effectively. Mr. Grafmyre's extensive professional banking experience within a larger holding company structure enables him to provide the board with insight as to how the Corporation's operations, policies, and implementation of strategic plans compare to those of its peers.

D. Michael Hawbaker is Executive Vice President of Glenn O. Hawbaker, Inc., a provider of heavy construction services and products throughout the company's market area in Centre County, Pennsylvania. Mr. Hawbaker has served as a director since 2007. Mr. Hawbaker is one of our youngest board members, adds to the diversity of the board, and helps to ensure that the board will develop board members with a depth of knowledge of the Corporation, in order to avoid knowledge and experience voids as older board members retire. Additionally, Mr. Hawbaker understands the community and political landscape of the Centre County area where the board intends to continue to grow the Corporation's business. Mr. Hawbaker possesses a level of financial acumen important to his service as a member of the Audit Committee.

Brian L. Knepp joined the Corporation in 2005 and has served as the Chief Financial Officer of the Corporation since 2008. The board believes that Mr. Knepp's experience and knowledge of the Corporation's business lines coupled with his ability to act as a liaison, in conjunction with the Chief Executive Officer, between the board and management and to assist with the board's oversight responsibilities by ensuring the board receives information from management in a timely and accurate manner will enhance board performance. Mr. Knepp also serves as the Chief Executive Officer of JSSB's wholly owned subsidiary, The M Group, Inc. d/b/a The Comprehensive Financial Group. Mr. Knepp's nearly twenty years of banking experience coupled with experience in the manufacturing sector enables him to relate to the needs of the board.

John G. Nackley is President & CEO, InterMetro Industries Corporation after serving as Vice President and Executive Vice President. Mr. Nackley has served as a director since 2013. Mr. Nackley's experience in a Fortune 500 company provides the board with leadership in the business climate, financial reporting, strategic planning, marketing, and governance.

DIRECTORS CONTINUING IN OFFICE

Daniel K. Brewer is a Certified Public Accountant and the principal and owner of Brewer & Company, LLC, a private CPA firm. Mr. Brewer has served as a director since 2012. Mr. Brewer's experience and knowledge of financial standards and reporting is valuable to the Audit Committee of which he serves as the Chairman. Mr. Brewer's business and social involvement in the greater area of Columbia and Montour Counties provides insight into the economic stability of this region. In addition, Mr. Brewer's knowledge of financial statements assists the board in their review of certain loan requests.

Michael J. Casale, Jr. is the principal of Michael J. Casale, Jr., Esq., LLC. Mr. Casale has served as a director since 1999. Because banking is a highly regulated industry and success in the industry is dependent on adequately managing certain lending risks, Mr. Casale's experience as an attorney is helpful to the board in reviewing the Corporation's legal matters and documentation related to commercial lending matters. Mr. Casale is a defendant in a pending action in the Court of Common Pleas in Lycoming County, Pennsylvania relating to a personal domestic matter. SECTION 16 (a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and any persons owning ten percent or more of our common stock, to file in their personal capacities initial statements of beneficial ownership on Form 3, statements of changes in beneficial ownership on Form 4, and annual statements of beneficial ownership on Form 5 with the Securities and Exchange Commission. Persons filing such beneficial ownership statements are required by SEC regulation to furnish us with copies of all such statements filed with the SEC. The rules of the SEC regarding the filing of such statements require that "late filings" be disclosed in the Corporation's proxy statement. Based solely on the reports received by us or filed with the SEC and on written representations from reporting persons, we believe all such persons complied with all applicable filing requirements during 2016.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Discussion and Analysis addresses the following issues: members of the Compensation Committee (the "Committee") and their role, compensation-setting process, our philosophy regarding executive compensation, and components of executive compensation.

Committee Members and Independence

The Committee is comprised of four (4) independent directors under the requirements set forth in the Nasdaq listing standards. In determining the independence of members of the Compensation Committee, the Board considers all factors specifically relevant to determining whether the director has a relationship to the Corporation that is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including (i) the source of the director's compensation, including any consulting, advisory or other compensation fees; and (ii) any affiliate relationship between the director and the Corporation or any of its subsidiaries. The members of the Committee are: Michael J. Casale, Jr., William J. Edwards, D. Michael Hawbaker, and R. Edward Nestlerode, Jr.

Role of Committee

The Committee's focus is to establish a compensation policy and philosophy that will enable the Corporation to attract, retain, motivate, and reward executive officers that are critical to the success of the Corporation. In doing so, the Committee:

- reviews and adjusts the principles guiding the compensation policy to maintain alignment with short and long-term strategic goals and to build shareholder value;

- establishes performance objectives including, but not limited to, earnings, return on assets, return on equity, total assets, and quality of the loan portfolio;
- evaluates the performance of the executive officers in comparison to the performance goals;
- determines the compensation of executive officers and the components of the compensation;
- administers the retirement plans of the Corporation, including the defined benefit, defined contribution, and 401(k) plans;
- administers the 2006 Employee Stock Purchase Plan;
- administers the 2014 Stock Option Plan;
- recommends changes to compensation plans, cash or equity, to the full board of directors;
- reviews and recommends changes to succession plans; and
- reviews and recommends changes to director compensation.

