Explanatory Note

This Form 8-K/A is being filed as an amendment to the report on Form 8-K filed by Old Republic International Corporation (“ORI” or the “Company”) with the Securities and Exchange Commission on June 1, 2011 (the “Original Filing”). That Original Filing reported on the voting on matters considered by the shareholders at ORI’s Annual Meeting. The sole purpose of this amendment is to disclose the Company’s decision regarding the frequency of future advisory votes on executive compensation. No other changes have been made to the Original Filing made by the Company.

Item 5.07. Submission of Matters to a Vote of Security Holders

On May 27, 2011, the shareholders of ORI conducted a non-binding advisory vote on how frequent future advisory votes on executive compensation should be held. The majority of ORI shareholders recommended that the Company hold an annual advisory vote on executive compensation. After considering this vote, the Board of Directors of ORI decided that the Company will hold future advisory votes on executive compensation on an annual basis until the Company next considers this issue. It is anticipated that the Company’s shareholder shall again vote on the frequency of shareholders votes on executive compensation no earlier than 2014 and no later than 2017.

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned thereunto duly authorized.