Committee Meetings

The Committee meets as often as necessary. The Committee met twice in 2016 to gather input in anticipation of the wage and benefit changes to be approved for the 2017 fiscal year. The Committee maintains a written charter. The Committee works with the President and Chief Executive Officer to determine the meeting agenda and material to be reviewed. The materials and inputs utilized may include, but are not limited to, the following:

- financial reports outlining budget to actual performance;
- reports of corporate achievement/recognition by outside parties;
- forecasted financial results as compared to the current budget and actual results;
- peer financial analysis and comparison;
- completion and progress of meeting strategic goals;
- peer equity and cash compensation data;
- national and regional compensation surveys; and
- financial impact of current and proposed compensation programs.

Committee Process

The Committee set the compensation of the executive officers and other employees during the fourth quarter of 2015 for the period covering the 2016 fiscal year. Although the decisions are made at a point in time, the Committee continuously monitors the performance of the Corporation and executives throughout the year as part of the routine full board of directors meetings.

The Committee utilizes the input and assistance of management when making compensation decisions. Management input includes:

- employee performance evaluations and compensation recommendations;
- reporting actual and forecasting future results;
- establishing performance objectives;
- review and recommendations of non-cash employee compensation programs; and
- assistance with Committee meeting agendas.

The President and Chief Executive Officer has direct involvement with the Committee during the meetings in order to provide status updates on the attainment of strategic goals, discuss performance evaluations, and make recommendations on executive officer compensation packages, for the named executive officers other than himself. Annually, the Committee meets to evaluate the performance of the executive officers, set the compensation for the fiscal year, and to determine their cash bonus to be paid during the first quarter of the year based on the results of the preceding fiscal year.

Compensation Elements

Base Salary

The Committee believes that the base salary of the named executive officers is the cornerstone of the compensation package and is the primary source of compensation to the executive. The base salary provides a consistent level of pay to the executive, which the Committee feels decreases the amount of executive turnover, promotes the long-term goals of the Corporation, and is a tax deductible expense. The factors used in determining the level of base salary include the executive's qualifications and experience, tenure with the Corporation, responsibilities, attainment of goals and objectives, past performance, and peer practices. A review of past performance and the attainment of goals and objectives are reviewed annually as part of the formal annual performance review. During the review, objectives and goals for the current and following year and upcoming milestones related to the corporate strategic plan were discussed. Peers for the Corporation are bank holding companies headquartered within Pennsylvania, Maryland, New Jersey, New York, Ohio, and West Virginia with assets between \$1 billion and \$2 billion and include the following:

ACNB Corporation	Ameriserv Financial, Inc.	BCB Bancorp, Inc.
Cenlar Capital Corporation	Chemung Financial Corp.	Citizens and Northern Corp.
Citizens Financial Services, Inc.	Civista Bancshares, Inc.	Clifton Bancorp, Inc.
Codorus Valley Bancorp	Community Financial Corporation	ESSA Bancorp, Inc.
Farmers & Merchants Bancorp	Farmers National Banc Corp	First National Community Bancorp
First United Corp.	FNCB Bancorp, Inc.	Franklin Financial Services Co.
LCNB Corp.	MVB Financial Corp.	Norwood Financial Corp.
Ocean Shore Holding Company	Orrstown Financial Services, Inc.	Peoples Financial Services Corp.
QNB Corp.	Republic First Bancorp, Inc.	Shore Bancshares, Inc.
Summit Financial Group, Inc.	Unity Bancorp, Inc.	

Data for these peers is gathered from various sources including, but not limited to, SEC filings, Federal Reserve filings, and other information publicly released by the peer companies. The Committee utilizes such comparative information as a component in determining base salary for such executives. Other components considered by the Committee include the factors described above. The Committee does not assign relative weights to any one component but considers the entire mix of information. The Committee does not consider such comparative information in connection with other elements of the overall compensation of such executives.

Annual Bonus Program

The Committee administers a Performance-Based Cash Incentive Plan originally adopted in March 2010 in which certain executive officers of the Corporation, including the named executive officers, participate. The plan provides at-risk compensation awards to eligible employees, which include full-time employees of the Corporation (except employees whose compensation is commission based) and part-time employees who are eligible to participate in the Corporation's Pension Plan and/or 401(k) Plan. In addition, the employee must receive an overall rating of "Good" or higher on his or her most recent individual performance appraisal for the fiscal year covered by the performance appraisal. The plan is designed to support organizational objectives and financial goals set forth in the Corporation's strategic business plan and financial plan. The plan further aligns the interests of the Corporation's shareholders with employees and assists the Corporation in attracting, retaining, and motivating high-quality personnel, who contribute to the success and profitability of the Corporation.

The Committee by resolution establishes six target results criteria on an annual basis. Target results are the annual goals of the Banks, which are consistent with the Corporations's strategic business plan and financial plan, which must be met in order to receive a cash award under the plan. The target results integrate industry peer group standards with the goals set forth in the Corporation's strategic business plan and financial plan. Targets are weighted to reflect the relative importance of each goal to the Corporation's goals under its strategic business plan and financial plan. Target measures that may be used by the Committee include, but are not limited to, return on equity, gross loan growth, growth in deposits (excluding brokered deposits), growth in core deposits, net interest margin, and net overhead as a percent of average assets. Target results are set at levels intended to be challenging, but more likely than not to be achieved, or come substantially close to being achieved.

The Committee has the discretion to exclude nonrecurring or extraordinary items of income, gain, expense, or loss, or any other factor it may deem relevant in its determination as to whether the target results have been satisfied. The Committee must conclude that an award, in such a circumstance, would ensure that the best interests of the Corporation's shareholders are protected and are not in conflict with the interests of the plan's participants.

Cash awards are based upon a percentage of eligible compensation, which will be the employee's Form W-2 gross wages net of any amount included as a payment for any prior year bonus awards. The higher the eligible employee's position, the greater the percentage of the employee's eligible compensation may be received as a cash award. This reflects the Corporation's belief that the performance of our named executive officers and other members of upper management has relatively greater impact on the performance of the Corporation.

If the plan participants' employment is terminated with the Corporation, other than retirement (which generally will be attaining the age of 65) or death during the plan year, the participant will not be eligible to receive a bonus award even

if the target results are reached. If a plan participant is terminated as a result of death or retirement and the participant worked at least six months during the plan year, the participant, or in the case of death, the participant's beneficiary, will be eligible to receive a pro-rated bonus at the same time and manner as cash bonuses are paid to the other participants in the plan.

The plan is administered by the Committee, but annual awards determined by the Committee under the plan are subject to the approval of the board of directors of the Corporation. The Committee may only make awards when it deems such awards are in the best interests of the Corporation, the Corporation's shareholders, and the plan participants. The Committee or the board may

take action to amend, modify, suspend, reinstate, or terminate the plan at any time. Such amendments, modifications, suspensions, reinstatements, or terminations may apply retroactively.

For 2016, the Committee established six weighted performance targets to be satisfied as a condition to the payment of any bonuses under the plan for 2016 for the employees of JSSB, which included Messrs. Grafmyre, Knepp, Carter and Ms. Karas. The performance factors and weightings for each factor for 2016, all of which exclude securities gains or losses where applicable, were as follows: Return on Equity (target: 12.22%; weighting: 30%); Gross Loan Growth (target: \$18.530 million; weighting: 20%); Deposit Growth, excluding brokered deposits (target: \$42.646 million; weighting: 5%); Core Deposit Growth (target: \$35.497 million; weighting: 15%); Net Interest Margin (target: 3.40%; weighting: 15%); and Net Overhead as a Percentage of Average Assets (target: 1.65%; weighting: 15%). JSSB's actual performance measured against the weighted target performance factors resulted in performance of 143% of targeted goals and resulted in potential cash awards for Tier 1 participants of up to 30.1% of base salary, with the Committee having the ability to increase the amount paid for exceptional service to the Corporation. Based on these factors, bonuses for 2016 were paid as follows: Mr. Grafmyre - \$250,000; Mr. Knepp - \$50,667; Mr. Carter - \$24,391; and Ms. Karas - \$21,925

Equity Awards

The Committee has not in the recent past used stock options or other equity-based awards as part of the compensation package for its named executive officers. The Committee, however, in 2014 recommended to the board that an equity incentive plan be put into place. The Committee feels this tool is needed in order to continue to be able to attract top talent, retain management, and to provide a long-term compensation component. The board of directors and shareholders approved the 2014 Penns Woods Bancorp, Inc. Equity Incentive Plan at the 2014 Annual Meeting of Shareholders. There were no grants of stock options or other equity-based awards under the Equity Incentive Plan or otherwise during 2016.

Additional Benefits

The named executive officers may participate in other employee benefit programs that are generally available to the other employees of the Corporation. Other perquisites received by the named executive officers are either included in the Summary Compensation Table in this proxy statement or do not exceed \$10,000 in the aggregate annually.

Employment and Change in Control Agreements

We have entered into employment agreements with Messrs. Grafmyre, Knepp, Carter and Ms. Karas. A discussion of these agreements follows.

Richard A. Grafmyre. Mr. Grafmyre is a party to an amended and restated employment agreement with the Corporation and JSSB. The initial term of the amended agreement terminates on November 1, 2019 and renews on November 1, 2019 for an additional four-year period ending October 31, 2023 unless either party gives notice of non-renewal no later than November 1, 2018. Under the terms of the amended agreement, Mr. Grafmyre receives an annual base salary of \$425,000, subject to discretionary increases by the Corporation or JSSB. Mr. Grafmyre is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of the Corporation and JSSB. In addition, Mr. Grafmyre is entitled to the use of a mid-size automobile for business and ancillary personal use and payment of initiation fees, and membership assessments and dues for him and his spouse at two clubs.

The amended agreement may be terminated for cause (as defined in the agreement), in which case the parties' obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Mr. Grafmyre's then current annual base salary for the greater of six months or the number of months remaining in the term of his employment agreement and provide Mr. Grafmyre, at no cost to him, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation and JSSB without cause or Mr. Grafmyre voluntarily terminates his

employment for good reason (as defined in the agreement), the Corporation or JSSB will pay Mr. Grafmyre, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Mr. Grafmyre's then base salary and the average of his bonus amounts over the prior three years and provide him with continued health insurance benefits for a period of 24 months. If during the term of the agreement, Mr. Grafmyre voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Mr. Grafmyre dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Grafmyre, or his estate, as the case may be, will be entitled to the amounts described above.

The agreement provides for the reduction of any "change in control" payments to Mr. Grafmyre to the extent necessary to ensure that he will not receive "excess parachute payments" under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompete covenants which generally prohibit Mr. Grafmyre from engaging in banking activities with an institution headquartered within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania. These covenants generally extend for a period of one year after Mr. Grafmyre's termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by the Corporation and JSSB, in which case these covenants end on the date the agreement terminates.

Brian L. Knepp. Mr. Knepp is a party to an amended and restated employment agreement with the Corporation and JSSB. The initial term of the amended and restated agreement terminated on December 31, 2016 and has been renewed for an additional year. The agreement renews annually for one-year terms ending each December 31 absent notice of nonrenewal by either party. Under the terms of the agreement, Mr. Knepp will receive an annual base salary of at least \$165,754, subject to discretionary increases by the Corporation and JSSB. Mr. Knepp is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of the Corporation and JSSB.

The agreement may be terminated for cause (as defined in the agreement), in which case the parties' obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Mr. Knepp's then current annual base salary for the greater of six months or the number of months remaining in the term of his employment agreement and provide Mr. Knepp, at no cost to him, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation or JSSB without cause or Mr. Knepp voluntarily terminates his employment for good reason (as defined in the agreement), the Corporation and JSSB will pay Mr. Knepp, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Mr. Knepp's then base salary and the average of his bonus amounts over the prior three years. If during the term of the agreement, Mr. Knepp voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Mr. Knepp dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Knepp, or his estate, as the case may be, will be entitled to the amounts described above.

The agreement provides for the reduction of any "change in control" payments to Mr. Knepp to the extent necessary to ensure that he will not receive "excess parachute payments" under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompete covenants which generally prohibit Mr. Knepp from engaging in banking activities within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania. These covenants generally extend for a period of one year after Mr. Knepp's termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by Penns Woods and Jersey Shore State Bank, in which case these covenants end on the date the agreement terminates.

Aron M. Carter. Mr. Carter is a party to an employment agreement with the Corporation and JSSB. The initial term of the agreement terminated on December 31, 2016 and has been renewed for an additional year. The agreement renews annually for one-year terms ending each December 31 absent notice of nonrenewal by either party. Under the terms of the agreement, Mr. Carter will receive an annual base salary of at least \$115,000, subject to discretionary increases by the Corporation and JSSB. Mr. Carter is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of the Corporation and JSSB.

The agreement may be terminated for cause (as defined in the agreement), in which case the parties' obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Mr. Carter's then current annual base salary for the greater of six months or the number of months remaining in the term of his employment agreement and

provide Mr. Carter, at no cost to him, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation or JSSB without cause or Mr. Carter voluntarily terminates his employment for good reason (as defined in the agreement), the Corporation and JSSB will pay Mr. Carter, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Mr. Carter's then base salary and the average of his bonus amounts over the prior three years. If during the term of the agreement, Mr. Carter voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Mr. Carter dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Mr. Carter, or his estate, as the case may be, will be entitled to the amounts described above. The agreement provides for the reduction of any "change in control" payments to Mr. Carter to the extent necessary to ensure that he will not receive "excess parachute payments" under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to him and a loss of deduction to the Corporation.

The agreement contains noncompetition covenants which generally prohibit Mr. Carter from engaging in banking activities within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania. These covenants generally extend for a period of one year after Mr. Carter's termination of employment unless his employment terminates as a result of a delivery of a notice of nonrenewal by Penns Woods and Jersey Shore State Bank, in which case these covenants end on the date the agreement terminates.

Michelle M. Karas. Ms. Karas is a party to an employment agreement with the Corporation and JSSB. The initial term of the agreement terminated on December 31, 2016 and has been renewed for an additional year. The agreement renews annually for one-year terms ending each December 31 absent notice of nonrenewal by either party. Under the terms of the agreement, Ms. Karas will receive an annual base salary of at least \$80,000, subject to discretionary increases by the Corporation and JSSB. Ms. Karas is also entitled to participate in any pension, retirement, profit sharing, stock option, incentive bonus, employee stock ownership, or other plans, benefits, and privileges available to employees and executive officers of the Corporation and JSSB.

The agreement may be terminated for cause (as defined in the agreement), in which case the parties' obligations under the agreement will cease. If the agreement is terminated without cause and there has not been a change-in-control (as defined in the agreement), then the Corporation and JSSB will continue to pay Ms. Karas's then current annual base salary for the greater of six months or the number of months remaining in the term of her employment agreement and provide Ms. Karas, at no cost to her, with continuation of health and medical benefits for the period during which he is receiving continued payments of base salary. If, following a change-in-control, the agreement is terminated by the Corporation or JSSB without cause or Ms. Karas voluntarily terminates her employment for good reason (as defined in the agreement), the Corporation and JSSB will pay Ms. Karas, in cash, within 30 days of termination, an aggregate amount equal to two times the sum of Ms. Karas's then base salary and the average of her bonus amounts over the prior three years. If during the term of the agreement, Ms. Karas voluntarily terminates employment, retires, dies, or becomes disabled (as defined in the agreement), the obligations of the parties under the agreement will cease, unless Ms. Karas dies or becomes disabled after providing notice of termination for good reason following a change in control, in which case, Ms. Karas, or her estate, as the case may be, will be entitled to the amounts described above. The agreement provides for the reduction of any "change in control" payments to Ms. Karas to the extent necessary to ensure that he will not receive "excess parachute payments" under Section 280G of the Internal Revenue Code, which would result in the imposition of an excise tax to her and a loss of deduction to the Corporation.

The agreement contains noncompete covenants which generally prohibit Ms. Karas from engaging in banking activities within twenty-five miles of 300 Market Street, Williamsport, Pennsylvania. These covenants generally extend for a period of one year after Ms. Karas's termination of employment unless her employment terminates as a result of a delivery of a notice of nonrenewal by Penns Woods and Jersey Shore State Bank, in which case these covenants end on the date the agreement terminates.

GRANTS OF PLAN-BASED AWARDS

There were no grants of equity plan-based awards to our named executive officers during the 2016 fiscal year.

The following table shows information regarding non-equity incentive awards under the Corporation's Performance-Based Bonus Plan for 2016 for Messrs. Grafmyre, Knepp, Carter, and Ms. Karas.

(For fiscal year ended December 31, 2016)

Name	Estimated Future Payouts Under Non-Equity Incentive Plan Awards (1)		
	Threshold (\$)	Target (\$)	Maximum (\$)
Richard A. Grafmyre	\$47,578	\$104,672	\$199,829
Brian L. Knepp	16,490	36,278	69,257
Aron M. Carter	7,896	17,306	33,531
Michelle M. Karas	7,072	15,500	30,031

Amounts reported are the following percentages of base salary in 2016, based on achievement of weighted target results for 2016 (i.e., return on equity, gross loan growth, growth in deposits (excluding brokered deposits), growth in core deposits, net interest margin, and net overhead as percentage of average assets), which were established as targets by the Compensation Committee under the Performance-Based Bonus Plan: Messrs. Grafmyre and Knepp - 10.0% (threshold), 22.0% (target), and 42.0% (maximum) and Mr. Carter and Ms. Karas - 7.3%, 16.0%, and 31.0%.

Awards were paid for 2016 under the Performance-Based Bonus Plan because actual performance measured against weighted performance factors resulted in performance of 143% of targeted performance goals. Cash payments made under the Plan for 2016 are included in the Summary Compensation Table under the column labeled "Non-Equity Incentive Plan Compensation." For further information on the Performance-Based Bonus Plan, see the "Compensation Discussion & Analysis" section of this proxy statement.

OUTSTANDING EQUITY AWARDS

There were no outstanding equity awards as of December 31, 2016 for our named executive officers.

OPTION EXERCISES AND STOCK VESTED

There were no options exercised by or vested for our named executive officers during the 2016 fiscal year.

NONQUALIFIED DEFERRED COMPENSATION

None of our named executive officers participate in a non-qualified deferred compensation plan.

RETIREMENT PLAN

JSSB maintains a noncontributory defined benefit pension plan for all employees hired prior to January 1, 2004, who meet certain age and length of service requirements. Benefits are based primarily on years of service and the average annual compensation earned by an employee, which is the employee's annual compensation averaged over the five highest paid consecutive calendar years within the final ten years of employment. Annual compensation is based upon the employee's W-2 wages, which includes base salary, bonus, personal vehicle mileage for certain executive officers, and life insurance coverage that exceeds \$50,000. JSSB's funding policy is consistent with the funding requirements of federal law and regulations. Plan assets are primarily comprised of common stocks and U.S. Government and corporate debt securities. The plan was amended, effective January 1, 2004, to cease eligibility for employees with a hire date of January 1, 2004 or later and the plan ceased accruing additional benefits as of December 31, 2014. Because Messrs. Grafmyre, Knepp, Carter, and Ms. Karas joined JSSB in 2010, 2005, 2013, and 2012, respectively, they are not eligible to participate in the pension plan. Employees with a hire date of January 1, 2004 or later are eligible to receive, after one year of service, an annual contribution by JSSB equal to a discretionary percentage of an employee's base compensation

into an account established for the employee under the JSSB's 401(k) plan. The accrued normal retirement benefit under the plan is determined by the following formula: 1.4% of the average annual compensation up to social security covered compensation multiplied by the credited service, plus 2% of the average annual compensation that is in excess of the Social Security covered compensation multiplied by the number of years of credited service.

POTENTIAL POST-EMPLOYMENT PAYMENTS

Each of the named executive officers would be entitled to certain contractual benefits if their employment terminates under certain circumstances preceding or following a change in control. The agreements are described under the caption "Employment and Change-in-Control Agreements" included in the Compensation Discussion and Analysis. We calculated the potential post-employment payments due to each of these named executive officers assuming each named executive officer terminated employment or a change in control occurred on December 31, 2016. Actual amounts payable can only be determined at the time of such executive's termination. The following table summarizes the potential payments to Messrs. Grafmyre, Knepp, Carter, and Ms. Karas.

AUDIT COMMITTEE REPORT

The Audit Committee of the board of directors is composed of all independent directors as defined under NASDAQ listing standards and SEC rules. The Audit Committee operates under a written charter adopted by the board of directors, a copy of which is available on our website, www.jssb.com, under Investor Relations/Financial Information/Governance Documents and is available upon request to the President.

19

The Audit Committee has reviewed our audited financial statements for the fiscal year ended December 31, 2016, and discussed them with management and our independent registered public accounting firm, S.R. Snodgrass, P.C. The Audit Committee also has discussed with our independent auditor the matters required to be discussed by Auditing Standard No. 1301, "Communications with Audit Committees" issued by the Public Company Accounting Oversight Board.

The Audit Committee has received from our independent auditor the written disclosures and letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and the Audit Committee has discussed with management and the independent accountant the accountant's independence.

Based on the review and discussions described above, the Audit Committee recommended to the board of directors that our audited financial statements for the fiscal year ended December 31, 2016 be included in our Annual Report on Form 10-K for that fiscal year for filing with the SEC.

In connection with standards for independence of our external auditors issued by the Public Company Accounting Oversight Board, during the 2017 fiscal year, the Audit Committee will consider in advance of the provision of any non-audit services by our independent accountant whether the provision of such services is compatible with maintaining the independence of our external auditors.

This report is not intended to be incorporated by reference into any filing made by Penns Woods Bancorp, Inc. with the SEC under the Securities Act of 1933 or the Securities Exchange Act of 1934.

PROPOSAL NO. 2

NON-BINDING (ADVISORY) VOTE ON EXECUTIVE COMPENSATION

In accordance with the requirements of Section 14A of the Securities Exchange Act of 1934, the Corporation is providing shareholders with a non-binding (advisory) vote on the compensation of its named executive officers.

Shareholders are being asked to approve the compensation of our named executive officers as disclosed in this proxy statement in accordance with SEC rules. These disclosures appear in this proxy statement under the "Compensation Discussion and Analysis," in the compensation tables and in the narrative discussion following the compensation

tables. Accordingly, shareholders are being asked to approve the following resolution:

“RESOLVED, that the shareholders approve, on a non-binding (advisory) basis, the compensation of the Corporation’s named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in this proxy statement.”

The vote is advisory and therefore not binding on the Corporation, any committee of the board of directors, or the board of directors. The board of directors and the Compensation and Benefits Committee of the board of directors value the opinions of shareholders and to the extent that there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, shareholder concerns will be considered and the Compensation and Benefits Committee will evaluate whether any action is necessary to address such concerns.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL, ON A NON-BINDING (ADVISORY) BASIS, OF THE COMPENSATION OF THE CORPORATION'S NAMED EXECUTIVE OFFICERS PURSUANT TO THE ABOVE RESOLUTION. The affirmative vote of a majority of all votes cast at the Annual Meeting is required to approve this advisory proposal. All proxies will be voted "FOR" this advisory proposal unless a shareholder specifies to the contrary on such shareholder's proxy card.

PROPOSAL NO. 3

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The board of directors of the Corporation has appointed the firm of S.R. Snodgrass, P.C. (the "Auditors") of Cranberry Township, Pennsylvania, as the Corporation's independent registered public accounting firm for its 2017 fiscal year. The terms of the appointment were reviewed and recommended by the Audit Committee.

Although ratification by the Corporation's shareholders is not required by our bylaws or otherwise, the board of directors is submitting the selection of the Auditors to shareholders for ratification because the Corporation values its shareholders' views on the Corporation's independent registered public accounting firm. If the Corporation's shareholders fail to ratify the selection, it will be considered as notice to the board of directors and the Audit Committee to consider the selection of a different independent registered public accounting firm. Even if the selection is ratified, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Corporation.

A representative from the Auditors is expected to be present at the Annual Meeting. The representative will be given an opportunity to make a statement if he or she desires to do so, and will be available to answer appropriate questions from shareholders.

The Auditors served as the Corporation's independent registered public accounting firm for the 2016 and 2015 fiscal years, provided assistance to the Corporation in connection with regulatory matters, charging the Corporation for such services at its customary hourly billing rates. The fees paid by the Corporation are summarized below. The non-audit services were approved by the Corporation's Audit Committee after due consideration of the effect of the performance thereof on the independence of the Auditors and after the conclusions by the Corporation's board of directors that there was no effect on the independence of the Auditors. The Auditors have advised the Corporation that none of its members have any financial interest in the Corporation.

Audit Fees

The fees for professional services incurred by the Corporation for services rendered by the Corporation's independent auditors in connection with the audit of the Corporation's financial statements for the years ended December 31, 2016 and December 31, 2015, and the review of the Corporation's Forms 10-Q for such fiscal years were \$166,430 and \$165,442, respectively. All such services were performed by permanent, full-time employees of S.R. Snodgrass, P.C.

Audit-Related Fees

Audit-Related fees for the performance of the audits of the Corporation's employee benefit plans' financial statements for the years ended December 31, 2016 and December 31, 2015, were \$19,910 and \$21,111, respectively.

Tax Fees

Tax fees for the years ended December 31, 2016 and December 31, 2015 resulting from services provided by the Corporation's independent registered public accounting firm totaled \$20,800 and \$23,500 respectively.

Other Fees

There were other fees billed to the Corporation by S.R. Snodgrass, P.C. for other services for the years ended December 31, 2016 and December 31, 2015 that totaled \$22,418 and \$28,554, respectively.

Pre-approval of Audit and Permissible Non-Audit Services

The Audit Committee of the board of directors pre-approves all audit and permissible non-audit services provided by the Corporation's independent registered public accounting firm. All of the services provided by S.R. Snodgrass, P.C. set forth above were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR RATIFICATION FOR THE APPOINTMENT OF S.R. SNODGRASS, P.C., AS THE CORPORATION'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2017 FISCAL YEAR. The affirmative vote of a majority of all votes cast at the Annual Meeting is required to ratify the appointment. All proxies will be voted "FOR" ratification of the appointment unless a shareholder specifies to the contrary on such shareholder's proxy card.

PROPOSAL NO. 4

ADVISORY (NON-BINDING) VOTE ON FREQUENCY OF SHAREHOLDER VOTES ON EXECUTIVE COMPENSATION

As described in Proposal No. 2 above, in accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, shareholders have the opportunity to cast an advisory vote to approve the compensation of the Corporation's named executive officers. This Proposal No. 4 affords shareholders the opportunity to cast an advisory vote on how often the Corporation should include a say-on-pay proposal in the proxy materials for future annual shareholder meetings or any special shareholder meeting for which the Corporation must include executive compensation information in the proxy statement for that meeting (a so-called "say-on-pay frequency proposal"). Under this Proposal No. 4, shareholders may vote to have the say-on-pay vote every year, every two years, or every three years.

Shareholders voted on a similar proposal at the annual meeting of shareholders held in 2011 with the most votes cast to hold the say-on-pay vote every two years, and a significant number of votes also cast for holding the say-on-pay vote each year. After consideration, the board of directors recommends that future shareholder say-on-pay votes be conducted each year. The board values constructive input from shareholders regarding the Corporation's compensation philosophy, policies and practices, and believes it is important that such policies and practices are aligned with the best interests of shareholders. An annual say-on-pay vote will provide the board and Compensation Committee with useful information about these important matters on the most frequent basis.

As an advisory vote, this proposal is not binding on the Corporation, the board of directors, or the Compensation Committee. The Compensation Committee and the board, however, value the opinions expressed by shareholders in their votes on this proposal and will consider the outcome of the vote when making future decisions regarding the frequency of conducting a say-on-pay vote.

It is expected that the next vote on a say-on-pay frequency proposal will occur at the 2023 annual meeting of shareholders.

Shareholders may cast their advisory vote to conduct advisory votes on executive compensation every "1 Year," "2 Years," or "3 Years," or "Abstain."

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ONE YEAR FREQUENCY ALTERNATIVE. A plurality of the votes cast will determine the shareholders' preferred frequency for holding an advisory vote on executive compensation. This means that the option for holding an advisory vote every one year, two years, or three years receiving the greatest number of votes will be considered the preferred frequency of the shareholders. All proxies will be voted for the one year frequency unless a shareholder specifies to the contrary on such shareholder's proxy card.

SHAREHOLDER PROPOSALS FOR 2018 ANNUAL MEETING

Applicable SEC regulations permit shareholders to submit proposals for consideration at annual meetings of shareholders. Any such proposals for Penns Woods' Annual Meeting of Shareholders to be held in 2018 must be submitted in writing to the President of Penns Woods Bancorp, Inc., at its principal executive office, 300 Market Street, Williamsport, PA 17701, on or before November 24, 2017, and must follow the procedures required by SEC Rule 14a-8 in order to be included in proxy materials relating to that meeting.

A shareholder proposal submitted after November 24, 2017, or which does not otherwise meet the requirements of the SEC, will not be included in Penns Woods' proxy statement for the annual meeting to be held in 2018, but may be presented for consideration at the annual meeting, if submitted to the Secretary of the Corporation not less than ninety (90) days or more than one hundred fifty (150) days prior to the annual meeting, which proposal must contain certain information required by the bylaws. If the shareholder intending to present such a proposal has not provided Penns Woods written notice of the matter on or before January

25, 2018, the proxy holders of the board of directors will have discretionary authority to vote on such proposal at the meeting. However, if the date of the 2018 annual meeting is changed more than 30 days from April 25, 2018, the anniversary of the 2017 annual meeting, the deadline for delivery notice to the Corporation which would restrict the proxy holders of the Board of Directors from exercising discretion would be a reasonable time before Penns Woods distributes its proxy materials, assuming the notice complies with the requirements of the bylaws.

CERTAIN TRANSACTIONS

NASDAQ rules require that we conduct an appropriate review of related party transactions for potential conflict of interest situations on an ongoing basis, and all such transactions must be approved by our Audit Committee or another independent body of the Board of Directors.

Our Code of Ethics and Conflicts of Interest Policy requires all directors, officers, and employees who may have a potential or apparent conflict of interest to notify our Human Resource Director. A potential conflict exists whenever an individual has an outside interest - direct or indirect - which conflicts with the individual's duty to the Corporation or any of its affiliates or adversely affects the individual's judgment in the discharge of his or her responsibilities. Prior to consideration, full disclosure of all material facts concerning the relationship and financial interest of the relevant individuals in the transaction is required. The Code of Ethics and Conflict of Interest Policy is available for review by contacting the President.

To identify related party transactions, each year, we submit and require our directors and officers to complete Director and Officer Questionnaires identifying any transaction with us or any of our subsidiaries in which the officer or director or their family members have an interest.

There have been no material transactions, or any material transactions proposed, between the Corporation and Banks and any director or executive officer of the Corporation and the Banks, or any associate of the foregoing persons. The Corporation and the Banks have had, and intend to continue to have, banking and financial transactions in the ordinary course of business with directors and officers of the Corporation and their associates on comparable terms and with similar interest rates as those prevailing from time to time for persons not related to or associated with the Corporation.

Total loans outstanding from the Banks at December 31, 2016 to the Corporation's officers and directors as a group and members of their immediate families and companies in which they had an ownership interest of 10% or more was \$8,877,000, or approximately 6.42% of the total equity capital of the Corporation. Loans to such persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to the Corporation, and did not involve more than the normal risk of collectability or present other unfavorable features.

ANNUAL REPORT

A copy of the Corporation's Annual Report and Form 10-K for its fiscal year ended December 31, 2016 is enclosed with this proxy statement.

OTHER MATTERS

The board of directors of the Corporation is not aware that any other matters are to be presented for action, other than the matters described in the accompanying Notice of Annual Meeting of Shareholders. Because the Corporation has not received notice of any other matters to be presented for action at the meeting, if any other matters properly come before the Meeting, or any adjournments thereof, the proxy holders are authorized to vote thereon at their discretion.

All directors of the Corporation are expected to attend the Corporation's Annual Meeting of Shareholders. In 2016, twelve directors attended the Annual Meeting of Shareholders.

Shareholders may communicate directly with the Board of Directors of the Corporation by contacting the Corporation's President & Chief Executive Officer, Richard A. Grafmyre, 300 Market Street, Williamsport, PA 17701 (570-322-1111).
